Designed and Engineered by Special Vehicle Operations, Land Rover's centre of excellence for bespoke commissions, luxury editions and performance models, Range Rover Sport SVR goes even further. This newest addition to the line-up builds on Range Rover Sport's capabilities and creates a performance SUV that is more exhilarating. This is immediately apparent in the design, with the vehicle's muscular, broad shouldered stance being the perfect complement to its increased performance and handling. New larger air intakes in the front bumper promote even greater airflow to the two charge air coolers and the new rear spoiler increases downforce at high speeds.

OVERVIEW

SPECIFICATION

More bold design cues than any other Land Rover, Range Rover Sport SVR is thrilling in every sense. Engineered using Land Rover's all-aluminium monocoque body shell technology, SVR has been built on a strong, stiff structure, yet the vehicle's lightweight architecture leads to greater performance. Confident and composed, the vehicle simply demands to be driven.

Everything about Range Rover Sport SVR has been elevated to another level. The switchable Active Sports Exhaust system features a two-stage active exhaust with electronically controlled valves. This delivers a throaty sound that incorporates purposeful modulated pulsing at lighter throttle openings and allows a greater flow through all four exhaust pipes as the valves open with increasing engine speed. This enhances the sound even further without any abrupt change of character. Added to which, a symposer enriches the engine note for an even greater sense of exhilaration.

Range Rover Sport SVR goes from 0-60mph in 4.5 seconds. It has a top speed of 162mph. Its 5.0 litre Supercharged V8 Petrol engine delivers 550hp and 680Nm. This breathtaking increase in performance has been enabled by a recalibration of the engine and its management system to increase maximum available boost pressure. An enhanced eight-speed transmission with sharper, faster gearshifts has also been incorporated. This creates a more immediate connection to the vehicle, helping to make it the most powerful and quickest Land Rover ever.

Specialist engineers have tuned the vehicle's chassis for even more agile responses and complemented it with independent suspension. By monitoring the vehicle's movements at least 500 times a second, Adaptive Dynamics also adds greatly to the drive. This is achieved by adjusting damping forces in response to changing road-surface conditions and the way you drive. The vehicle's Anti-Roll Control has also been tuned for faster, flatter cornering and its revised Electric Power-Assisted Steering system delivers a more engaged feeling at speed.

The stylish cabin has been designed around the driver. The 16-way Sports powered seats – with memory and SVR debossing in the upper bolster – are in the softest Oxford Perforated leather. A choice of four colourways enables you to personalise the space to your taste. Whilst deft touches such as optional Carbon Fibre finishers add greatly to the look. Sit behind the wheel and you'll know why Range Rover Sport SVR takes the performance SUV to its most rounded and compelling level yet.

## STANDARD FEATURES

### Engine Transmission, Suspension and Driving Dynamics

- Eight-speed Automatic transmission with CommandShift® 2
- V8 Supercharged Petrol Engine 550hp
- Noble Plated Paddle Shift
- Twin Speed Transfer Box (High/Low Range)
- Terrain Response® 2
- Adaptive Dynamics
- Dynamic Response™
- Dynamic Program
- Torque Vectoring.

### Exterior Features and Finishers

- SVR badge
- 20 inch Blue Brembo® branded brake calipers
- Metal roof (Panoramic Roof is a 'no cost option')
- Laminated front door, toughened rear door and quarter light glass
- Heated windscreen
- Power adjustable, heated powerfold exterior mirrors with approach lamps
- Xenon headlamps with LED Signature
- Automatic High Beam Assist (AHBA)
- Premium metallic paint
- 3000kg towing capability
- Body coloured roof (Black contrast roof is a 'no cost option')
- Painted side sills and bumpers
- Bright quad tailpipes
- 21 inch five split-spoke 'Style 517' alloy wheels
- Tyre Repair System
- Locking wheel nuts
- Tyre Pressure Monitoring System (TPMS).

### Seating, Interior Features and Finishers

- Oxford Perforated leather with SVR pattern (Duo tone)
- 'Style 9' - 16-way / 16-way SVR Sports powered seats with memory
- 60:40 folding rear seats
- Heated front and rear seats
- Leather heated steering wheel
- Single blade sunvisor
- Auto dimming interior mirror
- Three-zone climate control
- Customer configurable interior mood lighting
- Power adjustable steering column (entry and exit tilt away with reach / rake on steering wheel)
- Dark Engine Turned Aluminium Trim finisher
- Front and rear premium carpet mats
- Stainless steel sports pedals
- Illuminated Aluminium treadplates with Range Rover lettering
- Alston Headlining (Cirrus, Ivory and Ebony dependant on colourway)
- Non smokers pack (stowage bin).

### Safety and Security

- Volumetric Alarm (includes plus tilt sensor and battery backed sounder and all perimetric features).

### Convenience and Loadspace Features

- Front Parking Aid
- Rear view camera
- Adaptive Cruise Control (ACC) with Queue Assist, Intelligent Braking and Active Seat Belts
- Keyless entry
- Power single piece tailgate.

### Infotainment

- Meridian Surround Sound Audio System (825W) with 19 speakers
- Digital Audio Broadcast Radio (DAB)
- Hard Disk navigation system
- Bluetooth® phone connection
- TFT virtual instrument panel
- Land Rover InControl™ Remote for warranty period
- Land Rover InControl™ Secure for warranty period.

**IMPORTANT NOTICE:** Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Dealerships are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealership.

The results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle for which this information is supplied. Vehicles are not individually tested, and there are inevitably differences between individual vehicles of the same model. In addition, the vehicle may incorporate particular modifications that affect its fuel consumption.

Furthermore, the driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance will all affect its fuel consumption.

Castrol EDGE Professional exclusively recommended by Land Rover.
