Toyota Avensis

Quality speaks for itself

With its premium styling, outstanding build-quality and advanced technologies for superior performance and safety, the Avensis represents a new benchmark in quality. It meets – and exceeds – the expectations of discerning individuals who appreciate excellence in every detail.

The impressive Avensis is offered in three body styles and with a choice VVT-i petrol and D-4D engines, all of which deliver exciting performance, excellent fuel economy and low emissions.

The Avensis has been awarded the maximum 5 stars under the stringent Euro NCAP crash safety rating system with 34 points.

Together with superior handling and stability, plus exceptional levels of comfort and convenience, the Avensis is arguably the most prestigious marque in its sector.

The Avensis the power to command admiration.

4-door Saloon

5-door Hatchback

5-door Tourer

Refinement starts here

The outstanding quality of the Avensis perfectly complements Toyota's worldwide reputation for reliability and durability. And it's in evidence right across the range, starting with the superbly engineered and equipped Avensis T2.

You can sense the refinement in the pleasing, modern design of all three body shapes – four-door saloon, five-door hatchback and five-door tourer, all of which come with body coloured bumpers and door handles. And you can experience it through the responsive, efficient performance of the 1.8 litre VVT-i petrol engine and 2.0 litre turbo-charged D-4D diesel power unit.

The Avensis T2 comes with ABS braking with EBD (Electronic Brake force Distribution) for maximum braking control, nine airbags – including a class-leading driver's knee airbag – manual air-conditioning, eight-speaker CD/radio/cassette audio system, four-spoke fully adjustable steering wheel, plus Optitron instrumentation for outstanding clarity.

The Avensis T2 – setting new standards of quality and refinement.

Air-conditioning

Adjust the T2's manual air-conditioning to find your preferred temperature.

Optitron dials

Optitron instrumentation provides excellent visibility.

Outstanding handling and stability

Thanks to its advanced suspension system, the Avensis not only delivers excellent steering response and feel, but also outstanding stability and ride comfort – qualities perfectly exhibited by the T3-S and T3-X.

Offered with a choice of 1.8 VVT-i petrol engine and 2.0 litre D-4D power unit, the T3-S comes with 16-inch eight-spoke alloy wheels, manual air-conditioning, integrated eight-speaker CD/radio/cassette system, electric front windows and Toyota's turn-by-turn satellite navigation system with Electronic Traffic Avoidance.

The T3-X is offered with a choice of three engines, and feature a metallic centre console, dual-zone, climate control air-conditioning, rain-sensitive front wipers, 16-inch five-spoke alloy wheels, electric windows and power adjustable, heated and retractable exterior mirrors.

For enhanced stability and control, all petrol versions are fitted with Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA).

The Avensis T3 – where driving pleasure comes first.

Steering-wheel-mounted controls

Adjust the volume of the eight-speaker audio system without taking your hands off the steering wheel.

Multi-information display

The centrally mounted dashboard display gives you valuable trip information and on the T3-S, route guidance through the satellite navigation system as well.

Distinctive by design

The T4 embodies all the strengths of the distinctive Avensis range – sophisticated engines, superb ride comfort, exceptional roominess and an impressive level of quality specification.

It's offered with a choice of three petrol engines, including the flagship 2.4 litre VVT-i power unit with a five-speed multi-mode automatic transmission, and the turbocharged D-4D ultra-efficient diesel engines.

The T4 comes with dual-zone, climate control air-conditioning, turn-by-turn satellite navigation with Electronic Traffic Avoidance for easy route-finding, and with Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA), all standard on the petrol versions.

All T4 models also feature integrated front fog lamps, all-round power windows, leather-trimmed steering wheel and 17-inch, seven-spoke alloy wheels with locking wheel nuts. The 2.4 litre petrol version offers the added benefits of High Intensity Discharge (HID) headlamps, headlamp washers and cruise control.

The Avensis T4 – where reality exceeds expectation.

Audio system and air-conditioning

The powerful CD/radio/cassette audio system and dual-zone climate control air-conditioning make every journey an enjoyable experience.

HID headlamps

High Intensity Discharge (HID) headlamps that give near daylight illumination are standard on the 2.4 VVT-i version.

The essence of quality

Style, performance, but above all, quality are the hallmarks of the Avensis, a superbly refined and engineered car that delivers what it promises. And there's no more rewarding a model than the Avensis T Spirit.

Exuding quality in every detail – performance, handling, comfort and safety – the prestigious T Spirit has extra refinements such as cruise control, multi-adjustable electric front seats and driver's lumbar support, plus the opulence of high-grade leather seat facings.

Responsive, efficient power is provided by a choice of 2.0 litre and 2.4 litre VVT-i petrol engines and the direct-injection D-4D diesel powertrains, all delivering outstanding performance, fuel economy and low emissions.

The T Spirit is offered with dual-zone, automatic air-conditioning and, as an option, a sophisticated full-colour map DVD satellite navigation system. In addition the 2.4 VVT-i has High Intensity Discharge (HID) headlamps and headlamp washers. What's more, as with all Avensis models, the T Spirit comes with a reassuring range of long-term mechanical, paint and -anti-corrosion warranties.

The Avensis T Spirit – quality that endures.

DVD satellite navigation

Finding your destination couldn't be easier with the optional, voice-activated, full-colour map DVD satellite navigation system.

Cruise Control

Cruise control - one of the many standard features on the superbly equipped T Spirit.

Enjoy control

One look inside the Avensis tells you that exceptional design can deliver quality as well as practicality.

Putting the driver in control is paramount. Which is why the Avensis has a multi-adjustable driver's seat and a steering wheel which can be adjusted for both reach and rake, and which incorporates the main controls for the powerful eight-speaker sound system.

In addition, the driver can easily view the Optitron instrumentation and – at the touch of conveniently placed controls – activate the exterior mirrors, adjust the air-conditioning, find the best route with satellite navigation (available on most models) and receive vital trip information from the central display.

For even greater convenience, the T_{3-X}, T₄ and T Spirit also offer rain-sensing front wipers and a rear-view mirror that automatically adjusts to minimise headlamp glare.

Experience comfort

The strikingly stylish interior underlines the premium quality of every Avensis. For maximum comfort and feel, the seats are trimmed in high-grade cloth, while those on T Spirit models benefit from the extra luxury of quality leather. Further refinement on all models is provided by polished chrome accents.

Comfort is enhanced by the exceptional spaciousness of the cabin, offering ample room for driver and passengers, and by the quietness of the ride. This is achieved by the use of advanced sound-absorbing material throughout the cabin, as well as special sheets on the floor, suspension dampers and engine undercover.

In fact, the Avensis is almost certainly the quietest car in its class. Storage space is provided by a lockable glove box, front seatback pockets and by a useful mid-seat console box which can also be used as an armrest on selected models.

The rear seats of the T3-x, T4 and T Spirit split 60:40 and, on the hatchback and tourer, tumble and fold as well, to provide volumes of extra space.

And as if further proof of Avensis quality were needed, even the boot and luggage area boast high-quality carpeting and a premium finish.

Rear armrest with cup holders

The rear centre armrest on the, T3-x, T4 and T Spirit cleverly incorporates pull-out cup-holders for rear-seat passengers.

Power seats

At the touch of a button, driver and front seat passenger in the T Spirit can adjust their seats to find the most comfortable position.

The spacious and quality-fitted boot storage area features tie-down hooks, 'shopping bag' hooks and, on the Avensis tourer, a retractable tonneau cover.

Delivering driver pleasure

Toyota has introduced the very latest ideas and technology to ensure that driving an Avensis is a quality experience, geared to the demands of modern-day motoring. Avensis is a car that rewards drivers – and one that makes driving a pleasure again.

Within the Avensis range, you'll appreciate such features as illustrated below – making the driver's job easier and more enjoyable.

An optional DVD satellite navigation system with removable remote control.

Four- and five-speed sequential automatic transmission to suit your driving style.

Audio controls

Convenient steering-wheel-mounted audio controls.

Rain sensor

Special windscreen sensors that detect rain and activate the wipers.

Electrochromatic rear view mirror

A rear-view mirror that automatically adjusts to counter glare.

Retractable door mirrors

Power adjustable, heated and retractable exterior mirrors.

Journeys are an optional extra

The optional Toyota In-Car Entertainment system delivers the best in audio-visual entertainment on the road. Journeys fly by as passengers enjoy DVD movies in full stereo sound, and because the whole system is integrated into the vehicle, you get the superb Toyota quality, durability and reliability that you expect.

DVD player

The high performance DVD player is installed in the vehicle glove box for both easy access and maximum security. It supports most disc formats including VCD, DVD, CD, CD-R, CD-RW, MP3, and performs superbly even on the bumpiest roads.

Remote control

The flexibility of a remote control means passengers get the experience they choose with maximum convenience.

Technology drives superior performance

Toyota's engineers are driven by one central goal – to produce engines that deliver maximum performance, outstanding fuel economy and low emissions.

With petrol power units, the main solution is provided by Toyota's VVT-i technology – Variable Valve Timing with intelligence. This advanced system automatically reacts to the way you're driving and the demands made of the engine. An on-board computer controls the timing and duration of the intake valve opening which means you get the power you want when you need it.

And by maximising engine efficiency, it ensures that fuel consumption and exhaust emissions are as low as possible. In fact, all three Avensis petrol engines meet the latest EURO STEP IV emissions standards in accordance with Toyota policy to meet international environmental regulations.

The 1.8 litre VVT-i engine* 127 bhp, maximum torque 170 Nm, maximum speed 124 mph, acceleration to 62 mph in 10 seconds, fuel economy on the combined cycle 39.2 mpg, CO2 emissions 171 g/km.

The 2.0 litre VVT-i engine* (with direct-injection technology for improved performance, fuel economy and low emissions) – 145 bhp, maximum torque 196 Nm, maximum speed 130 mph, acceleration to 62 mph in just 9.1 seconds, fuel economy on the combined cycle nearly 35 mpg, CO2 emissions 191 g/km.

The 2.4 litre VVT-i engine* is the flagship power unit of the Avensis range, offering even higher levels of performance, refinement and driving pleasure. It is the largest-displacement, direct-injection petrol engine in its class and boasts the highest injection pressure. It's also the lightest engine on the market. Delivering exceptional torque at low revs, it's complemented by a five-speed multi-mode automatic transmission that is lighter and more compact than conventional four-speed units. 161 bhp, maximum torque 230 Nm, maximum speed 137 mph, acceleration to 62 mph in just 9.1 seconds, fuel economy on the combined cycle 29.7 mpg, CO2 emissions 227 g/km.

* Figures based on Avensis saloon

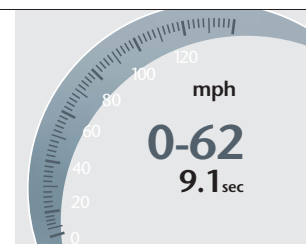

Powerful

The 1.8 litre VVT-i engine produces 170 Nm/4200 rpm of torque for smooth controllable power.

Responsive

With even more torque, the powerful 2.0 litre manual and 2.4 litre automatic VVT-i engines produce acceleration to 62 mph in just 9.1 seconds.

VVT-i technology

The system electronically optimises the timing and duration of the valve opening to deliver power when it's needed.

Tomorrow's diesel today

Toyota's advanced diesel-engine technology delivers the best of both worlds – the lively, responsive power you expect from a petrol engine but with the superior fuel economy and low emissions of a diesel.

The highly efficient 2.0 litre turbocharged D-4D engine, employs direct-injection, common-rail diesel technology which means that atomised fuel is injected into the combustion chamber at very high pressure and according to how the car is being driven. The result is an engine that delivers efficient, responsive performance, excellent fuel economy and minimal emissions.

The D-4D engine also incorporates a variable nozzle turbocharger which helps boost power and torque, while other refinements reduce engine noise and vibration, and a large catalytic converter helps to cut emissions even further.

Toyota diesel technology leads the way in designing engines that are clean, highly efficient and, above all, outstanding performers.

The 2.0 litre turbocharged D-4D engine* – 114 bhp, maximum torque of 280 Nm, maximum speed 121 mph, acceleration to 62 mph 11.4 seconds, fuel economy on the combined cycle 48.7 mpg, CO₂ emissions 155 g/km.

* Figures based on Avensis saloon

D-4D common rail technology

The D-4D engine works with advanced common rail technology, which injects finely atomised fuel at high pressure directly into the combustion chamber.

Dynamic

The advanced 2.0 litre turbocharged diesel power unit is smooth and responsive, delivering outstanding fuel economy without compromising performance.

Efficient

Returning over 48mpg (combined cycle) the 2.0 litre D-4D offers impressive fuel economy.

Safety comes first

With Toyota's total commitment to safety, it's hardly surprising that the Avensis incorporates some of the most advanced primary and secondary safety systems and features available, earning it international recognition.

Every Avensis comes with ABS braking with Electronic Brake force Distribution (EBD), while most models also feature Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA). All these systems give the driver greater control in difficult road conditions.

The Avensis has a thoroughly tested energy-absorbing body with special materials and structures to minimise the effects of front, side and rear impacts. It also features a special Head Impact Protection structure, energy-absorbing steering column and a mechanism that de-couples the brake pedal in the event of a collision.

In addition to three-point seatbelts, the Avensis comes with a total of nine airbags – front and side airbags for the driver and front passenger, plus front and rear curtain airbags to protect front occupants and rear passengers in the outside seats. In addition, the driver has the extra protection of a class-leading knee airbag.

For child safety, the Avensis is fitted with an ISOFIX child restraint system and there are child-proof locks on the rear doors.

As a result of all its safety features, the Avensis has been awarded the maximum 5 stars under the stringent Euro NCAP crash safety rating system with 34 points.

For further peace of mind, every Avensis comes with a comprehensive range of security features, including engine immobiliser, alarm, remote central door locking and double locking, window-etching and vehicle parts marking.

Anti-lock Braking System (ABS) with Electronic Brake force Distribution (EBD)
 Risk of the wheels locking is minimised thanks to the ABS braking system with Electronic Brake force Distribution which automatically applies the correct braking force to each wheel.

Vehicle Stability Control (VSC)
 VSC detects when the car is about to understeer or oversteer and adjusts brake performance and engine output to compensate.

Traction Control (TRC)
 TRC senses when the car is about to skid or spin its wheels and helps to regain control by adjusting brake performance and engine output.

Advanced seatbelts
 For the most effective protection, all the seatbelts have pre-tensioners and force limiters.

Whiplash injury protection
 A special safety system helps to reduce whiplash injuries.

Crash-resistant bodyshell
 The energy-absorbing body structure is specially reinforced to minimise the effects of side impacts, as well as frontal and rear ones.

Drive plans from Toyota Financial Services

We want to make acquiring and maintaining your Avensis as easy as driving one. Our range of Toyota Drive Plans have been designed specifically with this in mind, to offer you a choice of affordable ways to finance, service and maintain your new car. Above all our plans offer flexibility, easy budgeting and peace of mind and can be arranged as a one-stop-shop when you select your Avensis.

Easy Start

With Easy Start finding a large deposit is not an issue. Just the equivalent of one monthly payment in advance is all that is needed to drive away in a Avensis. This simple and innovative plan, based on our popular PCP Drive Plan, is ideal for younger customers or families on a tight budget.

Easy Drive

Easy Drive is a comprehensive finance package, with one monthly payment taking care of most of your motoring needs for 2 or 3 years. The plan includes the cost of a Avensis on a PCP Drive Plan, and an Easy Care servicing plan covering routine major and intermediate services.

Easy Care

For those who value the peace of mind of a pre-paid servicing package we can offer Toyota Easy Care. The plan ensures that your Avensis will receive the very best maintenance and servicing. Easy Care covers routine major services (including routine servicing, parts and labour) and intermediate oil and filter services.

Business Drive

Business Drive offers the security of a fully maintained Contract Hire package, ideally suited for VAT registered businesses. The package offers a host of benefits including reduced capital outlay, all-inclusive monthly rentals and no depreciation, disposal or administration problems.

Flexible Finance

However, Drive Plans are about more than just these four schemes. Whatever your needs, Toyota has a full range of finance options to offer you. Whether you're a private motorist or a business customer, just discuss your individual requirements with your Toyota Centre, who will be pleased to help you choose a Drive Plan to suit you.

Licensed credit broker. Indemnities may be required. All finance subject to status to over 18's only. Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UX.

Assert your individuality

The quality of the Avensis is reflected in its distinctive range of individually designed accessories, enabling you to customise your car according to your personality, motoring needs and lifestyle.

In terms of appearance, fit and colour, all the parts have been specially designed to harmonise perfectly with the Avensis' stylish presence. And, because they are genuine Toyota products, their quality and reliability are totally assured.

Visit your local Toyota Centre for details of the full range – then decide how to express your individuality.

Audio

6-disc CD autochanger (glove box fit) all models
6-disc CD autochanger (stand alone) all models

Body exterior

Chrome exhaust finisher – all models
Elegant rear spoiler (primered) – saloon & hatchback
Front skirt (primered) – all models
Mud flaps, front pair – all models
Mud flaps, rear pair – all models
Rear bumper protection film (to protect rear bumper in boot area) – all models
Rear chrome garnish for lower boot section – all models
Side skirts, pair (primered) – all models
Sports rear spoiler (primered) saloon
Wind deflectors, front set – all models

Convenience

Style collection – including 'Elegant' rear spoiler (primered), Side skirts (primered) & Front skirt (primered) – saloon & hatchback
Hot/cold box – all models
Toyota hands free (THF) telephone kits – all models
Toyota Parking Aid (4 sensor system)
Toyota Parking Aid cancellation switch – available at time of installation, for use when tow bar is fitted

Emergency

Emergency kit comprising First aid kit & Warning triangle in zipped holdall – all models
Fire extinguisher 0.6kg – all models
First aid kit – all models

Interior trim

Carpet mat set – sound absorbent premium grade, anthracite or beige – all models
Carpet mat set – standard grade, anthracite or beige – all models
Shift knob, aluminium/leather – all manual models
Shift knob, wood/leather – all manual models

Lights

Fog lamp kit – T₂ & T_{3-S}
Headlamp beam converters – all models

Loadspace

Boot liner – all models
Dog guard – hatchback & tourer
Horizontal cargo net – all models
Vertical cargo net – all models
Rear bicycle holder – (must be fitted with Tow bar and rear Lamp set)
Rear lamp set for Rear bicycle holder

Locks

Tracker – stolen vehicle tracking systems

Roof

Cross bars (two bars, fit onto standard rails) – tourer
Roof rack (maximum load 75kg inc. roof rack weight) – saloon & hatchback

The following accessories can be fitted with the Roof rack or Cross bars:

Bicycle holder – all models
Luggage box – all models
Sailboard/mast holder (holds one, one can be fitted) – all models
Ski box (holds 2 pairs) – all models
Ski holder (holds 4 pairs) – all models
Ski holder (holds 6 pairs) – all models

Safety

Child seat – Class G0, approx. up to 15 months (up to 13kg)
Child seat – with ISOFIX fixation – class G1, approx. 8 months - 4 years (9-18 kg)
Child seat – Class G2/G3, approx. 3 - 12 years (15-36kg)

Storage

Rear seat storage bag, grey/blue (fixes to front seat headrest, detachable, can be used as a backpack) – all models

Towing

Tow bar, detachable – all models
Tow bar, fixed – all models
Multiblock 12v (required with Tow bar) – all models
Caravan services wiring – all models

Ventilation

Clean air filter, replacement (to maintain clean air filter performance, the filter should be changed every 12 months)

Wheels

Setia 18", 7.5x18 ET45 – five wheels & tyres required
Pallas 16", 6.5x16 ET45
Sasceo 16", 6.5x16 ET45
Locking wheel nuts – for above alloy wheels

The Avensis above illustrates the boot liner, vertical cargo net, dog guard, tow bar, seat back storage bag, 16-inch Sasceo alloy wheels, hot/cold box and emergency kit.

A perfect match

The sheer design quality of the Avensis is perfectly complemented by a wide choice of outstanding colours - from Pure White and Solar Red to lustrous Silver Fern and

Carlo Blue. Depending on model, the elegant interior is trimmed in stylish tones of charcoal grey or ivory and on the T Spirit, in sumptuous leather.

Customer Services

Club Toyota

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK – Club Toyota. As well as giving you one year's free RAC Roadside Assistance in the UK and Europe, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers you family membership and the opportunity to participate in a variety of special offers and promotions. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: if. To find out more about Club Toyota call 0845 275 5555.

Toyota Drive Plans

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- Easy Start is an exciting new low deposit plan.
- Easy Care offers the complete reassurance of prepaid servicing.
- Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment.
- Business Drive is a fully maintained contract hire package most suited to small business customers.

Whatever your personal preference, your Toyota Centre can tailor a Drive Plan to suit your needs perfectly – driving a new car has never been so easy.

Written quotations available on request. All agreements subject to status. Indemnities may be required.

Toyota Insurance

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Toyota Fleet

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Centre or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Warranties

Every new Toyota comes with a three year/60,000 mile manufacturers warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance.

Toyota warranties offer equivalent cover to the manufacturers warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim). Our warranty range offers you choice and flexibility, based on the vehicles age and engine size. All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year. Warranty cover also includes Club Toyota membership including RAC Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover. For further information please contact your local Toyota Centre.

Toyota Accident Assistance

In the event of an emergency Toyota offers free of charge to Toyota owners a comprehensive management service which includes advice, assistance and practical help. Please contact your local Toyota Centre for further details.

Toyota Approved Used Cars

Toyota Approved Used Car Scheme. Please contact your local Toyota Centre for details.

The pulp used in this paper is chlorine free and comes from sustainable sources. Please refer to www.toyota.co.uk for further environmental information.

Peace of mind

Toyota's global reputation for quality and integrity means the Avensis can add peace of mind to its own highly individual range of attributes.

On the day you purchase your Avensis, your Toyota Centre will present you with a 'Avensis Passport'; a guide to living with your Avensis and making the most of its considerable range of features. Your Toyota Centre will explain the car to you, and always be there, should you require any assistance.

Health and Safety

Your Toyota Centre will also talk you through Avensis's very own 'Health and Safety' programme. It's very simple. Your Avensis will only need a full 'Health and Safety' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also required every year or 10,000 miles.

Warranty

We're so confident each and every Avensis is so well built that it comes with a three-year or 60,000 miles warranty against any mechanical failure*. In addition, the paintwork, no matter what you select, is guaranteed against defects and surface rust* for three years too. Finally, the body is guaranteed for 12 years against corrosion perforation*.

*occurring as the result of a manufacturing default

Using the navigation bar

A navigation bar is provided at the bottom of each page of this e-brochure to make browsing it easy. Please follow the simple instructions on the right to navigate through this e-brochure.

Takes the document back to the beginning.

This will take the document back to the previous page.

This will take the document back to the next page.

Takes the document to the Index page.

This will allow the Acrobat toolbar to be visible if pressed once and it will also make it disappear if already visible.

This will zoom in on the document so smaller text etc will be easier to read. To zoom in further, click the icon again. If the menu bar is not visible then use your mouse by clicking the left hand button and moving it.

This will zoom out of the document. To zoom out further, click the icon again. If the menu bar is not visible then use your mouse by clicking the left hand button and moving it

This will print out the full brochure to your printer. Please note that if you have a colour printer this document will print in full colour.

This will save the whole document to your computer.

To close this document press *esc* and then close the document normally.

Whilst every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible, (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability we ask that you contact your local Toyota Centre.
