# CORVETTE GRAND SPORT COLLECTOR EDITION

If the return of the fabled Grand Sport wasn't enough, there's now a special Collector Edition. Only one thousand Corvette Grand Sport Special Editions will be built globally, all in a unique VIN sequence. Available as Coupe or Convertible LT3 models, the Collector Edition features a Watkins Glen Gray Metallic exterior with a Carbon Flash Badge Package, Tension Blue hash mark graphics, Satin Black Racing Stripes and black wheels.

On the inside, the car has unique Tension Blue full-leather accents with a suede-wrapped interior. The Tension Blue itself is a bold, modern take on the colour historically associated with the Grand Sport. With Alcantara-trimmed upholstery and uniquely embossed headrests featuring a 1963 Grand Sport roadster, the Collector Edition is designed to be a highly sought after treasure. Right from the start.

As a final flourish, the Collector Edition sports a special retro production number Plaque interior, aluminium hash marks on the centre console and a Grand Sport steering wheel badge.

# CORVETTE GRAND SPORT WITH Z07 PERFORMANCE PACKAGE

The Corvette Grand Sport is the latest member of one of the most storied performance families in the world, carrying on the racing spirit of the original 1963 model. From the road capabilities of Stingray to the track-dominant Z06, there's a Corvette for just about any driver. The Grand Sport combines the power of the legendary LT1 6.2L engine with a lightweight, race-bred chassis and aerodynamics package to provide incredible grip and handling. Available as an option on the Grand Sport Coupe, the Z07 package optimises the Grand Sport's chassis, engine technologies, and aerodynamic strategies and takes its performance to the next level to ensure an unparalleled track-focused driving experience, with 1.2g of cornering capability. Additionally, enhance your racetrack experience by choosing the available Performance Data Recorder.<sup>1</sup>

The Z07 Performance Pack includes:

- Larger diameter race-proven Brembo® carbon-ceramic disc brakes
- Michelin® Pilot® Super Sport Cup 2® semi-slick tyres for maximum grip<sup>2</sup>
- Dedicated Magnetic Ride Control™ suspension set up for optimum on-track performance
- Enhanced carbon-fibre ground effects and front splitter package
- Additional removable front wing spoiler<sup>3</sup>

<sup>(1)</sup> The PDR System is an optional feature which is not included in the standard equipment. The driver has to ensure compliance with privacy law and other applicable laws when using the PDR System. Such laws may in particular restrict or exclude the use of the PDR System on public streets. The PDR System captures and records any sound perceivable within the vehicle, including any conversations among the vehicle occupants. Hidden recording of conversations may be an offence under certain jurisdictions. Therefore, all vehicle users and occupants must be informed about ongoing audio recording upon activation of the PDR System. Availability may vary by country. <sup>(2)</sup> Replaces standard tyres. <sup>(3)</sup> The additional parts of Z07 package (winglet spoilers and adjustable rear spoiler) are exclusively designed for use on racetracks and are not for use on public roads. Please refer to the applicable laws in your country. <sup>(4)</sup> Top speed may vary depending on transmission.

# CORVETTE Z06 WITH Z07 PERFORMANCE PACKAGE

Codeveloped alongside the all-new C7.R, the Z06 shares virtually the same chassis, engine technologies and aerodynamic strategies as its race car sibling. Available as an option on the Z06 Coupe, the Z07 package optimises the Z06's chassis, engine technologies, and aerodynamic strategies and takes its performance to the next level. GM engineers have performed extensive testing at racetracks around the world, including the fabled Nürburgring, to ensure that the Z07 package delivers an unparalleled track-focused driving experience. Additionally, enhance your racetrack experience by choosing the available Performance Data Recorder.<sup>1</sup>

The Z07 Package includes:

- Larger diameter race-proven Brembo® carbon-ceramic disc brakes
- Michelin® Pilot® Super Sport Cup 2® semi-slick tyress for maximum grip<sup>2</sup>
- Dedicated Magnetic Ride Control suspension set up for optimum performance on track
- Enhanced Carbon-fibre ground effects and front splitter package
- Additional removable front wing spoilers and manually adjustable rear spoiler contribute more than 130 kg of extra downforce<sup>3</sup>

	CORVETTE Z06 COUPE	CORVETTE Z06 COUPE WITH Z07 PERFORMANCE PACKAGE
Displacement	6162 cc	6162 cc

<sup>(1)</sup> The PDR System is an optional feature which is not included in the standard equipment. The driver has to ensure compliance with privacy law and other applicable laws when using the PDR System. Such laws may in particular restrict or exclude the use of the PDR System on public streets. The PDR System captures and records any sound perceivable within the vehicle, including any conversations among the vehicle occupants. Hidden recording of conversations may be an offence under certain jurisdictions. Therefore, all vehicle users and occupants must be informed about ongoing audio recording upon activation of the PDR System. Availability may vary by country. <sup>(2)</sup> Replaces standard tyres. <sup>(3)</sup> The additional Z07 package (winglet spoilers and adjustable rear spoiler) are exclusively designed for use on racetracks and are not for use on public roads. Please refer to the applicable laws in your country. <sup>(4)</sup> Top speed may vary depending on transmission.

#### CHEVROLET SERVICE

Whether you are at home or on the road, our Chevrolet Partner is there to offer you truly personal assistance. Count on us to arrange service appointments, answer questions about your new Chevrolet and ensure you are always satisfied with your ownership experience. To find your nearest Chevrolet Partner, visit [www.chevrolet europe.com](http://www.chevrolet europe.com).

#### WARRANTY

Every Chevrolet is built to the highest standards and is manufactured with utmost care. As a Chevrolet owner, you can expect nothing less than premium service and protection. Should you experience defects in materials or through deficient workmanship your entyres vehicle is backed by our no excess, Bumper-to-Bumper Limited Chevrolet Warranty for three years or 100.000 km - whichever comes first, plus a 6-year anti-perforation corrosion warranty. Should the vehicle change owner, the warranty transfers automatically during the warranty period.

#### CHEVROLET ROADSIDE ASSISTANCE

In the event of an emergency, help is only a phone call away. Contact Chevrolet Roadside Assistance, and we'll come to you as quickly as possible – 24 hours a day, 365 days a year. If we can't return you to the road straightaway, we'll take you to the nearest Chevrolet Partner. Chevrolet Roadside Assistance is yours free of charge for a period of 36 months from the date of registration. Ask your local Chevrolet Partner for details.

#### PLEASE NOTE:

The prices and information contained in this brochure were accurate at the time of going to press (April 2017). We reserve the right to make changes in design and equipment. Availability, technical features and equipment provided on our vehicles can vary from one market to another and may change without prior notice. The vehicles shown in this brochure are for illustration purposes only. European specifications may vary. Some illustrations feature special equipment that is not included in standard delivery. The colours printed in the brochure only approximate actual colours. Illustrated optional equipment is available at extra charge. Information on recycling design and End of Life Vehicles (ELV) can be found on [chevrolet europe.com](http://chevrolet europe.com). For precise information on the equipment provided on our vehicles, please contact your local Chevrolet sales and service specialist. This material shall not be reprinted, in whole or in part, without the express written permission of General Engines. The PDR System is an optional feature which is not included in the standard equipment. The driver has to ensure compliance with privacy law and other applicable laws when using the PDR System. Such laws may in particular restrict or exclude the use of the PDR-System on public streets.
