Alloy wheels, mudflaps and snow chains

Alloy wheels don't just look good, they also improve driving dynamics by providing a firmer grip on the road and superior lateral stability. Ask your dealer for full details.

G-Class – alloy wheels

5-hole and 5-spoke alloy wheels are available for your G-Class. Please ask your dealer for details or brochure.

M-Class – alloy wheels

A wide range of alloy wheels is available for your M-Class. Please ask your dealer for details.

SmartWater Instant, TRACKER and Quickparc

SmartWater Instant

SmartWater Instant is a unique liquid developed by the Forensic Science Service that contains millions of microscopic particles encoded with a unique SmartWater identification number.

It essentially fingerprints your Mercedes' components, for example its alloy wheels, making it far less likely your car will be targeted by the opportunist spare parts thief.

SmartWater Instant	Q3 590 0000	£117.50
--------------------	-------------	---------

Quickparc

Quickparc gives you an audible alarm when you are reversing close to a stationary vehicle or object, helping you to park quickly and safely in awkward situations.

Basic kit (required with vehicle-specific kit)		B6 782 3401	£249.97

TRACKER – stolen vehicle recovery system

TRACKER is a state-of-the-art radio and satellite tracking system that enables the police to act quickly in locating and retrieving your Mercedes if it is stolen. In many cases stolen vehicles are retrieved before the thief has a chance to inflict any substantial damage. TRACKER Retrieve and TRACKER Monitor both use radio wave technology, while TRACKER Horizon uses both radio wave and satellite Global Positioning System (GPS) technology.

TRACKER Retrieve	Q3 501 0300	£199.00
TRACKER Monitor	Q3 501 0110	£299.00
TRACKER Horizon	Q3 501 0500	£499.00

TRACKER Network Subscription Options
