Carrier system

The SLK-Class is an open-topped roadster and a hard-roofed coupé in one. That means it's ideal when you want to take off for a sporty weekend. Our robust carrier system delivers all the performance you need – whatever your plans.

Alustyle is range of roof accessories that lets you add your choice of specialist racks to a set of Alustyle basic carrier bars, all designed to fit your SLK-Class perfectly.

The range includes a choice of general-purpose luggage carriers. If you're into adventure activities – skiing, canoeing, cycling – you can choose a specially designed rack to keep your equipment secure in transit. Alustyle makes it easy to get up and go.

Boot storage/ luggage care

Make the most of every available inch with the addition of a few simple, well-designed accessories. The durable storage nets will keep fragile items secure when you're on the move, while the boot tubs can help to protect the interior from dirty or sharp objects. Enjoy the versatility, enjoy the freedom.

Telephone consoles

Keep in touch while on the move with our range of hands-free consoles and phone cradles. They are available for most popular make of mobile phones.

For your hands-free system to operate you will require 1 x telephone console, 1 x hands-free system and 1 x mobile phone cradle. Please consult your local retailer for full details.

Floor mats

Whether you want to make an individual statement or simply protect the interior of your SLK-Class from wear and tear, these floor mats offer quality, style and choice.

Velour adds a touch of luxury, while the ribbed mats deliver long-lasting performance. For ultimate practicality there is also a choice of rubber mats in two different colours.

Seat covers

Practical, hardwearing, stylish – SLK-Class seat covers are designed to both enhance the interior ambiance and protect your Mercedes-Benz from everyday wear and tear.

Child seats/ child accessories

From 8 months to age 12, the Mercedes-Benz range of child seats gives you the peace of mind that your young passengers are protected and secure. They are engineered with both comfort and safety in mind, and are certified as complying with European regulations. Their hardwearing moisture-absorbing covers can easily be removed and washed. ISOFIX is a one-click fastening system that makes the 'Angel & Driver' seat quick and easy to fit. The Automatic Child Seat Recognition (ACSR) device automatically disarms your car's airbag when the child seat is used in the SLK-Class passenger seat.

Interior refinements

What better way to enjoy the superb driving dynamics of your SLK-Class than through an exclusive steering wheel? You'll have multi-function integral controls that bring many features to your fingertips, and you'll enjoy the comfort and texture of natural materials. Door sill panels help to protect the interior from wear and tear, while a draught stop makes open top-driving even more fun.

Alloy wheels

High-performance alloy wheels will further enhance the beauty of your SLK-Class and offer you the best driving dynamics – superb road holding and superior lateral stability.

Please note: Increased rim sizing may, in some cases, require an appropriate change in tyre. All prices for alloy wheels are per wheel excluding tyre fitting. For the full range of alloy wheels and AMG wheels please refer to the alloy wheel brochure.

Exterior enhancements/ safety accessories/ snow chains

Why not personalise the exterior of your SLK-Class with a stylish accessory? For example, you could add chrome highlights to the radiator grille and mirror housing.

A set of replacement bulbs is a safety essential. Keep them handy in your glove compartment. Snow chains are also available to give you ultimate reassurance when driving conditions are not perfect.

Audio/navigation/Quickparc

Entertainment and information.
The Audio 50 APS navigation unit can guide you to your destination using vocal instructions and graphic symbols on a central display. Plus the unit has a radio and CD player.

Quickparc helps you park quickly and safely in awkward situations. As you reverse an audible alarm warns you if you get too close to another vehicle or object.

TRACKER

A vehicle is stolen every two minutes in the UK and over half are never seen again. Even with insurance, victims of vehicle crime face an increase in insurance premiums and it has been estimated that the average direct cost of having your vehicle stolen is £4,700, even with fully comprehensive insurance, not to mention the hassle and disruption to daily life, travel rearrangements and finding a replacement vehicle.

Should the unthinkable happen to you, you'll be glad you chose TRACKER, the UK's number one stolen vehicle recovery company, offering an extensive and competitively priced range of products that brings peace of mind to vehicle owners.

TRACKER

1. Your Mercedes-Benz is stolen.
2. Inform TRACKER control unit and activate TRACKER.
3. Car located and retrieved.
