OUR CHILDREN

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.

HONDA

THE ALL-NEW JAZZ A HYBRID TO FIT YOUR LIFE

The all-new Jazz and Jazz Crosstar have arrived with advanced hybrid powertrains and sporty new looks. Our responsive, smooth and efficient next generation e:HEV hybrid technology provides a dynamic, electrified driving experience with high economy and low emissions including an electric drive mode.

Its state-of-the-art interior combines class leading space and extraordinary versatility with enhanced comfort, safety and technology.

THE ALL-NEW JAZZ CROSSTAR

Designed for sporty and dynamic lifestyles, the all-new Jazz Crosstar features a unique front grille, integrated roof rails and increased ground clearance for a commanding view ahead.

Striking two-tone body colours ensure you will always look good on the outside, whilst water-resistant upholstery protects from whatever life throws at it, on the inside.

Images are shown for illustration purposes only and show a left hand drive vehicle.
In the UK, the Jazz Crosstar will be a right hand drive vehicle.

LIVING SPACE

The interior of the all-new Jazz and Jazz Crosstar has been completely redesigned with soft-touch materials, clear displays and ergonomically designed controls. Its panoramic windscreen provides excellent visibility and accentuates the Jazz's safe and spacious feeling.

New anti-fatigue front seats provide exceptional levels of comfort, whilst our unique Magic Seats offer remarkable versatility in the back.

So whatever you fit into your life, will also fit into your Jazz.

LIFE IS BETTER CONNECTED

The all-new Jazz range connects you to your world with the very latest technology.

Our next generation Honda CONNECT comes with a 9" high-resolution touch screen, Apple CarPlay and Android Auto compatibility*.

The intuitive Honda Personal Assistant uses unique contextual understanding and machine learning to respond to your instructions. All with a simple "OK Honda..."

You can also access features via the My Honda+ smartphone app, which allows you to remotely lock or unlock your car and even send destinations to the in-car navigation system.

* Honda CONNECT available as selected grades only. Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Only iPhone 5 or newer with iOS 8.4 or later are compatible with Apple CarPlay. Apple CarPlay features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (Lollipop) or later versions are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geographical location.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.
