

SANTA FE

2023

Because of you.

At Hyundai, we believe that only with you in mind will we be able to provide progress, innovation, sustainability and mobility that evolves the driving experience.

We prioritize research and development in connected and clean mobility solutions, continuing to push boundaries and challenge conventional thinking to bring you a connected experience and a sustainable vision for the future.

We are inspired to build platforms and technology that provide you with more ways to enjoy quality time with our vehicles. To live a comfortable and connected life where you enjoy the journey, not just the destination.

We also tailor our vehicles with features that meet the demands of our Canadian landscape, so you can take on our extreme winters and amazing summers in comfort and with confidence. And, of course, we back our vehicles with one of the best automotive warranties in the industry.

We do all of this because of you.

Thinks of everyone's safety.

Discover the SANTA FE, designed inside and out with an extensive suite of our available Hyundai SmartSense™ safety features. These advanced features help alert you to, and even avoid, dangers on the road by constantly monitoring your surroundings.

With the SANTA FE, you can also enjoy the efficiency of the available Hybrid or Plug-in Hybrid powertrain on select models.

The SANTA FE helps make your drive a safer one. It thinks of everyone's safety.

Quilted Nappa leather

Available quilted Nappa leather makes the luxurious interior even more of an indulgent experience.

Explore with confidence.

The SANTA FE allows you to take on the road with power, efficiency and confidence.

Gasoline

Standard Smartstream 2.5L engine

191 horsepower 181 lb.-ft. torque

Available Smartstream 2.5L Turbo engine

281 horsepower 311 lb.-ft. torque

Hybrid

Available Smartstream 1.6L Turbo engine
+ 44.2 kW electric motor + 1.49 kWh lithium-ion battery

226 combined horsepower 258 lb.-ft. torque

Plug-in Hybrid

Available Smartstream 1.6L Turbo engine
+ 66.9 kW electric motor + 13.8 kWh lithium-ion battery

260 combined horsepower 258 lb.-ft. torque 50 km all-electric driving range[^]

Standard HTRAC™ All-Wheel Drive with multi-terrain control modes

For the ultimate in handling, performance and traction, enjoy our HTRAC™ All-Wheel Drive system. It allows you to select the appropriate traction setting that best suits your driving conditions with three dedicated terrain modes. Choose from Snow, Mud or Sand.

Standard Drive Mode Select

With Drive Mode Select, choose the driving mode that suits your preferred driving style. Use the dial to switch between different modes, which will adjust the engine, transmission and steering control settings. Choose between Comfort, Sport and Smart (replaced with Eco on Hybrid and Plug-in Hybrid powertrains) mode.

Dares to stand out.

The look is modern and elegant. The feel is confident and capable.

Up front, the grille showcases a balanced design with a unique T-shaped lighting signature, featuring LED headlights and LED daytime running lights. A sharp side character line runs alongside the shoulder, delivering a muscular stance that seamlessly flows into the unique LED tail light design which is connected end-to-end by a centre reflector strip. Every angle has been elegantly crafted.

Standard LED headlights and LED daytime running lights with signature T-shaped design

Available LED tail lights

Available 20" alloy wheels

Refined space and comfort.

A sophisticated floating centre console design sets the stage for the luxury you are surrounded by. The interior of the SANTA FE features a convenient shift-by-wire layout that replaces the traditional gear shifter configuration with intuitive button selection, offering a clean design and maximized storage space. The spacious cabin feels even larger when the available panoramic sunroof is wide open on a beautiful sunny day.

Ultimate Calligraphy model shown. May not be exactly as shown.

Standard heated front seats and available ventilated front seats

Available panoramic sunroof

Available 8-way power-adjustable driver's seat with lumbar support and power thigh extension

Available rear window sunshade blinds

Elevate your drive with advanced technology.

Enjoy the convenience that a wide range of SANTA FE features will bring into your life. For instance, the available smart power liftgate lets you load up your cargo hassle-free, while the available surround view monitor makes parking easier with a 360-degree aerial view of your surroundings. You can even charge your smartphone by just slotting it into the available wireless device charging area[▼].

Available head-up display

Available interior ambient lighting

Apple CarPlay[™] shown.

Standard Apple CarPlay[™] and Android Auto[™]

Available smart power liftgate

Available wireless charging pad[▼]

Standard 10.25" touch-screen with navigation and available surround view monitor

Available Remote Smart Parking Assist

The Remote Smart Parking Assist system¹ allows you to remotely move the SANTA FE when you are outside of the vehicle — a very convenient feature when you have large items to load in a tight area. Simply use the key fob to move the SANTA FE forward or backwards, into or out of the parking space.

Available 12.3" full digital instrument cluster with available Blind View Monitor

Modern and sleek, the available 12.3" full digital instrument cluster gives you important information in a bright, colourful output — including a livestream of your blind spot when equipped with the available Blind View Monitor².

Hyundai SmartSense™

Our suite of available Hyundai SmartSense™ safety features includes a range of camera, radar and motion detection technologies to provide you with added peace of mind.

Accessories.

Trailer hitch

Designed to meet your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories.

Cross rails

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room.

Premium all-weather floor liners

Premium all-weather floor liners were designed to cover the interior carpet, providing maximum protection against the elements that other mats cannot offer. Remove carpet mats prior to installation.

Premium all-weather cargo tray

Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

Mud guard kit

Custom-fit mud guards help keep the dirt and debris of everyday driving where it belongs.

Side visors

Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom made for your vehicle using high quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

5 YEAR	100,000 km Comprehensive Limited Warranty ¹	5 YEAR	Unlimited km Roadside Assistance Program ^{1†}
5 YEAR	100,000 km Powertrain Warranty	8 YEAR	160,000 km Hybrid System ^{1‡}
5 YEAR	100,000 km Emission Warranty		

Dealer stamp

One of the best-backed warranties in Canada.

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you ultimate peace of mind with a 5-year/100,000 kilometre Comprehensive Limited Warranty¹. We also provide a 5-year/Unlimited kilometre Roadside Assistance Program^{1†} featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.

[™]/[®]The Hyundai name, logos, product names, feature names, images and slogans are trademarks owned or licensed by Hyundai Auto Canada Corp.. Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible. ¹Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions. ^{1†}Hyundai's 24-Hour Roadside Assistance Program is a limited service and does not cover certain costs or expenses. Roadside Assistance is not a warranty.

^{1‡}Hybrid System includes Hybrid Battery Pack Assembly, Hybrid Starter and Generator, Hybrid Power Control Unit, Auto Transmission including Traction Motor. [^]All-electric driving range of 50 kilometres based on a battery capacity of 13.8 kWh and battery usage rate of 27.5 kWh/100 km. Calculated based on a fully charged battery. Based on manufacturer testing and used for comparison purposes only. Actual range may vary based on driving conditions and the addition of certain vehicle accessories. [^]Apple CarPlay[™] may not be available on all devices and may not be available in all countries or regions. Visit www.apple.com for further details and any applicable limitations. Apple and Apple CarPlay are trademarks of Apple Inc.. [^]Android Auto[™] may not be available on all devices and may not be available in all countries or regions. Visit www.android.com for further details and any applicable limitations. Android and Android Auto are trademarks of Google Inc.. ¹Vehicle is equipped with the ability to access SiriusXM radio. Does not include subscription. The SiriusXM[™] name is a trademark of SiriusXM Satellite Radio Inc.. [^]Available on select models only. BlueLink[®] includes 3 years of service without charge. The BlueLink service is available for new vehicle purchases and leases subject to the BlueLink subscription terms and conditions. Only use BlueLink and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications and fees may vary by model and are subject to change. For more on details and limitations, visit hyundaicanada.com or your authorized Hyundai dealer. ¹Remote Smart Parking Assist (RSPA) can assist with parking the vehicle. RSPA may not function correctly if one or more of the parking sensors is damaged, dirty or covered or if weather conditions (heavy rain, snow or fog) interfere with sensor operation. RSPA will not assist in parallel parking and can only assist in moving the vehicle in a parking spot forwards and backwards. To operate the RSPA, the operator must be outside of the vehicle but within a range of 13 feet of the vehicle. Always inspect the parking area with your own eyes for any potential hazards, dangers or safety issues. Operator remains responsible to stop the vehicle to avoid a collision or accident. Operator is responsible for ensuring the safe operation of the feature and ensuring that the parking area is free from obstacles, pedestrians, etc. See Owner's Manual for further details and limitations. ²Blind View Monitor (BVM) assists the driver in changing lanes by providing a live view of the blind spots on either side of the vehicle and an audible alert if another vehicle is detected. Turn signal must be activated and other system limitations apply. Do not rely exclusively on BVM. It is the driver's responsibility to be aware of surroundings and ensure they are clear before changing lanes or directions. See Owner's Manual for more information. ^{*}Not all devices will be compatible. See Owner's Manual for further details. harman/kardon[®] is a registered trademark of Harman International, Inc.. Bluetooth[®] word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.. All other trademarks and trade names are those of their respective owners.
