HONDA
The Power of Dreams

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.

HONDA

A CAR BUILT FOR DRIVERS

The Civic 5 Door epitomises our innovative spirit and quest for technical excellence. The result is a car created with a unique personality and sporty soul, a car that is exciting to drive, refined, comfortable and sophisticated. Above all it's a car built around one vital component. You.

Model shown is a Civic 5 Door 1.0 VTEC Turbo EX Sport Line in Brilliant Sporty Blue Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

FEEL PART OF IT

Undeniably distinctive, unmistakably sleek and sporty, the Civic's contemporary design is a unique blend of dramatic sculptural lines and smooth athletic curves. A car designed to grab attention and, fundamentally, a car designed to be driven.

With its ergonomic driving position and dual pinion steering system, the Civic provides excellent feedback and control, giving you an engaging driving experience. The suspension has been configured for dynamic handling and features an independent Multi-Link system on the rear and a MacPherson strut set-up at the front.

We've also created a new lightweight frame using high tensile materials that save vital kilos and give the Civic greater body rigidity. All this technology has been engineered to work together to produce what we believe is our most advanced and sporty Civic ever.

Model shown is a Civic 5 Door 1.0 VTEC TURBO EX Sport Line in Brilliant Sporty Blue Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

THE CIVIC EX SPORT LINE

From its purposeful, muscular stance the Civic EX Sport Line looks just as powerful and assertive in the car park as it does on the road. The aerodynamically honed body kit and dramatic spoiler add to its stunning aesthetics.

The sporty experience continues inside with exciting features including aluminium pedals, leather seats with red stitching and a leather steering wheel. All designed to make your heart beat a little faster, on any journey.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle. For more information on which grades these and other features are available on, please refer to specification pages 43-48.

OUR NEW GENERATION ENGINES

We have created a range of new engines to give our latest Civic the sporty performance to match its advanced looks. You can choose between two refined turbocharged petrol engines: a powerful 182PS 1.5 VTEC TURBO or an efficient 126PS 1.0 VTEC TURBO. Alternatively, if diesel is your preference, there's our 1.6 i-DTEC that delivers 120PS coupled with low emissions and high economy.

The diesel has a slick 6 speed manual transmission, whilst the petrol model gives you a choice between a precise 6 speed manual, or a responsive 7 speed CVT automatic.

Images are shown for illustration purposes only and show a left hand drive vehicle.
In the UK, the Civic will be a right hand drive vehicle.

Model shown is a Civic 5 Door 1.0 VTEC TURBO EX in Polished Metal Metallic.

CLASS LEADING SPACE

We wanted to design a car for the real world, a car that is one of the most spacious in its class and is flexible enough to take all that life throws at it. The Civic has many thoughtful features like a wide tailgate opening to make loading and unloading easier, versatile 60:40 split folding rear seats and a clever retractable and reversible tonneau cover that can be operated with one hand.

Model shown is a Civic 5 Door 1.0 VTEC TURBO EX Sport Line in Brilliant Sporty Blue Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

HIGH QUALITY AND HI-TECH

From your supportive, contoured seats you will see why the Civic has one of the most spacious cabins in its class, with a wide, sweeping dashboard, simple driver-friendly layout and great all-round visibility.

You are surrounded by comfort and quality with soft touch materials and premium details. We have also included lots of helpful technology like our clever 7" Honda CONNECT touch-screen infotainment system*, dual-zone climate control, heated seats and an electronic parking brake, to make every journey that little bit more enjoyable.

*Honda CONNECT is standard on all models except S and SE grades. For more information on which grades these and other features are available on, please refer to specification pages 43-48.

Model shown is a Civic 5 Door 1.0 VTEC TURBO EX Sport Line in Brilliant Sporty Blue Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

KEEPING YOU CONNECTED

The Civic incorporates the 7" Honda CONNECT in-car audio and information system* with DAB digital radio, Apple CarPlay and Android Auto™. The pre-installed, internet based Aha™ audio player also lets you connect to your favourite music, podcasts and news services.

The 7" Honda CONNECT keeps you in touch with all the things you love in life, like your music and your friends, all within one central touch-screen display.

APPLE CarPlay AND ANDROID AUTO™

You can seamlessly integrate your Android phone or iPhone to the touchscreen display, allowing you to make calls, listen to music and send and receive messages.

SATELLITE NAVIGATION

Integrated Garmin satellite navigation will make it easy to find your way and thanks to TMC (traffic message channel) updates you'll always be on the best route.

MULTI-ANGLE REAR VIEW CAMERA

Engage reverse and the rear view camera automatically comes to life on the 7" display screen with a choice of wide angle views and a top down view.

DAB DIGITAL RADIO

Enjoy digital quality sound and a broader range of stations, clearly displayed.

*Honda CONNECT is standard on all models except S and SE grades. Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Only iPhone 5 or newer with iOS 8.4 or later are compatible with Apple CarPlay. Apple CarPlay features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (Lollipop) or later versions are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geographical location. For more information on which grades these and other features are available on, please refer to specification pages 43-48.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

PUTTING YOUR SAFETY FIRST

Honda SENSING is one of the most advanced suites of safety technologies available, designed to keep you and your passengers safer.

Collision Mitigation Braking System

If there is a possibility of a collision with a vehicle or a pedestrian this feature will alert you to the danger as well as reducing your speed to help minimise the severity of any impact.

Lane Departure Warning

If the car moves out of its lane without you activating the indicator, then alerts will flash and sound, to help bring your attention to correcting the lane drift.

Road Departure Mitigation

A windscreen mounted camera detects whether the car is veering off the road and uses the Electric Power Steering to apply subtle corrections to keep your vehicle in its lane. In certain conditions, it can also apply braking force.

Lane Keeping Assist System

Helps keep you in the middle of your lane, providing a less stressful driving experience by reducing the need for steering correction movements and driving effort on the motorway.

Traffic Sign Recognition

The Traffic Sign Recognition System identifies traffic signs and relays this information to you via a visual display. Two signs can be displayed at any one time.

Intelligent Speed Limiter

Cleverly combines the existing adjustable speed limiter function with the Traffic Sign Recognition system to automatically set the speed limit to that which the Traffic Sign Recognition system detects.

intelligent - Adaptive Cruise Control

This feature detects if a vehicle driving in an adjacent lane intends to cut in front of you and adjusts the speed of your Civic in advance. It also helps you maintain the distance between you and the car in front, so you don't have to change your speed.

Adaptive Cruise Control with Low-Speed Following*

This function maintains a set cruising speed and following distance relative to the vehicle in front of you. If the detected vehicle comes to a stop, the function will decelerate and stop your vehicle without you having to keep your foot on the brake. Once the car in front starts moving again simply tap the accelerator to resume the operation.

For more information on which grades these and other features are available on, please refer to specification pages 43-48.
*Low-Speed Following is only available on versions equipped with CVT / automatic transmission.

S

- ◆ 16" Steel Wheels

PERSONALISATION

Honda genuine accessories have been designed and built to the same exacting standards as every Honda. So they are durable and guaranteed to fit. All you need to do is choose what's right for you.

BRONZE LINE

Express your individuality with the distinctive and bold Bronze Line.

Pack includes: Front Skirt, Side Skirts, Rear Diffuser, Mirror Caps and Front and Rear Bumper Decorations - all in Infinite Bronze.

These items are also available as single options.

Images include optional 18" C11805 alloy wheels.

RED LINE

Emphasise the natural sporty style of your car with the Red Line.

Pack includes: Front Skirt, Side Skirts, Rear Diffuser, Mirror Caps and Front and Rear Bumper Decorations - all in Rallye Red.

These items are also available as single options.

Images include optional 17" C11806 alloy wheels.

BLACK LINE

Express your individuality with the distinctive and bold Black Line.

Pack includes: Front Skirt, Side Skirts, Rear Diffuser, Mirror Caps and Front and Rear Bumper Decorations - all in Berlina Black.

These items are also available as single options.

Images include optional 18" C1801 alloy wheels.

18" C1805 BRONZE LINE ALLOY WHEEL

Diamond cut A-surface with matte clearcoat and Infinite Bronze windows, machined look centre cap and a shiny chrome H-mark. It also features a machined ring behind the spokes, which accentuates the size and depth of the wheels.

18" C1806 RED LINE ALLOY WHEEL

Diamond cut A-surface with shiny clearcoat, Gunpowder Black windows and red ring. Black gradient centre cap and a shiny chrome H-mark. It also features a machined ring behind the spokes, which accentuates the size and depth of the wheels.

WINDOW DECORATIONS

Enhance the sporty style of your Civic with these black Window Decorations.

TECHNOLOGY

Keeping you connected and your passengers entertained.

TABLET HOLDER

Fits any tablet from 7" to 11.6". It has a neat tiltable feature so it can be adjusted to the best viewing position.

WIRELESS PHONE CHARGER

The Honda Wireless Charger Kit ensures your compatible smartphone never runs out of power. Simply place your smartphone on the integrated charging mat for effortless charging without the hassle of wires.

CARGO ROOM PROTECTOR

Tough, waterproof, anti-slip and washable; this Cargo Room Protector prevents dirt and liquids from damaging your boot carpet and rear seat back.

PROTECTION & SAFETY

A range of accessories designed to protect your Civic.

PREMIUM PACK

The Premium Pack is a package of accessories that are tough, durable and stylishly designed to protect your Civic from scrapes and scratches. **Pack includes:** Door Step Garnishes, Boot Step Protector, Front and Rear Mud Guards and Elegance Floor Carpets. Premium Pack items are also available as individual accessories.

TOURING

Tow bars, dog guards, roof boxes and boot mats, everything you need to get the most out of life and the most out of your Civic.

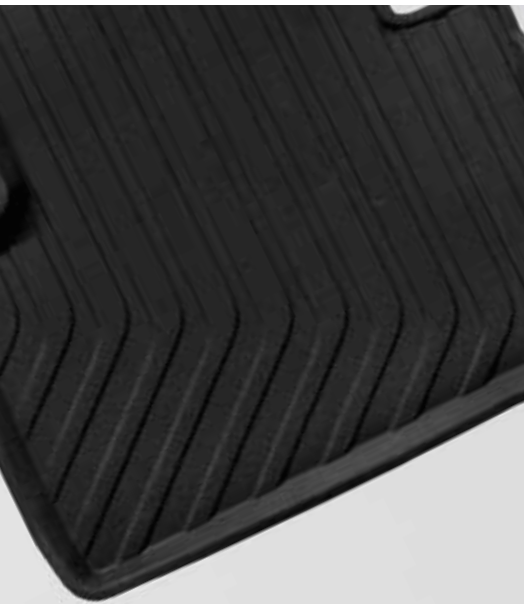

THULE BICYCLE CARRIER - EASYFOLD

This Easyfold Bicycle Carrier does exactly that, it folds easily to help with carrying and storage. It carries two bicycles, it's easy to install, has a tilting function for easy boot access and an anti-theft locking system for security.

ROOF BOX

Make the most of the space inside your Civic by putting luggage in this stylish and lockable Thule Roof Box. Available in: 410L, 400L and 320L capacity.

CARGO PACK

Protect your Civic from mud, scrapes and scratches whilst keeping things organised and secure. **Pack includes:** Boot Tray with Dividers, Lipped Rubber Mats and protective Boot Sill Decorations. Cargo Pack items are also available as individual accessories.

DETACHABLE TOW BAR

With a Honda Tow Bar you can tow a caravan or trailer with ease. Detachable when not required, with a towing capacity of 1400kg and 75kg vertical load*. Also available as fixed.

DETACHABLE TOW BAR - SPORT LINE

With this Detachable Tow Bar, you can tow your caravan or trailer with ease and remove it when not in use. With a towing capacity of 1200kg and 75kg vertical load*.

COMFORT & INTERIOR

Add to your driving experience and make life a little more comfortable.

HONDA CHILDSEATS

Honda Genuine Childseats offer superior protection for your child from birth to 12 years, with two installation options - ISOFix or 3-point seatbelt.

ILLUMINATION PACK

The Illumination Pack uses a combination of subtle blue lights to give an ambient atmosphere to the inside of the car. **Pack includes:** Blue Front Ambient Footlight, Illuminated Door Step Garnishes and Blue Lining Illuminations. These items are also available as individual accessories.

A Red Illumination Pack is also available on the Sport Grade.

ELEGANCE FLOOR MATS

These elegant and comfortable fitted carpets, have black nubuck binding for durability and a stylish woven Civic emblem. **Set includes:** Front and Rear Mats.

*Maximum towing weights are based on a 12% gradient and are tested in accordance with EU Regulations.

†Fuel consumption figures, sourced from EU regulated laboratory test results, are provided for comparison purposes and may not reflect real-life driving experience. The Honda Civic has been subjected to the new WLTP CO₂ and fuel consumption testing cycle in accordance with Commission Regulation (EU) 2017/1151. WLTP figures better reflect the actual performance of the vehicle when driven on the road. During the transition phase between NEDC (the former testing regime) and WLTP, NEDC values for CO₂ and fuel consumption will remain available in accordance with Commission Regulation (EU) 2017/1153.

◆ Standard - Not available

⁴A USB flash drive of 256 MB or higher is recommended and some devices may not be compatible.

*Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Only iPhone 5 or newer versions with iOS 8.4 or later are compatible with Apple CarPlay. Apple CarPlay features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (lollipop) or later version are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geographical location.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.

*To see the fuel consumption and CO₂ emissions figures for your exact vehicle including its options, please visit honda.co.uk. Some option packs cannot be combined with certain grades, please check compatibility with your chosen dealer.

Dreams can be powerful, they push you to achieve more, to explore new ideas, new technologies and uncover new ways of solving problems. Dreaming of a better world for people to enjoy has given life to a humanoid robot called ASIMO, taken flight with HondaJet and created some of the most popular motorbikes on the planet. The knowledge we gain from all the things we do and all the things we learn, goes into everything we make, including our new SUV range.

DREAMS REALLY DO COME TRUE

Models shown are the CR-V 1.5 VTEC TURBO EX in Premium Crystal Red Metallic and the HR-V 1.5 i-VTEC EX in Midnight Blue Beam Metallic.
