## A spacious performer

The Avensis Verso breaks with tradition. Radical in concept and design, it ingeniously combines the spacious comforts of a large car with the dynamic driveability of a family saloon. It is a perfect blend of practicality, performance and premium quality.

Its imaginative design gives it a strong, purposeful look that's reflected in the power of its 2.0 litre petrol and diesel engines which, through Toyota's

advanced engineering, deliver exceptional performance, fuel economy and low emissions.

With a choice of two exciting models, the Avensis Verso offers seven-seat capacity with ample storage and, because of its unrivalled level of standard equipment, represents exceptional value for money.

## Avensis Verso T3

### *Versatile but with distinct driver appeal*

With the versatility of a large MPV and the performance and handling of a quality saloon, the Avensis Verso T3 delivers spacious, comfortable travel, while its clever design and engineering make it a real driver's car.

Its responsive engines produce a lively performance and, with power-steering and ABS braking with EBD and brake assist as standard, it delivers effortless driving and optimum braking performance. Add in the benefits of climate controlled air-conditioning, all-electric windows and door mirrors, plus an integrated radio/CD system with

steering wheel mounted controls – all standard equipment – and the T3 version takes some beating.

In addition, the car's aerodynamic design, MacPherson strut type front suspension, low centre of gravity and long wheelbase, deliver a quiet, comfortable ride for driver and up to six passengers.

Ideal for a range of motoring needs and lifestyles, the Avensis Verso T3 offers flexible practicality without compromising performance and driver appeal.

*Adjust the controls of the radio/CD player without taking your hands off the steering wheel.*

*The integrated radio/CD tuner is easy to operate and features RDS, multi-display and six-speaker output.*

*Keep cool with front climate controlled air-conditioning fitted as standard.*

## Avensis Verso T Spirit

### *Elegant, well-equipped and full of quality*

From whatever angle, the Avensis Verso makes a stylish statement – bold and confident. And it speaks premium quality, both inside and out.

The Avensis Verso T Spirit is equipped with all the standard features of the T3 and, like its sister model, is offered with a choice of two petrol engines or the D-4D diesel unit.

On the outside it is distinguished by the addition of integral front fog lamps, elegant roof rails and stylish 16-inch alloy wheels with locking wheel nuts, while inside it features a leather steering wheel with audio controls, air-conditioning in the rear of the cabin as

well as the front, and Toyota's sophisticated Satellite Navigation System with Electronic Traffic Avoidance (ETA) for stress-free route-finding.

The quality feel to both versions of the Avensis Verso is accentuated by the cars' interior design with high-grade cloth seating, dark metallic-effect door trims and chrome-finished door handles. And as further evidence of the superior build quality, both models are offered with a 60,000-mile/three-year mechanical warranty, three-year paintwork guarantee and a 12-year warranty against corrosion perforation.

*Toyota's advanced turn-by-turn DVD Satellite Navigation System with ETA and pan-European coverage makes route-finding easy. It can even display complicated road junctions for safer negotiation.*

*The optional rear view monitor system offers a valuable aid to reversing. Once reverse gear is engaged, a wide-angle TV camera on the back door transmits the rearward view to the multi-display screen in front of the driver.*

*Rear seat passengers can keep as cool as those in the front with extra air-conditioning in the back.*

## Making driving a pleasure

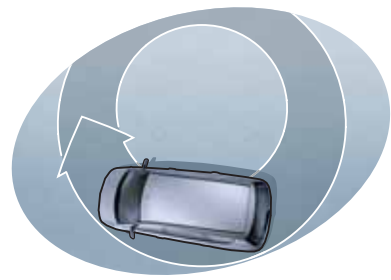

Responsive performance, comfort and convenience are the three main attributes drivers look for in a car. With the Avensis Verso, you won't be disappointed.

With a fully adjustable driver's seat and steering column, plus electrically adjusted (and heated) side mirrors, the perfect driving position is easy to find. At a glance, you can appreciate the ergonomic layout of the dashboard and controls, the all-round visibility and those little touches that make the difference – such as the multi-functional display and the back-lit dials, making them easier to see at night.

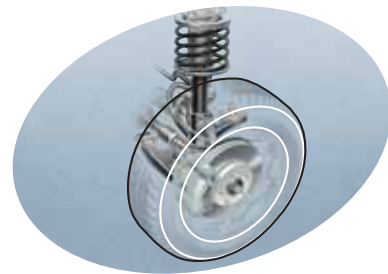

Drive off and the lively 2.0 litre engine responds immediately. The power-assisted steering provides positive 'feel' and makes parking easy, while the superbly-engineered suspension system delivers a comfortable ride and stable cornering. Equally reassuring, the Avensis Verso's advanced ABS braking system – with EBD (Electronic Brake force Distribution) and Brake Assist – provides excellent control, whatever the circumstances.

The Avensis Verso makes driving a real pleasure.

Why not opt for Toyota's superb In-Car Entertainment system? The roof-mounted screen offers DVD quality vision, games console and video camera compatibility, while the infra-red headphones deliver high-quality stereo sound.

With a small turning circle, the Avensis Verso is highly manoeuvrable and easy to park.

The MacPherson strut type front suspension and torsion beam rear suspension deliver excellent stability and a comfortable ride.

The instrument dials are clear and easy to see, as well as being back-lit for better night-time visibility.

## A capacity for living

The Avensis Verso could hardly be more practical. Its wide doors and low floor make it easy to get in and out of, but it is its unrivalled interior space and comprehensive seat configurations – 17 in all – that make it such an attractive choice.

All middle-row seats are individually slideable, foldable and removable, and can tumble forward to provide extra luggage space. When folded forward, the seats offer a 'table top' feature, incorporating cup-holders and a convenient flat surface. The two rear seats also give you exceptional flexibility to suit your needs and circumstances. In fact, the Avensis Verso offers optimum luggage capacity.

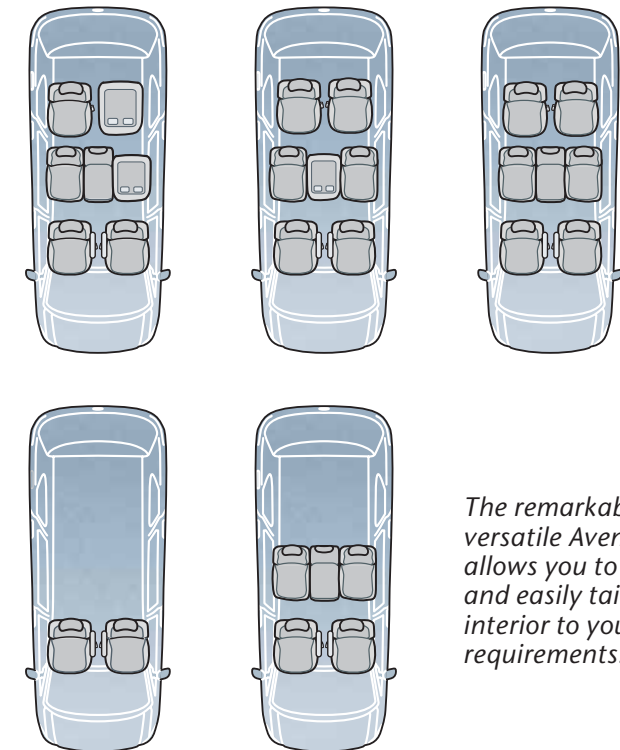

Complementing the car's overall spacious design, all the seats are generous in size for maximum comfort and hold, and each incorporates an adjustable head restraint and three-point seat belt.

*The versatile rear seats can be removed to maximise the load carrying space*

*All the rear seats fold and tumble to suit your needs.*

*The remarkably versatile Avensis Verso allows you to quickly and easily tailor the interior to your requirements.*

The dashboard features four handy storage areas including a dashboard-mounted storage box and cup holders.

With the spare tyre located in the front, there's an extra 70 litres of underfloor storage space to complement the 282 litres of space even with the third row seats upright.

## So much in store

In keeping with its highly practical design, the Avensis Verso features an unusually large range of storage areas and compartments – making life more convenient and tidier. The dashboard area alone features four storage areas, including a large capacity glove-box and a useful concealed storage compartment above the air vents.

What's more, all doors have generous pockets, capable of accommodating 500 ml bottles, large maps and brochures.

Stowing heavy items in the boot space is no problem because the boot is only 33cm from the ground and – as an example of Toyota's thoughtful attention to detail – the spare tyre is accommodated beneath the front seating, enabling 70 litres of extra underfloor storage below the boot space.

If it's space you need, the Avensis Verso takes some beating.

## Technology drives superior performance

Toyota's engineers are driven by one central goal - to produce engines that deliver maximum performance, outstanding fuel economy and low emissions.

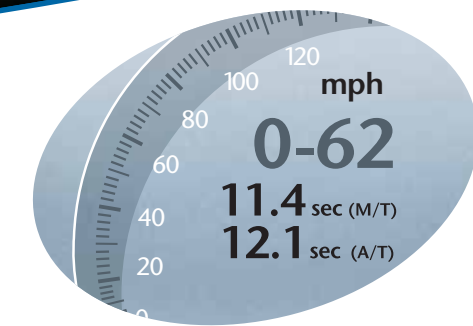

With petrol power units, the main solution is provided by Toyota's VVT-i technology – Variable Valve Timing with intelligence. This advanced system automatically reacts to the way you're driving and the demands made of the engine. An on-board computer controls the timing and duration of the intake valve opening which means you get the power you want when you need it.

And by maximising engine efficiency, it ensures that fuel consumption and exhaust emissions are as low as possible. In fact, the Avensis Verso's petrol engine meets the latest EURO

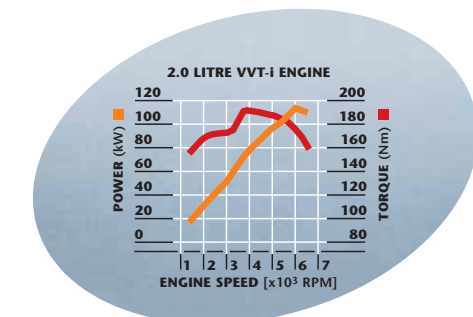

STEP IV emissions standards – in accordance with Toyota policy to meet international environmental regulations.

**The 2.0 litre VVT-i engine\*** – 148 bhp, maximum torque of 192 Nm, maximum speed 119 mph, acceleration to 62 mph in just 11.4 seconds, fuel economy on the combined cycle 33.2 mpg, CO<sub>2</sub> emissions 202 g/km.

\* Figures based on manual transmission.

The 2.0 litre petrol engine powers the manual Avensis Verso to 62 mph in 11.4 seconds while the automatic version takes just 12.1 seconds.

The 2.0 litre VVT-i engine produces 192Nm/4000rpm for outstanding performance under all conditions.

## Tomorrow's diesel today

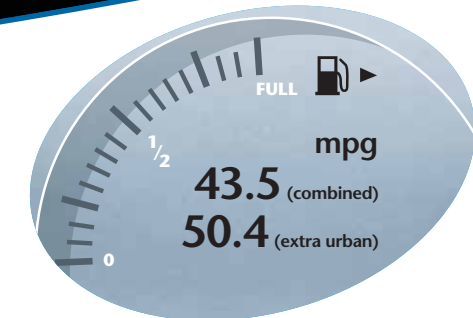

Toyota's advanced diesel-engine technology delivers the best of both worlds - the lively, responsive power you expect from a petrol engine but with the superior fuel economy and low emissions of a diesel.

Toyota's highly efficient 2.0 litre turbocharged D-4D engine employs direct-injection, common-rail technology which means that atomised fuel is injected into the combustion chamber at very high pressure and according to how the car is being driven. The result is efficient, responsive performance, low fuel consumption and minimal emissions.

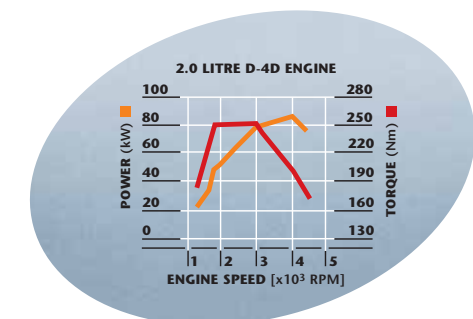

The D-4D engine also incorporates a variable nozzle turbocharger which helps boost power and torque, while other refinements reduce engine noise and vibration, and a

large catalytic converter helps cut emissions even further. Toyota diesel technology leads the way in designing engines that are clean, highly efficient and, above all, outstanding performers.

**The 2.0 litre turbocharged D-4D engine\*** – 114 bhp, maximum torque of 250 Nm, maximum speed 112 mph, acceleration to 62 mph 12.5 seconds, fuel economy on the combined cycle 43.5 mpg, CO<sub>2</sub> emissions 173 g/km.

With the advanced diesel power unit comes exceptional fuel economy – 43.5 mpg on the combined cycle and 50.4 mpg on the extra urban cycle.

The advanced 2.0 litre turbocharged diesel power unit produces 250 Nm of torque for smooth controllable power.

## Avensis Verso Safety

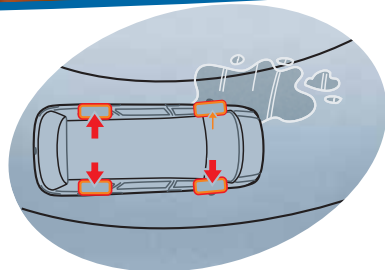

### On the safe side

The Avensis Verso typifies Toyota's commitment to continuing improvements in vehicle safety, both primary and secondary. Its outstanding braking systems – ABS with EBD (Electronic Braking force Distribution) and Brake Assist – combine to give the driver complete reassurance of controlled braking in extreme circumstances. In addition, the Avensis Verso has the option of Vehicle Stability Control (VSC) and Traction Control (TRC) which give the driver greater control in difficult conditions.

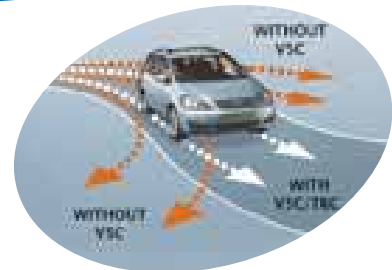

All seven seats are fitted with three-point seat belts and the two outer seats of the middle row have ISOFIX attachments for child restraints. In addition, the driver and front-seat passenger have the added benefit of SRS airbags.

The entire structure of the Avensis Verso has been specifically designed to absorb energy in the event of a collision. There are special reinforcements in the front, rear and roof, while the doors are equipped with side-impact protection beams. In addition, the Avensis Verso features a head impact protection system, energy-absorbing steering column and collapsible brake pedal.

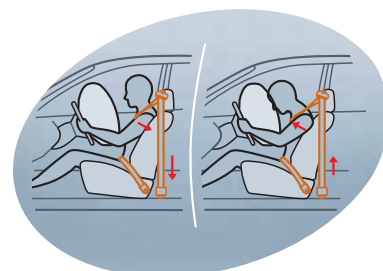

For further peace of mind, the car offers a range of security features, including a keyless entry and security system with 'answer back', engine immobiliser and alarm, double locking, window etching and vehicle parts marking.

The ABS braking system with EBD and brake assist electronically balances the braking force between all four wheels to provide controlled braking on slippery surfaces and in emergency situations.

The Avensis Verso has the option of VSC which automatically minimises oversteer and understeer and TRC which detects and controls wheel spin for maximum road grip.

Pre-tensioners and force limiters are incorporated in the front seat belts which in conjunction with the standard SRS airbags offer excellent protection for the front-seat passengers.

The strong body shell with special impact-protection features in the front, sides and rear has been designed for optimum energy-absorption.

Avensis Verso

## Drive Plans from Toyota Financial Services

We want to make acquiring and maintaining your Avensis Verso as easy as driving one. Our range of Toyota Drive Plans have been designed specifically with this in mind, to offer you a choice of affordable ways to finance, service and maintain your new car. Above all our plans offer flexibility, easy budgeting and peace of mind and can be arranged as a one-stop-shop when you select your Avensis Verso.

As part of the Drive Plans range we have developed customised schemes, based on specific customer requirements. These Drive Plans are:

### Easy Start

With Easy Start finding a large deposit is not an issue. Just the equivalent of one monthly payment in advance is all that is needed to drive away in a Avensis Verso. This simple and innovative plan, based on our popular PCP Drive Plan, is ideal for younger customers or families on a tight budget.

### Easy Drive

Easy Drive is a comprehensive finance package, with one monthly payment taking care of most of your motoring needs for 2 or 3 years. The plan includes the cost of a Avensis Verso on a PCP Drive Plan, an Easy Care servicing plan covering routine major and intermediate services and extended membership of Club Toyota. As a further option you can also include the cost of car insurance from Toyota Insurance in your monthly payment.

### Easy Care

For those who value the peace of mind of a pre-paid servicing package we can offer Toyota Easy Care. The plan ensures that your Avensis Verso will receive the very best maintenance and servicing. Easy Care covers routine major services (including routine servicing, parts and labour) and intermediate oil and filter services.

### Business Drive

Business Drive offers the security of a fully maintained Contract Hire package, ideally suited for VAT registered businesses. The package offers a host of benefits including reduced capital outlay, all-inclusive monthly rentals and no depreciation, disposal or administration problems.

### Flexible Finance

However, Drive Plans are about more than just these four schemes. Whatever your needs, Toyota has a full range of finance options to offer you. Whether you're a private motorist or a business customer, just discuss your individual requirements with your Toyota Centre, who will be pleased to help you choose a Drive Plan to suit you.

## Avensis Verso accessories

# Making it personal

We all enjoy diverse lifestyles and have different motoring needs. Which is why Toyota has developed an extensive range of quality accessories, enabling you to personalise your Avensis Verso so that it precisely reflects your individuality and your way of living.

Specifically designed and produced for the Avensis Verso, these accessories will add style, convenience and practicality as well as make your motoring more enjoyable. And because they are genuine Toyota products, you can be assured of their quality, performance and reliability.

Simply contact your Toyota Centre for more details.

### Audio

**6-disc CD autochanger \***

**Seat mount kit** for above

\*(where satellite navigation is not fitted the CD autochanger can be fitted under the passenger seat)

### Body exterior

**Roof spoiler** (primered)<sup>†</sup>

**Mud flaps** (front pair)

**Mud flaps** (rear pair)

### Bumpers

**Bumper corner protectors** (four pieces)

### Convenience

#### Car care

**Cool/hot box** (25 ltr volume)

**Rear parking 4-sensor system**

**Toyota satellite navigation system TNS 300** – T3 only

Europe DVD required for above system

**Toyota Hands-Free mobile phone kit** – THF 15, THF 25 & THF 35. Please ask your Toyota Centre for details.

**Wind deflector set** (front & rear)

### Emergency

**Emergency kit**, comprising: First aid kit &

Warning triangle in zipped holdall

**Fire extinguisher 0.6kg**

**First aid kit**

### Interior trim

**Carpet mats**, tailored (set 4, grey) – manual

**Carpet mats**, tailored (set 4, grey) – auto

**Scuff plate** – silver/grey, front pair

**Gear shift knob** – wood/leather

**Gear shift knob** – silver/leather

### Lights

**Front fog lamps** – T3 only

### Loadspace

**Boot liner** (black)

**Cargo nets, horizontal & vertical**

(use existing tie down points)

**In-room bicycle holder** (uses space of two seats)

**Seat storage bag** (dark grey & green/black trim)

### Roof

**Crossbars**, Generation 2000 – T Spirit

**Roof rack**, Generation 2000 – T3

**Must be fitted with Cross bars or Roof rack:**

**Bicycle carrier** Generation 2000

**Load tie strap**

**Luggage box** Generation 2000

**Ratchet tie down**

**Sailboard/mast holder** Generation 2000

**Ski holder** Generation 2000

**Ski roof box** Generation 2000

### Towing

**Rear bicycle holder** (must be fitted with tow bar)

**Lamp set** (required with Rear bicycle holder)

**Tow bar** (detachable ball)

**Tow bar** (fixed ball)

**12v wiring**

**Caravan services**

### Ventilation

**Deodorant filter** (replacement)

### Wheels

**Auriga 15" alloy wheel**

**Lynx 16" alloy wheel**

**Nefer 15" alloy wheel**

### Accessory pack

**Protection pack**

(automatic & manual options)

Bumper corner protectors (set 4)

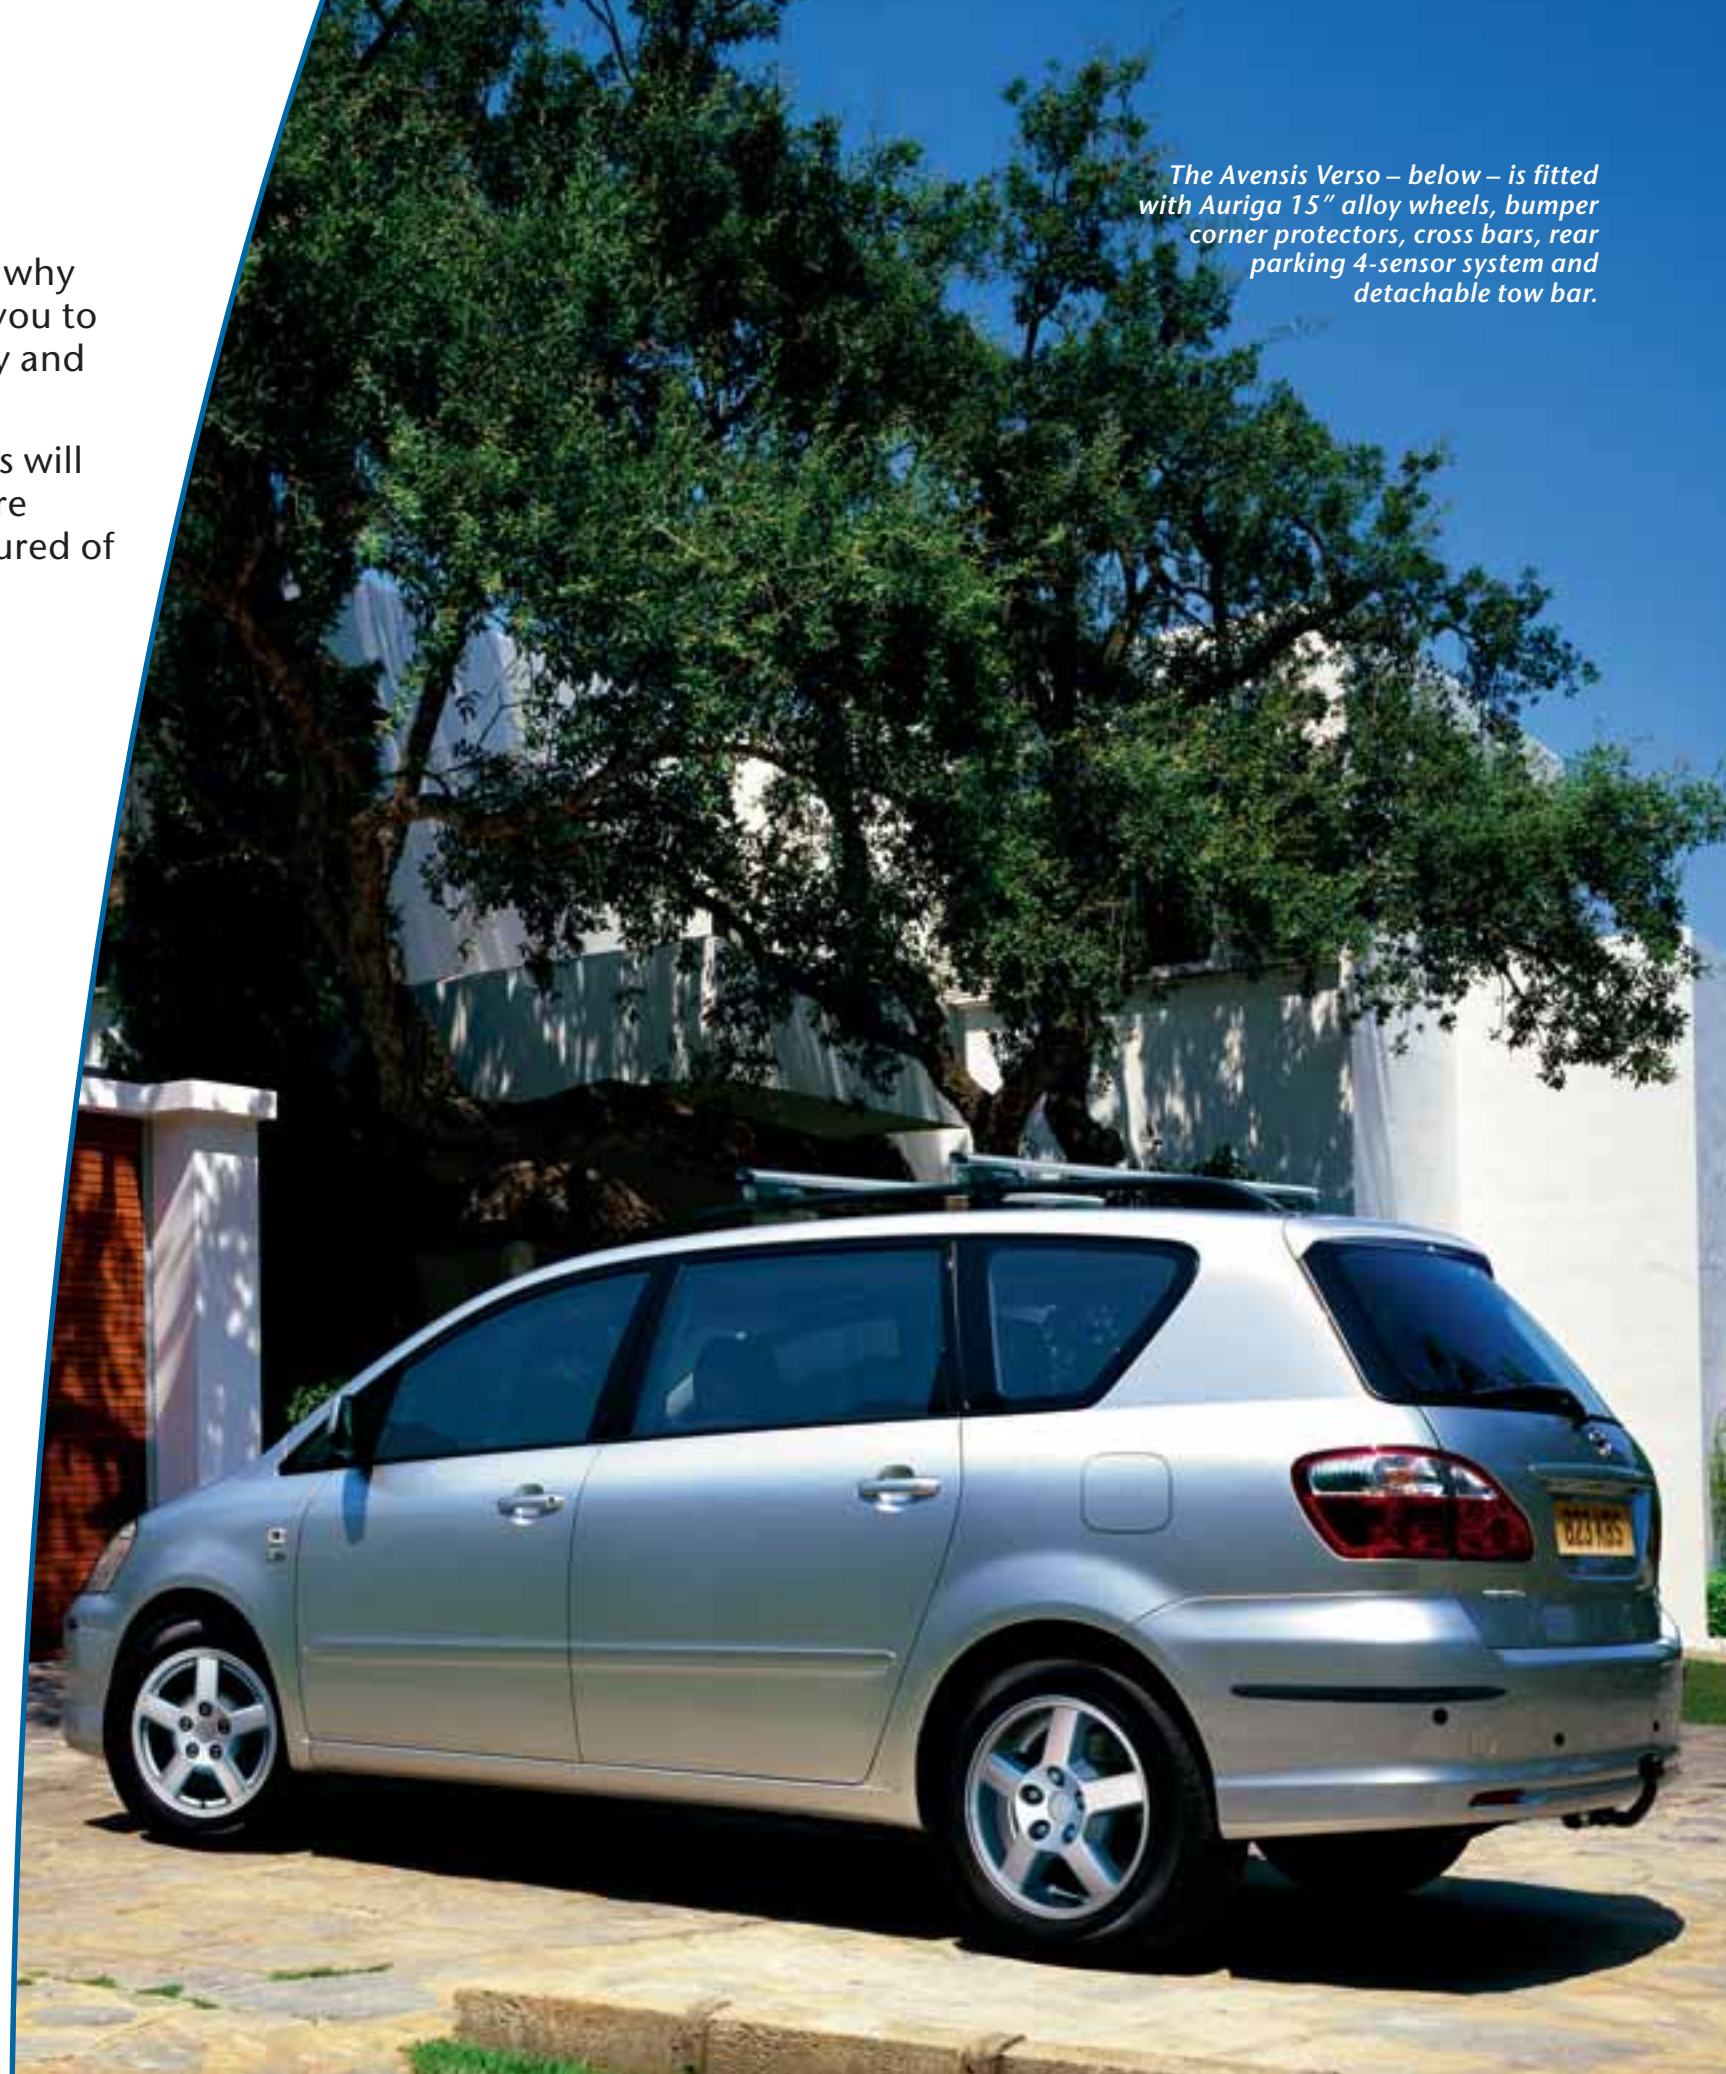

Mud flaps (set 4)

Tailored carpet mat set

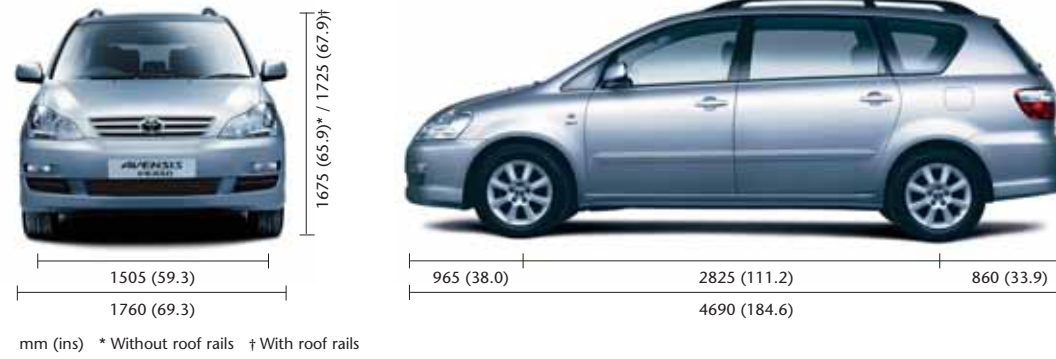

The above accessories are applicable to all models unless otherwise stated.

<sup>†</sup> requires painting

The Avensis Verso – below – is fitted with Auriga 15" alloy wheels, bumper corner protectors, cross bars, rear parking 4-sensor system and detachable tow bar.

## Peace of mind

Toyota's global reputation for quality and integrity means the Avensis Verso can add peace of mind to its own highly individual range of attributes.

On the day you purchase your Avensis Verso, your Toyota Centre will present you with an 'Avensis Verso Passport'; a guide to living with your Avensis Verso and making the most of its considerable range of features. Your Toyota Centre will explain the car to you, and always be there, should you require any assistance.

### Health and Safety

Your Toyota Centre will also talk you through Avensis Verso's very own Health and Safety programme. It's very simple. Your Avensis Verso will only need a full 'Health and Safety' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also required every year or 10,000 miles.

### Warranty

We're so confident each and every Avensis Verso is so well built that it comes with a three-year or 60,000 miles warranty against any mechanical failure. In addition, the paintwork, no matter what colour you select, is guaranteed against imperfections for three years too.

Also, the body is guaranteed for 12 years against corrosion perforation.

## Customer services

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK – Club Toyota. As well as giving you one year's free RAC Roadside Assistance in the UK and Europe, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers you family membership and the opportunity to participate in a variety of special offers and promotions. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: In Front. **To find out more about Club Toyota call 0845 275 5555.**

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Centre or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- **Easy Start is an exciting new low deposit plan.**
  - **Easy Care offers the complete reassurance of prepaid servicing.**
  - **Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment.**
  - **Business Drive is a fully maintained contract hire package most suited to small business customers.**
- Whatever your personal preference, your Toyota Centre can tailor a Drive Plan to suit your needs perfectly – driving a new car has never been so easy. Written quotations available on request. All agreements subject to status. Indemnities may be required.

Every new Toyota comes with a three year/60,000 mile manufacturers warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance. Toyota warranties offer equivalent cover to the manufacturers warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim).

Our warranty range offers you choice and flexibility, based on the vehicles age and engine size. All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year. Warranty cover also includes Club Toyota membership including RAC Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover.

For further information please contact your local Toyota Centre.

In the event of an emergency Toyota offers free of charge to Toyota owners a comprehensive management service which includes advice, assistance and practical help. Please contact your local Toyota Centre for further details.

Toyota Approved Used Car Scheme. Please contact your local Toyota Centre for details.

## Using the navigation bar

A navigation bar is provided at the bottom of each page of this e-brochure to make browsing it easy. Please follow the simple instructions on the right to navigate through this e-brochure.

Takes the document back to the beginning.

This will take the document back to the previous page.

This will take the document back to the next page.

Takes the document to the Index page.

This will allow the Acrobat toolbar to be visible if pressed once and it will also make it disappear if already visible.

This will zoom in on the document so smaller text etc will be easier to read. To zoom in further, click the icon again. If the menu bar is not visible then either use your mouse by clicking the left hand button and moving it.

This will zoom out of the document. To zoom out further, click the icon again. If the menu bar is not visible then either use your mouse by clicking the left hand button and moving it.

This will print out the full brochure to your printer. Please note that if you have a colour printer this document will print in full colour.

This will save the whole document to your computer.

To close this document press *esc* and then close document normally.

Whilst every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible, (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability we ask that you contact your local Toyota Centre.
