

CAMARO V8 & TURBO

CHEVROLET

**“THE ONLY THING FASTER
IS YOUR HEARTBEAT.”**

***“THERE’S NOTHING
MORE REASONABLE
THAN TRUSTING ONE’S INSTINCT.”***

“LIFE IS ABOUT CHOICES.”

THE SIXTH-GENERATION CAMARO

Discover the sixth-generation Camaro. First-class performance, extraordinary design and innovative technology.

**“THE EVOLUTION
OF PASSION.”**

Whether you opt for the Camaro Coupe or Camaro Convertible, you can expect world-class levels of ride and handling.

**“HEAVY METAL
LIGHT.”**

UNDENIABLE DNA.

The Camaro DNA will never change. That's a promise. But everything else about this sixth-generation icon was redesigned with one thing in mind: performance. Its lean, low, athletic build was shaped by hundreds of hours of

wind tunnel testing, which ultimately led to refinements of the grille, hood and roofline, transforming this performance machine into the most aerodynamic Camaro ever.

ADVANCED ARCHITECTURE.

A redesigned architecture helped make the Camaro at least 90 kg lighter than the previous generation, while the suspension was engineered to be 21% leaner, with aluminum components to reduce unsprung mass, resulting in

advantages like balanced handling. Remarkably, the chassis is also 28% stiffer than before, giving the Camaro driver an incredible connection on the road.

**“WHO SAYS PERFECTION
CANNOT BE EXCITING?”**

6.2L V8

This small-block powerhouse is the heart and soul of Chevrolet performance cars.¹

2.0L TURBO

Delivering huge levels of exhilaration from an efficient turbocharged engine.^{1,2}

**CAMARO V8
6.2L V8**

Simply put: Our 453 hp (333 kW) power plant with 617 Nm of torque brings the most powerful Camaro V8 ever to life.

0 TO 62 mph IN 4.4 SECONDS

**CAMARO TURBO
2.0L TURBO**

With 275 hp (202 kW) and 400 Nm of torque, this driving force is primed for unprecedented levels of refined performance and responsiveness.

0 TO 62 mph IN 5.9 SECONDS

¹ Official government fuel consumption figures urban/extra-urban/combined in mpg (l/100 km): Camaro V8 14.9–16.6 (19.0–17.0)/31.0–36.7 (9.1–7.7)/22.1–25.4 (12.8–11.1); Camaro Turbo 27.7–27.4 (10.3–10.2)/42.2–42.8 (6.7–6.6)/34.9–35.3 (8.1–8.0). CO₂ emissions combined (g/km): Camaro V8 292–252; Camaro Turbo 184–181. (according to regulation R [EC] No. 715/2007).

² Available with 8-speed paddle-shift automatic transmission only.

*"A PRECISION MACHINE
IN EVERY WAY."*

THE CAMARO V8

**“OWN THE ROAD.
AND THE RACETRACK.”**

When a 453 hp (333 kW) engine propels a car that is 90 kg lighter than its predecessor, it follows that a new power benchmark is set. And when this power is enhanced by an array of sophisticated performance technologies, drivers will experience an unparalleled sensation of both agility and control. Learn why the Camaro V8 earns the title of the fastest, most powerful Camaro V8 ever.

WHERE POWER MEETS EFFICIENCY.

The 6.2L V8 powerhouse makes no compromises in terms of power or efficiency. Active Fuel Management™, standard on the eight-speed automatic transmission, uses sophisticated engine controls to deactivate four of the eight cylinders and reactivate them seamlessly on demand. The cylinder deactivation technology allows for a 25% improvement in fuel efficiency over the previous generation whilst the V8 engine delivers 5% more power.¹

RAISE YOUR ROAR.

The dual-mode performance exhaust system², available on the Camaro V8, features quad outlets and electric valves that open and close the active exhaust. It is tuned to allow peak performance exhaust sound at both high speeds and at menacing idle and a less aggressive presence at steady cruising speeds. In addition, the Driver Mode Selector calibrates a unique exhaust note for each mode.

ACTIVE REV MATCH™.

The six-speed manual features Active Rev Match™, which anticipates downshifts with throttle blips for impeccably smooth gear changes. This replicates “heel and toe shifting” – a precision technique that professional racing drivers master only after hundreds of hours of practice. The result? Camaro V8 drivers can expect refined shifting and absolute confidence during performance driving.

¹ Available on Camaro V8 with automatic transmission only. ² Available with Magnetic Ride Control™ (only available with Camaro V8).

HANDLING AS IT SHOULD BE: FAST & AGILE.

The springs, shock absorbers, anti-roll bars – in fact every suspension component – benefited from serious geometric alterations to fit the sixth-generation model's shorter wheelbase, allowing tire contact patches to stay consistently planted. The result? More rubber grips the road with every turn. Paired with more caster and a faster steering ratio – 2.5 turns lock-to-lock – everything works in tandem to give drivers the freedom to corner harder with exceptional grip and control.

CUSTOMIZED DRIVING EXPERIENCE.

In addition to Sport, Tour and Snow/Ice drive modes, drivers of the Camaro V8 may also select Track Mode to adjust suspension¹, throttle progression, shift feel, steering calibration, exhaust sound¹ and even Interior Spectrum Lighting for the best on-track experience possible.

CONTROLLED STOPPING FROM ANY SPEED.

Brembo® performance disc brakes, the elite name in track-caliber performance braking technology, come standard on the Camaro V8, helping to achieve an impressive 62-0 mph stopping distance of 35.7 meters. Cooling ducts route air to the brakes to help control temperature and reduce brake fade.

SMART SUSPENSION.

Magnetic Ride Control™, available on Camaro V8, is a track-proven magnetic suspension technology that reads the road surface 1,000 times per second, precisely adjusting the shock absorbers for optimum handling, even in rough conditions. Third-generation magnetic shock absorbers improve reaction time and balance for a more natural feel, resulting in optimum performance and driver feel without sacrificing a smooth ride.

TORQUE VECTORING.

The advanced braking system incorporates torque vectoring, which brakes the rear inside wheel to increase agility and help pivot the car into a turn. On tight courses, it helps give the Camaro V8 a higher level of driver control and nimbleness.

STAY COOL ON ROAD AND TRACK.

Don't be shy about stretching the Camaro's legs on a track day. A perfect trio of radiators – one in the traditional location and two outboard ones feeding in air from the lower grille opening – split the job of high-performance engine cooling. Beneath that, a differential oil cooler runs transmission fluid through a heat exchanger submerged in the differential oil. And finally, a transmission cooler sits under the car, parallel to the road, creating a low-pressure area that helps draw cool air in. The best part? All these features are standard on Camaro V8.

¹ Only with optional Magnetic Ride Control™ and dual-mode performance exhaust.

THE CAMARO TURBO

*“NOTHING VENTURED,
NOTHING GAINED.”*

**“POWER WITHOUT
COMPROMISE.”**

The Camaro Turbo comes with fast-acting paddle-shift 8-speed automatic transmission as standard, helping to make it the most efficient Camaro ever.

The sports car's mass savings allow the Camaro Turbo to put all of its 275 hp (202 kW) and 400 Nm of torque to work. Combined with the 8-speed automatic transmission, the Camaro Turbo is capable of 0-62 mph in just 5.9 seconds.

Lower weight also allows for a much nimbler driving experience. Quick-ratio electric power steering ensures outstanding balance during straight-line sprints whilst a multi-link suspension, 21% lighter than the previous generation, improves steering feel, lateral control and reduces squat during acceleration.

Brembo® front disc brakes with 4-piston fixed calipers – optimized for the car's mass and performance capability – and dual exhausts are standard on Camaro Turbo.

Customize your driving experience and select between Sport, Tour and Snow/Ice drive modes to instantly tailor up to six different vehicle characteristics such as traction control, shift feel, throttle, steering and available Interior Spectrum Lighting¹.

¹ Requires Comfort and Technology Package on Camaro Turbo Coupe.

*“INTO THE GREAT
WIDE OPEN.”*

CAMARO CONVERTIBLE

**“DROP THE TOP.
RAISE THE ADRENALINE.”**

FEELING OF FREEDOM.

Let the sun shine! When it's time to play, the fully-electronic convertible top lowers in just 20 seconds at the single touch of a button – allowing effortless access to the wide-open sky, even while driving at up to 30 mph. Additionally, the top can be opened remotely via the key fob.

AN EXTREME MASTERPIECE.

From the fully automatic soft top – that seamlessly disappears beneath the hard tonneau cover – to modular underbody bracing that allows for the same sharp, nimble handling as the Coupe, the Camaro Convertible is a high-tech masterpiece.

TOP-DOWN PERFORMANCE.

You can take this convertible experience to the same extremes as the Camaro Coupe. Choose from the legendary 6.2L V8, or the efficient and powerful 2.0L Turbo.

***“AN EPIC PERFORMANCE
OF THE MODERN ERA.”***

RECARO® PERFORMANCE BUCKET SEATS.

These seats are designed to provide even better grip and lateral support during performance driving with the high-quality material and finish for which RECARO® has become renowned. Available on Camaro V8 Coupe and Convertible, RECARO® performance bucket seats are finished in Jet Black leather with sueded microfiber seating surfaces and neutral stitching. Adjustable head restraints with 8-way power adjustment for driver and 6-way for passenger ensure you can find the optimum driving position for comfort and performance driving.¹

¹Available only in combination with Jet Black Suede interior.

**“I’M PERFECTLY
CONNECTED.
WITH THE STREET AND
THE INTERNET.”**

“TECHNOLOGICALLY SOPHISTICATED.”

DRIVER-CENTRIC TECHNOLOGY.

The sixth-generation Camaro offers a surprising amount of modern driver-centric tech. Color Head-Up Display, standard on Camaro V8, projects critical data into the driver's line of sight, and available Wireless Charging¹ helps keep you connected. Chevrolet MyLink radio, with available navigation, lets you listen to music or make phone calls via Bluetooth®.

SMARTPHONE COMPATIBILITY.

Apple CarPlay™: effortlessly make calls, send and receive messages, listen to music, and run third-party apps – including via Siri® voice commands. Android Auto™: talk to Google, and access scores of apps including Google Maps™, Google Now™, Google Play Music™, Spotify, WhatsApp and Skype.²

FROM CHANGING DOWN TO DOWNLOADING.

The Camaro offers a built-in 4G LTE Wi-Fi hotspot with great signal quality and enough bandwidth to connect up to seven devices.³

ENJOY THE SHOW.

Interior Spectrum Lighting, available on Camaro Turbo and standard on Camaro V8, surrounds the radio, door trim and cup holders, transitioning between 24 selectable colors. The color spectrum reacts to changes in drive modes and the lighting gives off an ambient night-time glow. Select “Show Mode” to trigger a pulsing, full-color light show.

¹ The system wirelessly charges one PMA- or Qi-compatible mobile device. Mobile phone must support wireless charging for functionality. ² Apple CarPlay™ requires an iPhone® 5 or later; Android Auto™ requires a smartphone running Android Lollipop 5.0 OS or above. Full lists of supported apps are available at Apple.com/ios/carplay and Android.com/auto. ³ Some functions are not available in all countries abroad, or at the time of purchase. Wi-Fi hotspot service requires an account with the nominated network operator. Charges apply after the free trial period.

“PUSHING THE BUTTON IS JUST THE BEGINNING.”

ONSTAR® – YOUR 24/7 PERSONAL CONNECTIVITY AND SERVICE ASSISTANT.

No matter where you are headed, OnStar® services keep you feeling safe, connected and cared for. A touch of a button connects you to a qualified advisor, not a machine, accessible 24/7, 365 days a year virtually everywhere in Europe. OnStar® gives you access to premium features such as Automatic Crash Response, your own Personal Assistant and a fast, in-car 4G LTE Wi-Fi Hotspot. What's more, OnStar® services are free of charge for the first 12 months.^{1,2,3}

CONNECTED

In a connected world, so much is possible – and Chevrolet is making sure you are fully equipped.

4G LTE AND WI-FI HOTSPOT.

Enjoy the benefits of fast and stable internet access on board, with an integrated Wi-Fi hotspot for up to 7 devices. So the content you crave will be headed where you are – thanks to the most powerful OnStar® connection yet.^{1,2,3}

YOUR PRIVACY. YOUR CALL.

With the privacy button you are in control of what OnStar® can and cannot do. Mask your location whenever you want and reveal it again if you change your mind. Only in an emergency can OnStar® override this.^{8,9}

CARED FOR

Who wouldn't want a personal assistant? At the touch of a button, you will be connected to an advisor who is at your service 24/7/365.

HOTEL BOOKING.

Plans changed? Or too tired to keep driving? Let OnStar® advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service button.^{1,6}

DESTINATION DOWNLOAD.

No more address typing! OnStar® advisors can assist you in finding an alternative route, a restaurant or a gas station. They will remotely download the address to your in-built navigation system, too.^{1,4}

VEHICLE DIAGNOSTICS.

Not sure what a warning light on the dashboard means? Just ask the advisors to remotely check key systems in your car, in real time. At your request, OnStar® can also send you a monthly email showing your car's oil level, tire pressure and other data, to help you stay in control.^{1,4}

PARKING SERVICE.

Never search for a parking space again! Via Parkopedia, OnStar® finds and leads you to the next vacant parking spot. This way, you already know availability and parking fees before you get there.^{1,7}

SOS SAFE

Better safe than sorry! OnStar's® specially trained advisors are there for you anytime and anywhere.

AUTOMATIC CRASH RESPONSE.

In case of an accident, OnStar® advisors automatically connect to your car. If needed, they immediately brief the emergency services with passenger and key car information and can send them to your exact location.¹

24-HOUR EMERGENCY CALL SERVICE.

You, a passenger or a passer-by not feeling well? Push the red SOS button and our advisors will be sure to send help right away.¹

ROADSIDE ASSISTANCE.

If you have a flat tire or a warning light on the dashboard, just contact our advisors and they will send Roadside Assistance to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone's battery is flat.^{1,5}

STOLEN VEHICLE ASSISTANCE.

In case your car gets stolen, OnStar® blocks the ignition so the car cannot be restarted again and provides the police with GPS data to help retrieve your car safely.¹

¹ OnStar® services require activation and account with OnStar® Europe Ltd. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar® subscription packages could be different from the services included in the free trial package. Contact your Chevrolet Partner or our Customer Care for details about availability, network coverage, specification, the length of the free trial period and charges. Terms and conditions apply. ² Once available, Wi-Fi Hotspot services will require account with OnStar® Europe Ltd. and nominated network operator. Wi-Fi trial will have a time limit and capped data allowance. Charges will apply thereafter. All services subject to mobile network coverage and availability. Contact your Chevrolet Partner or our Customer Care for details about availability, network coverage, specification, the length of the free trial period and charges. Terms and conditions apply. ³ Excluding Wi-Fi hotspot services – for availability and applicable free trial periods for the Wi-Fi hotspot services, please check with your Chevrolet Partner or our Customer Care. ⁴ Some elements of Smartphone App, Destination Download and Vehicle Diagnostics may not be available for all cars/trim levels. An embedded navigation unit and map data are requirements for the Destination Download service. Please check with your Chevrolet Partner or our Customer Care for service limitations and charges. Availability of myChevrolet app may vary by market. ⁵ OnStar® will direct a professional breakdown recovery team to your location. If your car is within the Chevrolet New Vehicle Roadside Assistance coverage period, OnStar® will connect with the Chevrolet Roadside Assistance service, who will send help free of charge, subject to the Chevrolet Roadside Assistance terms and conditions. If your vehicle is outside the coverage of the Chevrolet New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided. ⁶ An OnStar® advisor can help you to book a hotel room using Booking.com, subject to the Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar® helps you make a booking and is not responsible for the services provided by Booking.com or the applicable hotel. Email address and credit card required. ⁷ Only available for car parks listed in Parkopedia.com. Availability applies only to the moment of contact with OnStar®. ⁸ In events such as a crash or if your vehicle is stolen. ⁹ We will not sell your personal information. Your information will only be disclosed to OnStar® and GM Holdings LLC (USA), its affiliate companies, and your selected/preferred Chevrolet Partners.

***“1,000 STITCHES.
EVERY SINGLE ONE
IS A STATEMENT.”***

REFINEMENT IN EVERY STITCH, SWITCH AND SURFACE.

This degree of refinement comes standard inside all Camaro models. Place yourself in the driver's seat to discover the entire layout is optimized for performance driving. A flat-bottom steering wheel and an exceptionally ergonomic shifter enable truly dynamic driving. Seating with aggressive bolsters and available heating/ventilation boosts comfort and provides support when enduring g-forces.

**“BUILT FROM THE BEST:
HANDS AND HEARTS.”**

WHAT WILL YOU MAKE OF IT?

From its lightest-ever architecture to the roar of its dual-mode performance exhaust, the sixth-generation Camaro is leaner and meaner than ever before. Play your part with a wide collection of wheels, stripes and interior and exterior colors – all ready to bring your Camaro to life.

US accessory part shown. Availability in Europe may differ.
