

ZAFIRA

2012 Models Edition 2

Proud Sponsor of Home Nations Football

make the world adjust to you

Zafira shows what can be achieved with clever thinking. All that dynamic driving experience, interior comfort and built-in seven-seater flexibility – but with sharp styling, cool interior finishes and impressive safety features.

This brochure covers Exclusiv, Excite and Design models only. Some of the models shown include options and accessories available at extra cost. And not all of the features described are available on every model. We may also offer alternative Zafira models such as Special Editions. So for all current model or equipment details visit the Vauxhall website: www.vauxhall.co.uk

always cruise in style

Fed up with boxy looking MPVs? Here's a welcome change. A seven-seater compact people carrier that's definitely got the X-factor. With its stylish front grille and bumper shapes, chrome headlight surrounds and great alloy wheel designs too, Zafira certainly makes family travel first class.

real comfort wherever you sit

Zafira's design themes move effortlessly from outside to inside with a driver-friendly fascia and high quality interior finishes throughout. And while it's easy for the driver to get comfortable, this is a car designed to make travel easy for the whole family. So it's light and spacious, comfortable and clever – wherever you're sitting.

space for a quality lifestyle

This is what versatility looks like. And it's all down to clever design – Flex7[®] seating, adaptable luggage space and plenty of smart storage ideas for all your essential travelling kit.

Zafira Exclusiv

respect your world

We all share a responsibility to look after our world. That's why Vauxhall has been at the forefront of green automotive initiatives for many years. Most recently, we have been researching ways of developing new cars that are more efficient than ever before. The forthcoming Vauxhall Ampera* is an Extended-Range Electric Vehicle (E-REV) that can drive up to 50 miles on battery power alone and over 300 miles utilising an on-board electric generator system. And of course, we are always looking to reduce vehicle CO₂ emissions and the Zafira 1.7CDTi 16v ecoFLEX models have among the lowest CO₂ emissions of any seven-seat MPV.

But our commitment to your continuing peace of mind goes even further. We have dramatically reduced manufacturing emissions, and our new models use more recycled materials and more recyclable parts than ever before.

We also offer free and easily accessible, environmentally friendly, end-of-life vehicle disposal through our partners Autogreen Ltd.

That way, we reduce our environmental impact in every phase of every vehicle's life cycle. Because your world is our world, too.

ecoFLEX

*For more information on Vauxhall Ampera please visit www.vauxhall-ampera.co.uk

ecoFLEX

Zafira's lowest emission ecoFLEX engines clearly demonstrate that environmental awareness can be achieved without compromising performance and driveability. Improved fuel economy speaks for itself but lower CO₂ emissions also save you money on Vehicle Excise Duty (VED) and company car taxation. See the table to the right for more details.

Petrol engines. Zafira's twin-cam 1.6i 16v VVT and 1.8i 16v VVT Euro 5 engines feature multi-point sequential fuel injection and utilise Double Continuous Variable Cam Phasing (DCVCP), which provides most of the available torque across a wide rev band. The result? More power, lower fuel consumption and improved CO₂ emissions.

 **Six-speed.** Zafira comes with a six-speed manual gearbox as standard on all diesel models. Petrol models come with a five-speed manual as standard.

	Combined fuel economy mpg (litres/100km)	CO ₂ emissions (g/km)	VED (2011/12)*		Benefit in kind tax band** (2011/12 tax year)
			First year	Standard	
Petrol					
1.6i 16v VVT (115PS)	42.2 (6.7)	157	£165	£165	21%
1.8i 16v VVT (140PS)	39.2 (7.2)	168	£265	£190	23%
Diesel					
1.7CDTi 16v (110PS) ecoFLEX	55.4 (5.1)	134	£115	£115	19%
1.7CDTi 16v (125PS) ecoFLEX	55.4 (5.1)	134	£115	£115	19%

ecoFLEX diesels. Zafira's two turbo diesel ecoFLEX models – a 1.7CDTi 16v (110PS) and 1.7CDTi 16v (125PS) have CO₂ emission figures of only 134g/km. Not only do they save you money with lower Vehicle Excise Duty (VED) charges and benefit in kind company car tax (see table left), but they do so without compromising the excellent driveability and performance Zafira is renowned for.

*Correct at time of publication (December 2011). **Taxation information for guidance only. Please take professional advice on your own tax position.

Intelligent, reassuring safety and security

Zafira has a strong reputation for safety and security, and with good reason. Every model has a five star EuroNCAP adult occupant safety rating, with six full-size airbags and a chassis that is packed with active safety innovations that help you avoid accidents before they happen. Security features include remote control central deadlocking.

Non-specific model shown. For illustrative purposes only.

Remote control alarm system.
The ultrasonic security alarm system features forced entry detection, along with tilt, movement and rear glass breakage sensors. Optional at extra cost on all Zafira models.

Anti-lock Braking System (ABS).

On its own, ABS is a huge benefit in emergency braking, but Zafira goes even further. Emergency Brake Assist (EBA), Electronic Brakeforce Distribution (EBD) and Cornering Brake Control (CBC) all make the car easier to control and stop under extreme cornering and braking.

ESP-plus. Especially useful on wet roundabouts and greasy roads or whenever a slippery surface catches you out, Electronic Stability Programme-plus (ESP-plus), senses if the car starts to slide on a bend and applies corrective braking to the appropriate wheels to help you regain control.

ISOFIX Child seat restraint system.
The rigid ISOFIX anchoring mechanism virtually eliminates the dangers of incorrect child seat installation. You simply click the optional accessory Vauxhall ISOFIX child seat into the mounting points engineered into the Zafira outer rear second-row seats.

Six airbags. Zafira protects you and your family with six full-size airbags. Specially developed to provide maximum protection, each model has twin front airbags, enlarged 'thorax-pelvis' front seat side-impact airbags and full-size curtain airbags too.

Keeping everybody happy

Zafira's Flex7[®] seating. It's not just about quantity. It's about quality too, making everyone feel comfortable – front and rear. Wherever you're sitting, you'll be amazed at what Zafira has to offer, whether it's features like air conditioning or clever storage space for all your bits and bobs.

Quality sounds. All Zafira models feature a quality CD player/stereo radio, with steering wheel mounted audio controls. Optional upgrades include DAB digital radio, CD/MP3 format, aux-in socket (standard on Excite models – illustrated right) or CD autochanger.

Mobile phone system with Bluetooth®*. With the mobile phone system, your phone interfaces with the audio unit, for operation via the steering wheel controls and facia display. Bluetooth® wireless technology with voice activation is included. Standard on Excite, optional at extra cost on Exclusiv and Design models.

Cruise control. The easy-to-use, tap-up/tap-down cruise control is optional on all Zafira models. It allows you to maintain a steady speed without keeping your foot on the throttle. So it's more comfortable on long journeys and easier to keep to speed limits too.

Touch and Connect. An intuitive touch-screen navigation system complete with USB connection and Bluetooth® facility. The perfect in-car multimedia solution. The Zafira's sophisticated system packs all the latest technology:

- Five-inch touch-screen colour display and steering wheel control for easy, intuitive operation
- Dynamic navigation with bird's eye view map
- Navigation data for 28 European countries on SD card
- CD/MP3 CD player
- Aux-in socket and USB connection with full control and browsing capability for portable MP3 players
- Bluetooth® wireless connectivity for hands-free calling and audio streaming with detailed track information on display
- Four x 20 watts per channel output and seven premium speakers.

Standard on Exclusiv Nav and Design Nav models, optional on Excite.

Versatile load space. When you're not using Zafira's third row seats, there's no need to remove them completely. Each one folds down separately, flush with the load floor. Add the optional FlexOrganiser® pack, and you've got the smartest, most versatile way to manage your load area ever!

**Please refer to the online Vauxhall Car and Accessory Price Guide for a list of phone-specific cradles.*

Air conditioning. It makes for a fresher interior atmosphere all year round, with chilled air on hot days and faster demisting when it's damp. Move up to the optional Electronic Climate Control (standard on Design models) and you can maintain the interior temperature to within a single degree.

Multi-function trip computer. Standard on Zafira Excite and Design models this invaluable driver information system provides instantaneous and average fuel consumption, fuel consumed, average speed, distance travelled and range based on fuel remaining.

EXCLUSIV

Standard features include:

- Anti-lock braking system
- Twin front airbags
- Front seat side-impact airbags
- Full-size curtain airbags
- Driver's seat height adjuster
- Electric front windows
- Remote control central deadlocking
- Steering wheel adjustable for reach and rake
- Air conditioning
- CD player/stereo radio (CD 30)
- 16-inch Structure wheels
- Leather-covered three-spoke steering wheel
- Steering wheel mounted audio controls
- Piano black-effect centre console
- Electrically adjustable/heated door mirrors
- Dark-tinted rear glass
- Body-colour door handles and side-protection mouldings

Genuine Vauxhall Accessories are the right choice for your Zafira. Whatever you're into, there's certain to be a Vauxhall accessory with your name on it; all fitted by trained Vauxhall professionals. We've only featured a small selection of what's available here, so please check with your Vauxhall retailer for accessory availability information or visit our website at www.vauxhall.co.uk/accessories

Floor mats. A range of floor mats including rubber, velour and deluxe velour are available for your Zafira. Each come with their own fixing points which help keep them firmly in place. The rubber mats are available as a front pair or set of four rears whilst all other variants are supplied in sets of six.

Base carrier. The Vauxhall roof rack system begins with a base carrier. It comprises two T-track bars which support a wide range of attachments from Thule including bicycle carriers and a choice of high-capacity roof boxes (available separately). Each carrier is supplied with locks for security.

Rear parking distance sensors. Activated automatically as you select reverse, this clever system beeps faster the closer you get to an obstruction, changing to a continuous tone at 300mm away.

Dog guard with space divider grid*. Designed to fit Zafira models, the heavy-duty steel dog guard helps keep your pet secure and protects passengers in the event of sudden braking. The space divider grid (sold separately) allows luggage to be stored on one side, and the dog to travel on the other.

*The space divider grid can only be used in conjunction with the dog guard. N.B. Dog guard requires fitting kit (retailer-fit only) if vehicle is not equipped with the optional factory-fit vertical load restraining net.

FURTHER ACCESSORIES AVAILABLE INCLUDE:

- Thatcham approved alarm system
- Cargo liner
- Mudflaps
- Headlight protectors
- Electrically chilled 12-litre cool bag
- Thule bike carrier
- Thule alloy ski carrier
- Tow bar
- Anti-slip mat
- Steering wheel security bar
- Child seats
- Privacy shades
- Alloy wheels

VAUXHALL ACCESSORY PACKS

Vauxhall accessory packs bring together a selection of essential accessories at great prices, helping you to protect your car and equipping you for roadside emergencies.

Now you are able to browse all of the Genuine Vauxhall Accessories range with just the click of a button. Scan this QR code with your smartphone for more information. Don't forget to download a QR reader from your app store first.

Protection Pack.

- Velour mats
- Mudflaps
- Cargo liner

Safety Pack.

- First aid kit
- Warning triangle
- Hi-visibility vest

irmscher

Styling

Developed in conjunction with auto design specialists Irmischer International, Zafira styling accessories perfectly complement the vehicle's lines, as well as being manufactured to the same exacting standards as the car itself.

Irmischer sports silencers.

For distinctive looks (with chrome-plated tailpipes) and a sportier exhaust note, these split oval design tailpipes are the perfect choice for your Zafira.

 **Irmischer alloy wheels.** They're the perfect way to personalise your Zafira. With a huge range to choose from (style illustrated is Stila), and sizes from 16 to 19 inches, you're sure to find one to suit your style and budget. And don't forget to ask about our accessory wheel locking kits too.

 **Cross hatch grille.** Being different is easy with the cross hatch front grille from Irmischer. Featuring an aluminium upper strip with a laser-etched 'Irmischer' logo it adds style and individuality.

Zafira comes in seven different exterior colours, each one complementing the interior cloth trim beautifully.

Royal Blue – solid

Power Red – solid (two-coat)

Summit White – brilliant*

Sovereign Silver – metallic*

Technical Grey – metallic**

Carbon Flash – metallic*

Waterworld – pearlescent*

*Optional at extra cost. †Not available on Excite models.

Due to the limitations of the printing process the colours reproduced may vary slightly from the actual paint colour or trim material. As a result they should be used as a guide only. Vehicle illustrated is a non-specific model. Your Vauxhall retailer has a comprehensive display of all our paint samples and trim swatches.

Safety

Standard features • Driver's and front passenger's airbags • Full-size curtain airbags (front and second-row seating) • Front seat side-impact airbags • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Energy-absorbing steering column

• Child-proof locks on rear doors • ISOFIX child seat restraint system for outer second-row seats incorporating top tether (does not include child seat) – Secures ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation

• Electronic Stability Programme-plus (ESP-plus) with traction control • Anti-lock Braking System (ABS) • Electronic Brakeforce Distribution (EBD) • Cornering Brake Control (CBC) • Emergency Brake Assist (EBA)

• Pyrotechnic front body-lock seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Front seatbelt force limiters – Reduce the loading on the occupants' chests by releasing the belts very slightly, if the force exceeds a specified limit, in a frontal impact • Height-adjustable head restraints on all seats • Inertia-reel lap and diagonal seatbelts on all seats

Security

Standard features • Remote control central deadlocking (doors, tailgate and fuel flap) • 'Key left in ignition' audible warning • Electronic engine deadlock immobiliser • Locking wheel bolts for alloy wheels (where fitted) • Electronic theft protection for audio equipment

Additional feature	Exclusiv	Excite	Design
Remote control ultrasonic security alarm system	○	○	○

Facia, instruments and controls

Standard features • Steering column adjustable for reach and rake • Rev counter • Electronic odometer and trip odometer • Digital clock with automatic RDS time adjustment • Service-due indicator • Multi-function display panel showing time, date, audio information and outside air temperature (with ice warning function) • 12-volt electrical accessory socket • Black instrument dials • Leather-covered three-spoke steering wheel • Seatbelt unfastened warning light (driver's seat only)

⁴ = Optional on non-Nav models only.

Satellite navigation

The satellite navigation system uses the international network of GPS (Global Positioning System) satellites, linked to a comprehensive 3D mapping system on the colour LCD touch-screen, to determine your precise location and guide you to your chosen destination virtually anywhere in mainland Britain. It also offers navigation across many other European countries. The bright display makes it easy to follow your progress on screen, and the directional arrows are backed up by spoken instructions that guide you to your destination turn-by-turn. A travel guide is a particularly useful feature that has details of restaurants, parking and other points of interest. Simply select the location you're interested in and let the navigation system guide you there.

Digital Audio Broadcast (DAB) digital radio

Now widely available in the UK, digital audio broadcasts offer the user a variety of advantages over traditional FM, starting with the digital quality sound which is immune to any hiss or crackle.

You'll often find a broader range of stations on offer too, many of which are not available on FM, and listening to them couldn't be easier – you simply select the station, by name, from the displayed list, thus removing the need to retune or look for stations when travelling around. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

MP3 CD player

An MP3 is a compressed sound or music file and, due to its small size, it takes up less space on a compact disc, which means that more tracks can be recorded onto a CD. It's possible to fit almost 10 hours of music onto one CD, and, in a way, turns a single-disc CD/MP3 player into a multi-disc autochanger

Mobile phone system with Bluetooth®

Vauxhall's optional factory-fit dual-band mobile phone system has been considerably enhanced. Now fully integrated into the audio and communication system, it also features voice control and will connect wirelessly to phones with Bluetooth® technology.

All the required information is displayed on the graphic information display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio. Certain functions can also be controlled by voice activation.

The mobile phone system can be further enhanced by fitting a phone-specific cradle, available as a Vauxhall Accessory. The cradle offers a secure location for your phone, while simultaneously charging the phone's battery and connecting its antenna to the car's external aerial. A list of compatible cradles is featured in the online Vauxhall Car and Accessory Price Guide.

Aux-in socket

The aux-in socket allows you to connect your portable MP3 music player directly into the car's audio system. All you need is your music player and a suitable connecting lead and you can listen to all your favourite tunes through your car's speaker system.

When using an MP3 player in the car the majority of the controls, such as track selection, remain solely on the player, while only the volume is controlled via the car's regular audio controls.

NB: Aux-in socket is not available in conjunction with CDC 40 DAB audio unit.

* = Correct at time of publication (December 2011).

Fuel consumption and CO₂ emission data complies with the relevant EU testing regulations used by vehicle manufacturers to enable comparisons between different models. **Important:** Please note fuel consumption can be affected by many factors including driving style, road and traffic conditions, vehicle mileage and standard of maintenance. In addition these results relate to the particular vehicle tested, inevitably there will be differences between individual vehicles of the same model.

Vauxhall supporting

Smarter driving tips

- **Drive at an appropriate speed:** Staying within the speed limit increases driver safety, reduces CO₂ emissions and saves fuel. At 70mph you could be using up to 9% more fuel than at 60mph and up to 15% more fuel than at 50mph
- **Drive smoothly at all times:** Anticipate the ebb and flow of the traffic to avoid harsh acceleration and braking

- **Reduce your revs:** Change gear earlier to help reduce fuel consumption – try 2500rpm with petrol engines and 2000rpm with diesel
- **Idling is wasting fuel:** If you're likely to be at a standstill for more than three minutes, switch off the engine to save fuel
- **Regularly check your tyre pressures:** Under inflated tyres increase CO₂ emissions whilst incorrectly inflated

tyres can be unsafe. Always check your handbook for the correct tyre pressure. This will also help to increase the life of your tyres

- **Remove unnecessary items from the car:** Extra weight increases the engine's workload, whilst roof racks and bike carriers increase wind resistance. All burn more fuel and increase CO₂ emissions

6-speed

Six-speed manual gearbox available

MacPherson strut front suspension.

1400kg

Maximum towing weight

Steering

- Electro-hydraulic power-assisted steering
- Turning circle (kerb-to-kerb):
All models – 11.10m (36.4ft.)

Brakes

- Anti-lock Braking System (ABS)
- Dual circuit, diagonally split braking system

1.6i 16v VVT

Front ventilated discs: 280mm diameter

Rear discs: 264mm diameter

1.8i 16v VVT

Front ventilated discs: 280mm diameter

Rear discs: 264mm diameter

1.7CDTi 16v (110/125PS)

Front ventilated discs: 308mm diameter

Rear discs: 264mm diameter

Body

- Aerodynamic drag co-efficient: Cd 0.31

Fuel tank capacity

- All models – 58 litres (12.8 gallons)

Suspension

Front: Independent. Lightweight

MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar. Hydro-formed subframe offers increased lateral stiffness. Hydraulic control arm bushing gives improved insulation from road noise.

Rear: Lightweight torsion beam rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs and gas-pressure dampers.

Vauxhall Assistance and warranties

See back cover for details of our comprehensive warranties.

Weights and towing data kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.6i 16v VVT	2090	1000 (750)
1.8i 16v VVT	2095	1200 (750)
1.7CDTi 16v (110PS)	2175	1300 (750)
1.7CDTi 16v (125PS)	2175	1400 (750)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer.

Exterior dimensions millimetres (inches)

Luggage capacities (measured using the ECIE method)

	litres	cu.ft
Behind third-row, to glass line	140	4.9
Behind second-row, to glass line	645	22.8
Behind front seats, to glass line	1070	37.8
Behind front seats, to roof	1820	64.3

1820 litres
Maximum
luggage capacity

Loadspace dimensions

	mm	inches
Maximum floor length – behind front seats, second-row seat back lowered	1809	71.2
Maximum floor length – behind front seats, second-row seat folded and stowed	1525	60.0
Maximum floor length – behind second-row seat	1088	42.8
Maximum floor length – behind third-row seat	405	15.9
Maximum floor width	1114	43.9
Width between wheel arches	1071	42.2
Tailgate aperture height	893	35.2
Tailgate aperture width	1136	44.7

Trust Vauxhall

Vauxhall Insurance

Available for new and used Vauxhalls, a Vauxhall Insurance policy offers a unique package designed specifically for Vauxhall drivers. For a highly competitive quotation, call **0844 463 2670**. Or just visit our website at www.vauxhall.co.uk

Vauxhall Lifetime Warranty

We're so confident in Vauxhall quality and reliability that we are now able to offer a lifetime warranty. Available to the first owner of all new Vauxhall passenger cars, it's valid for the lifetime of the vehicle up to a maximum of 100,000 miles*. In addition, our warranty also includes Vauxhall Assistance for 12 months from first registration and six years body panel anti-perforation warranty. Full details of Vauxhall's warranties including terms, conditions and exclusions can be obtained through any authorised Vauxhall retailer or go to: www.vauxhall.co.uk/warranty

LIFETIME
WARRANTY 100,000 MILE

When you have finished with this brochure please recycle it

*Vauxhall Lifetime Warranty covers lifetime ownership of first car owner, 100,000 mile limit, annual check required. The warranty excludes wear and tear and serviceable items and the vehicle must be serviced in accordance with the manufacturer's servicing schedule to continue the lifetime warranty. Terms and conditions apply. Offer available to all Vauxhall passenger cars (this offer does not apply to car-derived vans) from 1st August 2010.

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (December 2011). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity, please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of General Motors UK Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. Please note accessories shown are for illustrative purposes only. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources.
