CAPABILITY

> MORE INFORMATION

Defender Hard Top, our most capable Defender ever, has a host of features that ensure you can take your business anywhere.

TOWING

Hook up and go with a 3,500kg towing capacity. Advanced Tow Assist⁽¹⁾ gives you the freedom to reverse a trailer while Defender Hard Top takes care of counter steering.

CARRYING

Defender Hard Top is designed to carry the weight of your load with a maximum 800kgs payload with Defender Hard Top 110 or 670kgs with Defender Hard Top 90.

WINCHING

A strong proposition in more ways than one. The remote-control electric winch⁽²⁾ has a pulling force of 4,536kg and can be operated up to 45 metres away.

⁽¹⁾Only available on Defender Hard Top 110.

⁽²⁾Not compatible with Front Expedition Protection System or 'A' Frame Protection Bar.

Vehicle shown is Defender Hard Top 90 in Tasman Blue.

DEFENDER HARD TOP MEANS BUSINESS

Even the most extreme off road is never off limits with Defender Hard Top's extraordinary all-terrain capabilities and permanent All Wheel Drive.

> INTERIOR DESIGN

ALL WHEEL DRIVE

When driving across low-traction surfaces such as ice and snow, torque can be balanced between the front and rear wheels, providing greater stability and control.

ALL-TERRAIN CAPABILITY

Our unique Terrain Response systems enable the driver to optimise the vehicle's engine, gearbox, centre differential and chassis systems to match the demands of the terrain.

SUSPENSION

As comfortable on or off road thanks to independent front and rear suspension, plus a choice of coil or Electronic Air Suspension with Adaptive Dynamics.*

*Model dependent.

Vehicle shown is Defender Hard Top 110 in Tasman Blue.

INTERIOR DESIGN

An interior with purpose, your cabin is your office. Carry an additional passenger in comfort with a front row jump seat. At other times, fold it down to create an armrest with two cup holders.

Keep you and your load safe with a fixed, full height load partition and rear meshed window. The Black, satin finish is both smart and robust, protecting against scratching and load deformation.

Protect your interior from the exterior. Keep mud and dirt at bay with deep-sided rubber mats fitted as standard.

ALL-NEW INFOTAINMENT

Inspired by your smartphone. Our new infotainment system, Pivi Pro, delivers full connectivity and key information at a glance. Defender Hard Top's Navigation System learns your preferred routes and suggests faster alternatives should there be delays.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories, and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications or availability, nor does it constitute an offer for the sale of any particular vehicle, part or accessory. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

Important note on imagery & specification. The global shortage of semiconductors is currently affecting vehicle build specifications, option availability, and build timings. This is a very dynamic situation, and as a result imagery used within the website at present may not fully reflect current specifications for features, options, trim and colour schemes. Please consult your Retailer who will be able to confirm any current restrictions with you in order to allow an informed choice.

COLOURS: Image colours reproduced here are provided for illustrative purposes only. Colours are reproduced on-screen and may therefore vary compared to the actual finish. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Retailer. Distributors and Retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

Information and images displayed in relation to the InControl technology, including Touchscreen, App screens, or sequences are subject to regular software updates, version control and other system/visual changes depending on options selected.

Optional features and their availability may differ by vehicle specification (model and powertrain), or require the installation of other features in order to be fitted. Please contact your local Retailer for more details, or configure your vehicle online. All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times. Certain features require an appropriate SIM with a suitable data contract, which will require a further subscription after the initial term advised by your Retailer.
