CLS-Class

Carrier systems

Going on holiday? Heading to the slopes or the lake? Or simply need some extra space? When you need your CLS-Class to carry that bit more, we have the perfect solution.

Alustyle is a flexible roof carrier system that fits your Mercedes perfectly. Simply attach the basic roof bars to your CLS-Class, then add an aerodynamic roof box or a specialist accessory such as a snowboard or cycle rack.

Phone cradles

Your CLS-Class comes with a hands-free system that simply requires you to add the phone cradle that's compatible with your phone.

We have cradles for most popular makes of mobile phone, including Nokia, Siemens and Sony Ericsson.

If you swap mobile models, no problem. All it takes is the installation of a cradle that fits your new mobile phone.

Boot storage and luggage care

Make the most of your luggage space with our range of tubs, nets and crates. Our shallow boot tub helps to protect the interior trim of your boot, plus it is easy to clean. Luggage nets are ideal for securing fragile or awkwardly shaped items, keeping them safe and sound in transit. For even more convenience the range also includes a drawer that fits below the parcel shelf and a collapsible shopping crate.

Child seats/ child accessories

From newborn to age 12, the Mercedes-Benz range of child seats gives you the peace of mind that your young passengers are protected and secure. They are engineered with both comfort and safety in mind, and are certified as complying with ECE regulations. Their hardwearing moisture-absorbing covers can easily be removed and washed. When the child seat with ACSR (Automatic Child Seat Recognition) is used in the front passenger seat, the in-built ACSR transponder automatically disarms the front passenger airbag, ensuring your child's safety. For models with ISOFIX the 'Angel & Driver' seat is quick and easy to fit.

Alloy wheels and safety accessories

Mercedes-Benz light alloy wheels look beautiful and deliver superb road holding. Mudflaps are a good investment because they protect the underbody and sides of your CLS-Class from loose chipping and dirt.

When wintry weather brings snow and ice to the roads, you can ensure a secure grip with a set of snow chains. Other safety accessories to keep to hand include a charger unit and tow rod.

Increased rim sizing may, in some cases, require an appropriate change in tyre. All prices for alloy wheels are per wheel excluding tyre fitting. For the full range of alloy wheels and AMG wheels please refer to the alloy wheel brochure.
