## 206 SW

“I need my own space.”

Your heart says you need the freedom to go wherever life takes you, to escape the ordinary. But your head keeps telling you to be practical.

The 206 SW is your ideal getaway car.

Whether you choose the petrol or diesel version, you'll find it's got all the spirit and liveliness you associate with a 206. Yet the clever design of its capacious boot opens up even more possibilities for you.

You can open the rear window independently from the tailgate for easy loading, or fold down the split rear seat to pack in a family weekend.

And because we understand that the more comfortable you are, the more enjoyable the journey is, the 206 SW comes with an equally generous specification that includes digital air-conditioning with climate control\* and a remotely controlled radio / CD player.

There's even the option of a 1.6 litre automatic for a really relaxed drive.

Limits. What limits?

# Peugeot HDi engines

38-39

“I’m all for good, clean fun.”

Forget everything you’ve heard about diesels. Our HDi engines are not only among the cleanest and most efficient diesels on the market, but they’re also engineered to give you smooth acceleration right across the range, and fast response when you need it.

## More economy

Thanks to our second generation, multiple injection technology, saving the atmosphere won’t cost you the earth. Direct injection increases efficiency and reduces fuel consumption\*.

As a result, an HDi engine actually uses 20% less fuel than old-style, ‘indirect injection’, diesel engines, cutting CO<sub>2</sub> emissions – and your bills – by a similar amount.

\*Details of performance and economy for the 206 range, including CO<sub>2</sub> emissions figures can be found in the accompanying specification and pricing leaflet.

## More power where you need it

If you’re looking for performance, diesel doesn’t get any better than this.

HDi is engineered to give you flexible response and great acceleration, even at low speeds.

On the HDi 110 there’s an ‘Overboost’ to give you a surge of extra torque and a variable geometry turbocharger to provide split-second responsiveness. So you can be sure you’ve got all the power you could want to drive your way out of tight situations.

What’s more, noise and vibration levels are similar to those you’d expect from a petrol engine.

### PEUGEOT PEACE OF MIND

Peugeot vehicles are designed and manufactured to give you worry-free motoring and peace of mind. As a Peugeot owner you are entitled to a comprehensive range of customer care services from your Peugeot Dealer who has the expertise to maintain your Peugeot to its peak performance.

### PEUGEOT WARRANTIES

#### 3 Years of Warranty

In addition to the 2 year unlimited mileage manufacturer's Warranty, all vehicles first registered in the UK and purchased from a UK Peugeot Dealer benefit from a free optional additional 1 year of Warranty provided by the Peugeot Dealer network in the UK. This additional Warranty carries a mileage limit of 60,000 miles (100,000 miles for Boxer models excluding Motorhomes and other converted vehicles) from first registration. The conditions of the additional 1 year Warranty are identical to those of the 2 year manufacturer's Warranty. (For full terms and conditions, please consult your Peugeot Dealer. NB: This 3 years of Warranty is automatically transferable on the sale of the vehicle.) At the end of the 3 years of Warranty (or 60,000 miles) you have the option to purchase a Peugeot Platinum Extended Warranty. This offers an almost identical level of peace of mind warranty cover for up to a maximum of a further 48 months (unlimited mileage). Contact your Peugeot Dealer for details.

#### 12 Year Anti-Perforation and 3 Year Paint Warranty

Also automatically transferable on sale of the vehicle, this will maintain and enhance the resale value of your vehicle. (The Anti-Perforation Warranty is limited to 6 years and the Paint Warranty to 2 years on 206 Van, Partner, Expert and Boxer vans.)

For the first year of ownership you will automatically receive Peugeot Assistance cover for complete peace of mind. Additional Peugeot Assistance may be purchased for the second and third years. Operated by the RAC, it includes roadside assistance, vehicle recovery, free replacement vehicle or hotel accommodation and chauffeur provision in case of certain medical disabilities. Peugeot Assistance is available within the UK and Europe. Your local Peugeot Dealer has full details of terms and conditions.

### PEUGEOT SERVICE CARE

Peugeot petrol engine vehicles need servicing every 20,000 miles (12,000 2.0 litre 180 bhp engines) or every 2 years. Drivers of HDi diesel versions also benefit from extended servicing with 12,000 miles (20,000 on 2.0 litre HDi 206, 407 & Expert and 1.4 HDi 206) or 2 year intervals. With less time spent in the maintenance bay and fewer service visits, Peugeot have passed on the benefits of technology in engine design and lubrication. In between scheduled services your Peugeot Dealer offers you a complementary intermediate visit (level check/top up) provided the appropriate, previous full service has been carried out at an authorised Peugeot Dealership.

In order to minimise the inconvenience associated with normal servicing, Peugeot UK Dealers promise to offer you the choice of:

- while you wait servicing with a timed appointment;
- or local vehicle collection from your home or place of work;
- or alternative transport to the railway station, home or place of work;
- or by arrangement, a hire vehicle at a concessionary rate.

In addition they will aim to ensure that your vehicle is washed before it is returned.
