TOTAL DOMINATION.

The most successful team of the modern BTCC (British Touring Car Championship) era. Record breaking achievements include being crowned Triple Champions every year from 2001 to 2004, and yet again in 2008. And clocking up twice as many fastest laps as our nearest competitor.

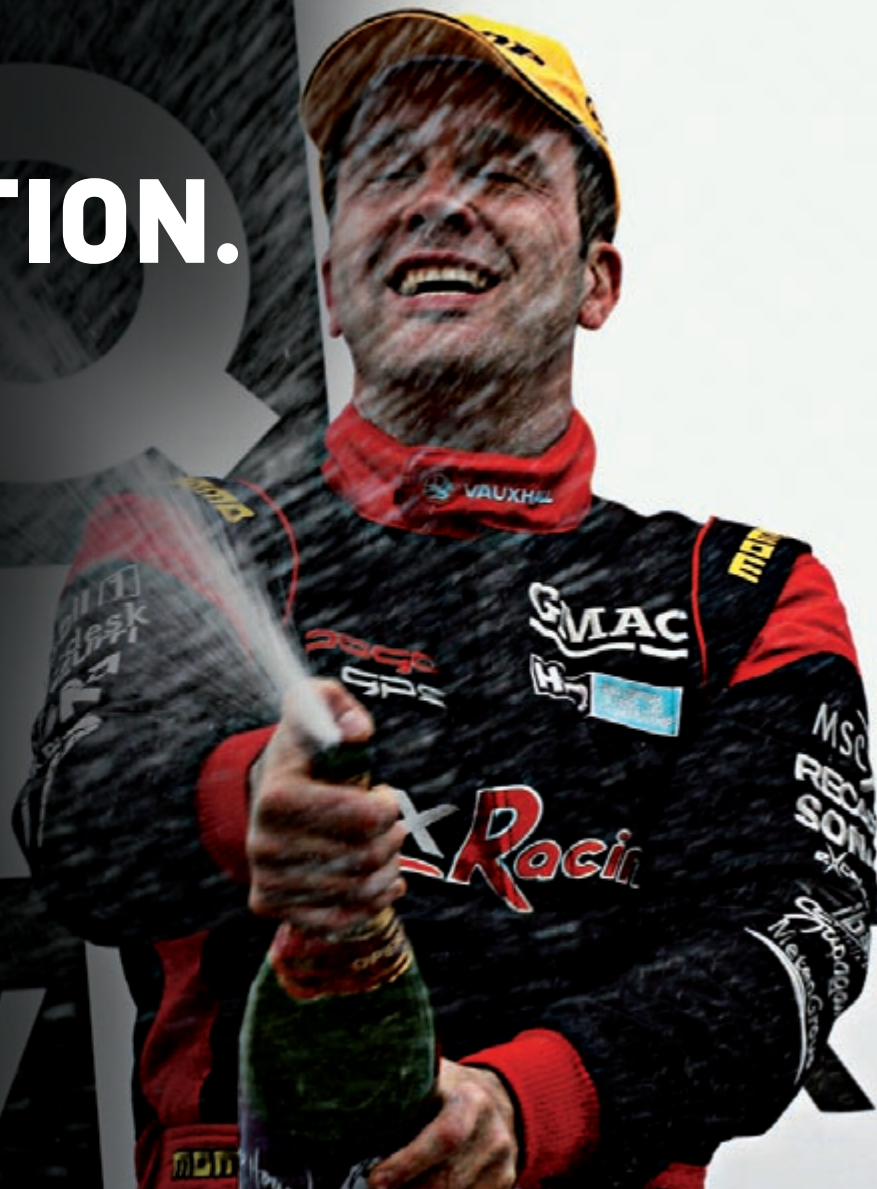

119 RACE WINS.

21 TITLES.

368 PODIUMS.

110 FASTEST LAPS.

With such total domination, no other team, no other car, comes close. And we're looking forward to more success in 2009.

“Vauxhall’s success in the BTCC is evidence of the racing knowledge and expertise of our dedicated VXRacing Team. And, of course, we owe a lot to the enthusiastic support we receive from our loyal fanbase. So the Corsa and Astra VXRacing Editions are for you; celebrating the spirit and excitement of all that success.”
