 **TOYOTA**

The Toyota MR2 Roadster

Experience pure excitement

The MR2 Roadster completely redefines the concept of performance motoring. A car of the twenty-first century, it was designed to excel and built for real enjoyment.

Available in two versions – the MR2 Roadster and MR2 Roadster SMT (Sequential Manual Transmission) – it is a highly responsive, mid-engined, rear-wheel-drive roadster that delivers outstanding performance.

The appeal runs deeper than just technical excellence. It's about a purity of design and a driving experience that engages the senses and stirs the emotions.

It's nothing less than 100 per cent genuine sports car.

Advanced technology delivers driver satisfaction

Sophisticated automotive engineering from Toyota is what makes the MR2 Roadster so genuine and so fun to drive.

Its 1.8 litre engine incorporates VVT-i technology (Variable Valve Timing with intelligence) which, through a computerised control, ensures that intake valve timing automatically adjusts to engine speed and accelerator pressure. This delivers responsive acceleration and low fuel consumption, flexibility that can be fully exploited with the six speed transmission.

Just as innovative, the MR2 Roadster SMT features a six speed Sequential Manual Transmission (SMT). This exciting development enables the driver to change gear either via steering-wheel-mounted controls or a sequential gear-lever. As there is no clutch it results in fast, smooth gear changing.

Both the MR2 Roadster and MR2 Roadster SMT are equipped with all-round MacPherson strut suspension which has been refined to create a flatter ride with a better balance between handling and stability. And weighing in at just 990 kg (1005kg for the SMT) whilst producing an impressive 125lb/ft of torque, they have class-leading power-to-weight ratio.

What's more, they each develop 138 bhp at 6,400 rpm. But then figures alone can never adequately describe just how exhilarating they are to drive.

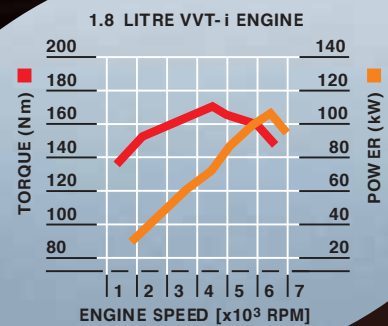

MacPherson strut front suspension contributes to the positive steering feeling and ride comfort.

Sequential Manual Transmission means fast easy gear-shifting, via steering-wheel-mounted controls or a sequential gear-lever.

VVT-i engine technology helps the MR2 Roadster achieve lively and responsive performance coupled with optimum fuel efficiency.

The compact 1.8-litre, 16-valve, 4-cylinder engine delivers sporty performance throughout the whole rpm range.

Dynamic styling

The MR2 Roadster looks every bit as exciting as it performs. Nothing else moves you quite as much – on the road or on the driveway.

Its radical flowing lines ensure that it looks impressive from any angle – from its bold redesigned front, now incorporating fog lamps and projector type headlamps, through to its distinctive rear light cluster.

Its side profile has also been enhanced by new stylish air inlets and the addition of 16-inch alloy wheels at the rear to complement the 15-inch front alloys. The MR2 Roadster sits low and wide – just as a performance roadster should.

The soft top has an easy raise/lower mechanism that leaves it perfectly flat when not in use – there's no need for a separate cover – while the optional colour-keyed hard top is fully detachable. Both tops incorporate a heated glass rear window.

The MR2 Roadster's unique, modern styling gives more than a hint of the untold excitement to come.

This factory fitted stylish detachable hard top is yet another way to enjoy the pleasures of the MR2 Roadster.

The soft top is both stylish and functional. It folds down in a way that ensures the interior lining is not exposed to dirt.

Unlike many cars in its class, the MR2 Roadster's soft top comes with the practicality and durability of a heated glass rear window.

Rear lights designed to integrate with the streamlined body shape

The MR2 Roadster

No compromise on comfort

To maximise the unrestrained pleasure of open-top motoring, the MR2 Roadster is equipped to impress even the most demanding of drivers.

Power windows and side mirrors are standard, as is power steering. New sports-style seats are fully adjustable to provide the most comfortable driving position. And the three-spoke steering wheel and gearshift knob are clad in leather for a touch of luxury. For even more refinement you can opt for full leather upholstery and air-conditioning.

All controls are within easy reach of the driver – including those for the RDS radio/CD player – while chrome highlights on interior fittings, plus aluminium sports pedals, visibly enhance the MR2 Roadster's pole position – as the ultimate roadster.

The Sequential Manual Transmission gear-lever is easy to operate with only three positions, which are visually indicated via an LCD display within the rev counter binnacle.

Storage spaces include the front box which accommodates the space saver spare wheel as well as small items, and a lock-up luggage space behind the seats.

Equipping your MR2 Roadster with state-of-the-art audio components transports you into a new sound dimension, giving you the best seats in your own concert hall.

To maximise driver control, the sports-style instruments with their clear readouts are perfectly positioned for instant information and response.

Safety assured

You may well choose the MR2 Roadster purely for the thrill of driving. But it's reassuring to know that Toyota's engineers have left nothing to chance when it comes to safety.

The 138 bhp that satisfies your urge for exciting performance is balanced by ABS braking and ventilated discs to ensure controlled, stable braking.

In addition, the MR2 Roadster SMT incorporates the innovative features of Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA), which automatically aid the driver to control the effects of wheel spin, correct any understeer or oversteer and supplement braking force if required.

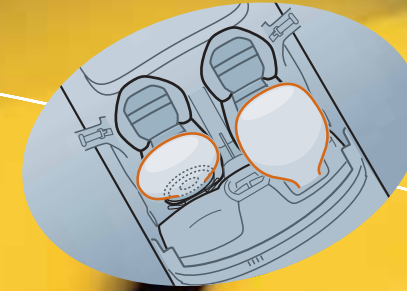

The highly rigid body incorporates crumple zones front and rear as well side-impact beams. And both driver and passenger are protected by airbags, complementing the three-point seatbelts with pre-tensioners and force limiters.

For the MR2's own protection, it comes with remote central double-locking, engine immobiliser, alarm and window-etching. Which all leaves you free to enjoy the car's full potential with confidence and reassurance.

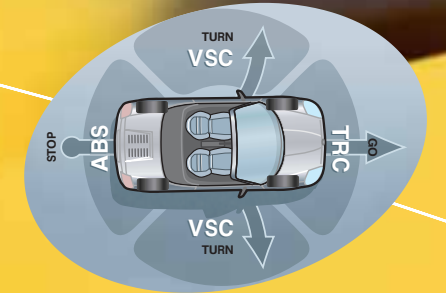

Standard ABS brakes improve stability under severe braking.

The MR2 Roadster offers the reassurance of front and passenger airbags as standard across the range.

Active safety features such as Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA) are standard on the MR2 Roadster SMT, affording the driver unparalleled control in adverse driving conditions.

The crash safety body is comprised of a high integrity cabin, which surrounds the occupants and dissipates impact energy into the entire body. Front and rear crumple zones also act to absorb energy in a collision.

The MR2 Roadster

Drive Plans from Toyota Financial Services

We want to make acquiring and maintaining your MR2 Roadster as easy as driving one. Our range of Toyota Drive Plans have been designed specifically with this in mind, to offer you a choice of affordable ways to finance, service and maintain your new car. Above all our plans offer flexibility, easy budgeting and peace of mind and can be arranged as a one-stop-shop when you select your MR2 Roadster.

As part of the Drive Plans range we have developed four customised schemes, based on specific customer requirements. These Drive Plans are:

Easy Start

With Easy Start finding a large deposit is not an issue. Just the equivalent of one monthly payment in advance is all that is needed to drive away in a MR2 Roadster. This simple and innovative plan, based on our popular PCP Drive Plan, is ideal for younger customers or families on a tight budget.

Easy Drive

Easy Drive is a comprehensive finance package, with one monthly payment taking care of most of your motoring needs for 2 or 3 years. The plan includes the cost of a MR2 Roadster on a PCP Drive Plan, an Easy Care servicing plan covering routine major and intermediate services and extended membership of Club Toyota. As a further option you can also include the cost of car insurance from Toyota Insurance in your monthly payment.

Easy Care

For those who value the peace of mind of a pre-paid servicing package we can offer Toyota Easy Care. The plan ensures that your MR2 Roadster will receive the very best maintenance and servicing. Easy Care covers routine major services (including routine servicing, parts and labour) and intermediate oil and filter services.

Business Drive

Business Drive offers the security of a fully maintained Contract Hire package, ideally suited for VAT registered businesses. The package offers a host of benefits including reduced capital outlay, all-inclusive monthly rentals and no depreciation, disposal or administration problems.

Flexible Finance

However, Drive Plans are about more than just these four schemes. Whatever your needs, Toyota has a full range of finance options to offer you. Whether you're a private motorist or a business customer, just discuss your individual requirements with your Toyota dealer, who will be pleased to help you choose a Drive Plan to suit you.

Typical Example

PCP Drive Plan – MR2 Roadster 1.8 VVT-i 2 dr

On the road cash price	£16,995.00
Deposit/Initial payment	£4,261.25
35 Monthly payments	£254.00
Guaranteed Future Value/ Final Payment	£7,618.00
Total amount payable*	£20,809.25
APR	13.1%

Based on PCP Drive Plan with a mileage limit of 30,000 miles over the period of the agreement. Excess mileage charged at 9.4p per mile (inc. VAT) up to 4,999 miles and 18.8p per mile (inc. VAT) over 5,000 miles.

*Includes £90 Acceptance Fee (payable in first payment) and £40 Option to Purchase Fee (payable with final payment).

Licensed credit broker. Written quotations on request from Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UX. All finance subject to status to over 18's only. Indemnities may be required. Prices correct at time of going to press and include VAT, delivery charge, number plates, one years road fund licence and £25 first registration fee.

The MR2 Roadster

Become truly original

Everyone likes to be different, to express their own individuality. Which is why Toyota has developed an exciting range of quality accessories specially for the MR2 Roadster.

Choose for comfort, convenience or style according to your motoring needs and lifestyle – and let your MR2 Roadster reflect your personality. Stand out from the crowd.

Because all the accessories are genuine Toyota products, you can rely on their quality, reliability and performance. What's more, you'll know they'll harmonise perfectly with the MR2 Roadster's distinctive design and image – for style, fit and colour.

See how you can add to the unique experience of owning an exhilarating performance roadster – and make driving it an even greater pleasure. Ask your Toyota dealer for details of the full range of our quality accessories.

The MR2 Roadster – right – is fitted with Sports twin exhausts, Chrome styling bar, Rear bumper extensions, Side skirt, Rear Spoiler, Chrome scuff plates/fuel flap surround kit and Carbon effect instrument panel.

The MR2 Roadster – below – is fitted with Chrome exhaust trim, Mud flaps, Chrome styling bar and Sports spoiler.

Carpet mats

These colour co-ordinated, tailored carpet mats are easy to remove and clean and will help to protect the original carpeting of your MR2 Roadster.

Hard top storage cover and trolley

Stow away your hard top easily and conveniently with this special cover and trolley. It's effortless to manoeuvre and can be easily attached to your garage wall.

Leather holdall

Designed to fit perfectly into the MR2's storage space, a special Leather holdall is ideal for away-days.

Peace of mind

MR2 Roadster has been redesigned from top to bottom so not only is it a brand new car, it also offers a brand new way of looking after it once it's yours. Toyota's global reputation for quality and integrity means the new MR2 can add peace of mind to its own highly individual range of attributes.

On the day you purchase your MR2 Roadster, your dealer will present you with a 'MR2 Passport'; a guide to living with your MR2 Roadster and making the most of its considerable range of features. Your dealer will explain the car to you, and always be there, should you require any assistance.

Health and Safety

Your dealer will also talk you through MR2 Roadster's very own Health and Safety programme. It's very simple. Your MR2 will only need a full 'Health and Safety' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also required every year or 10,000 miles.

Customer services

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK – Club Toyota. As well as giving you one year's Eurocare Roadside Assistance run in conjunction with the RAC, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers reduced price cinema and theatre tickets and the opportunity to participate in a variety of special events. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: In Front. **To find out more about Club Toyota call 0845 275 5555.**

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Dealer or call 0845 275 5555.

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Dealer or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- **Easy Start is an exciting new low deposit plan.**
- **Easy Care offers the complete reassurance of prepaid servicing.**
- **Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment .**
- **Business Drive is a fully maintained contract hire package most suited to small business customers.**

Whatever your personal preference, your Toyota Dealer can tailor a Drive Plan to suit your needs perfectly – driving a new car has never been so easy.

Written quotations available on request. All agreements subject to status. Indemnities may be required.

Every new Toyota comes with a three year/60,000 mile manufacturers warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance.

Toyota warranties offer equivalent cover to the manufacturers warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim).

Our warranty range offers you choice and flexibility, based on the vehicles age and engine size. All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year. Warranty cover also includes Club Toyota membership including UK RAC and Eurocare Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover.

For further information please contact your local Toyota dealer.

In the event of an emergency Toyota offers free of charge to Toyota owners a comprehensive management service which includes advice, assistance and practical help. Please contact your local Toyota Dealer for further details.

Toyota Approved Used Car Scheme. Please contact your local Toyota Dealer for details.
