

KONA

2023

Because of you.

At Hyundai, we believe that only with you in mind will we be able to provide progress, innovation, sustainability and mobility that evolves the driving experience.

We prioritize research and development in connected and clean mobility solutions, continuing to push boundaries and challenge conventional thinking to bring you a connected experience and a sustainable vision for the future.

We are inspired to build platforms and technology that provide you with more ways to enjoy quality time with our vehicles. To live a comfortable and connected life where you enjoy the journey, not just the destination.

We also tailor our vehicles with features that meet the demands of our Canadian landscape, so you can take on our extreme winters and amazing summers in comfort and with confidence. And, of course, we back our vehicles with one of the best automotive warranties in the industry.

We do all of this because of you.

The SUV for the city.

Discover the new 2023 KONA. Enjoy the same compact size and agile manoeuvrability you love, with a newly redesigned exterior that's bolder than ever before. The new KONA is filled with even more available technology and safety features that make city driving a breeze, including an available 10.25" full digital gauge cluster that adds even more style to the modern cabin.

Ready to take on the urban jungle?

Choose between the standard 2.0L engine or an available 1.6L Turbocharged engine to power your way through the city. On slippery streets, available All-Wheel Drive helps the KONA grip the road with traction to keep you moving confidently.

Redesigned to turn heads — and raise pulses.

The new KONA features a distinctive grille design that complements the refreshed headlight cluster. The narrow, piercing look of the standard LED daytime running lights remains a signature and unmistakable design cue. The bold design is reinforced with body cladding details along the wheel arches and rear bumper.

Your new comfort zone.

Outside, the newly re-designed KONA makes a bold statement. Inside, the KONA lets its exceptional level of comfort and wealth of features do the talking. The new KONA thinks of you with its standard heated front seats, an available heated steering wheel and an available 8-way power-adjustable driver's seat. When city life heats up, the KONA helps keep you cool with available ventilated front seats.

Accessories.

Premium all-weather cargo tray

Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

Mud guard kit

Custom-fit mud guards help keep the dirt and debris of everyday driving where it belongs.

Plastic hood protector

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

Premium all-weather floor liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

Side visors

Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom-made for your vehicle using high-quality, reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

Under-cargo storage tray

Add some extra organized space to your Hyundai with a custom-moulded storage tray. Designed to easily fit on top of the spare tire in the trunk, it provides usable hidden storage space for a variety of items.

Dealer stamp

One of the best-backed warranties in Canada.

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you ultimate peace of mind with a 5-year/100,000 kilometre Comprehensive Limited Warranty¹. We also provide a 5-year/Unlimited kilometre Roadside Assistance Program¹¹ featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.
