CABRIOLET

*The Mini Cabriolet.
Because it's time to smile, relax, and treat yourself.*

There's no other car like the Mini. There's no open top car like the irresistible Mini Cabriolet. Opening up a whole new world of chic, sporty driving.

Now the latest Mini Cabriolet has arrived. With sharper handling, it's more fun to drive than ever. The hood has been refined to make opening and closing easy and straightforward. And with new body styling combined with Rover build quality and flawlessly finished coachwork, you'll be driving the ultimate, exclusive Mini.

The Mini Cabriolet is pure self indulgence; created for those who believe that there should be time to smile, relax and treat yourself. It's a car to cherish, with its

unique, sporting style perfected by attractive alloy wheels, and the traditional chrome grille and door handles. Tastefully co-ordinated, with red or grey hoods complementing the body colour.

But above all, it's a car to enjoy. Slip behind the leather trimmed steering wheel; and relish the comfort of the new sports front seats. Appreciate the elegance of the wood-adorned fascia, door cappings, and even door pulls and gear knob; hand-crafted luxury, in the true British tradition.

If you love your music as much as you love driving, you'll enjoy the modern refinement of an excellent electronic stereo radio/cassette player.

Among the convenient features is auto reverse, playing the flip side of the cassette without you having to lift a finger. There's an Autostore facility, giving you fast and easy access to your favourite stations. The set is also security coded, to deter the thief.

Start up the 63PS fuel-injected 1275cc engine. It's a modern classic; the same unit that powered the original Minis to countless rallying victories, but now with a standard catalyst to help care for the environment.

Drive, and enjoy yourself. With the Mini Cabriolet, the sky's the limit.

*Punchy performance is combined with care
for the environment; the Cabriolet's lively 63PS 1275cc
fuel-injected engine is fitted with
a three-way catalyst.*

cover.*

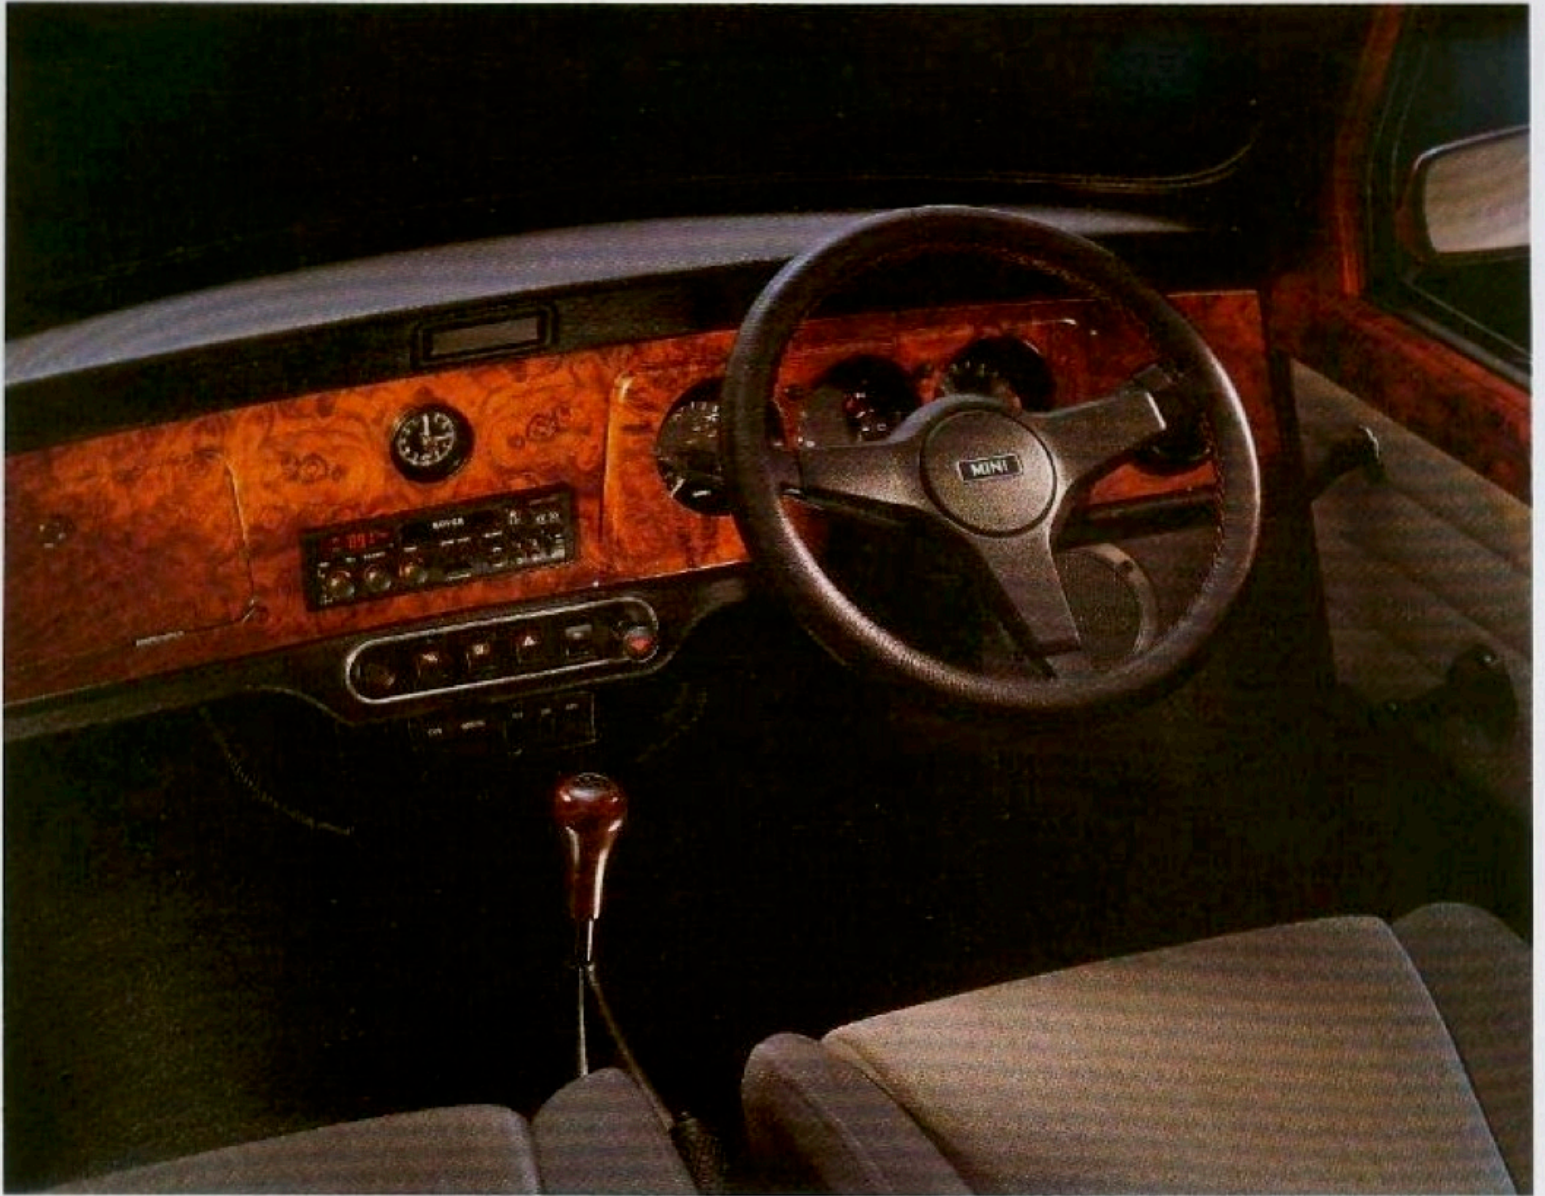

*A body colour front
spoiler emphasises the
Cabriolet's sporting
qualities.*

*The sky's the limit with the irresistible Mini Cabriolet.
It's a car to cherish, with its unique craftsmanship and quality. But above all, it's a car to drive - and enjoy.*

*Hand-crafted wood veneer in the fascia,
door cappings and gear lever knob embellishes
the traditionally sporting ambience
of the Cabriolet interior.*

The Cabriolet's new sports seats are as comfortable as they are stylish, featuring 'Chevron' facings with cloth seat backs and sides.

Giving an edge to that legendary handling, the Cabriolet is fitted with 'Revolution' alloy wheels with 175/50 x 12 low profile tyres.
