DESIGNER INTELLIGENCE

IMAGE BOOST. With a newly designed centre console, sharp new graphics on its multifunctional display and the clever i-Key*, New MICRA is full of bright ideas.

I-KEY
Smart, simple and convenient, Nissan's i-Key* System takes the weight off your hands.

With your arms full of shopping and your mind on the next thing to do, you don't want to be fumbling around for your car keys at the bottom of your bag.

Thanks to radio frequency identification technology, you can leave the i-Key right there and unlock New MICRA at the touch of the button on the front door or boot handle.

You can start the car with your i-Key still in your bag, just press the engine start button and you're off. Easy.

MULTI-FUNCTIONAL DISPLAY
New MICRA's easy-to-read multi-information matrix display shows fuel consumption, driving range, outside temperature and parking slot measurements (with Park Assist option).

DIGITAL FLOW

NissanConnect. Enjoy a seamless user experience from your desktop to your dashboard thanks to the advanced connectivity of New MICRA's navigation, communications and audio entertainment system.

GOOGLE™ SEND TO CAR

Google your route on your laptop or smartphone and send it directly to your New MICRA. It'll be up on your 5.8" colour touchscreen before you can say 'Go'. And with Google connected services, access local points of interest, weather updates, fuel prices and flight information wherever you are on the road.

USB CONNECTION

Enjoy your music library, while you're on the go by simply plugging your mobile device into the conveniently placed USB socket.

BLUETOOTH CONNECTIVITY

Access your contacts and benefit from fluid, cable-free connectivity throughout your journey. It makes New MICRA the perfect car to drive around town.

Bluetooth

STREET SENSE

COOL MOVES. Focused, resourceful and extremely agile, no one gets around the city more effortlessly than New MICRA.

FRESH ENERGY

TRAVEL LIGHT. New MICRA produces one of the lowest CO₂ emissions for a petrol engine.

STOP/START. Standard on all DIG-S models, the Stop/Start system reduces pollution in traffic. The engine automatically turns off when your New MICRA is at a standstill (in traffic jams for example) improving fuel economy by around 4% and then smoothly restarts as soon as you disengage the clutch (Manual) or release the brake (CVT).

DIG-S ENGINE. Offering the eco performance of a new diesel engine without the price tag, New MICRA's Pure Drive 1.2 (98PS) supercharged petrol engine incorporates innovative technologies to improve efficiency.

SAFETY FIRST

RELAX. New MICRA is equipped with all the latest safety features. With 6 airbags, head restraints and a state-of-the-art ESP system including ABS, it's got a very protective nature.

6 AIRBAGS. Front, side and curtain airbags offer maximum protection to all passengers. If you want to install a baby seat in the front, just flick the switch inside the glove compartment to turn off the front passenger airbags.

ABS. If you ever have to push down hard on the brakes, the Anti-lock Brake System limits wheel lock-up to help maintain control and stability.

ESP. The Electronic Stability Program controls brake pressure to individual wheels and reduces engine torque to help stabilise the vehicle's direction if tyre adhesion limits are accidentally exceeded.

TCS. The Traction Control System controls brake pressure to individual wheels and reduces engine torque to maximise traction.

In 2010 and 2011, MICRA was awarded a four-star rating by EURO NCAP (European New Car Assessment Programme).

SPACE TO SPARE

WELL-ORGANISED. No more sliding objects or misplacing your mobile phone, tickets or sunglasses: everything has its place in New MICRA.

VERY THOUGHTFUL. From dedicated holders to generous compartments. New MICRA's neat and versatile storage spaces ensure that your car is tidy.

VERY ADAPTABLE. If you suddenly need room for larger items, you can fold down the rear seats at the pull of a lever to create a fully flat floor and 1,132 litres of space. Most accommodating.

SELF EXPRESSION

MAKE YOUR MICRA truly your own with Nissan's two exclusive personalisation options. A creative selection of customised exterior and interior features in different colours to suit your style.

INTERIOR PERSONALISATION OPTION

- 1 Gear base ring.
- 2 Air vent rings.

FURTHER INFORMATION

On The Road Prices. On The Road Price includes 12 months Government Vehicle Excise Duty (VED) determined by CO₂ emissions figure and fuel type, £55 Government First Registration Fee, number plates and delivery to the Nissan Dealership.

VED rates are determined by the vehicles CO₂ emissions figures and by the type of fuel used. The following table applies to all new car registrations:

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
CO ₂ Emissions Figure (g/km)*	up to 100g	101-110g	111-120g	121-130g	131-140g	141-150g	151-165g	166-175g	176-185g	186-200g	201-225g	226-255g	over 255g
Petrol Car	£0	£0	£0	£0	£130	£145	£180	£295	£350	£490	£640	£870	£1,100
Diesel Car	£0	£0	£0	£0	£130	£145	£180	£295	£350	£490	£640	£870	£1,100
Alternative Fuel Car	£0	£0	£0	£0	£115	£130	£165	£275	£325	£465	£610	£830	£1,055

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £225 per annum.

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing. VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer. Petrol and diesel engine cars - Three-year/60,000 miles. Petrol and diesel engine LCVs and Navara - Five-year/100,000 miles.

LEAF and e-NV200 – Nissan LEAF and e-NV200 offer a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. The Nissan LEAF and e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF and e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For LEAF and e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease.

FURTHER INFORMATION

Nissan European Roadside Assistance is provided for the period of your new vehicle manufacturer warranty.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For LEAF and e-NV200Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year's warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.
