A car that takes pride of place

New Corolla

The highly desirable new Corolla

Its design is radical to reflect the modern, innovative age in which we live. Its engineering is sophisticated to deliver the performance, comfort and safety we demand. And its specification is outstanding to leave its main competitors trailing.

The sensational new Corolla has been completely redesigned inside and out to make a powerful statement that not only engenders a feeling of pride in ownership, but all-round admiration as well.

It has also been re-engineered to cater for a range of busy and varied lifestyles. Which is why it's offered with a choice of five bodystyles and six highly efficient petrol and diesel engines. Choose between 3- and 5-door hatchbacks (including the exciting T Sport), a saloon, a roomy estate and the highly practical Verso.

All offer outstanding performance, fuel economy and low emissions, as well as refinements and standard equipment you would expect on more expensive models.

Consider, too, the quality and reliability, for which Toyota is world-renowned, and you have a car that not only fits your budget exactly, but one that you'll truly treasure.

Make the new Corolla your pride and joy.

Corolla T₂

A prized possession

Exciting design, dynamic performance and exceptional quality are the hallmarks of the new Corolla, no better exemplified than by the T₂ models.

This versatile range offers 3- and 5-door hatchbacks, a saloon and a roomy, practical estate. There is a choice of three engines - an economical 1.4 litre VVT-i petrol engine, a more powerful 1.6 litre VVT-i petrol version, and a highly efficient 2.0 litre D-4D diesel power unit. Automatic transmission is available on 1.6 litre hatchbacks.

Superbly equipped, all T₂ models come with speed-sensitive power steering, McPherson strut front suspension, ABS brakes with EBD (Electronic Brake force Distribution), CD player, electric front windows and front and side airbags. There's even an option for Toyota's revolutionary satellite navigation system featuring Electronic Traffic Avoidance.

The new Corolla - a delight to drive, a delight to own.

The standard radio tuner with CD player is neatly integrated into the top of the fascia.

No trapped fingers, thanks to the anti-trap device on the front power windows.

The optional satellite navigation system and Electronic Traffic Avoidance makes route finding easy and provides information on congestion and other hold-ups, enabling it to automatically re-route your journey.

Corolla T₃

The perfect combination

A car is a reflection of the way we live our lives and the values we cherish. With today's active lifestyles, we want a car that combines performance and practicality with style and refinement. The new Corolla, epitomised by the T₃ series, fits the bill exactly.

Again offering a choice of four bodystyles and three engines, the T₃ models deliver outstanding versatility together with dynamic, economical performance. Add in the all-new platform for better handling, improved comfort and increased interior space, and the T₃, like all new Corollas, makes driving a genuine pleasure.

In addition to the generous specification of the T₂ series, the T₃ offers manual air-conditioning, electrically adjustable exterior mirrors, front fog-lamps to complement the rear ones, and 15-inch five-spoke alloy wheels with locking wheelnuts.

The new Corolla - great to experience, great to be seen in.

As well as looking stylish, the Corolla saloon - available on T₂ and T₃ - offers superb value for money.

The optional, full-colour map satellite navigation system (not available on 1.4 version) also incorporates radio, cassette and CD player behind a tiltable front.

Be cool in more ways than one - with T₃'s standard manual air-conditioning and powerful audio system.

Corolla T Spirit

More refinement, more prestige

Experience the benefits of automatic climate control air-conditioning and enjoy the rich sounds of the T Spirit's six-speaker audio system.

Luxury at your fingertips - a leather steering wheel with audio controls immediately to hand.

Toyota's innovative Optitron system provides a clear, three-dimensional, instrument display in all conditions.

The model shown is a T Spirit 1.4 VVT-i, the 2.0 D-4D excludes front fog-lamps

The new Corolla is probably the best-equipped car in its class. And when you look at the refinements of the T Spirit, it's almost certainly the most luxurious.

This exciting 5-door hatchback has automatic climate control air-conditioning, all-round electric windows, six-speaker audio system with optional CD autochanger, plus electric tilt/slide sunroof and chrome and leather gearshift knob. It also features Toyota's revolutionary Optitron instrument display.

And that's in addition to the comprehensive specification of the Corolla T₂ and T₃.

Like its stablemates, the T Spirit is offered with a choice of two petrol engines (the 1.6 litre version with optional automatic transmission) but its direct-injection, common-rail D-4D diesel engine boosts power from 89 bhp to 109 bhp for even better response.

Why not treat yourself to a luxurious, spirited performance.

Corolla T Sport

Power and agility

Every new Corolla turns heads in admiration. But the spectacular T Sport demands exceptional respect, both for its looks and its outstanding performance.

This powerful, agile hatchback is available in either 3 or 5 door bodystyles. Both versions feature a six-speed gearbox and are driven by a 1.8 litre VVTL-i engine which maximises performance while achieving excellent fuel economy. The T Sport can accelerate to 62 mph in just 8.4 seconds and onwards to a top speed of 140 mph (where permitted), yet still return 34 mpg on the combined cycle.

To match its performance, the T Sport comes with extra features, such as Brake Assist for safer braking in emergency situations, Vehicle Stability Control to minimise oversteer and understeer and Traction Control which detects wheel spin and prevents loss of control by restricting the throttle and applying precise brake pressure.

Included within its extraordinary specification come automatic climate control air-conditioning, six-speed manual gearbox, 16-inch alloy wheels with locking wheelnuts, colour-keyed rear spoiler, a sophisticated alarm and, like the T Spirit, optional leather seats.

The new Corolla T Sport - not for the faint-hearted.

The 5 door T Sport offers the same impressive dynamics and involving drive as the 3 door version, but with even more practicality.

A touch of sporty elegance - a chrome and leather-effect gearshift knob.

Unique 16-inch alloy wheels with locking wheelnuts add to the T Sport's dashing appeal.

Four-speed automatic transmission is optional on all 1.6 litre hatchback models.

For ease of operation, the electric window controls are set at an angle in the driver's door.

The luxury of leather seats and door inserts is an attractive option on T Spirit and T Sport models.

Corolla Interior

Where elegance combines with quality

The first things you notice about the new Corolla's interior are its smart, uncluttered design and the high-quality feel throughout the cabin.

With a fully adjustable steering wheel and driver's seat height adjuster, the driver can easily find the most comfortable driving position. Also, the full range of instrumentation is clearly visible - with Toyota's innovative Optitron displays standard on the T Spirit and T Sport series.

For extra refinement and comfort, these models have a leather-covered steering wheel and leather and chrome effect gearshift knob. And for ultimate luxury, you can opt for dark leather upholstery and door inserts.

Together with a lockable glove box, the fascia features a useful driver's compartment in the console.

Keep spills to a minimum with handy cupholders.

The front centre armrest conceals a readily accessible storage space, ideal for CDs.

Corolla Interior

Its quiet in space

Life may be crowded and noisy outside, but step inside the new Corolla you experience space and a sense of calm.

Its new, larger platform has allowed the designers to create an open, roomy cabin with plenty of space for driver and passengers. In fact, the new Corolla is one of the most spacious cars in its class.

For practicality, there's an abundance of storage space, conveniently situated around the cabin.

What's more, with special insulation to reduce engine, road and wind noise, coupled with the quality cloth trim of the seats and ample carpeting, the new Corolla is exceptionally quiet with barely a hint of vibration.

Corolla Verso

Versatility - for a range of lifestyle needs

For those whose busy lifestyles demand extra flexibility and practicality, the new Corolla Verso is the ideal solution. This stylish compact MPV delivers great performance, extreme comfort and exceptional versatility.

The T₂ Verso is offered with a choice of the lively 1.6 VVT-i petrol engine and the even more economical 2.0 litre D-4D diesel engine, both with five-speed manual transmission. The T₃ and T Spirit versions offer a more powerful 1.8 litre VVT-i petrol engine, with optional automatic transmission, as well as the highly efficient D-4D diesel power unit.

As with all new Corollas, the specification is impressive. Depending on model, it includes air-conditioning, front and side airbags, electric windows, ABS braking with EBD, CD player, power mirrors, electric sunroof, Optitron instrument display, fog-lamps, power steering, alloy wheels and optional satellite navigation system.

Automatic transmission is optional on the 1.8 litre Verso.

An under-seat handy tray - perfect for odds and ends.

The centre back seat folds down to reveal an armrest and cupholder facilities.

Practicality at its best

Apart from its spaciousness, the new Corolla Verso's most outstanding quality is its sheer practicality, offering various options to suit a wide range of motoring needs.

The rear seats split conveniently giving you a variety of configurations to accommodate passengers and cargo. What's more, the seats, which are also reclinable, can be folded, tumbled or completely removed to give you acres of carrying capacity.

Just as useful for those with young children, there are two integrated rear 'junior' seats, allowing youngsters a higher view, while safely secured by the seatbelts. In addition, ISO fix child seat fixing points are standard on the outer seats.

The Corolla Verso is packed with useful storage amenities, in addition to those on the rest of the Corolla range. There's an auxiliary box and tie-down hook in the boot area, bottle holders in the door pockets, and a very practical rear floor box.

The new Corolla Verso - even more space, even more versatility.

Corolla Performance

Performance that meets expectations

Thanks to Toyota's advanced automotive engineering, the new Corolla delivers what every motorist expects - excellent performance, low fuel consumption and the least possible emissions.

With the four petrol engines, Toyota's sophisticated VVT-i technology works by automatically varying the intake valve timing to produce eager response across all the gears. This extra efficiency also minimises the use of fuel and reduces emissions.

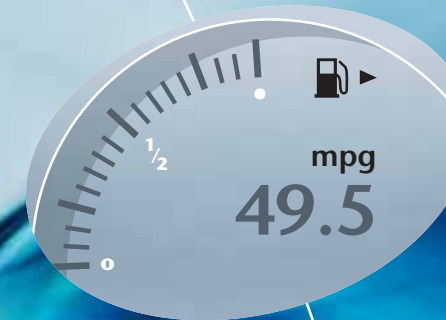

The 1.8 litre power unit that drives the exciting T Sport takes the technology one step further - with VVTL-i. This boosts performance and maximises fuel use at higher speeds by increasing the intake/exhaust valve lift.

Maximum fuel economy and extremely low emissions are achieved by the two 2.0 litre D-4D turbo-charged diesel engines through their advanced, common rail, direct injection system. Yet, they still deliver high performance and low levels of noise and vibration.

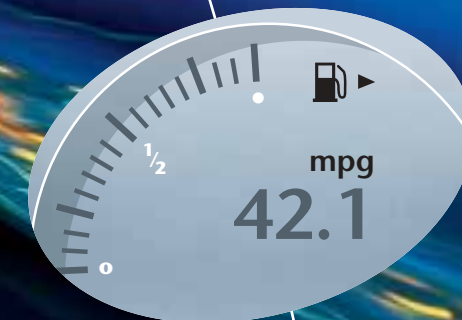

Toyota technology - it gives you more of what you want.

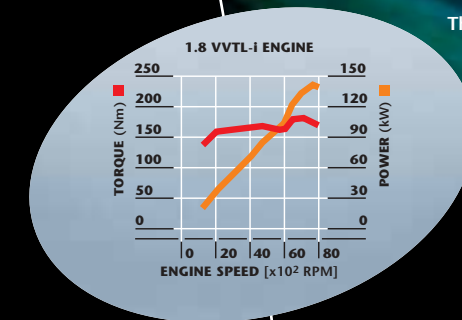

The eager 1.6 litre engine can deliver 0-62 mph in 10.2 seconds with emissions as low as 168 g/km.

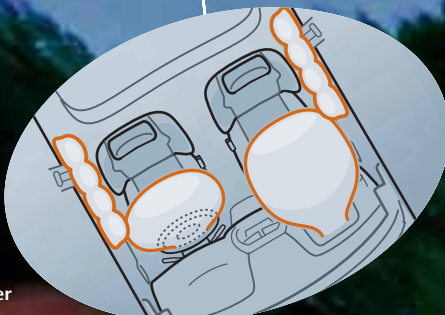

For fuel economy the 89 bhp diesel engine takes some beating - it can go nearly 50 miles on one gallon (on the combined cycle).

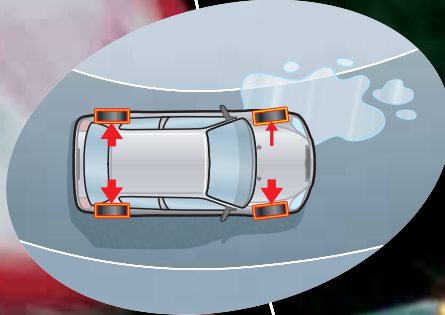

With a top speed of around 115 mph, the 1.4 litre Corolla is a lively performer - and it achieves more than 42 mpg on the combined cycle.

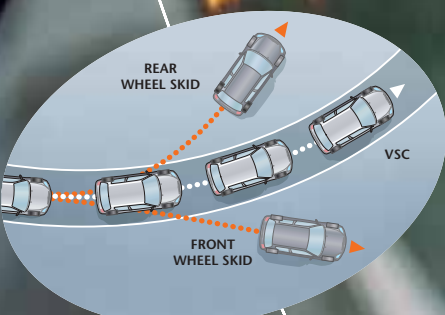

The advanced 1.8 litre VVTL-i engine of the T Sport delivers extra torque and output at higher speeds.

Front and side airbags give the driver and front seat passenger extra protection.

ABS braking with EBD improves braking efficiency and control, especially in poor road conditions.

The Corolla T Sport features VSC which automatically controls engine output and braking to minimise oversteer and understeer and TRC for maximum road-grip.

Continuous test analysis and structural improvements have produced an extremely strong bodyshell designed to reduce impact effects.

Corolla Safety

For safety's sake

Safety and security are key considerations when it comes to choosing a car. Which is why the new Corolla comes with such a comprehensive range of features and equipment.

Every Corolla has ABS braking with EBD for maximum braking efficiency, while the T Sport adds Brake Assist to boost braking power in an emergency, Vehicle Stability Control (VSC) which automatically minimises oversteer and understeer and Traction Control (TRC) which detects and controls wheel spin for maximum road-grip.

Driver and front seat passenger have the added protection of front and side airbags, while the whole body structure has been specifically designed to absorb energy to reduce the effects of front, side and rear impacts.

For further peace of mind, every new Corolla comes with engine immobiliser, remote central locking, double locking, and security window etching. What's more, there's a three-year/60,000 mechanical warranty, three-year paint warranty and 12-year anti-corrosion perforation guarantee.

Just as you'd expect with such an object of desire.

The New Corolla

Drive Plans from Toyota Financial Services

We want to make acquiring and maintaining your New Corolla as easy as driving one. Our range of Drive Plans have been designed specifically with this in mind, to offer you a choice of affordable ways to finance, service and maintain your new car. Above all our plans offer flexibility, easy budgeting and peace of mind and can be arranged as a one-stop-shop when you select your New Corolla.

As part of the Drive Plans range we have developed four customised schemes, based on specific customer requirements. These Drive Plans are:

Easy Start

With Easy Start finding a large deposit is not an issue. Just the equivalent of one monthly payment in advance is all that is needed to drive away in a New Corolla. This simple and innovative plan, based on our popular PCP Drive Plan, is ideal for younger customers or families on a tight budget.

Easy Drive

Easy Drive is a comprehensive finance package, with one monthly payment taking care of most of your motoring needs for 2 or 3 years. The plan includes the cost of a New Corolla on a PCP Drive Plan, an Easy Care servicing plan covering routine major and intermediate services and extended membership of Club Toyota. As a further option you can also include the cost of car insurance from Toyota Insurance in your monthly payment.

Easy Care

For those who value the peace of mind of a pre-paid servicing package we can offer Toyota Easy Care. The plan ensures that your New Corolla will receive the very best maintenance and servicing. Easy Care covers routine major services (including routine servicing, parts and labour) and intermediate oil and filter services.

Business Drive

Business Drive offers the security of a fully maintained Contract Hire package, ideally suited for VAT registered businesses. The package offers a host of benefits including reduced capital outlay, all-inclusive monthly rentals and no depreciation, disposal or administration problems.

Flexible Finance

However, Drive Plans are about more than just these four schemes. Whatever your needs, Toyota has a full range of finance options to offer you. Whether you're a private motorist or a business customer, just discuss your individual requirements with your Toyota dealer, who will be pleased to help you choose a Drive Plan to suit you.

New Corolla Typical Example

PCP Drive Plan – New Corolla T₂ 1.4 VVT-i 3dr HB

On the road cash price	£10,795.00
Deposit/Initial payment	£2,697.75
35 Monthly payments	£185.00
Guaranteed Future Value/ Final Payment	£3,691.00
Total amount payable*	£13,173.75
APR	13.7%

Based on PCP Drive Plan with a mileage limit of 30,000 miles over the period of the agreement. Excess mileage charged at 4.7p per mile (inc. VAT) up to 4,999 miles and 9.4p per mile (inc. VAT) over 5,000 miles.

*Includes £90 Acceptance Fee (payable in first payment) and £40 Option to Purchase Fee (payable with final payment).

Licensed credit broker. Written quotations on request from Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UX. All finance subject to status to over 18's only. Indemnities may be required. Prices correct at time of going to press and include VAT, delivery charge, number plates, one years road fund licence and £25 first registration fee.

Take more pride

The new Corolla is a radically different car. And, because we recognise that people enjoy different lifestyles and have different tastes, diversity is at the heart of its appeal. But we go a step further by offering a range of quality accessories, which will add even more style, more convenience and more practicality to every Corolla and Corolla Verso.

We've taken special care to design the accessory range, so that you can decide which products best suit your motoring lifestyle needs. But whether you choose for style or convenience, you can rest assured that you're buying an approved Toyota product – and that, of course, means quality and reliability.

Your local Toyota dealer will be delighted to give you full details.

Boot liner

Protect the boot floor – and help to prevent items moving around too easily – with this practical Boot liner.

Cool/hot box

Whatever the weather, you can keep food, drinks and confectionery at the right temperature with this convenient Cool/hot box (Verso only).

In-room bicycle holder

Whenever you need to carry a bicycle, it couldn't be easier or more secure than using this bespoke in-car holder (Verso only).

Satellite navigation & Electronic Traffic Avoidance system

Toyota's sophisticated satellite navigation system with Electronic Traffic Avoidance will point you in the right direction, whatever the traffic conditions (factory fit option only).

The Corolla - on the left - is fitted with 15" Surmi alloy wheels, Bumper corner protectors, Fog lamps, Sport front skirt, Roof rack, Ski holder and Aero roof spoiler.

The Corolla Verso - below - is fitted with 15" Tamyra alloy wheels, Cross bars, Luggage box, Bumper corner protectors, Fog lamps, Mud flaps and Aero roof spoiler.

Wind deflectors

Enjoy fresh air without any wind-buffeting, with these practical wind deflectors.

Alloy wheels

Alloy wheels make a great impression – choose from a range of specially designed styles to create more individuality (16" Arica alloys illustrated above).

Aero roof spoiler

For that extra streamlined look, add to the style and aerodynamics of your Corolla with a distinctive roof spoiler (except 4 door).

Collectors' items

The new Corolla is a car of its age - uniquely stylish, practical and in tune with the demands of modern day living. And that's why we've assembled four special accessory collections to reflect - and enhance - its outstanding qualities.

Style Collection

Stand apart from the crowd, be even more individual and make a bold statement with the Style Collection. Elegant Aero front skirt, Aero roof spoiler, Chrome exhaust finisher and Rear chrome garnish will give your Corolla a makeover to be proud of (3 and 5 door; factory fit option only).

City Collection

When you're in town, you'll need extra protection for your cherished new Corolla. The Parking sensors and Bumper protectors in the City Collection should certainly put your mind at ease.

Sound Collection

Whatever music you like – pop, rock, jazz or classical – the Sound Collection will make it even bigger and better! With a Subwoofer bass speaker, Front tweeters and 6-disc in-dash CD autochanger, you'll experience extra power with perfect harmony (3, 5 door and estate, T₂ and T₃ grades).

Cargo Collection

Make your Corolla all the more practical with the Cargo Collection. The Cargo/Barrier nets will restrain all your items securely in the back and the Boot liner will help to protect the boot floor, while the Seat back storage bag will add to your Corolla's generous, overall storage space.

Accessories list

Audio

6-disc in-dash CD autochanger & fitting kit - 3, 4 & 5dr, estate
6 disc stand alone CD autochanger - all models
Front tweeters - all models
Subwoofer - all models

Body exterior

Aero roof spoiler - all models (except 4dr)
Chrome exhaust finisher - 3 & 5dr (except T Sport), estate
Mud flaps (front) - all models
Mud flaps (rear) - all models
Rear chrome garnish - 3 & 5dr, estate
Rear lower chrome garnish - Verso
Sport front skirt - 3, 4 & 5dr, estate

Bumpers

Bumper corner protectors - all models
Rear bumper protection film - all models

Convenience

Cool/hot box - Verso
Parking corner 2-sensor system - Verso, estate
Rear parking 4-sensor system & RPS buzzer kit - 3, 4 & 5dr (except T Sport)
Toyota satellite navigation system TNS200 with Electronic Traffic Avoidance (factory fit option only) - all models
CD Roms required for navigation system: France, Germany, Belgium/Netherlands/Luxembourg, Switzerland/Austria/Northern Italy, Denmark/Sweden and UK Mainland
Wind deflectors (front & rear) - Verso
Wind deflectors (front) - 3, 4 & 5dr, estate

Emergency

Emergency kit comprising Warning triangle, Fire extinguisher 0.6kg and First aid kit in zipped holdall - all models

Interior trim

Alloy pedals - 3, 4 & 5dr, estate (manual petrol models only)
Carpet mats, full set, anthracite - all models
Gear shift knob - all models
Scuff plates - Verso, 3 & 5dr

Lights

Front fog lamp kit - all T₂ models except 4dr (not suitable for 2.0 D-4D T Spirit)

Loadspace

Barrier net, grey - estate
Boot liner - all models
Cargo net horizontal - Verso
Cargo net vertical - all models except estate
In-room bicycle holder - Verso
Rear bicycle holder (must be fitted with Tow bar) - 3, 4 & 5dr, estate
Lamp set (required with Rear bicycle holder) - 3, 4 & 5dr, estate
Seat back storage bag - all models

Locks

RAC Trackstar system, all models
TVSS V main kit, sub kit & fitting kit - Verso, 3 & 5dr

Roof

Roof rack - 3, 4 & 5dr
Cross bars - Verso & estate
The following accessories can only be fitted with Roof rack or Cross bars:
Bicycle holder (roof mounted) - all models
Luggage box - all models
Sailboard holder - 4dr, Verso, estate
Ski holder (holds 4 pairs) - all models
Ski holder (holds 6 pairs) - all models

Towing

Tow bar (detachable ball) - Verso
Tow bar (fixed ball) - all models
7 pole 12N wiring kit - all models
12S caravan wiring kit - all models

Ventilation

Air conditioning - all applicable models
Deodorant filter (replacement) - all models

Wheels

Arica 16" alloy wheels - all models
Sandu 15" alloy wheels - all models
Surmi 15" alloy wheels - all models
Tamyra 15" alloy wheels - all models
Ycana 15" alloy wheel - all models
Zamba 15" alloy wheels - all models
Locking wheel nuts - for all above alloy wheels

Peace of mind

New Corolla has been redesigned from top to bottom so not only is it a brand new car, it also offers a completely new approach to looking after your car, once it is yours. Toyota's global reputation for quality and integrity means the new Corolla can add peace of mind to its own highly individual range of attributes.

On the day you purchase your Corolla, your dealer will present you with a 'Corolla Passport'; a guide to living with your Corolla and making the most of its considerable range of features. Your dealer will explain the car to you, and always be there, should you require any assistance.

Health and Safety

Your dealer will also talk you through Corolla's very own Health and Safety programme. It's very simple. Your Corolla will only need a full 'Health and Safety' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also recommended every year or 10,000 miles.

Warranty

We're so confident each and every Corolla is so well built that it comes with a three-year or 60,000 miles warranty against any mechanical failure. In addition, the paintwork, no matter what colour you select, is guaranteed against imperfections for three years too.

Also, the body is guaranteed for 12 years against corrosion perforation.

Customer services

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK - Club Toyota. As well as giving you one year's Eurocare Roadside Assistance run in conjunction with the RAC, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers reduced price cinema and theatre tickets and the opportunity to participate in a variety of special events. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: In Front. **To find out more about Club Toyota call 0845 275 5555.**

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Dealer or call 0845 275 5555.

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Dealer or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- **Easy Start is an exciting new low deposit plan.**
- **Easy Care offers the complete reassurance of prepaid servicing.**
- **Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment.**
- **Business Drive is a fully maintained contract hire package most suited to small business customers.**

Whatever your personal preference, your Toyota Dealer can tailor a Drive Plan to suit your needs perfectly - driving a new car has never been so easy.

Written quotations available on request. All agreements subject to status. Indemnities may be required.

Every new Toyota comes with a three year/60,000 mile manufacturers warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance.

Toyota warranties offer equivalent cover to the manufacturers warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim).

Our warranty range offers you choice and flexibility, based on the vehicles age and engine size. All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year. Warranty cover also includes Club Toyota membership including UK RAC and Eurocare Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover.

For further information please contact your local Toyota dealer.
