 **TOYOTA**

The new Corolla

The newly redesigned Toyota Corolla incorporates so many enhancements it is, in effect, a brand-new model.

The new engines deliver significant gains in all-round performance.

Exterior restyling gives the new Corolla a distinctive contemporary profile, while the improvements to the interior have been determined by the essentials of space, comfort and control.

Safety too reaches new levels of excellence, thanks to structural alterations and state of the art equipment.

The new model is available in 15 derivatives to ensure you'll find one that's ideal for your driving requirements.

You'll find the new Corolla something of a revelation.

Power with economy

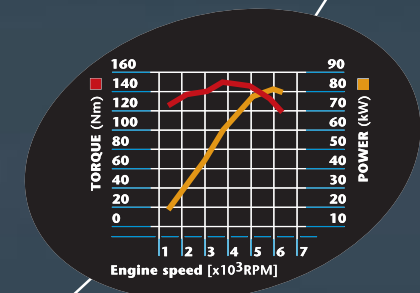

The challenge has always been to deliver more power at the same time as delivering greater fuel economy. The new Corolla succeeds spectacularly.

The reason is VVT-i, (Intelligent Variable Valve Timing) technology. This computerised control ensures that intake valve timing adjusts automatically to engine speed and accelerator pressure. As a result, the Corolla's 1.4 and 1.6 litre 16-valve petrol engines provide responsive acceleration combined with outstanding fuel economy and low emissions. Furthermore, their flat torque curve gives excellent in-gear response for a smooth, effortless drive.

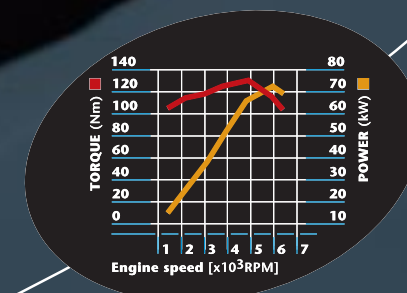

The Corolla is also available with a new 2.0 litre common-rail, direct injection diesel engine which delivers lively performance and outstanding fuel economy.

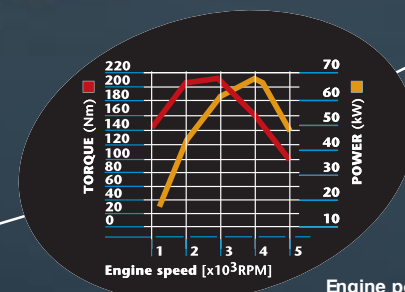

VVT-i engine technology makes the Corolla engine lively and responsive while achieving optimum fuel consumption

Engine power/torque output 1.6 VVT-i

Engine power/torque output 1.4 VVT-i

Engine power/torque output 2.0 D4-D

Versatile style - 3 door hatchback

Surefooted on the road whatever the conditions, the new Corolla 3 door hatchback offers a choice of 2 engine sizes and 3 trim levels.

The styling of the front light cluster and front grille has been radically redesigned, and the front bumper, with its three lower air intakes, is highly distinctive.

The Corolla 3 door hatchback is a whole new driving experience. That's because from the 1.4S right up to the 1.6SR with its sports styling and 6-speed transmission, it's a whole new car.

Rear lights designed to integrate with the streamlined body shape

Comfort and control - the watchwords behind the interior design

Distinctively different

5 door liftback

The new Corolla has had a real makeover, both inside and out. The 5 door liftback is no exception.

Outside, there's a whole new spectrum of sophisticated colours to choose from. Inside, supportive sports-style front seats are standard throughout the range, while the rear seats fold down individually for maximum load/passenger flexibility. A range of new seat materials have also been introduced.

The 5 door Corolla liftback is available in a range of 9 derivatives, 3 engine sizes (including a new 2.0 litre diesel option) and 3 trim levels.

Features include twin airbags, power steering, central locking and height adjustable driver's seat/tilt steering column as standard on all models, while the GS offers ABS and air conditioning. The top of the range 1.6 litre GLS has a 6 disc in-dash CD changer, alloy wheels, alarm and power sunroof. Automatic transmission is available on 1.6 litre VVT-i liftback models.

With one of the two seats folded, 2 passengers and unusual loads can be accommodated.

Four speed automatic transmission available on 1.6VVT-i models.

Stylish and practical

5 door estate

The Corolla's dynamic new look adds a particular elegance to the 5 door estate. Offering a perfect blend of style and spaciousness, it's available in a range of 3 derivatives, 3 engine sizes and 2 trim levels from the 1.4 GS right up to the top-of-the-range 1.6 GLS.

The GS and GLS both come with power assisted steering, air conditioning, anti-lock brakes and a host of other features. Combining performance with economy - the 1.6 GLS returns more than 40 mpg on the combined cycle - the Corolla estate is practicality itself.

With its flat rear opening, loading couldn't be easier. And when the rear seats are folded, there are volumes of space for large bulky items. There's even more load capacity thanks to the standard integral roof rails, which also give the Corolla estate its highly distinctive profile.

So much room - split rear seating offers a versatile range of load options.

The built-in roof rails not only look good, they can carry loads of up to 100 kgs.

Inside the new Corolla

Cosmetically, there are radical changes inside the new Corolla. You'll find chrome interior trim, dashboard instrumentation illuminated in a cool blue and a range of luxury upholstery materials - such as sports cloth on the SR, luxurious velour on the GLS. There are also generous side bolsters on all seats.

The new Corolla features an integrated stereo radio/cassette player which also displays important journey data; it can also accommodate an optional 6-disc CD autochanger (standard on GLS models) and GPS satellite navigation system. The SR and GLS models include high frequency tweeter speakers for exceptional audio performance.

But best of all, the new Corolla's interior uses its space intelligently so you and your passengers will enjoy new levels of comfort.

Storage designed to keep everyday items like sunglasses or mobile phones at hand.

Information at your fingertips
Corolla's integrated audio system -
and optional GPS satellite
navigation - share the central multi-
information display rendering the
audio useless to thieves if stolen.

Cupholders have been situated for ease of use by cabin occupants.

Ultimate protection & safety

The new Corolla has been designed to offer outstanding protection for both driver and passengers.

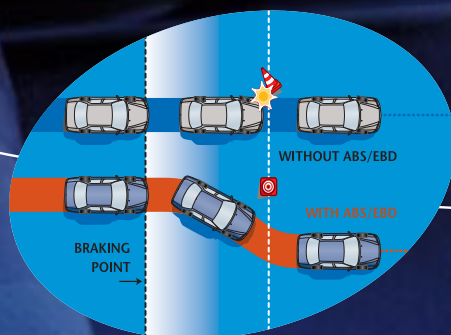

Driver control in all conditions has been enhanced by modifications to the chassis which provide extra stability. ABS featuring Electronic Brake force Distribution (EBD) is also standard on all GS, SR and GLS models.

The Corolla's rigid body has been designed to absorb collision energy with twin side impact beams, reinforced pillars and front and rear crumple zones. Electronically controlled driver and front passenger airbags are standard on all derivatives, and front seatbelts have force limiters to reduce chest pressure when activated.

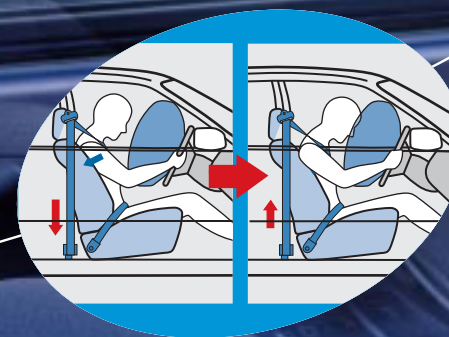

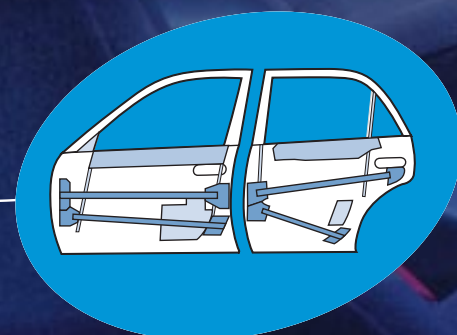

For increased vehicle security the very latest design engine immobiliser is standard on all models and double locking with keyless entry is standard from the GS upward.

In the new Corolla, you're in very safe hands indeed.

ABS now features EBD to improve stability under severe braking.

Side impact beams for lateral protection

Front seatbelt pre-tensioners provide additional protection in the event of an accident. Coupled with force limiters, the system helps reduce chest injuries common in frontal collisions

Corolla drive plans

Easy Start

Finding the deposit doesn't have to be an obstacle to driving a new Corolla. Corolla Easy Start, means you can be on the road after paying a low deposit that's no more than the equivalent of your first monthly payment.

At the end of the Corolla Easy Start plan, you have three attractive choices:

- You can part exchange your Corolla for a new model and use any money left over above the Guaranteed Future Value/Final Payment towards the deposit.
- You can continue to drive your Corolla - simply pay the Guaranteed Future Value/Final Payment and the car becomes yours*
- You can return the car provided that you have not exceeded the agreed mileage and the car is in good repair. All you pay is a £25 fee and you return the car with no further charges.

*A £40 Option to Purchase fee is payable at the end of the agreement.

Easy Drive

This plan allows you to include most of your motoring costs for 2 or 3 years in a single payment each month and covers:

- The cost of your car on a 2 or 3 year Toyota Terms agreement
- A 2 or 3 year Toyota Easy Care servicing plan covering routine major and intermediate services.
- Extended membership of Club Toyota for 2 or 3 years. This covers Toyota EuroCare, RAC Homestart, Roadside Assistance and Vehicle Recovery in the UK and Europe*. It also includes a two day replacement loan car or onward transport when required. And, of course, you'll enjoy all the additional motoring, travel and leisure benefits that Club Toyota membership brings.
- As a further option you can also include the cost of 2 or 3 years car insurance from Toyota Insurance in your monthly payment. This offers you the additional convenience and reassurance of knowing that any claims will be managed by the Toyota Accident Service - with repairs carried out by an authorised Toyota bodyshop.

* Ask your Toyota dealer for details of the countries covered by Roadside recovery and Assistance.

Easy Care

A well maintained car not only provides better performance and greater safety, it also holds its value better too. That's an important consideration when it comes to changing your car in the future.

The Toyota Easy Care Plan ensures that your car receives the very best maintenance and servicing at all times, by allowing you to spread the payments over a ten month period. You'll find that Toyota Easy Care is a simple method for prepaying the following costs:

- Routine major services (including routine servicing, parts* and labour)
- Intermediate oil and filter services

* excludes any replacement parts additional to the service, such as brake pads, tyres, clutch etc.

Your Toyota Dealer can arrange cover by Toyota Easy Care for either 2 or 3 years and at annual mileage bands of between 10,000 and 40,000 miles. The Toyota Easy Care Plan represents excellent value for money and provides added peace of mind with your new Toyota.

Business Drive

Business Drive is a fully maintained contract hire package most suited to small business customers.

The package includes the following benefits:

- The cost of your car on a 2 or 3 year contract hire agreement
- Routine scheduled servicing (including routine servicing parts)
- Mechanical repairs required through fair wear and tear
- Replacement tyres
- Courtesy vehicle in the event of mechanical failure
- Renewal of road fund licence in 2nd and 3rd year
- RAC Cover/European Cover/Extended Club Toyota membership/Toyota EuroCare.
- An accident management service.

The Business Drive package clearly offers many customer benefits including reduced capital outlay, all-inclusive monthly rentals and no depreciation disposal or administration problems – everything is taken care of by Toyota Contact Hire.

Flexible Finance

These specific Corolla Drive Plans may not suit your individual needs. Perhaps you prefer a more traditional method of financing your car. Whatever your requirements Toyota have a full range of finance options to offer you. Just discuss your personal requirements with your Toyota dealer who will be pleased to help you choose a Drive Plan to suit you.

Typical finance example

Corolla 3 door 1.4 VVT-i 10,000 miles per year for 24 months

(non-maintained)

Cash price on the road	£9,995.00
Deposit	£1,999.00
23 monthly payments	£239.00
Guaranteed future value/ final payment	£4,328.93
Total amount payable [†]	£11,934.93
APR	16.79%

[†]Includes £70 Credit Facility Fee (payable with the first monthly payment) and £40 Option to Purchase Fee (payable with the final payment). Based on 10,000 miles per year on Toyota Terms. Additional mileage charged at 7.1p per mile inc. VAT. Written quotations available on request from Toyota Financial Services (UK) PLC. All agreements subject to status. Indemnities may be required. Prices and example correct at time of going to press.

For further information contact your Toyota dealer who will explain the features and benefits in more detail.

Corolla *accessories*

Whether you are looking for extra comfort, convenience or enhanced styling, Corolla features a range of genuine Toyota accessories designed to fine tune your Corolla to the way you live your life.

This vehicle is fitted with fog lamps, front skirt and Como alloy wheels (3 door only)

Coral alloy

Estoril alloy

Alloy wheels

These stylish wheels give your Corolla a distinctive look. Choose between six exclusive Toyota designs and let your Corolla make a great first impression.

Lockable roof rack

Designed to fit snugly on the roof of your Corolla - allowing you to carry additional cargo. Easily fitted and removed, you can also choose from an extended range of special holders for luggage, surfboards and skis.

Toyota navigation system *

Integrated in the central display, the Toyota satellite navigation system offers you more than the regular 'turn by turn' system. In addition to arrows, it is supported by a voiceover and visualises the intersections and angles of roads. It is easy to use: just enter the address you want and it will guide you to where you want to go.

* Display colour subject to change.

In-car entertainment

Equipping your Corolla with state-of-the-art audio components transports you into a new sound dimension, giving you the best seats in your own concert hall.

Aluminium pedals

Add an extra touch of real performance style with these racy aluminium pedals with textured no-slip surface.

15" Alloy wheel package

Enhance the overall looks and image of your Corolla. These exclusive designs (Como and Geneva) have an increased tyre size (195/55x15) and are only available with the initial purchase of your new Corolla.

Peace of mind

Corolla has been redesigned from top to bottom and every other which way; so not only is it a brand new car, it also offers a brand new way of looking after it once it's yours. Toyota's global reputation for quality and integrity means the new Corolla can add peace of mind to its own highly individual range of attributes.

On the day you purchase your Corolla, your dealer will present you with a 'Corolla Passport'; a guide to living with your Corolla and making the most of its considerable range of features. Your dealer will explain the car to you, and always be there, should you require any assistance.

Health and Safety

Your dealer will also talk you through Corolla's very own Health and Safety programme. It's very simple. Your Corolla will only need a full 'Health and Safety' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also recommended every year or 10,000 miles.

Warranty

We're so confident each and every Corolla is so well built that it comes with a three-year or 60,000 miles warranty against any mechanical failure. In addition, the paintwork, no matter what colour you select, is guaranteed against imperfections for three years too.

Also, the body is guaranteed for 12 years against corrosion perforation.

Customer services

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK - Club Toyota. As well as giving you one year's Eurocare Roadside Assistance run in conjunction with the RAC, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers reduced price cinema and theatre tickets and the opportunity to participate in a variety of special events. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: In Front. **To find out more about Club Toyota call 0845 275 5555.**

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Dealer.

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Dealer or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- **Easy Start is an exciting new low deposit plan.**
- **Easy Care offers the complete reassurance of prepaid servicing.**
- **Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment .**
- **Business Drive is a fully maintained contract hire package most suited to small business customers.**

Whatever your personal preference, your Toyota Dealer can tailor a Drive Plan to suit your needs perfectly - driving a new car has never been so easy.

Written quotations available on request. All agreements subject to status. Indemnities may be required.

Every new Toyota comes with a three year/60,000 mile manufacturers warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance.

Toyota warranties offer equivalent cover to the manufacturers warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim).

Our warranty range offers you choice and flexibility, based on the vehicles age and engine size. All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year. Warranty cover also includes Club Toyota membership including UK RAC and Eurocare Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover.

For further information please contact your local Toyota dealer.

In the event of an emergency Toyota offers free of charge to Toyota owners a comprehensive management service which includes advice, assistance and practical help. Please contact your local Toyota Dealer for further details.

Toyota Approved Used Car Scheme. Please contact your local Toyota Dealer for details.
