MUDFLAPS

Set of four fitted **£100****

No new car owner likes to see wear and tear impair their cherished vehicle ahead of time. That's why it's sensible to protect your investment by keeping it in the best condition possible. With Vauxhall protection products, it's simple.

*Mats for Zafira Tourer are only available in sets of four for front two rows of seats. **Not available on some models when fitted with exterior styling accessories.

MORE PROTECTION

VX Protect forms a hi-tech microfilm that bonds to your car's paintwork, preventing the accumulation of dirt and repelling ultra-violet rays, pollution and acid rain. In a similar way, VX Protect shields the fabrics and carpet in your car by coating each fibre with a resin-based formula that shrugs off spillages or dirt, making them easy to remove. This invisible barrier reduces friction between fibres, prolonging the life of the material while retaining their natural texture and appearance.

VX Protect will leave you with a showroom finish and you'll even receive a complimentary VX Protect aftercare kit to keep your vehicle looking its very best.

LIFETIME WARRANTY

VX Protect has a lifetime warranty up to 100,000 miles* to ensure your new Vauxhall's paintwork and fabric remains looking perfect, even when under constant attack from everyday dirt and grime.

WHAT IS COVERED?

VX Protect guarantees that the paintwork of treated vehicles will not fade or suffer noticeable deterioration of the gloss finish.

The warranty also covers fabric seats and carpets suffering permanent stains from beverages or similar liquids.

Pick up a VX Protect Leaflet at your local Retailer for more information.

*For full Terms and Conditions please go to www.vauxhall.co.uk/vxprotect or call 0141 633 5933. Aftercare kits vary depending on level of kit purchased, ask your Retailer for more information.
