OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again and again. We are passionate about delivering complete motoring confidence and first-rate ownership experience.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident.

The maximum service interval for your Mazda is 12,500 miles or 12 months whichever occurs first, however, the servicing intervals may reduce based on the style of driving and the conditions under which your vehicle is operated.

FREE MAZDA ACCIDENT AFTERCARE

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

CUSTOMER EXPERIENCES

Start your journey with Mazda using the Configurator on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories.

Discover the benefits of becoming part of the community that defies convention with My Mazda – the online home for all Mazda owners. The service lets you view and update your personal information using the Mazda Digital Service Record (DSR), which provides security against counterfeit service documents and guarantees a secure, accurate and permanent service history for the life of your vehicle. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.

MY MAZDA APP

Designed exclusively for Mazda owners, it lets you access important vehicle information, as well as being able to locate your nearest Mazda dealer and track your vehicle service history.
