In addition to the 2 year unlimited mileage manufacturer's Warranty, all vehicles first registered in the UK and purchased from a UK Peugeot Dealer benefit from a free optional additional 1 year of Warranty provided by the Peugeot Dealer network in the UK. This additional Warranty carries a mileage limit of 60,000 miles (100,000 miles for Boxer models excluding Motorhomes and other

### Peugeot Assistance

converted vehicles) from first registration. The conditions of the additional 1 year Warranty are identical to those of the 2 year manufacturer's Warranty. (For full terms and conditions, please consult your Peugeot Dealer. NB: This 3 years of Warranty is automatically transferable on the sale of the vehicle.) At the end of the 3 years of Warranty (or 60,000 miles) you have the option to purchase a Peugeot Platinum Extended Warranty. ### Peugeot Service Care

Peugeot petrol engine vehicles need servicing every 20,000 miles (12,000 2.0 litre 180 bhp engines) or every 2 years. Drivers of HDi diesel versions also benefit from extended servicing

with 12,000 miles (20,000 2.0 litre HDi 407, Expert & Boxer) or 2 year intervals. With less time spent in the maintenance bay and fewer service visits, Peugeot have passed on the benefits of technology in engine design and lubrication. In between scheduled services your Peugeot Dealer offers you a complementary intermediate visit (level check/top up) provided the appropriate, previous full service has been carried out at an authorised Peugeot Dealership.

In order to minimise the inconvenience associated with normal servicing, Peugeot UK Dealers promise to offer you the choice of:

- while you wait servicing with a timed appointment;
- or local vehicle collection from your home or place of work;
- or alternative transport to the railway station, home or place of work;
- or by arrangement, a hire vehicle at a concessionary rate.

In addition they will aim to ensure that your vehicle is washed before it is returned.
