

RANGE ROVER EVOQUE

ABOVE AND BEYOND

RANGE ROVER EVOQUE NEW ADDITIONS FOR 2015

RANGE ROVER EVOQUE AUTOBIOGRAPHY

Ever since its inception, Range Rover Evoque has caused a stir. Beautifully poised with striking design cues, the new Autobiography model takes the plaudits further. New exterior features include a premium grille with bright surround and Atlas highlights on the front bumper. The distinctive exterior is complemented perfectly by the contemporary interior where a choice of six colourways and premium standard equipment help create a stylish space.

InControl™ Apps*

Land Rover InControl™ Apps enables you to use vehicle optimised smartphone apps on the vehicle's Touch-screen. Using the InControl Apps USB port you can enjoy a variety of vehicle optimised apps such as: Contacts, Calendar and Music Player, with more third party vehicle optimised apps being released over time. Your smartphone will also be re-charged whilst using InControl Apps.

SPECIFICATION

Page 24

With its striking lines, muscular shoulders and tapered roof, Range Rover Evoque sets itself apart from its contemporaries. Whether discovering hidden parts of town or being seen in all the right places, it's always ready for action.

Range Rover Evoque Coupé's profile is as dynamic and athletic as the drive itself. With Land Rover capability at its heart, the vehicle can tackle all terrains with ease, be it cobbled mews, snowy roads or rocky tracks.

Innovative Xenon lighting with LED signature blazes a clear trail in all conditions and add to the vehicle's dramatic presence and look. Its sleek wing mirrors feature 'hidden-til-lit' side indicators.

The full-size panoramic roof lets light flood into the cabin and allows everybody inside to experience everything outside. The rear bench seat has ample space for three adults, ensuring the city is always fun to explore.

The five-door vehicle, with the same athletic design and with unparalleled accessibility, has all the form and capability of the Coupé but in a design to match your needs. It combines extra versatility and practicality for city life while remaining true to the original concept.

Range Rover Evoque was born to live. The optional Adaptive Dynamics system monitors your driving style 1,000 times per second to give a smoother ride no matter what the occasion. And its class-leading nine-speed automatic transmission delivers greater control with improved fuel economy.

The signature Land Rover Sports Command Driving Position ensures you benefit from a greater view of the road ahead. So whatever the city throws at you, you're in the right place to tackle it with confidence.

Mood lighting adds to the distinct ambiance, with a choice of five colours and a variety of brightness settings. No matter what the light is outside, it's always as you like it inside.

Surround yourself in contemporary, award-winning design. The quality of the materials is emphasised by the clean treatment of the interior surfaces: Range Rover Evoque features twin-stitch leather and highly finished dials, together with a range of finishers and special details to help create your own individual space.

More than just a pretty face, Range Rover Evoque features a suite of optional intuitive technologies such as Meridian™ Surround Sound System, Hard Disk navigation and Dual View Touch-screen. Don't simply explore with confidence, stay entertained.

While the vehicle makes a big impact in the city, the impact on the planet is minimised. With 16kg of recycled plastic and 21kg of renewable and natural materials in each car, it's taking big steps to reduce its environmental footprint.

Lightweight downsized four-cylinder turbocharged engines offer significantly reduced CO₂ emissions and improved fuel efficiency.

NOW IT'S TIME TO CHOOSE...

Range Rover Evoque offers you great options and flexibility to personalise your vehicle. The following pages take you through a logical series of steps to make it a true expression of your individuality. You have several choices: from selecting your engine and model to exterior and interior colours, wheels, finishes and those detailed touches that define your style.

If you'd like to bring your options to life, go to our online configurator at landrover.com

Step 1

Choose your engine

STEP 5 CHOOSE YOUR INTERIOR

PARTIAL GRAINED LEATHER

FULL GRAINED LEATHER

OXFORD LEATHER

Range Rover Evoque's contemporary interior combines sophisticated finishers, real metallic trims and distinctive colourways for a fresh, modern look and feel. And you can choose from a choice of partial or full Grained leather seats or the luxury of Oxford leather. Details include twin-needle stitching, where even the length and direction, thread colour and strength are considered.

STEP 5 CHOOSE YOUR INTERIOR

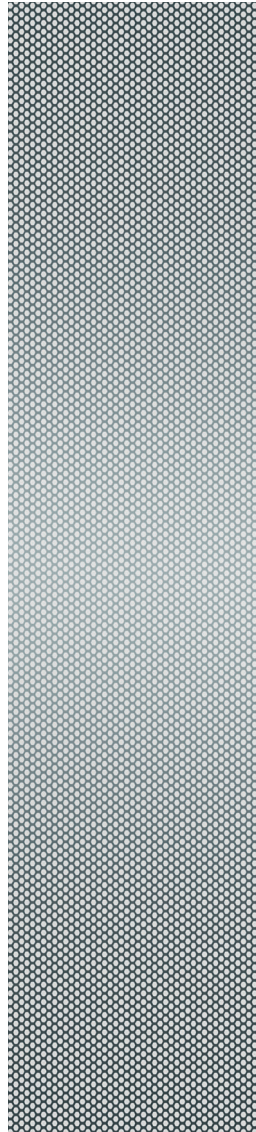

The softest of leathers, the most meticulous of finishes

The interior is upholstered in the finest natural materials. The warmth of wood veneers, superb metal finishes and soft leathers combine to create a sense of home. The attention to detail is everywhere you look and in everything you touch. The type of leather is determined by model choice as outlined in the following pages.

STEP 5 CHOOSE YOUR INTERIOR – TRIM FINISHER AND VENEER CHOICES

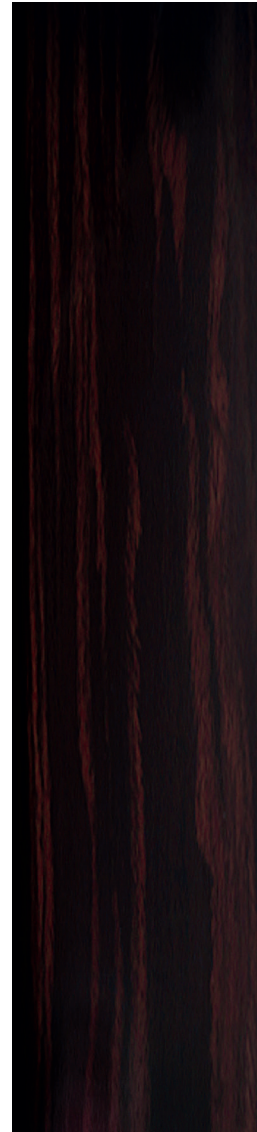

SATIN BRUSHED ALUMINIUM TRIM FINISHER

TEXTURED ALUMINIUM TRIM FINISHER

BOTANICAL ALUMINIUM TRIM FINISHER

FIGURED MACASSAR WOOD VENEER

DARK GREY OAK WOOD VENEER

GLOSS BLACK STRATA WOOD VENEER

STEP 5 CHOOSE YOUR INTERIOR – DYNAMIC PLUS PACK

For an even more distinctive look and feel, the optional Dynamic Plus interior package offers four sports-themed design variants. Unique sports seats or premium climate seat options are available in a full Oxford leather interior with electric driver and passenger adjustment. Height, tilt and lumbar support can all be easily fine-tuned to suit individual preferences.

PREMIUM SEAT

SPORT SEAT

INTERIOR REAR SEAT OPTIONS

Bench seat

Sports orientated twin seats*

Range Rover Evoque models are all available with a rear bench seat on both Coupé and five-door options. Naturally, the rear seats and cabin space are thoughtfully planned to ensure a truly relaxed and comfortable ride and Range Rover Evoque Coupé offers the further option of sportier twin seats.

*Available in Coupé only.

KEY FEATURES

Blind Spot Monitor with Closing Vehicle Sensing

These systems are designed to see what you might miss. Using discrete sensors hidden in the side and the rear bumpers, Blind Spot Monitoring alerts you via an icon displayed in the appropriate door mirror when a vehicle enters a blind spot on either side of your vehicle.

If a vehicle approaches at speed from behind when changing lanes, the Closing Vehicle Sensing function will alert you to the potential dangers by flashing the icon in the door mirror.

Reverse Traffic Detection

Activated whilst reversing, this system works by informing the driver in the event of a vehicle approaching from either side which may present a hazard, with both audible and visual warnings.

Active Driveline

The Active Driveline delivers benefits in both on and off-road situations, for petrol drivetrains. In many on-road driving conditions, the system is able to disconnect drive to the rear of the vehicle, providing maximum two-wheel drive fuel economy. A sophisticated control strategy continuously monitors key vehicle and environmental parameters. If the requirements for four-wheel drive are met, the system seamlessly and imperceptibly reconnects the four-wheel drive system within 300 milliseconds.

Parallel, Parking Exit and Perpendicular Parking

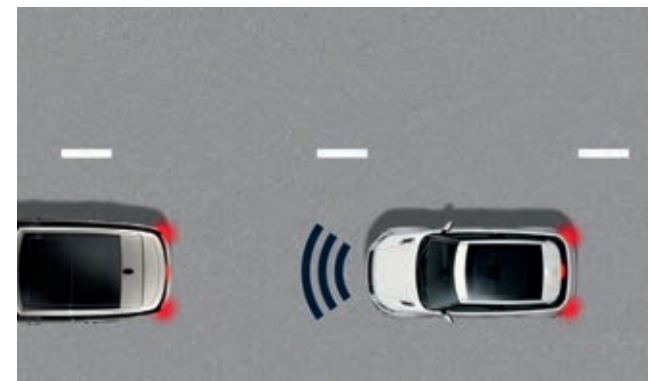

Parallel Park identifies suitable parking spaces and automatically steers into the space whilst you operate the pedals. Parking exit provides the same assistance to manoeuvre out of the space.

Perpendicular Park is an optional addition to the system. Truly useful in car parks and tight spaces, it automatically assesses whether the chosen space is wide enough before steering the vehicle centrally into place as the driver operates the pedals.

Nine-speed Automatic Transmission

Range Rover Evoque now features a class-leading nine-speed automatic transmission, 7.5kg lighter than the previous six-speed model. You will benefit from notable improvements in both fuel economy and CO₂ emissions as well as greater control in low-grip conditions or when towing through the specially-designed, ultra-low first gear.

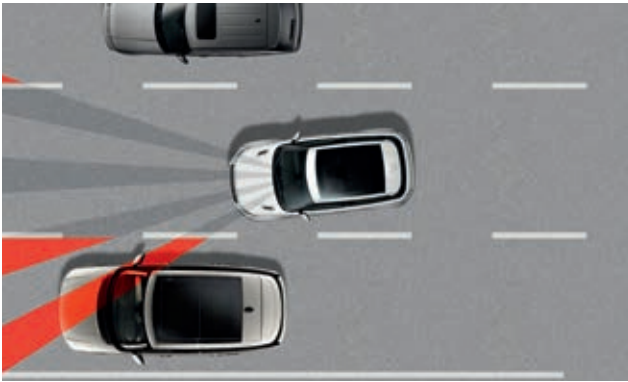

Adaptive Cruise Control*

Adaptive Cruise Control (ACC) is a radar based cruise control system that helps maintain a pre-set gap from the vehicle in front, even if it changes speed. Discretely mounted behind the front grille, it detects and monitors the vehicle's front and sets the most appropriate speed. Queue Assist adds to ACC functionality by ensuring the vehicle comes to a halt when it reaches a traffic queue. Intelligent Emergency Braking uses radar to detect vehicles travelling in the same direction and automatically reduces impact speed if it calculates that a frontal collision is unavoidable.

*When Adaptive Cruise Control is specified, the grille is always painted Santorini Black regardless of other trims.

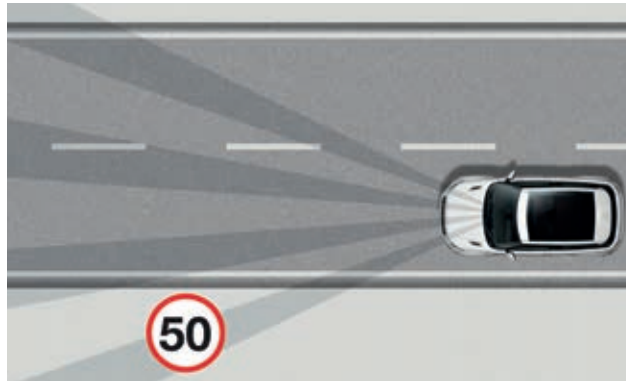

Visit landrover.com for more information.

KEY FEATURES

Lane Departure Warning

A forward-looking camera mounted ahead of the rear view mirror monitors the lane markings on both sides of the vehicle and gives the driver a warning when the vehicle drifts out of its lane without the indicators being triggered. The alert comes in the form of a discrete vibration through the steering wheel, allowing the driver to take the appropriate action.

Traffic Sign Recognition

This system scans the road ahead for certain traffic signals and displays them in the Message Centre in the instrument pack. The following signs are detected: speed limit signs, no-overtaking signs, variable overhead speed signs and traffic signs with extra information – such as reduced speeds for wet roads. The system can be configured to provide speed alert warnings when the vehicle is travelling at or above the current speed limit, as well as warning of no-overtaking zones.

Surround Camera System

Using five digital cameras mounted around the vehicle, this system provides an all-round view of your surroundings on the full-colour Touch-screen, assisting in tight manoeuvring. When towing, it provides additional information to aid with reversing.

Adaptive Xenon Headlamps

With their signature design, these distinctive LED lights combine distinctive looks with real capability. Adaptive Xenon lights swivel to follow the road while static bending lamps follow the kerb to give the driver greater confidence at night.

Powered Tailgate

The tailgate can be opened using the key fob, a switch on the fascia or operated independently using a button on the tailgate itself. A button located inside the tailgate allows the tailgate to be closed automatically.

Wade Sensing™

Designed to aid you when the vehicle is wading, sensors in the door mirrors provide real-time information including the depth of the water and the vehicle's maximum wading capability.

Interior Mood Lighting

With five colours and several brightness configurations to choose from, you can now select the interior lighting to suit your mood and create the perfect atmosphere.

Dual View Touch-Screen

This technology enables both the driver and front passenger to view independent display content via the Touch-screen. For example, while the driver is guided by the navigation system, the front seat passenger can watch a DVD.

Audio

The Meridian™ Sound System delivers superb acoustics and is noted for its excellent reproduction quality from all sources – radio, CD, iPod® or USB. The optional Meridian Surround Sound System features 17 speakers including a subwoofer for full surround sound.

Climate Front Seats

For the ultimate comfort whatever the temperature, Climate Front Seats are now available. This option provides both heated and cooled ventilation through perforations in the Oxford leather seats. Driver and passenger preferences can be independently controlled via the Touch-screen.

Rear Heated Seats

Heated rear seats are available with both the bench seat (outer seats heated) and the twin rear seats on Coupé, the system has three heating levels that can be set via switches on the rear of the centre console.

InControl™ Apps*

Land Rover InControl™ Apps enables you to use vehicle optimised smartphone apps on the vehicles touch-screen. Using the InControl Apps USB port you can enjoy a variety of vehicle optimised apps such as: Contacts, Calendar and Music Player, with more third party vehicle optimised apps being released over time. Your smartphone will also be re-charged whilst using InControl Apps.

*This feature is not available in all markets. Please consult your local Land Rover Dealer for details. iPod® is a registered trademark of Apple Inc., registered in the US and other countries.

ACCESSORIES

Side Steps*
VPLVP0255 – Pure and Prestige
VPLVP0208 – Dynamic

The Evoque's side steps, complete with a rubber tread mat and brushed stainless steel trim, provide easy access to the vehicle's cabin and aids access to the roof. With laser etched Range Rover branding and exterior bright work, they truly complement the vehicle's striking lines and confident stance.

Side Tubes*
VPLVP0184 – Pure and Prestige (Shown above)
VPLVP0202 – Dynamic

Manufactured from stainless steel with a highly polished finish, this product helps protect the vehicle in off-road conditions.

Vehicle Decals

Adhesive vehicle side decals with bonnet wrap around feature. Available in six decal colours to customise your vehicle. For the full range of colour choices and designer's choices guide please visit accessories.landrover.com

Contrast Mirror Covers

The mirror covers are supplied in a primed condition to your authorised Land Rover dealer to be painted your chosen colour.

Carbon Fibre Mirror Covers
VPLVB0145

High-grade Carbon Fibre Mirror Covers provide elegant hints of performance and power.

Carbon Fibre Side Vents
VPLVB0112

Stunning high-grade Carbon Fibre Side Vents with a high gloss finish provides a performance-inspired styling upgrade. Supplied as four pieces.

Carbon Fibre Bonnet Louvres**
VPLVB0113

Complementary high-grade Carbon Fibre Bonnet Louvres with a high gloss finish. Supplied as a pair.

*Fitting of side steps or side tubes may effect the off-road capability of the vehicle.
**Only available on Coupé models.

ACCESSORIES

Sports Exhaust Finishers
VPLVB0107

Premium polished Sports Exhaust finishers accentuate the vehicle's performance.

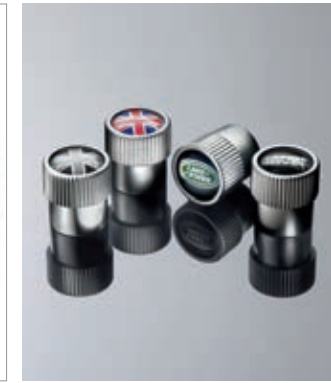

Front Mudflaps
VPLVP0065 – Pure and Prestige models (shown above)
VPLVP0066 – Dynamic models

Rear Mudflaps**
VPLVP0069 – Pure and Prestige models (shown above)
VPLVP0070 – Dynamic models
Mudflaps to reduce spray and help protect paintwork.

Range Rover Centre Cap
Range Rover branded alloy wheel centre cap.

Styled Valve Caps

There is an exclusive range of styled valve caps providing choice of Range Rover and Land Rover branded caps, Union Jack, Black Jack and Nitrogen designs. These provide a subtle styling enhancement.

**20 INCH FORGED NINE-SPOKE
'STYLE 901'
WITH GLOSS BLACK FINISH*

**20 INCH FORGED NINE-SPOKE
'STYLE 901' WITH
TECHNICAL GREY FINISH*
VPLV0075**

**20 INCH FORGED NINE-SPOKE
WITH FUJI WHITE FINISH*
VPLVW0074**

*Rim only. Centre caps available separately.

**Not applicable with Perpendicular Parking.

*Available for Pure vehicles only.

†Requires Loadspace Luggage Rails – VPLVS0102 when not fitted as standard.

Loadspace Rubber Mat
VPLVS0091

Waterproof with retaining lip and non-slip surface.

Loadspace Treadplate*
LR039098

Range Rover Evoque stainless steel loadspace treadplate finisher.

Rigid Loadspace Protector (shown above)
VPLVS0089

Easy access to tie-down points where fitted.

Cargo Barrier Full Height (shown above)
VPLVS00221 – Coupé models only
VPLVS00220 – Five-door models only

Cargo Barrier Half Height
VPLVS0219 – Coupé models only
VPLVS0218 – Five-door models only

Rear Bumper Protection Cover
VPLVS0179

Provides protection to the bumper, while loading and unloading.

Luggage Net
LR003852

Secures to rear of second row seating.

Social Seating**
VPLVS0101

Fold out seating for outdoor use. Stows neatly away in the loadspace. Maximum deployed weight capacity 200kg.

ACCESSORIES

Luggage Retention Kit*
VPLVS0125

To secure luggage within the loadspace. Includes both flexible and rigid luggage retainers.

Rechargeable Torch
VPLVS0174

High powered rechargeable torch supplied with integrated charging dock which is mounted into the loadspace trim. The torch features an impressive 300 lumen light output in a hard wearing black anodised aluminium body.

Sports Pedal Covers
VPLHS0044 – Automatic transmission vehicles (shown above)
VPLHS0045 – Manual transmission vehicles
Sports Footrest
VPLV50178

Centre Armrest Cooler/Warmer Box
VPLVS0176

This convenient drink and food cabinet is ideal for use on long journeys and can also be used as a rear centre armrest.

Coat Hanger
VPLVS0167

Rear seat facing, attaches to the head restraint posts. Maximum load capacity 3kgs.

Seatback Stowage – Premium Leather (shown above)
VPLVS0182

Manufactured from the finest materials with soft touch interior lining and magnetic button clasps, this convenient stowage system for the rear of the front seats provides multiple compartments for stowing small items.

Seatback Stowage – Standard
VPLVS0181

iPad® Holder
VPLVS0165 – iPad®**
VPLVS0164 – iPad® 1

Provides secure mounting for your iPad®. Rear seat facing, attaches to the head restraint posts.

*Requires Loadspace Luggage Rails – VPLVS0102 when not fitted as standard.

**Compatible with 2nd, 3rd and 4th generation iPad®. Not compatible with iPad Air®. iPad® is a registered trademark of Apple Inc., registered in the US and other countries.

†Leather top cover is required with Drive Select Rotary Shifter.

Premium Carpet Mat
 VPLAS0202PVJ – Ebony (shown above)
 VPLAS0202AAM – Espresso
 VPLAS0202LAA – Lunar
 Deep pile carpet with waterproof backing.

Rubber Mat Set
 LR045097
 Range Rover Evoque branded rubber mat helps protect the driver and passenger footwell carpet. Waterproof and non-slip surface.

Illuminated Treadplates
 Illuminates 'RANGE ROVER' when the driver or passenger door is opened.
 Available with Coupé:
 VPLVS0078PVJ – Ebony
 VPLVS0078AAM – Espresso
 VPLVS0078LAA – Lunar
 Available with five-door:
 VPLVS0079PVJ – Ebony (shown above)
 VPLVS0079AAM – Espresso
 VPLVS0079LAA – Lunar

Gearshift Paddles
 VPLVS0187MMU – Aluminium
 VPLVS0187CAY – Red
 These Gearshift Paddles are machine polished, anodised and hand brushed to provide exceptional wear resistance with a premium finish.

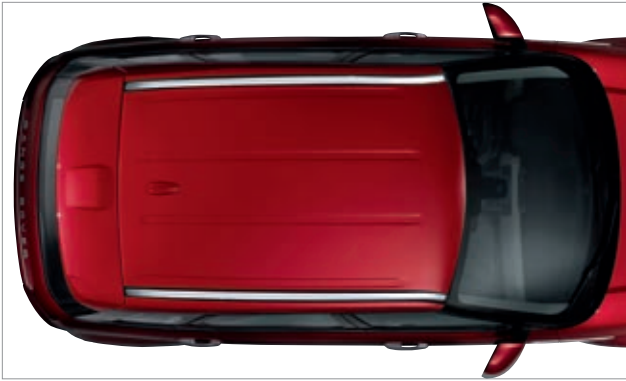

Drive Select Upgrade
 VPLVS0180 – Rotary Shifter Red Finish

 VPLSS0143PVJ – Leather Top Cover*

Union Jack Treadplates
 Union Jack treadplates add unique style to your vehicle.
 Available with Coupé:
 VPLVS0185PVJ – Ebony
 VPLVS0185AAM – Espresso
 VPLVS0185LAA – Lunar
 Available with five-door:
 VPLVS0184PVJ – Ebony
 VPLVS0184AAM – Espresso
 VPLVS0184LAA – Lunar

ACCESSORIES

Roof Rails Silver Finish*
VPLVR0085

Maximum permissible load capacity 75kg.** Roof Trim finisher is required for fitment. Vehicle height when fitted: Coupé 1,609mm/five-door 1,640mm.

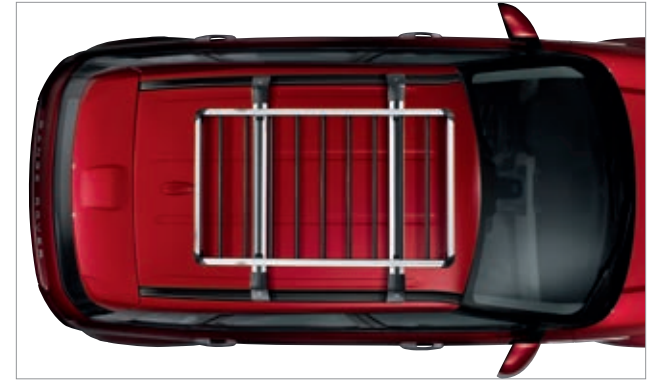

Silver Roof Trim Finisher
VPLVR0088 – Solid Roof
VPLVR0089 – Panoramic Roof

Roof Rails Black Finish*
VPLVR0086

Maximum permissible load capacity 75kg.** Roof Trim finisher is required for fitment. Vehicle height when fitted: Coupé 1,609mm/five-door 1,640mm. Crossbars not included.

Black Roof Trim Finisher
VPLVR0087 – Solid Roof
VPLVR0090 – Panoramic Roof

Crossbars*
VPLVR0073

Vehicle height when fitted: Range Rover Evoque 1,720mm /Range Rover Evoque Coupé 1,697mm. Adjustable position crossbars. Aerodynamic profile designed to minimise drag and noise. Lockable for security. Roof Rails not included. Maximum payload 71.8kg.**

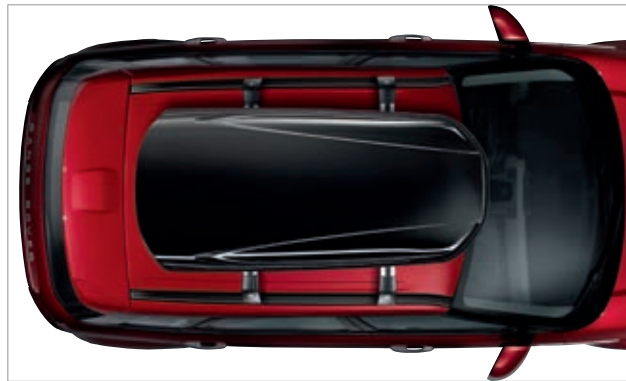

Luggage Carrier*
LR006848 (also shown)

This flexible rack system offers up to a 75kg load carrying capacity.

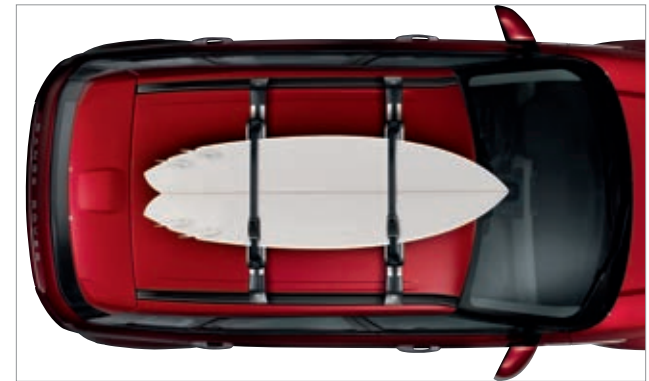

Ski/Snowboard Holder*
LR006849

Carries four pairs of skis or two snowboards. Lockable for security. Incorporates slider rails for easy loading. Maximum payload 36kg.**

Luggage Box*
VPLVR0062

Gloss Black finish. Opens from both sides. Lockable for security. External dimensions: 1,750mm long, 820mm wide, 450mm high. Volume 410 litres. Maximum payload 68kg.**

Aqua Sports Carrier*
VPLGR0107

Carries one surfboard, sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry a mast, oars or paddles. Tilts to facilitate easy loading/unloading. Features lockable straps and rubber supports to maintain optimum weight distribution whilst protecting the kayak and vehicle from scratches/scuffs. Load capacity 45kg.

*Roof Rails and Crossbars or Sports Bars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation system, if fitted.

**Maximum payload equals the load capacity of the roof mounted accessory.

†This accessory is not suitable for caravans, trailers or lighting boards fitted with rear mounted LED lamp kits.

‡13 Pin Towing Electrics must be fitted.

Roof Mounted Bike Carrier
VPLVR0067

Lockable bike carrier designed for holding a single bike.

Tow Bar Mounted Bike Carrier
VPLVR0067 – Two Bike Carrier
VPLVR0069 – Three Bike Carrier

This lockable quick release mechanism conveniently folds to ensure easy access to the tailgate. The carrier is manufactured from lightweight material and includes lighting and licence plate mount. Maximum load capacity 40kg for two bike carrier and 51kg for three bike carrier.

13 Pin Towing Electrics
VPLHT0061

European style towing electrics, capable of supplying all trailer rear lighting and interior equipment power.

12N/12S Type Towing Electrics Adapter^{†A} (shown above)
VPLHT0060

12N Moulded Adapter^{†A}
VPLVT006476t

Fixed Height Flanged Tow Bar
VPLVT0101

Range Rover Evoque bolt-on flanged tow ball system.

Fixed Height Swan Neck Tow Bar
VPLVT0102

Fixed position swan neck tow bar which can tow a trailer with a 2,000kg load capacity.

Quick Release Tow Bar
VPLVT0100

The quick release tow bar is lockable for security and easily removed.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealer within one month or 1,600 kilometres/1,000 miles (whichever ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealer who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealer. Distributors and dealerships are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.
