New Avensis

Quality speaks for itself

With its premium styling, outstanding build-quality and advanced technologies for superior performance and safety, New Avensis represents a new benchmark in quality.

Completely redesigned inside and out, it meets – and exceeds – the expectations of discerning individuals who appreciate excellence in every detail.

The impressive New Avensis is offered in three body

styles and with a choice of VVT-i petrol and D-4D diesel engines, all of which deliver exciting performance, excellent fuel economy and low emissions.

Together with superior handling and stability, plus exceptional levels of comfort, convenience and safety, New Avensis is arguably the most prestigious marque in its sector.

New Avensis – the power to command admiration.

New Avensis T₂

Refinement starts here

The outstanding quality of New Avensis perfectly complements Toyota's worldwide reputation for reliability and durability. And it's in evidence right across the range, starting with the superbly engineered and equipped New Avensis T₂.

You can sense the refinement in the pleasing, modern design of all three body shapes – four-door saloon, five-door hatchback and five-door tourer, all of which come with body coloured bumpers and door handles. And you can experience it through the responsive, efficient performance of the 1.8 litre VVT-i petrol engine and 2.0 litre turbo-charged D-4D diesel power unit.

The New Avensis T₂ comes with ABS braking with EBD (Electronic Brake force Distribution) for maximum braking control, nine airbags – including a class-leading driver's knee airbag – manual air-conditioning, eight-speaker CD/radio/cassette audio system, four-spoke fully adjustable steering wheel, plus Optitron instrumentation for outstanding clarity.

New Avensis T₂ – setting new standards of quality and refinement.

Optitron instrumentation provides excellent visibility.

Adjust the T's manual air-conditioning to find your preferred temperature.

New Avensis T_{3-s} and T_{3-x}

Outstanding handling and stability

Thanks to a newly designed suspension system, featuring shock absorbers to the stabiliser bar and a new toe control arm, New Avensis not only delivers excellent steering response and feel, but also outstanding stability and ride comfort – qualities perfectly exhibited by the T_{3-s} and T_{3-x}.

The well-equipped T_{3-s} offers 16-inch eight-spoke alloy wheels, manual air-conditioning, integrated eight-speaker CD/radio/cassette system, electric front windows and Toyota's turn-by-turn satellite navigation system, featuring voice navigation in five languages and enlarged intersection display. It also comes with Electronic Traffic Avoidance, enabling you to avoid traffic hold ups.

All T_{3-x} models feature a metallic centre console, dual-zone, climate control air-conditioning, rain sensitive front wipers, 16-inch five-spoke alloy wheels, all-round electric windows, and power adjustable, heated and retractable exterior mirrors. And for enhanced stability and control, the 2.0 litre petrol versions are fitted with Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA).

New Avensis T₃ – where driving pleasure comes first.

Adjust the volume of the eight-speaker audiosystem without taking your hands off the steering wheel.

The centrally mounted dashboard display gives you valuable trip information and on the T_{3-s}, route guidance through the satellite navigation system as well.

Distinctive by design

The T₄ embodies all the strengths of the distinctive New Avensis range – sophisticated engines with a smooth five-speed manual gearshift, with optional four-speed sequential automatic transmission on petrol-driven models, superb ride comfort, exceptional roominess, and an impressive level of quality specification.

It's offered with dual-zone, climate control air-conditioning, turn-by-turn satellite navigation with Electronic Traffic Avoidance for easy route-finding, and with Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA) (all standard on 2.0 litre petrol versions).

All T₄ models also feature integrated front fog lamps, all-round power windows, leather-trimmed steering wheel, optional tilt/slide sunroof, and 17-inch, ten-spoke alloy wheels with locking wheels nuts.

New Avensis T₄ – where reality exceeds expectation.

A tilt/slide sunroof with shade and one-touch operation is an attractive option (available on most T₄ models).

The powerful CD/radio/cassette audio system and dual-zone climate control air-conditioning make every journey an enjoyable experience.

New Avensis T Spirit

The essence of quality

Style, performance, but above all, quality are the hallmarks of New Avensis, a superbly refined and engineered car that delivers what it promises. And there's no more rewarding a model than the New Avensis T Spirit.

Exuding quality in every detail – performance, handling, comfort and safety – the prestigious T Spirit has extra refinements such as cruise control, multi-adjustable electric front seats and driver's lumbar support, plus the opulence of high-grade leather seat facings.

It's also offered with dual-zone, automatic air-conditioning and, as an option, a sophisticated full-colour map DVD satellite navigation system. What's more, as with all New Avensis models, it comes with a reassuring range of long-term mechanical, paint and anti-corrosion warranties.

New Avensis T Spirit – quality that endures.

Finding your destination couldn't be easier with the optional, voice-activated, full-colour map DVD satellite navigation system.

Cruise control is standard on the T Spirit and optional on most T3-x and T4 models.

New Avensis

Enjoy control

One look inside the New Avensis tells you that exceptional design can deliver quality as well as practicality.

Putting the driver in control is paramount. Which is why New Avensis has a multi-adjustable driver's seat and a steering wheel which can be adjusted for both reach and rake, and which incorporates the main controls for the powerful eight-speaker sound system.

In addition, the driver can easily view the Optitron instrumentation and – at the touch of conveniently placed controls – activate the exterior mirrors, adjust the air-conditioning, find the best route with satellite navigation (available on most models) and receive vital trip information from the central display.

For even greater convenience, the T_{3-x}, T₄ and T Spirit also offer rain-sensing front wipers and a rear-view mirror that automatically adjusts to minimise headlamp glare.

New Avensis

Experience comfort

The strikingly stylish interior underlines the premium feel of every New Avensis. Quality cloth or leather seat facings provide maximum support and comfort, while chrome accents add extra refinement.

Comfort is further enhanced by the remarkably smooth and quiet ride and by the exceptional roominess of the cabin. With New Avensis, every

journey is a pleasurable experience.

Storage space is provided by a lockable glove box, front seatback pockets and by a useful mid-seat console box which can also be used as an armrest on selected models. The rear seats of the T_{3-x}, T₄ and T Spirit split 60:40 and, on the hatchback and tourer, tumble and fold as well to provide volumes of extra space.

The spacious and quality-fitted boot storage area features tie-down hooks, 'shopping bag' hooks and, on the New Avensis tourer, a retractable tonneau cover.

At the touch of a button, driver and front seat passenger in the T Spirit can adjust their seats to find the most comfortable position.

The rear centre armrest on the T_{3-x} T₄ and T Spirit cleverly incorporates pull-out cup-holders for rear-seat passengers.

New Avensis

Delivering driver pleasure

Toyota has introduced the very latest ideas and technology to ensure that driving a New Avensis is a quality experience, geared to the demands of modern-day motoring. New Avensis is a car that rewards drivers – and one that makes driving a pleasure again.

Within the New Avensis range, you'll appreciate such features as illustrated below - making the driver's job easier and more enjoyable.

Four-speed sequential automatic transmission to suit your driving style

An optional DVD satellite navigation system with removable remote control.

Convenient steering-wheel-mounted audio controls

A rear-view mirror that automatically adjusts to counter glare

Power adjustable, heated and retractable exterior mirrors

Special windscreen sensors that detect rain and activate the wipers

New Avensis

A smooth efficient performance

Toyota's advanced engineering expertise has produced three outstanding New Avensis engines, each of which delivers effortless performance combined with low fuel consumption and low emissions.

The 1.8 litre and 2.0 litre petrol engines employ VVT-i technology (Variable Valve Timing – intelligent), which electronically controls the timing and duration of the intake valve opening. This maximises the engine's performance, while minimising fuel consumption and exhaust emissions.

Both engines also incorporate an advanced direct injection system to further boost efficiency and performance which, with the 2.0 litre version, results in acceleration to 62 mph in just 9.1 seconds and fuel consumption of up to 34.9 mpg on the combined cycle.

The sophisticated 2.0 litre D-4D common rail diesel engine delivers exhilarating performance with the help of its variable nozzle turbocharger. It also operates with the minimum noise and vibration.

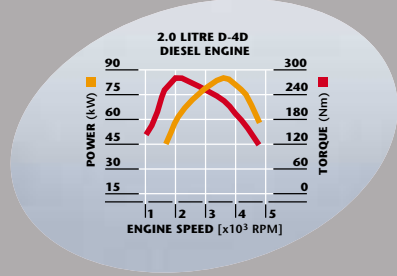

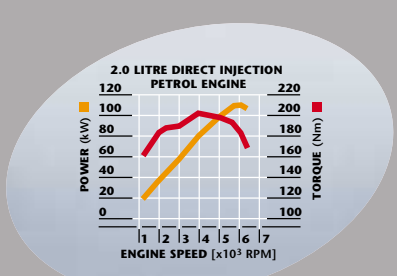

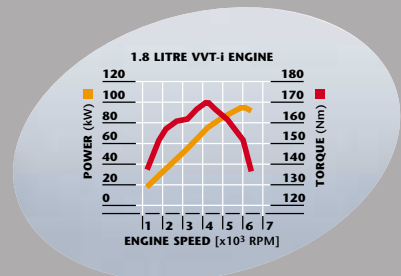

Producing outstanding 280 Nm/2000 rpm of torque, the D-4D engine can power New Avensis to a top speed of 121 mph, while still return up to 48.7 mpg on the combined cycle.

The 1.8 litre VVT-i engine produces 170 Nm/4200 rpm of torque for smooth controllable power.

With even more torque, the powerful 2.0 litre VVT-i engine produces acceleration to 62 mph in just 9.1 seconds.

The advanced 2.0 litre turbocharged diesel power unit is smooth and responsive, delivering outstanding fuel economy without compromising performance.

New Avensis

Safety comes first

With Toyota's total commitment to safety, New Avensis incorporates some of the most advanced primary and secondary safety systems and features available.

Every New Avensis comes with ABS braking with Electronic Brake force Distribution (EBD), while most models also feature Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA). All these systems give the driver greater control in difficult road conditions.

Every New Avensis has a thoroughly tested energy-absorbing body to provide maximum protection in the event of a collision, an energy-absorbing steering column and a total of nine airbags, including a class-leading driver's knee airbag.

For further peace of mind, New Avensis is fitted with a comprehensive range of security features, including engine immobiliser, alarm, remote central door locking and double locking.

With intelligent automatic systems, such as ABS brakes with EBD plus VSC, TRC and BA, the New Avensis gives the driver assured control.

A special safety system helps to reduce whiplash injuries.

The energy-absorbing body structure is specially reinforced to minimise the effects of side impacts, as well as frontal and rear ones.

Every New Avensis is fitted with nine airbags, including a driver's knee airbag - a class-leading feature.

New Avensis

Drive Plans from Toyota Financial Services

We want to make acquiring and maintaining your New Avensis as easy as driving one. Our range of Toyota Drive Plans have been designed specifically with this in mind, to offer you a choice of affordable ways to finance, service and maintain your new car. Above all our plans offer flexibility, easy budgeting and peace of mind and can be arranged as a one-stop-shop when you select your New Avensis.

As part of the Drive Plans range we have developed customised schemes, based on specific customer requirements. These Drive Plans are:

Easy Start

With Easy Start finding a large deposit is not an issue. The equivalent of one monthly payment in advance is all that is needed to drive away in a New Avensis. This simple and innovative plan, is ideal for families on a tight budget.

Easy Drive

Easy Drive is a comprehensive finance package, with one monthly payment taking care of most of your motoring needs for 2 or 3 years. The plan includes the cost of a PCP Drive Plan, an Easy Care servicing plan covering routine major and intermediate services and extended membership of Club Toyota.

Easy Care

For those who value the peace of mind of a pre-paid servicing package we can offer Toyota Easy Care. The plan ensures that your New Avensis will receive the very best maintenance and servicing.

Business Drive

This offers the security of a fully maintained Contract Hire package, ideally suited for VAT registered businesses. The package offers a host of benefits including reduced capital outlay, all-inclusive monthly rentals and no administration problems.

Licensed credit broker. Written quotations on request from Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UX. All finance subject to status to over 18's only. Indemnities may be required. Prices correct at time of going to press and include VAT, delivery charge, number plates, one years road fund licence and £25 first registration fee.

The Avensis Advantage Programme

Flexibility and affordability are important considerations for any car purchaser. Whether you're a private motorist or a business customer. The New Avensis Advantage programme focuses on three of our range of drive plans, Personal Contract Purchase, Hire Purchase and for businesses Contract Hire all with attractive offers that make it easy for you to acquire your New Avensis.

Flexible Finance

However, Drive Plans are about more than just these schemes. Whatever your needs, Toyota has a full range of finance options to offer you.

Typical Example

PCP Drive Plan –

New Avensis T2 1.8 VVT-i 5 door, hatchback

On the road cash price	£13,995.00
Deposit/Initial payment	£2,778.00
35 Monthly payments	£255.00
Guaranteed Future Value/ Final Payment	£4,798.00
Total amount payable*	£16,541.00
APR	10.9%

Based on PCP Drive Plan with a mileage limit of 30,000 miles over the period of the agreement. Excess mileage charged at 9.4p per mile (inc. VAT) up to 4,999 miles and 18.8p per mile (inc. VAT) over 5,000 miles.

*Includes £90 Acceptance Fee (payable in first payment) and £40 Option to Purchase Fee (payable with final payment).

New Avensis accessories

Assert your individuality

The quality of New Avensis is reflected in its distinctive range of individually designed accessories, enabling you to customise your car according to your personality, motoring needs and lifestyle. In terms of appearance, fit and colour, all the parts have been specially designed to harmonise perfectly with New Avensis' stylish presence. And, because they are genuine Toyota products, their quality and reliability are totally assured.

Visit your local Toyota dealership for details of the full range – then decide how to express your individuality.

Audio

- 6-disc CD autochanger (glove box fit) – all models
- 6-disc CD autochanger (stand alone) – all models

Body exterior

- Chrome exhaust finisher – all models
- Elegant rear spoiler (primered) – saloon & hatchback
- Front skirt (primered) – all models
- Mud flaps, front pair – all models
- Mud flaps, rear pair – all models
- Rear bumper protection film (to protect rear bumper in boot area) – all models
- Rear chrome garnish for lower boot section – all models
- Side skirts, pair – (primered) – all models
- Sports rear spoiler – (primered) – saloon
- Wind deflectors, front set – all models

Convenience

- City collection – including Rear parking 4-sensor system, Front and rear mud flaps & Carpet mat set (premium) – saloon & hatchback
- City collection – including Rear parking 2-sensor system, Front and rear mud flaps & Carpet mat set (premium) – tourer
- Chrome collection – including Chrome exhaust finisher, Rear chrome garnish & Aluminium/leather gear knob – saloon & hatchback – (manual only)
- Style collection – including 'Elegant' rear spoiler (primered), Side skirts (primered) & Front skirt (primered) – saloon & hatchback
- Hot/cold box – all models
- Rear parking 4-sensor system – saloon & hatchback
- Rear corner parking 2-sensor system – tourer
- Toyota hands free (THF) telephone kits – all models

Emergency

- Emergency kit comprising First aid kit & Warning triangle in zipped holdall – all models
- Fire extinguisher 0.6kg – all models
- First aid kit – all models

Interior trim

- Carpet mat set – sound absorbent premium grade, anthracite – all models
- Carpet mat set – standard grade, anthracite – all models
- Scuff plates – (front set, aluminium two-tone grey) – all models
- Shift knob, aluminium/leather – all manual models
- Shift knob, wood/leather – all manual models

Lights

- Fog lamp kit – T₂ & T_{3-S} petrol engine vehicles
- Fog lamp kit – T₂ & T_{3-S} D-4D engine vehicles
- Headlamp beam converters – all models
- Headlamp protectors (including Headlamp beam converter kit) – all models (available May '03)

Loadspace

- Boot liner – all models
- Dog guard – hatchback & tourer (available May '03)
- Horizontal floor net – all models
- Vertical cargo net – all models
- Rear bicycle holder – (must be fitted with Tow bar and rear Lamp set)
- Rear lamp set for Rear bicycle holder

Locks

- Tracker systems
- Tracker – stolen vehicle tracking systems
- RAC Trackstar – stolen vehicle tracking systems

Roof

- Cross bars (two bars, fit onto standard rails) – tourer
- Roof rack (maximum load 75kg inc. roof rack weight) – saloon & hatchback
- The following accessories can be fitted with the Roof rack or Cross bars:
- Bicycle holder – all models
- Luggage box – all models
- Sailboard/mast holder (holds one, one can be fitted) – all models
- Ski holder (holds 4 pairs) – all models
- Ski holder (holds 6 pairs) – all models

Safety

- Child seat – with ISOFIX fixation – class G1, approx. 8 months - 4 years (9-18 kg) – available April '03
- Child seat – Class G0, approx. up to 15 months (up to 13kg) – available April '03
- Child seat – Class G2, approx. 3 years - 7 years (15-25kg) – available April '03

Storage

- Rear seat storage bag, grey/blue (fixes to front seat headrest, detachable, can be used as a backpack) – all models

Towing

- Tow bar, detachable – all models
- Tow bar, fixed – all models
- Multiblock 12v (required with Tow bar) – all models
- Caravan services wiring – all models

Ventilation

- Clean air filter, replacement (to maintain clean air filter performance, the filter should be changed every 12 months)

Wheels

- Setia 18", 7.5x18 ET45 – five wheels & tyres required
- Pallas 16", 6.5x16 ET45
- Sasceo 16", 6.5x16 ET45
- Locking wheel nuts – for above alloy wheels

The Avensis – opposite – is fitted with Setia 18" alloy wheels (five wheels and tyres required), roof rack and bicycle holders (two fitted).

Toyota Hands-Free telephone kit

Keeping in touch is easier and safer with a Toyotahands-free telephone kit. Compatible with most branded mobile phones. Supplied with leather console.

Child Seat

This specially designed ISOFIX child seat, conforming to the latest safety standards, offers maximum protection. Available for two age groups (from April 2003).

Peace of mind

Toyota's global reputation for quality and integrity means the New Avensis can add peace of mind to its own highly individual range of attributes. On the day you purchase your New Avensis, your dealer will present you with an 'Avensis Passport'; a guide to living with your New Avensis and making the most of its considerable range of features. Your dealer will explain the car to you, and always be there, should you require any assistance.

Health and Safety

Your dealer will also talk you through New Avensis' very own Health and Safety programme. It's very simple. Your New Avensis will only need a full 'Health and Safety' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also required every year or 10,000 miles.

Warranty

We're so confident each and every New Avensis is so well built that it comes with a three-year or 60,000 miles warranty against any mechanical failure. In addition, the paintwork, no matter what colour you select, is guaranteed against imperfections for three years too. Also, the body is guaranteed for 12 years against corrosion perforation.

Customer services

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK - Club Toyota. As well as giving you one year's Eurocare Roadside Assistance run in conjunction with the RAC, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers reduced price cinema and theatre tickets and the opportunity to participate in a variety of special events. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: In Front. **To find out more about Club Toyota call 0845 275 5555.**

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Dealer or call 0800 350 500.

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Dealer or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- **Easy Start is an exciting new low deposit plan.**
- **Easy Care offers the complete reassurance of prepaid servicing.**
- **Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment.**
- **Business Drive is a fully maintained contract hire package most suited to small business customers.**

Whatever your personal preference, your Toyota Dealer can tailor a Drive Plan to suit your needs perfectly - driving a new car has never been so easy.

Written quotations available on request. All agreements subject to status. Indemnities may be required.

Every new Toyota comes with a three year/60,000 mile manufacturers warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance.

Toyota warranties offer equivalent cover to the manufacturers warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim).

Our warranty range offers you choice and flexibility, based on the vehicles age and engine size. All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year. Warranty cover also includes Club Toyota membership including UK RAC and Eurocare Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover.

For further information please contact your local Toyota dealer.

In the event of an emergency Toyota offers free of charge to Toyota owners a comprehensive management service which includes advice, assistance and practical help. Please contact your local Toyota Dealer for further details.

Toyota Approved Used Car Scheme. Please contact your local Toyota Dealer for details.
