The Celica

A powerful individual

Distinctive, sleek and exciting, the Toyota Celica has been designed for those who appreciate quality styling with performance and handling to match.

A 2+2 sports coupé in every sense, it has been specifically engineered to deliver power and stability, together with excellent fuel consumption, a comfortable ride and a surprising amount of space.

The Celica is available with a choice of two high-performing, highly efficient engines with a six-speed manual gearbox and power assisted steering. Whichever of the two engines you choose, you'll be rewarded with a driving experience that's totally satisfying.

The Celica – unmistakably individual.

The Celica

Designed to perform

The dynamic Celica, with its 'cabin-forward' design and long wheelbase, has a class-leading power-to-weight ratio, giving it the sharp response, excellent agility and high-speed stability you would expect from a 1.8 litre, quality, performance coupé.

Its natural poise is fully exploited by the close ratio of its first five gears which maximises its powerful response, while the longer sixth-gear ratio reduces noise and fuel consumption at consistent high speeds.

What's more, the Celica's MacPherson strut front suspension and double wishbone suspension at the rear have been revised to deliver a more comfortable ride and a more natural steering response.

As you would expect with Toyota, the Celica comes with a generous specification, including ABS braking with EBD (Electronic Brake force Distribution), manual air-conditioning, electric windows and door mirrors, 16-inch five-spoke aluminium wheels with locking wheel nuts, front and side airbags and a sophisticated six-speaker CD/tuner system.

The low compact design and light body weight provides excellent agility and high-performance stability.

Discovering new places is easy with Toyota's sophisticated turn-by-turn satellite navigation system with Electronic Traffic Avoidance, optional on all Celica models.

Manual air-conditioning, a standard feature, keeps the cabin comfortably cool.

With crystal clear sound reproduction, the integrated RDS radio/CD unit adds a further dimension to the unique Celica driving experience.

The Celica Premium

More comfort, more convenience

Specifically aimed at drivers who enjoy high-performance, quality motoring, the Celica range stands out from the crowd with its head-turning design, innovative engineering and outstanding value for money. It's no ordinary sports coupé.

The Celica Premium comes with the same performance and specification as the entry model but adds special refinements for extra comfort and convenience.

Climate control air-conditioning enables you to maintain the cabin at exactly the temperature you prefer, while the electric tilt/slide sunroof lets in light and air whenever you want it. With the extra benefit of luxurious, full leather upholstery, the Celica Premium offers outstanding comfort to complement the exhilarating driving experience.

Why not make your journeys even more enjoyable and opt for Toyota's advanced turn-by-turn Satellite Navigation System, optional on all Celica models? As well as providing accurate route guidance, it keeps you constantly updated with any traffic problems through its Electronic Traffic Avoidance feature.

Enjoy fresh air through the electric outer sliding sunroof.

Keep the cabin at your preferred temperature with climate control air-conditioning.

The short-throw, six-speed gear shift enables smooth, fast gear-changing.

All four seats are upholstered in luxurious black leather - further evidence of premium quality.

The Celica Style

The more stylish performer

Toyota's sophisticated design and engineering skills have produced a sports coupé of outstanding excellence. The Celica Style embodies all you'd expect in a quality, performance sports car – power, responsiveness and individuality.

Under the raked bonnet, the 1.8 litre engine develops 140 bhp, but because of the efficiency of Variable Valve Timing (VVT-i) it delivers optimum performance with surprisingly low fuel consumption.

The exclusivity of the Celica Style is reflected both outside and inside. Seventeen-inch alloy wheels, with locking wheelnuts, and an aerodynamic spoiler, perfectly harmonising with the car's rear styling, give the Celica Style an even more distinct look to match its impressive specification.

Inside, the stylish theme is further reinforced with aluminium pedals. And because you'll want to spend a lot of time in your Celica Style, it also comes with enhanced audio featuring a subwoofer for extra clarity and fuller mid-range sound, plus manual air-conditioning.

Aluminium-effect pedals add to the Celica Style's stylish pedigree.

In addition to the already excellent audio system found throughout the range, the Celica Style incorporates a subwoofer for enhanced bass and a fuller sound.

The Celica T Sport

Excitingly different

One glance is all it takes to see how special the Celica T Sport is. And one drive will tell you that this is a sports coupé with outstanding performance.

The 1.8 litre engine, driving all Celicas, has been specially modified to produce even more power – up to an exciting 189 bhp – so the Celica T Sport delivers even better acceleration and a higher top speed (140 mph).

But it also comes with extra features for improved stability and control. Traction Control (TRC) detects any wheel spin and, to prevent loss of control, restricts the throttle and applies the exact amount of braking pressure. Vehicle Stability Control (VSC) automatically corrects any understeer and oversteer when cornering by controlling engine output, whilst Brake Assist (BA) supplements the braking power if the driver has not applied sufficient pressure to the brake pedal.

A colour-keyed rear spoiler, unique 17-inch T Sport branded alloy wheels with locking wheel nuts underline the Celica T Sport's dramatic and highly distinctive presence, while, inside, bespoke full leather seats, aluminium pedals and climate control air-conditioning confirm its inbuilt premium quality. It's the complete sports coupé.

The colour-keyed rear spoiler and distinctive model badge – two features that differentiate the exciting T Sport.

The uniquely designed 17-inch alloy wheels with T Sport badge have locking wheel nuts for peace-of-mind protection.

All four seats are upholstered in luxurious leather which is embossed with the Celica T Sport logo – further evidence of premium quality.

Performance indicator – the rev counter goes up to a striking 9,000 rpm.

The Celica
*Aesthetically pleasing,
functionally designed*

The Celica's dynamic exterior styling is fully complemented by the imaginative, ergonomic design of the interior, which successfully combines functionality with a modern, aesthetic appeal. In particular, the dark-coloured dash, upholstery and trim provide a superior quality feel.

The sports-style front seats give perfect body support, are fully adjustable and, on the Celica and Celica Style, feature dark cloth with contrasting side bolsters. The Celica Premium and Celica T Sport offer luxurious leather upholstery.

With all models, the rear bucket-type seats offer a 50:50 split facility to provide extra boot space which, even with the seats upright, is an impressive 365 litres. In addition, the boot incorporates an oddments tray, as well as luggage hooks, which help to prevent loose items moving around. With a mere 790 mm loading height, it's easy to lift heavy items into the boot space.

The Celica, however, is essentially a performance coupé. And that means it's designed with driver appeal. Sit behind the three-spoke, leather-trimmed steering wheel, experience the precise, short-throw gearshift, and you'll immediately feel at ease with all the controls – and in total harmony with a car designed to please.

The cockpit's attractive and ergonomic design has been created with the driver firmly in mind.

Even with the rear seats upright, the boot space offers plenty of room for luggage and other items.

The sports-style bucket seats provide superb comfort and hold.

The Celica

Power and agility for exceptional performance

The Celica's exciting good looks are matched by its outstanding performance. A responsive sports coupé, it offers superb acceleration, exceptional agility, and secure handling.

The Celica's 1.8 litre four-cylinder engine produces an exciting 140 bhp at 6,400 rpm and 172 Nm maximum torque at 4,200 rpm. That translates into a 0 - 62 mph acceleration time of just 8.7 seconds and a top speed of 127 mph.

With the modified engine that powers the exciting Celica T Sport, the figures are even more impressive – 62 mph in just 7.2 seconds and a top speed of 140 mph, where permitted.

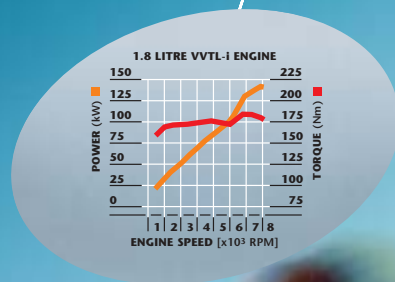

The engine that powers the Celica, Celica Premium and Celica Style uses VVT-i technology (Variable Valve Timing with intelligence). This advanced feature automatically optimises the engine's performance and efficiency, while maximising the use of fuel.

The more powerful engine of the Celica T Sport uses VVTL-i technology (Variable Valve Timing with Lift – intelligence), which delivers an even more responsive performance throughout the gears, low fuel consumption and reduced emissions.

The VVT-i engine develops a maximum 105kW of power at 6,400 rpm with maximum torque of 172 Nm at 4,200 rpm.

The VVTL-i engine used by the Celica T Sport raises performance to an impressive 141kW of power at 7,800 rpm and 180Nm of torque at 6,800 rpm.

Sophisticated VVT-i and VVTL-i technology deliver excellent performance while keeping fuel consumption and emissions to a minimum.

The clearly laid-out instrument binnacle with its amber readouts provide the driver with at-a-glance information.

The Celica

Safety first

The Celica is clear proof that safety is always a top priority at Toyota.

Its state-of-the-art body structure was developed with computer-aided design and engineering to provide excellent occupant protection with the use of high-strength steel for maximum all-round energy-absorption.

The steering wheel and brake pedal are both collapsible and, for further injury reduction, there is a head impact protection system. Front and side airbags provide further protection for front-seat occupants, complementing the three-point seatbelts with pre-tensioners and force limiters.

Maximum stopping power is provided by the 14-inch (15-inch on T Sport) ventilated front disc brakes and solid discs at the rear, while the Celica's advanced ABS braking system with EBD (Electronic Brake force Distribution) delivers controlled, stable braking in emergency situations.

For the Celica's own protection, security features include engine immobiliser, alarm, remote central door locking, double locking, window etching, vehicle parts marking and locking wheel nuts.

To harness its extra power, the Celica T Sport is fitted as standard with Toyota's Traction Control (TRC) system which reduces wheelspin, ensuring a smooth take-off under hard-acceleration in difficult conditions.

Toyota's advanced ABS braking system with EBD prevents brake-lock and provides controlled stopping in all conditions.

Vehicle Stability Control (VSC), standard on Celica T Sport, aids the driver in controlling sudden understeer and oversteer encountered during cornering.

The Celica

Drive Plans from Toyota Financial Services

We want to make acquiring and maintaining your Celica as easy as driving one. Our range of Drive Plans have been designed specifically with this in mind, to offer you a choice of affordable ways to finance, service and maintain your new car. Above all our plans offer flexibility, easy budgeting and peace of mind and can be arranged as a one-stop-shop when you select your Celica.

As part of the Drive Plans range we have developed four customised schemes, based on specific customer requirements. These Drive Plans are:

Easy Start

With Easy Start finding a large deposit is not an issue. Just the equivalent of one monthly payment in advance is all that is needed to drive away in a Celica. This simple and innovative plan, based on our popular PCP Drive Plan, is ideal for younger customers or families on a tight budget.

Easy Drive

Easy Drive is a comprehensive finance package, with one monthly payment taking care of most of your motoring needs for 2 or 3 years. The plan includes the cost of a Celica on a PCP Drive Plan, an Easy Care servicing plan covering routine major and intermediate services and extended membership of Club Toyota. As a further option you can also include the cost of car insurance from Toyota Insurance in your monthly payment.

Easy Care

For those who value the peace of mind of a pre-paid servicing package we can offer Toyota Easy Care. The plan ensures that your Celica will receive the very best maintenance and servicing. Easy Care covers routine major services (including routine servicing, parts and labour) and intermediate oil and filter services.

Business Drive

Business Drive offers the security of a fully maintained Contract Hire package, ideally suited for VAT registered businesses. The package offers a host of benefits including reduced capital outlay, all-inclusive monthly rentals and no depreciation, disposal or administration problems.

Flexible Finance

However, Drive Plans are about more than just these four schemes. Whatever your needs, Toyota has a full range of finance options to offer you. Whether you're a private motorist or a business customer, just discuss your individual requirements with your Toyota dealer, who will be pleased to help you choose a Drive Plan to suit you.

Celica Typical Example

PCP Drive Plan – Celica Coupé 1.8 VVT-i 3dr	
On the road cash price	£16,500.00
Deposit/Initial payment	£3,421.50
35 Monthly payments	£280.00
Guaranteed Future Value/ Final Payment	£7,022.03
Total amount payable*	£20,284.00
APR	13.1%

Based on PCP Drive Plan with a mileage limit of 30,000 miles over the period of the agreement. Excess mileage charged at 9.4p (inc VAT) per mile.

*Includes £90 Acceptance Fee (payable in first payment) and £40 Option to Purchase Fee (payable with final payment).

Licensed credit broker. Written quotations on request from Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UX. All finance subject to status over 18's only. Indemnities may be required. Prices correct at time of going to press and include VAT, delivery charge, number plates, one years road fund licence and £25 first registration fee.

The Celica accessories

Express your individuality

The Celica has been designed for discerning individuals who want a distinctive car that reflects both their personality and lifestyle. It's the essence of individuality.

But you can present an even stronger personal statement and make your Celica even more individual by choosing from Toyota's quality range of styling and practical accessories.

Specially designed to complement the Celica's inherent appeal, they are bespoke and genuine Toyota accessories. They therefore integrate perfectly with the Celica's advanced design - whether adding styling refinement or extra practicality - and they give you the complete reassurance of Toyota quality.

So, see how you can customise your Celica and make it even more suited to the way you live your life. Simply contact your nearest Toyota dealership for full details.

Being different comes easy with Toyota.

The Celica - below - is fitted with 17" Chicane alloy wheels, Front skirt, Side skirt, Rear mud flaps, Rear spoiler, Roof rack and Ski holder (horizontal).

The Celica - above - is fitted with 17" Grandstand alloy wheels, Twin exhaust*, Rear spoiler, Side skirt, Front skirt, Roof rack, Bicycle holder, Carpet mats, Emergency kit and Vertical cargo net.

* not compatible with Tow bar

Alloy wheels

With Alloy wheels for your Celica, you're spoilt for choice between three stylish 17-inch designs and an equally distinctive 16-inch set (Panarea alloys shown).

Rear mounted bike holder

Specially designed for the Celica, this holder will safely carry two bicycles. It must be fitted with Tow bar and outrigger Rearlights/indicators with number-plate holder.

Aluminium pedals

Put your foot down on these sporty Aluminium pedals for a taste of real performance.

Peace of mind

Toyota's global reputation for quality and integrity means the Celica can add peace of mind to its own highly individual range of attributes.

On the day you purchase your Celica, your dealer will present you with a 'Celica Passport'; a guide to living with your Celica and making the most of its considerable range of features. Your dealer will explain the car to you, and always be there, should you require any assistance.

Health and Safety

Your dealer will also talk you through Celica's very own Health and Safety programme. It's very simple. Your Celica will only need a full 'Health and Safety' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also required every year or 10,000 miles.

Warranty

We're so confident each and every Celica is so well built that it comes with a three-year or 60,000 miles warranty against any mechanical failure. In addition, the paintwork, no matter what colour you select, is guaranteed against imperfections for three years too.

Also, the body is guaranteed for 12 years against corrosion perforation.

Customer services

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK – Club Toyota. As well as giving you one year's free RAC Roadside Assistance in the UK and Europe, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers you family membership and the opportunity to participate in a variety of special offers and promotions. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: In Front. **To find out more about Club Toyota call 0845 275 5555.**

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Dealer or call 0800 350 500.

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Dealer or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- **Easy Start is an exciting new low deposit plan.**
 - **Easy Care offers the complete reassurance of prepaid servicing.**
 - **Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment.**
 - **Business Drive is a fully maintained contract hire package most suited to small business customers.**
- Whatever your personal preference, your Toyota Dealer can tailor a Drive Plan to suit your needs perfectly – driving a new car has never been so easy. Written quotations available on request. All agreements subject to status. Indemnities may be required.

Every new Toyota comes with a three year/60,000 mile manufacturers warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance.

Toyota warranties offer equivalent cover to the manufacturers warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim).

Our warranty range offers you choice and flexibility, based on the vehicles age and engine size. All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year. Warranty cover also includes Club Toyota membership including RAC Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover.

For further information please contact your local Toyota dealer.
