# The Celica

## *A powerful individual*

Smooth, sleek and exciting, the Toyota Celica has been designed for those who appreciate quality styling with performance and handling to match.

A 2+2 sports coupé in every sense, it has been specifically engineered to deliver outstanding power and stability, together with excellent fuel consumption, a comfortable ride and a surprising amount of space.

The Celica is available with a choice of two high-performing, highly efficient engines with a six-speed manual gearbox and power assisted steering. Whichever of the three grades you choose, you'll be rewarded with a driving experience that's totally satisfying.

The Celica – unmistakably individual.

# Celica

*Designed to perform*

The road hugging Celica, with its 'cabin-forward' design and long wheelbase, has a class-leading power-to-weight ratio, giving it the sharp response, excellent agility and high-speed stability you would expect from a 1.8 litre, quality, performance coupé.

Its eagerness is enhanced by the close ratio of its first five gears which maximises its powerful response, while the longer sixth-gear ratio reduces noise and fuel consumption at consistent high speeds.

What's more, the Celica's MacPherson strut front suspension and double wishbone suspension at the rear deliver the perfect balance between sports handling and a smooth, comfortable ride.

As you would expect with Toyota, the Celica comes with a generous specification, including ABS braking with EBD (Electronic Brake force Distribution), manual air-conditioning, electric windows and door mirrors, 16-inch five-spoke aluminium wheels with locking wheel nuts, and a sophisticated six-speaker CD/cassette/tuner system.

The low compact design with long wheelbase and light body weight provides excellent agility and high-performance stability.

Manual air-conditioning, a standard feature, keeps the cabin comfortably cool.

An electric outer sliding sunroof is one of the optional extras available with the Premium Pack.

# Celica 190

*More power, more luxury*

Specifically aimed at drivers who enjoy high-performance, quality motoring, the Celica range stands out from the crowd with its innovative engineering, exciting design and outstanding value for money. The Celica 190 clearly makes the point.

Toyota's engineers have modified the standard Celica's highly efficient, 1.8 litre engine to produce even more power – up to an exciting 189 bhp – so that the Celica 190 delivers even better acceleration and a higher top speed (140 mph). Yet it can still return overall fuel consumption of 33.6 mpg\* – thanks also to the car's aerodynamic, light-weight design, which includes a stainless steel exhaust manifold for reduced weight.

In addition to the exhilarating, extra performance, the Celica 190 is offered with the exceptional benefits of automatic air-conditioning with climate control, sumptuous leather front seats for extra luxury, and an electric tilt/slide sunroof.

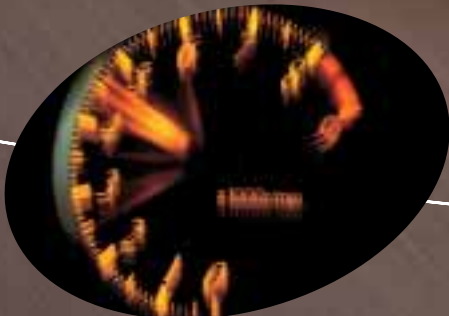

\* Celica 190 1.8 VVTL-i model Combined 33.6 mpg = 8.4L/100km. Urban 24.6 mpg = 11.5 L/100km. Extra Urban 42.8 mpg = 6.6 L/100km

The short-throw, six-speed gear shift enables smooth, fast gear-changing.

Performance indicator – the rev counter goes up to a striking 9,000 rpm.

Keep the cabin at your preferred temperature with automatic, climate control air-conditioning.

Aluminium-effect pedals add to the Celica 190's sports pedigree.

# Celica T Sport

*Even more distinctive*

Performance and premium quality are the hallmarks of every Celica. And these characteristics are no more evident than in the excitingly different Celica T Sport with its attractive styling variations and extra refinements.

This outstanding model is powered by the same modified engine that drives the Celica 190, delivering the same superb performance and quick response. But one glance is all it takes to see how special the Celica T Sport is.

A colour-keyed rear spoiler, front and side skirts give it a dramatic profile from every angle, while special body-coloured lens covers on the headlamps, unique 17-inch branded alloy wheels and locking wheel nuts and T Sport badge on the back further enhance its distinctive appearance.

The interior boasts the same specification as the Celica 190, but adds the refinements of full leather seats in a charcoal and light grey combination and embossed with the Celica T Sport logo, plus a Sony six-disc autochanger. It's the complete sports coupé.

The colour-keyed rear spoiler and distinctive model badge – two features that differentiate the exciting T Sport.

The uniquely designed 17-inch alloy wheels with T Sport badge have locking wheel nuts for peace-of-mind protection.

All four seats are upholstered in luxurious leather – further evidence of premium quality.

The full leather upholstery is embossed with Celica T Sport logo

## *Aesthetically pleasing, functionally designed*

The Celica's dynamic exterior styling is fully complemented by the imaginative, ergonomic design of the interior, which successfully combines functionality with a modern, aesthetic appeal.

The sports-style front seats provide excellent body support, are height-adjustable and, on the Celica, feature black cloth and different coloured side bolsters. On the Celica 190, the front seats are covered in sumptuous dark grey leather, while on the Celica T Sport all four seats enjoy the luxury of leather upholstery.

With all models, the rear bucket-type seats offer a 50:50 split facility to provide extra boot space which, even with the seats upright, is an impressive 365 litres. In addition, the boot incorporates an oddments tray, as well as luggage hooks, which help to prevent loose items moving around. With a mere 790 mm loading height, it's easy to lift heavy items into the boot space.

The Celica, however, is essentially a performance coupé. And that means it's designed with driver appeal. Sit behind the three-spoke, leather-trimmed steering wheel, experience the precise, short-throw gearshift, and you'll immediately feel at ease with all the controls – and in total harmony with a car designed to please.

CELICA

Even with the rear seats upright, the boot space offers plenty of room for luggage and other items.

The sports-style bucket seats provide superb comfort and hold.

The cockpit's attractive and ergonomic design has been created with the driver firmly in mind.

# Power and agility for exceptional performance

The Celica's striking good looks are matched by its outstanding performance. A thoroughbred sports coupé, it offers superb acceleration, exceptional agility, and secure handling.

The Celica's 1.8 litre four-cylinder engine produces an exciting 140 bhp at 6,400 rpm and 170 Nm maximum torque at 4,200 rpm. That translates into a 0 - 62 mph acceleration time of just 8.7 seconds and a top speed of 127 mph.

With the modified engine that powers the Celica 190 and Celica T Sport, the figures are even more impressive. Both models can sprint to 62 mph in only 7.4 seconds and speed onwards to a maximum of 140 mph, where permitted.

The Celica's engine incorporates Toyota's advanced VVT-i technology (Variable Valve Timing with intelligence), which automatically optimises the engine's efficiency and use of fuel, while the more powerful engine of the Celica 190 and T Sport uses VVTL-i technology (Variable Valve Timing with Lift - intelligent). The result is responsive performance throughout the gears, low fuel consumption and emissions.

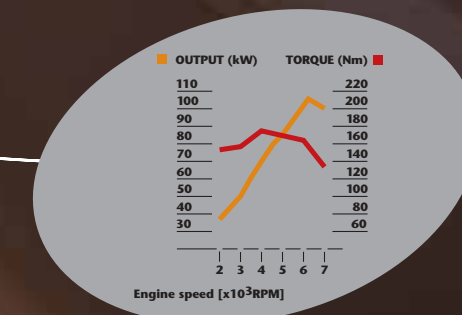

Sophisticated VVT-i and VVTL-i technology deliver excellent performance while keeping fuel consumption and emissions to a minimum.

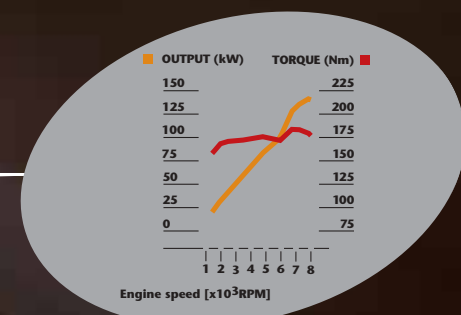

The clearly laid-out instrument binnacle with its amber readouts provides the driver with at-a-glance information.

The VVT-i engine develops a maximum 105kW of power at 6,400 rpm with maximum torque of 170 Nm at 4,200 rpm.

The VVTL-i engine produces even more power and torque.

# Safety first

The Celica is clear proof that safety is always a top priority at Toyota.

Its state-of-the-art body structure was developed with computer-aided design and engineering to provide excellent occupant protection with the use of high-strength steel for maximum all-round energy-absorption.

The steering wheel and brake pedal are both collapsible and, for further injury reduction, there is a head impact protection system. Front and side airbags provide further protection for front-seat occupants, complementing the three-point seatbelts with pre-tensioners and force limiters.

Maximum stopping power is provided by the 14-inch ventilated front disc brakes and solid discs at the rear, while the Celica's advanced ABS braking system with EBD (Electronic Brake force Distribution) delivers controlled, stable braking in emergency situations.

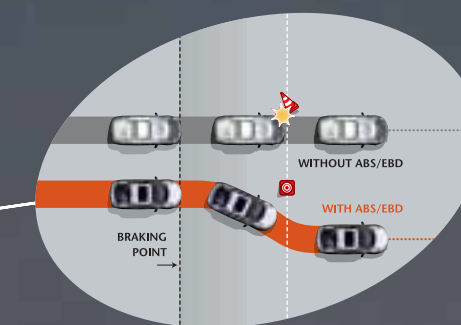

For the Celica's own protection, security features include engine immobiliser, alarm, remote central door locking, double locking, window etching, vehicle parts marking and locking wheel nuts.

The Celica's strong body shell incorporates high-tensile steel, side-impact protection beams – as demonstrated in this 50 mph impact test.

Driver and front seat passenger get the added protection of front and side airbags.

Toyota's advanced ABS braking system with EBD prevents brake-lock and provides controlled stopping in all conditions.

## Easy Start

Finding the deposit doesn't have to be an obstacle to driving a new Celica.

Celica Easy Start, means you can be on the road after paying a low deposit that's no more than the equivalent of your first monthly payment.

At the end of the Celica Easy Start plan, you have three attractive choices:

- You can part exchange your Celica for a new model and use any money left over above the Guaranteed Future Value/Final Payment towards the deposit.
- You can continue to drive your Celica – simply pay the Guaranteed Future Value/Final Payment and the car becomes yours\*
- You can return the car provided that you have not exceeded the agreed mileage and the car is in good repair. All you pay is a £25 fee and you return the car with no further charges.

\*A £40 Option to Purchase fee is payable at the end of the agreement.

## Easy Drive

This plan allows you to include most of your motoring costs for 2 or 3 years in a single payment each month and covers:

- The cost of your car on a 2 or 3 year Toyota Terms agreement
- A 2 or 3 year Toyota Easy Care servicing plan covering routine major and intermediate services.
- Extended membership of Club Toyota for 2 or 3 years. This covers Toyota EuroCare, RAC Homestart, Roadside Assistance and Vehicle Recovery in the UK and Europe\*. It also includes a two day replacement loan car or onward transport when required. And, of course, you'll enjoy all the additional motoring, travel and leisure benefits that Club Toyota membership brings.
- As a further option you can also include the cost of 2 or 3 years car insurance from Toyota Insurance in your monthly payment. This offers you the additional convenience and reassurance of knowing that any claims will be managed by the Toyota Accident Service – with repairs carried out by an authorised Toyota bodyshop.

\* Ask your Toyota dealer for details of the countries covered by Roadside recovery and Assistance.

## Easy Care

A well maintained car not only provides better performance and greater safety, it also holds its value better too. That's an important consideration when it comes to changing your car in the future.

The Toyota Easy Care Plan ensures that your car receives the very best maintenance and servicing at all times, by allowing you to spread the payments over a ten month period. You'll find that Toyota Easy Care is a simple method for prepaying the following costs:

- Routine major services (including routine servicing, parts\* and labour)
- Intermediate oil and filter services

\* excludes any replacement parts additional to the service, such as brake pads, tyres/clutch etc.

Your Toyota Dealer can arrange cover by Toyota Easy Care for either 2 or 3 years and at annual mileage bands of between 10,000 and 40,000 miles. The Toyota Easy Care Plan represents excellent value for money and provides added peace of mind with your new Toyota.

## Business Drive

Business Drive is a fully maintained contract hire package most suited to small business customers.

The package includes the following benefits:

- The cost of your car on a 2 or 3 year contract hire agreement
- Routine scheduled servicing (including routine servicing parts)
- Mechanical repairs required through fair wear and tear
- Replacement tyres
- Courtesy vehicle in the event of mechanical failure
- Renewal of road fund/licence in 2nd and 3rd year
- RAC Cover/European Cover/Extended Club Toyota membership/Toyota EuroCare.
- An accident management service.

The Business Drive package clearly offers many customer benefits including reduced capital outlay, all-inclusive monthly rentals and no depreciation disposal or administration problems – everything is taken care of by Toyota Contact Hire.

## Flexible Finance

These specific Celica Drive Plans may not suit your individual needs. Perhaps you prefer a more traditional method of financing your car. Whatever your requirements Toyota have a full range of finance options to offer you. Just discuss your personal requirements with your Toyota dealer who will be pleased to help.

### Typical finance example

Celica 1.8 10,000 miles per year for 36 months (non-maintained)

Cash price on the road	£16,980.00
Deposit	£3,396.00
35 monthly payments	£309.00
Guaranteed future value/final payment	£7,073.48
Total amount payable <sup>†</sup>	£21,394.48
APR	15%

<sup>†</sup>Includes £70 Credit Facility Fee (charged with the first payment) and £40 Option to Purchase Fee (charged with the final payment). Based on 10,000 miles per year on a PCP Drive Plan. Additional mileage charged at 83p per mile (inc. VAT). Written quotations available on request from Toyota Financial Services (UK) PLC. Indemnities may be required. All applications for credit are subject to acceptance. Prices and example are correct at time of going to print.

drive plans

For further information contact your Toyota dealer who will explain the features and benefits in more detail.

# Celica accessories

## More style and more convenience

The Celica is the essence of individuality – stylish, distinctive and alluring. But because no two individuals have the same lifestyles and motoring needs, Toyota has developed a range of quality accessories to add further refinement and practicality to your Celica.

Whether you choose the styling accessories for individual exterior flair or the practical additions for greater convenience, you can be totally assured you're buying bespoke design and excellent quality – because every accessory is a genuine Toyota product.

So check out the accessories range to see how you can make your Celica even more distinctive and suited to the way you live your life. Then simply contact your Toyota dealership for full details.

Be different. Be even more individual.

### Rear mounted bike holder

You don't need to drive a big estate to carry bikes. Designed specifically for the Celica, this clever holder takes two bikes safely and securely, and is supplied with outrigger rear light/indicators and number plate. Must be fitted with tow bar.

### Sony 10-disc CD autochanger

Add hours of continuous music pleasure with a Sony 10-disc CD autochanger, located discreetly and securely in the boot. Alternatively opt for the 6-disc CD autochanger or the 6-disc mini-disc autochanger, not illustrated.

### Roof rack

Carry extra items with this specially designed roof rack which is easily fitted and removed. You can also choose from an extended range of special holders for bicycles, luggage, sailboard and skis.

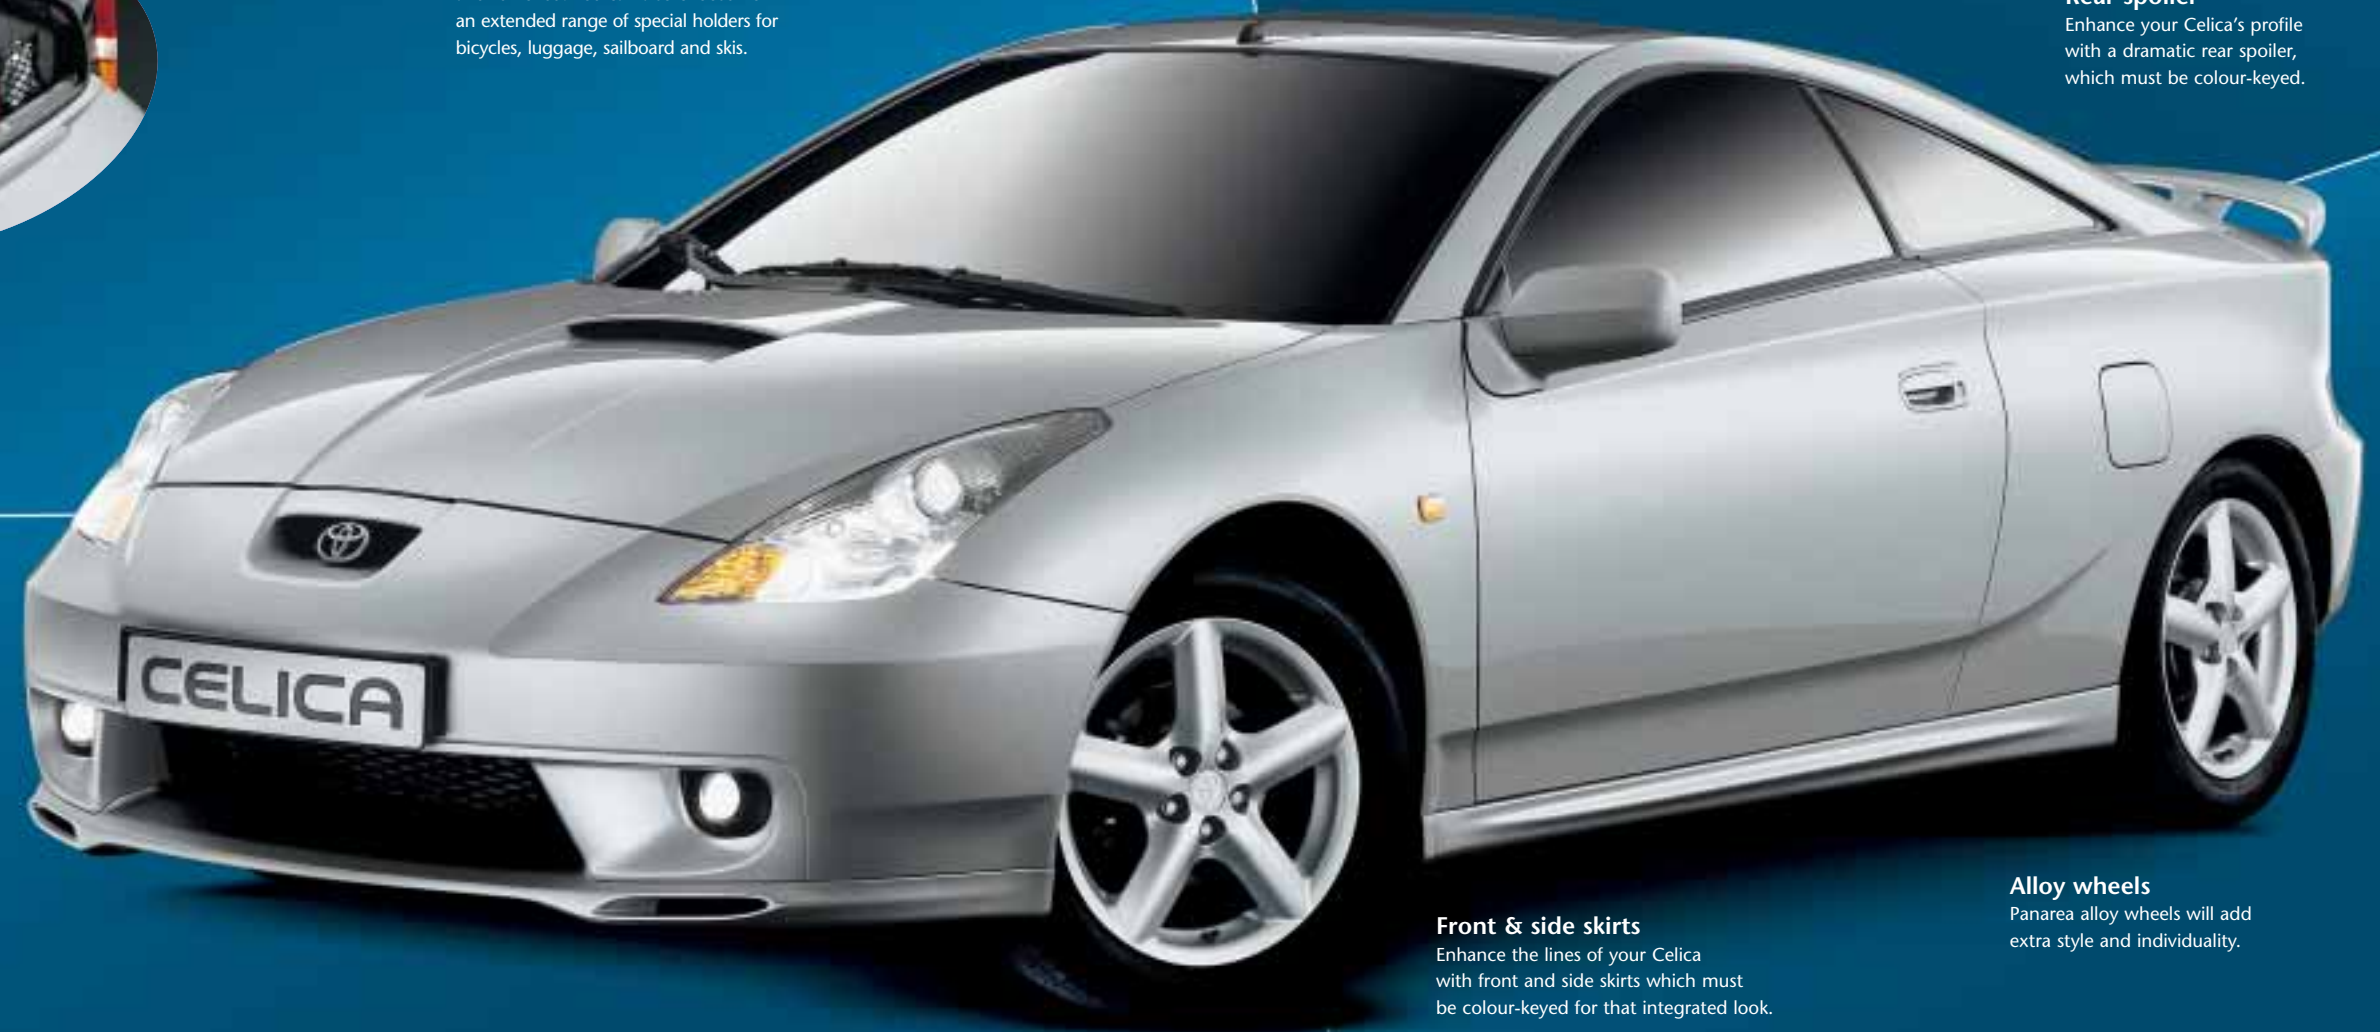

### Vertical cargo net

Whether you're travelling near or far, this handy nylon cargo net secures small items in the boot – a perfect barrier that hooks easily into place. Alternatively use the horizontal cargo net to secure those larger items, not illustrated.

### Carpet mats

These stylish and practical tailored carpet mats, colour-keyed to the interior of your Celica help protect the original carpeting and are easy to clean.

### Rear spoiler

Enhance your Celica's profile with a dramatic rear spoiler, which must be colour-keyed.

### Front & side skirts

Enhance the lines of your Celica with front and side skirts which must be colour-keyed for that integrated look.

### Alloy wheels

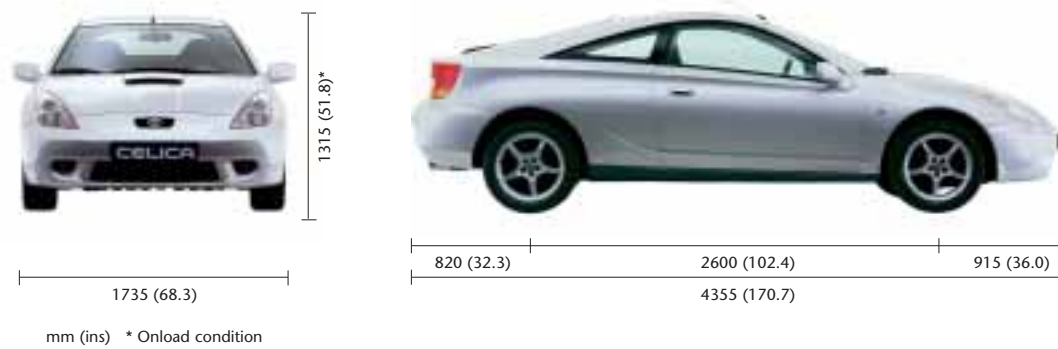

Panarea alloy wheels will add extra style and individuality.

# Peace of mind

Toyota's global reputation for quality and integrity means the Celica can add peace of mind to its own highly individual range of attributes.

On the day you purchase your Celica, your dealer will present you with a 'Celica Passport'; a guide to living with your Celica and making the most of its considerable range of features. Your dealer will explain the car to you, and always be there, should you require any assistance.

## Health and Safety

Your dealer will also talk you through Celica's very own Health and Safety programme. It's very simple. Your Celica will only need a full 'Health and Safety' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also recommended every year or 10,000 miles.

## Warranty

We're so confident each and every Celica is so well built that it comes with a three-year or 60,000 miles warranty against any mechanical failure. In addition, the paintwork, no matter what colour you select, is guaranteed against imperfections for three years too.

Also, the body is guaranteed for 12 years against corrosion perforation.

## Sports pack

Make your Celica even more stylish and distinctive with Toyota's specially designed Sports pack featuring 17" alloy wheels with locking wheel-nuts and a colour-keyed rear spoiler.

# Customer services

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK - Club Toyota. As well as giving you one year's Eurocare Roadside Assistance run in conjunction with the RAC, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers reduced price cinema and theatre tickets and the opportunity to participate in a variety of special events. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: In Front. **To find out more about Club Toyota call 0845 275 5555.**

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Dealer or call 0845 275 5555.

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Dealer or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- **Easy Start is an exciting new low deposit plan.**
- **Easy Care offers the complete reassurance of prepaid servicing.**
- **Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment .**
- **Business Drive is a fully maintained contract hire package most suited to small business customers.**

Whatever your personal preference, your Toyota Dealer can tailor a Drive Plan to suit your needs perfectly - driving a new car has never been so easy.

Written quotations available on request. All agreements subject to status. Indemnities may be required.

Every new Toyota comes with a three year/60,000 mile manufacturers warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance.

Toyota warranties offer equivalent cover to the manufacturers warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim).

Our warranty range offers you choice and flexibility, based on the vehicles age and engine size. All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year. Warranty cover also includes Club Toyota membership including UK RAC and Eurocare Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover.

For further information please contact your local Toyota dealer.

In the event of an emergency Toyota offers free of charge to Toyota owners a comprehensive management service which includes advice, assistance and practical help. Please contact your local Toyota Dealer for further details.

Toyota Approved Used Car Scheme. Please contact your local Toyota Dealer for details.
