Discover what tailor-made solutions Audi Genuine Accessories has in store for you.

IN Q 7001

An endurance test over thousands of kilometres. Nothing but good vibrations.

Driving along a road in a poor condition in the Audi Q7? No problem. Even if your vehicle is equipped with the bicycle carrier for the trailer towing hitch, for example, there is no reason for concern. The transport solutions from Audi Genuine Accessories are designed for such situations and are laboratory-tested by Audi. The hydro-pulse test simulates a real journey using a special test bench. During this test, both the entire vehicle and the equipped accessories are subjected to an endurance test over thousands of kilometres of poor road conditions. All transport solutions from Audi Genuine Accessories – such as the bicycle carrier for the trailer towing hitch or the carrier unit – have passed these tests, alongside numerous other tests, with flying colours. This claim means that you can rely on Audi Genuine Accessories – even on difficult terrain.

Comfort and protection.

Leaving a lasting good impression: the extensive equipment for comfort and protection.

The Audi Q7 sets benchmarks in many respects. Progressive design. Compelling performance. Innovative technology. Plus dynamics that delight, produced by powerful and efficient TFSI and TDI engines. Performance that reaches new levels, allowing you to get a head start on every journey.

But that is not enough. The extensive range of Audi Genuine Accessories provides you with the opportunity to adapt your Audi Q7 even more precisely to your individual needs. On the following pages, you will discover how you can lend a personal touch to your Audi Q7.

Sport and design

More than simply individual: Unique.

The Audi Q7 is the epitome of quattro, brought to life in a progressive form. Powerful and striking. There is only one benchmark for true greatness: you. You define your own unique idea of a sporty appearance – with the sport and design equipment from Audi Genuine Accessories. To realise this goal, items such as cast aluminium wheels in 10-arm talea design are available. Design can be great – even in the smallest details: The metal valve caps with embossed Audi logo are to be admired. True greatness is everywhere – all the way down to the fine points.

01 Cast aluminium wheels in 10-arm talea design, Matt Black*

A wheel in an extraordinary design. In size 9.5 J x 21 for 285/40 R 21 tyres.
