S-Class

Accessories

Welcome to your Mercedes-Benz accessories brochure.

Inside you'll find a comprehensive range of accessories for the S-Class. All the accessories featured are suitable for right-hand-drive vehicles.

S-Class

Roof rail system – Alustyle

If you're planning to ski, sail or simply enjoy a long vacation, your S-Class can carry everything you need thanks to the Alustyle roof rail system. This is a flexible system for carrying luggage and sports equipment and works by allowing you to fit the basic carrier bars to your S-Class roof and then adding the specialist accessory of your choice.

You can also fit a detachable trailer coupling to your S-Class. Ideal for towing boat trailers, caravans and trailer tents.

Alustyle system carriers			Fig.
Basic carrier bars	style B	B6 781 2111	£173.00

Child seats/ child accessories

From newborn to age 12, the Mercedes-Benz range of child seats gives you the peace of mind that your young passengers are protected and secure. They are engineered with both comfort and safety in mind, and are certified as complying with ECE regulations. Their hardwearing moisture-absorbing covers can easily be removed and washed. Child seats with AKSE (Automatic Child Seat Recognition) automatically disable the front passenger airbag.

Child seats, ages 0 to 18 months, approx 0-13kg

Baby Safe Plus with AKSE	'Daimler Square' anthracite/grey	B6 686 8212	£252.00	1

Alloy wheels

Mercedes-Benz light alloy and Incenio designer wheels look beautiful and deliver superb road holding.

Increased rim sizing may, in some cases, require an appropriate change in tyre. All prices for alloy wheels are per wheel excluding tyre fitting. For the full range of alloy wheels and AMG wheels please refer to the alloy wheel brochure.

Light-alloy wheels

Alloy wheel accessories and boot storage

Mudflaps are a good investment because they protect the underbody and sides of your S-Class from loose chippings and dirt.

Make the most of your luggage space with our range of tubs and nets. Our shallow boot tub helps to protect the interior trim of your boot, plus it is easy to clean. A luggage net is ideal for securing fragile or awkwardly shaped items, keeping them safe and sound in transit.

Accessories for light alloy wheels

Rim locks for 17" wheel, set of 4 locks and 1 key		B6 647 0144	£52.00

Road Angel

Road Angel Compact uses GPS technology to alert you visually or audibly about accident blackspots and safety cameras. It is simple to install – just plug in and go. As well as providing you access to the UK's No 1 safety camera and accident blackspot database, it can also advise you of primary school locations and areas subject to a congestion charge. Plus, you can program the system to alert you to blackspots you have personally identified along your regular travel routes.

TRACKER

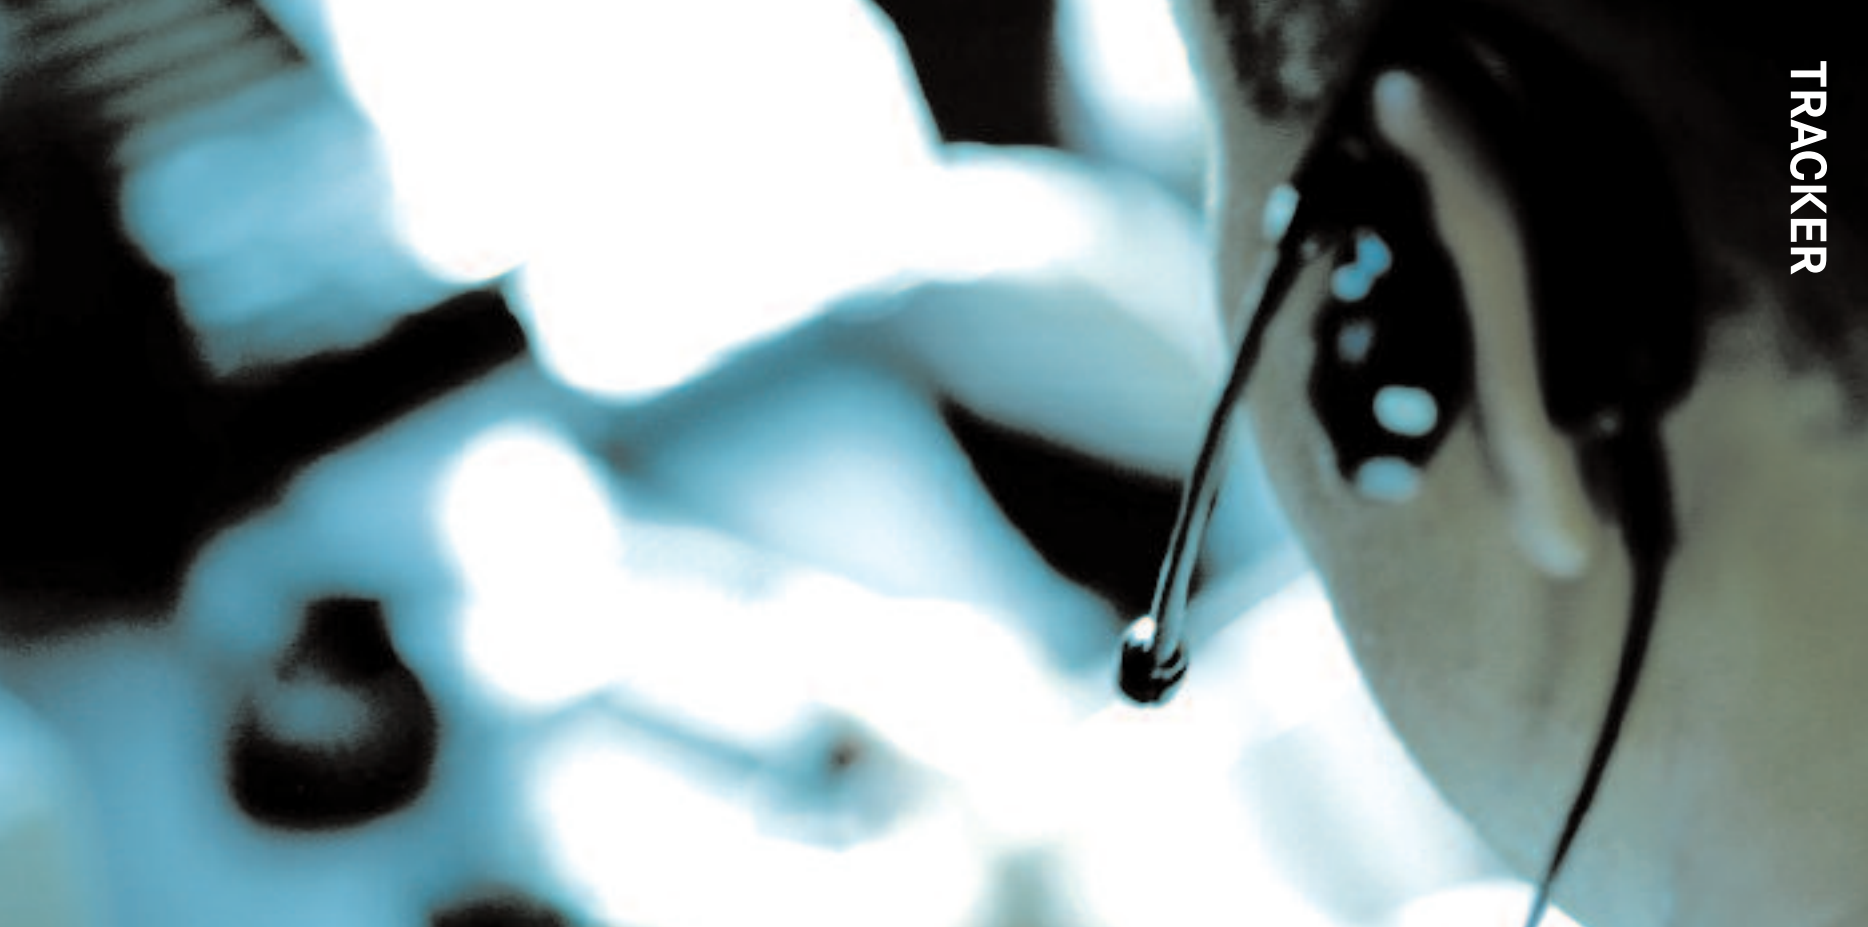

A vehicle is stolen every two minutes in the UK and over half are never seen again. You can help to protect your Mercedes-Benz with TRACKER, the UK's number one stolen vehicle recovery system. With TRACKER, if your Mercedes-Benz is stolen, you have an excellent chance of getting it back quickly and undamaged. There are four TRACKER systems to choose from.

TRACKER Retrieve and TRACKER Monitor both use the very latest radio wave technology. TRACKER Horizon combines radio wave and satellite Global Positioning System (GPS) technology.

TRACKER Echo is a brand new addition to the TRACKER family. It combines GPS with GSM (Global System for Mobile Communication) and has a driver validation tag that immediately alerts TRACKER if someone attempts to drive the car without the tag.

Tracker Echo can track vehicles in the UK, France and Spain. An additional subscription can be purchased to cover other European countries. All four systems operate in conjunction with the UK's 52 police forces.

Your retailer will be happy to discuss the technical details with you.

TRACKER

1. Your Mercedes-Benz is stolen.
2. Inform TRACKER control unit and activate TRACKER. Car located and retrieved.
3. Road Angel.

Car/screen care

Mercedes-Benz screen and car care products have been specially formulated to help keep your vehicle looking as good as the day you bought it.

The car care range has cleaning solutions for every material inside and outside your S-Class, from the paintwork to the leather trim. Our screencare products are specially formulated to help keep visibility optimal. Choose either summer care or winter care with added anti-frost.

Please contact your Mercedes-Benz Retailer or Authorised Repairer for advice, sales and equipment installation.

Please note: Changes may have been made to the products since this brochure went to press on **01.10.2005**. Colours may differ slightly from those shown due to the printing process.

All accessories contained in this brochure are suitable for right-hand-drive versions of the short wheelbase and the long wheelbase S-Class.

Please consult your Mercedes-Benz Retailer for the latest details. All prices are inclusive of VAT. Prices do not include installation. Prices subject to change without notification.
