XE

THE ART OF PERFORMANCE

EXPERIENCE JAGUAR APPROVED GEAR

Your Jaguar XE was designed to handle every twist and turn flawlessly and elegantly. With this in mind, our exclusively designed range of Jaguar accessories will live up to your high standards and maintain the aesthetics of your Jaguar, without hindering its performance.

We offer a wide range of stylish and practical interior and exterior accessories to suit every lifestyle, whether you're looking for design features, carrying components, wheels, wheel accessories or even specially developed accessory lifestyle packs.

METICULOUSLY DESIGNED AND ENGINEERED

Jaguar accessories are engineered by the same team who designed the car itself. They are the experts who understand every intimate detail of your Jaguar. Their expertise allows them to create accessories that complement its overall design, while optimising performance.

IMPORTANT NOTICE

Whilst Jaguar take the utmost care in ensuring that all details in this publication are correct at the time of going to press, we are constantly striving for improvement and therefore reserve the right to alter specifications and equipment without notice. Details of specifications and equipment are also subject to change to suit local market conditions and requirements, and not all products are available in every market. Some vehicles are shown with accessories or optional equipment fitted. Please note all pricing correct at time of print, please consult your local Jaguar Retailer. The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. For further information on accessories and the latest accessory lifestyle films, please visit gear.jaguar.com

TESTED TO THE HIGHEST STANDARDS

All Jaguar accessories are rigorously tested and inspected to ensure absolute quality and lasting driving pleasure. They meet the exacting standards you expect from Jaguar while working in total harmony with your car.

Accessories are tested in extreme hot and cold temperatures to ensure they will perform in all conditions, year round. Corrosion resistance testing ensures accessories can withstand demanding climates such as coastal conditions, while a series of tests ensures seamless integration with your Jaguar's existing safety features.

Bespoke testing ensures that accessories are put to their paces in a series of tests that suit their design, function and the materials from which they're made. Exterior accessory testing, for example, includes:

- Exposure to up to two years of direct sunlight known as 'Florida Weathering'
- Heat Ageing Test for 500 hours
- Extreme Heat Test ranging from -40°C to 80°C
- Heat Shock Testing during which parts are cooled to -40°C for 16 hours, then heated to 70°C for 5 minutes
- Humidity Resistance Test where accessories are subjected to 168 hours at 48°C in 95-100% humidity
- Accelerated Environmental Cycle Testing comprising a relentless barrage of salt, dirt and dust to simulate a lifetime of real world driving

QUALITY ASSURED

For additional peace of mind, all Jaguar accessories come with a 24 month warranty. Or can be covered under your vehicle's existing warranty if they're purchased within the first month of ownership or 1,000 miles (whichever comes first).
