* For full details of VED (Road Fund Licence) bands and other costs included in the 'On the road' recommended retail price, please see page 10.
 † 7 seat models are available at the same recommended 'On the road' price as 5 seat models until December 2004.

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower).
 To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

Main items of standard specification

All models

3-year/60,000 miles warranty (whichever is soonest)
3-year paintwork warranty
12-year body protection warranty
LongLife Servicing (see page 9 for details)
Volkswagen Assistance (see page 9 for details)

ABS (Anti-lock Braking System) with
HBA (Hydraulic Brake Assist)
Aerial for radio integrated into side window
Air conditioning, semi-automatic
'Anthracite-metallic' interior trim
Body-coloured bumpers and bump strips, front and rear
Body-coloured door mirrors with integrated indicators
Centre seat of 2nd row, foldable with table function
Cup holders, front x 2, rear x 1
Curtain airbag system, for front and 2nd row passengers
Driver's and front passenger's active head restraints
Driver's and front passenger's airbags with passenger's
airbag deactivation switch
Driver's seat height adjustment
Dust and pollen filter
Electrically heated and adjustable door mirrors
Electric windows, front
Electronic engine immobiliser
ESP (Electronic Stabilisation Programme) including EDL
(Electronic Differential Lock) and ASR (Traction Control)
Four-spoke steering wheel
Front seat side impact airbags
Front three-point seat belts with height adjustment
Full size wheel trims
Heat insulating tinted glass
Heating and ventilation system with 4 speed fan and air
circulation switch
Height and reach adjustable steering wheel
Illuminated sun visor mirrors
Instrument lighting, blue adjustable panel illumination
Interior light delay
Isofix child seat preparation, outer seats of 2nd row
Load lashing points x 4, in luggage compartment
Luggage compartment cover, retractable
Luggage compartment light
Multiple storage compartments in passenger
and luggage areas
Power-assisted steering, speed-sensitive
Radio/CD player with 4 speakers
Reading lights, front and rear
Rear screen wash/wipe with intermittent wipe
Remote central locking with 2 remote folding keys
Reverse gear selection activates rear screen wiper
Roof rails, black
Speedo and rev counter, electronic odometer, trip and
service interval display, fuel and temperature gauge
Storage compartments in all doors (for 1.0 litre bottles)
Storage compartments in the roof console
Two stage opening rear tailgate
Tyre repair kit
Upholstery 'Fletch' cloth
Ventilated disc brakes, front
Warning buzzer for lights if left on
Warning triangle
Windscreen wiper with intermittent wipe
and 4 position delay

All models (continued)

12V socket in rear and luggage compartment
2 head restraints in the 3rd row (7 seater only)
2 three-point seat belts in the 3rd row (7 seater only)
3 head restraints in the 2nd row
3 single seats in the 2nd row, with forward and backward
adjustments, foldable and removable
3 three-point seat belts in the 2nd row, with height
adjustment on outer seats
6J x 15 steel wheels with 195/65 R15 tyres

Additional items of equipment SE

Alarm
Body-coloured side bump strips and door handles
Chrome trimmed radiator grille surround
Cruise control
Electric windows, front and rear
Folding tables on the back of front seats
Front comfort seats with height and lumbar adjustment
'Microtec' interior trim
Multifunction computer
Upholstery 'Duet' cloth
6½J x 16 steel wheels with 205/55 R16 tyres

Additional items of equipment Sport

Air conditioning, 2Zone electronic climate control
Alloy wheels, four 6½J x 16 'Hockenheim' with

() Automatic figures.

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming.

* Fuel consumption figures shown are mpg/ltr per 100 km for the Urban, Extra-urban and Combined fuel cycles in accordance with EU Directive 99/94.

Accessories

Car Audio

All vehicles are specified with a standard fit audio system, and you can also choose from a variety of in-car CD players. Front-loading tuners allow you to insert the music software from the driver's or front passenger's seat into the dash-mounted player. Alternatively, a 6 disc CD autochanger can be installed and controlled from the audio unit mounted on the dashboard.

For ease of operation, audio units offer RDS/EON – a sophisticated service from FM radio stations. Sets equipped with this system will display the name of the station you are tuned to, automatically retune your current National FM station to a stronger alternative signal when reception becomes weak and provide traffic information. Local traffic bulletins will interrupt the tape, CD or National FM station you are listening to.

Please consult your retailer for further details.

Vehicle Security

Volkswagen offers a range of high quality security products to enable you to further enhance the standard protection features offered by your vehicle.

A range of electronic alarms allows a system to be tailored to your requirements. The Volkswagen approved range is fitted by fully trained technicians and the complete alarm and immobiliser combination is recognised by some major insurers who may offer premium discounts when fitted. Please ask your retailer for further details.

Your retailer can install a choice of TRACKER systems to help the police locate your car and return it to you should you be unfortunate enough to have your car stolen.

Child Seats

The Volkswagen range of child seats are designed to grow with your family. The clever designs offer maximum flexibility. They are very high quality and meet the latest European Safety Standard, namely E.C.E. 44.03.

Sporting Accessories

A comprehensive range of alloy wheels, sporting exhaust systems, body styling aerodynamic components and sports suspension kits enable you to personalise your Volkswagen.

Towing and Touring

Volkswagen approved, vehicle specific towbars are designed to fit each vehicle in the range and can be supplied installed with all necessary towing electrical connections.

A wide range of roof carrying systems, again Volkswagen approved, are designed to fit a specific vehicle for maximum safety.

Protection and Car Care

The interior of your vehicle can be protected with tailored carpet mats and loadliner, whilst our mudflaps reduce potential damage to paintwork.

Our car care range will help to maintain your vehicle in its showroom condition.

Please consult your retailer regarding the suitability and compatibility of accessories for your vehicle.

Volkswagen Approved accessories purchased from and fitted by your Volkswagen retailer at the point of vehicle sale will benefit from the three-year vehicle warranty.

** Please contact your retailer for more information.

¹ Price includes fitting, but excludes subscription.

² Suitable for vehicles with fan-shaped windscreen washer jets.

³ Please contact your retailer for specific model applications.

⁴ Suitable for vehicles fitted with 50 mm tow ball and 7-pin electrics.

⁵ For older roof systems check application with your retailer.

VAT is calculated at 17.5% on all products except retailer supplied child safety seats where it is calculated at 5%.

Issue 8 effective from 1 April 2004.

The Volkswagen service, for your peace of mind

The Volkswagen Warranty Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised Volkswagen retailer or repairer; however, this additional warranty must be purchased before the mileage reaches 60,000. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty

The internal body sections and panels of the Volkswagen range are covered against rusting through from the inside for 12 years, with the exception of the Sharan which is covered for six years. Naturally, the vehicle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty

This latest warranty, pioneered by Volkswagen, really provides you with the widest possible cover on a new car.

There are no special conditions attached and paintwork manufacturing defects will be rectified without charge. Naturally, during the warranty period the car must be cared for in compliance with the operating instructions.

Service Intervals for Petrol and Diesel Engines

Volkswagen has always been dedicated to protecting the environment. That's why all passenger cars, excluding Lupo, come with a LongLife Service regime. As a result of longer service intervals the engine oil requirement can be significantly reduced over the vehicle's total life, which results in less waste oil to dispose of and reduces the burden on the environment.

The LongLife Service regime is so called because there are no set service intervals. The interval between services, depending on how you drive your vehicle and the conditions of use, can be anywhere from 9,000 miles or 12 months (whichever is soonest), up to a maximum of 30,000 miles* or 24 months (whichever is soonest). The Service Interval Display in the instrument panel will indicate when a service is required.

This LongLife Service regime has been made possible due to the development of new Volkswagen engines with the latest technically advanced long-life oils. These engines use built-in sensors that continually monitor the oil quality, making it possible to enjoy reliable and confident motoring for up to a maximum of 30,000 miles* or 24 months (whichever is soonest).

If you would like a more traditional service regime the vehicle can be adapted by your authorised Volkswagen retailer or repairer to the Time/Distance regime. This can be done at the point of vehicle sale or when an inspection service is carried out.

* The maximum of 30,000 miles is for diesel engines (except the V6 TDI and Touareg engines). The V6 TDI, all Touareg and petrol engines have a lower maximum mileage. All mileages are approximate as the system uses kilometres as the distance measure.

Please consult your authorised Volkswagen retailer or repairer for full details.

Volkswagen Finance[†]

Volkswagen Finance offers a dedicated service to meet the needs of both the business user and the private motorist. We can help you choose the right type of finance and will tailor the package to meet your specific requirements. Please consult your authorised Volkswagen retailer for details.

[†] Volkswagen Finance is a trading name of Volkswagen Financial Services (UK) Limited.

Extended Warranty

You may purchase additional protection from your authorised Volkswagen retailer or repairer, or contact 0870 9000 115.

Volkswagen Insurance

Competitive insurance premiums are available to Volkswagen owners through Volkswagen Insurance Service (Great Britain) Limited. Volkswagen Insurance guarantee that all repair work is undertaken by an authorised Volkswagen retailer or repairer. For a quotation, telephone Linkline on 0845 600 8006.

Volkswagen Assistance

Every new car is registered for Volkswagen Assistance for one year except the Touareg and Phaeton which are registered for three years. This provides vehicle recovery in the unlikely event of a breakdown (subject to conditions). Volkswagen Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

Prices and Specifications

The prices and specifications contained in this brochure are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note:

We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

Vehicle Excise Duty (VED)

All vehicles first registered on, or after, 1st May 2001 are subject to a new form of Vehicle Excise Duty (Road Fund Licence). This new duty is based upon the type of fuel the vehicle uses and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). To help you identify the duty you will pay, the DVLA has created five categories for petrol engines and five categories for diesel engines.

The weight of a vehicle will influence the level of CO₂ emission it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂.

The CO₂ figure quoted for each vehicle is the maximum possible. The unladen weight of the vehicle is calculated by range at the time of manufacture and the maximum possible CO₂ emission for that weight range is applied according to the Council Directive 80/1268EEC as amended by Commission Directive 1999/100/EC on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

Petrol engines

Band 'AA'

The 'On the road' recommended retail prices for petrol engines with a CO₂ emission figure up to 120 g/km include the following:-

Delivery to retailer £	380.00
Number plates £	20.00
VAT £	70.00
Vehicle excise duty £	75.00
Vehicle first registration fee £	38.00
Total £	583.00

Band 'A'

The 'On the road' recommended retail prices for petrol engines with a CO₂ emission figure between 121 and 150 g/km include the following:-

Delivery to retailer £	380.00
Number plates £	20.00
VAT £	70.00
Vehicle excise duty £	105.00
Vehicle first registration fee £	38.00
Total £	613.00

Band 'B'

The 'On the road' recommended retail prices for petrol engines with a CO₂ emission figure between 151 and 165 g/km include the following:-

Delivery to retailer £	380.00
Number plates £	20.00
VAT £	70.00
Vehicle excise duty £	125.00
Vehicle first registration fee £	38.00
Total £	633.00

Band 'C'

The 'On the road' recommended retail prices for petrol engines with a CO₂ emission figure between 166 and 185 g/km include the following:-

Delivery to retailer £	380.00
Number plates £	20.00
VAT £	70.00
Vehicle excise duty £	145.00
Vehicle first registration fee £	38.00
Total £	653.00

Band 'D'

The 'On the road' recommended retail prices for petrol engines with a CO₂ emission figure above 185 g/km include the following:-

Delivery to retailer £	380.00
Number plates £	20.00
VAT £	70.00
Vehicle excise duty £	160.00
Vehicle first registration fee £	38.00
Total £	668.00

Diesel engines

Band 'AA'

The 'On the road' recommended retail prices for diesel engines with a CO₂ emission figure up to 120 g/km include the following:-

Delivery to retailer £	380.00
Number plates £	20.00
VAT £	70.00
Vehicle excise duty £	85.00
Vehicle first registration fee £	38.00
Total £	593.00

Band 'A'

The 'On the road' recommended retail prices for diesel engines with a CO₂ emission figure between 121 and 150 g/km include the following:-

Delivery to retailer £	380.00
Number plates £	20.00
VAT £	70.00
Vehicle excise duty £	115.00
Vehicle first registration fee £	38.00
Total £	623.00

Band 'B'

The 'On the road' recommended retail prices for diesel engines with a CO₂ emission figure between 151 and 165 g/km include the following:-

Delivery to retailer £	380.00
Number plates £	20.00
VAT £	70.00
Vehicle excise duty £	135.00
Vehicle first registration fee £	38.00
Total £	643.00

Band 'C'

The 'On the road' recommended retail prices for diesel engines with a CO₂ emission figure between 166 and 185 g/km include the following:-

Delivery to retailer £	380.00
Number plates £	20.00
VAT £	70.00
Vehicle excise duty £	155.00
Vehicle first registration fee £	38.00
