

## The RAV4 XT-R

More than meets the eye

TOYOTA

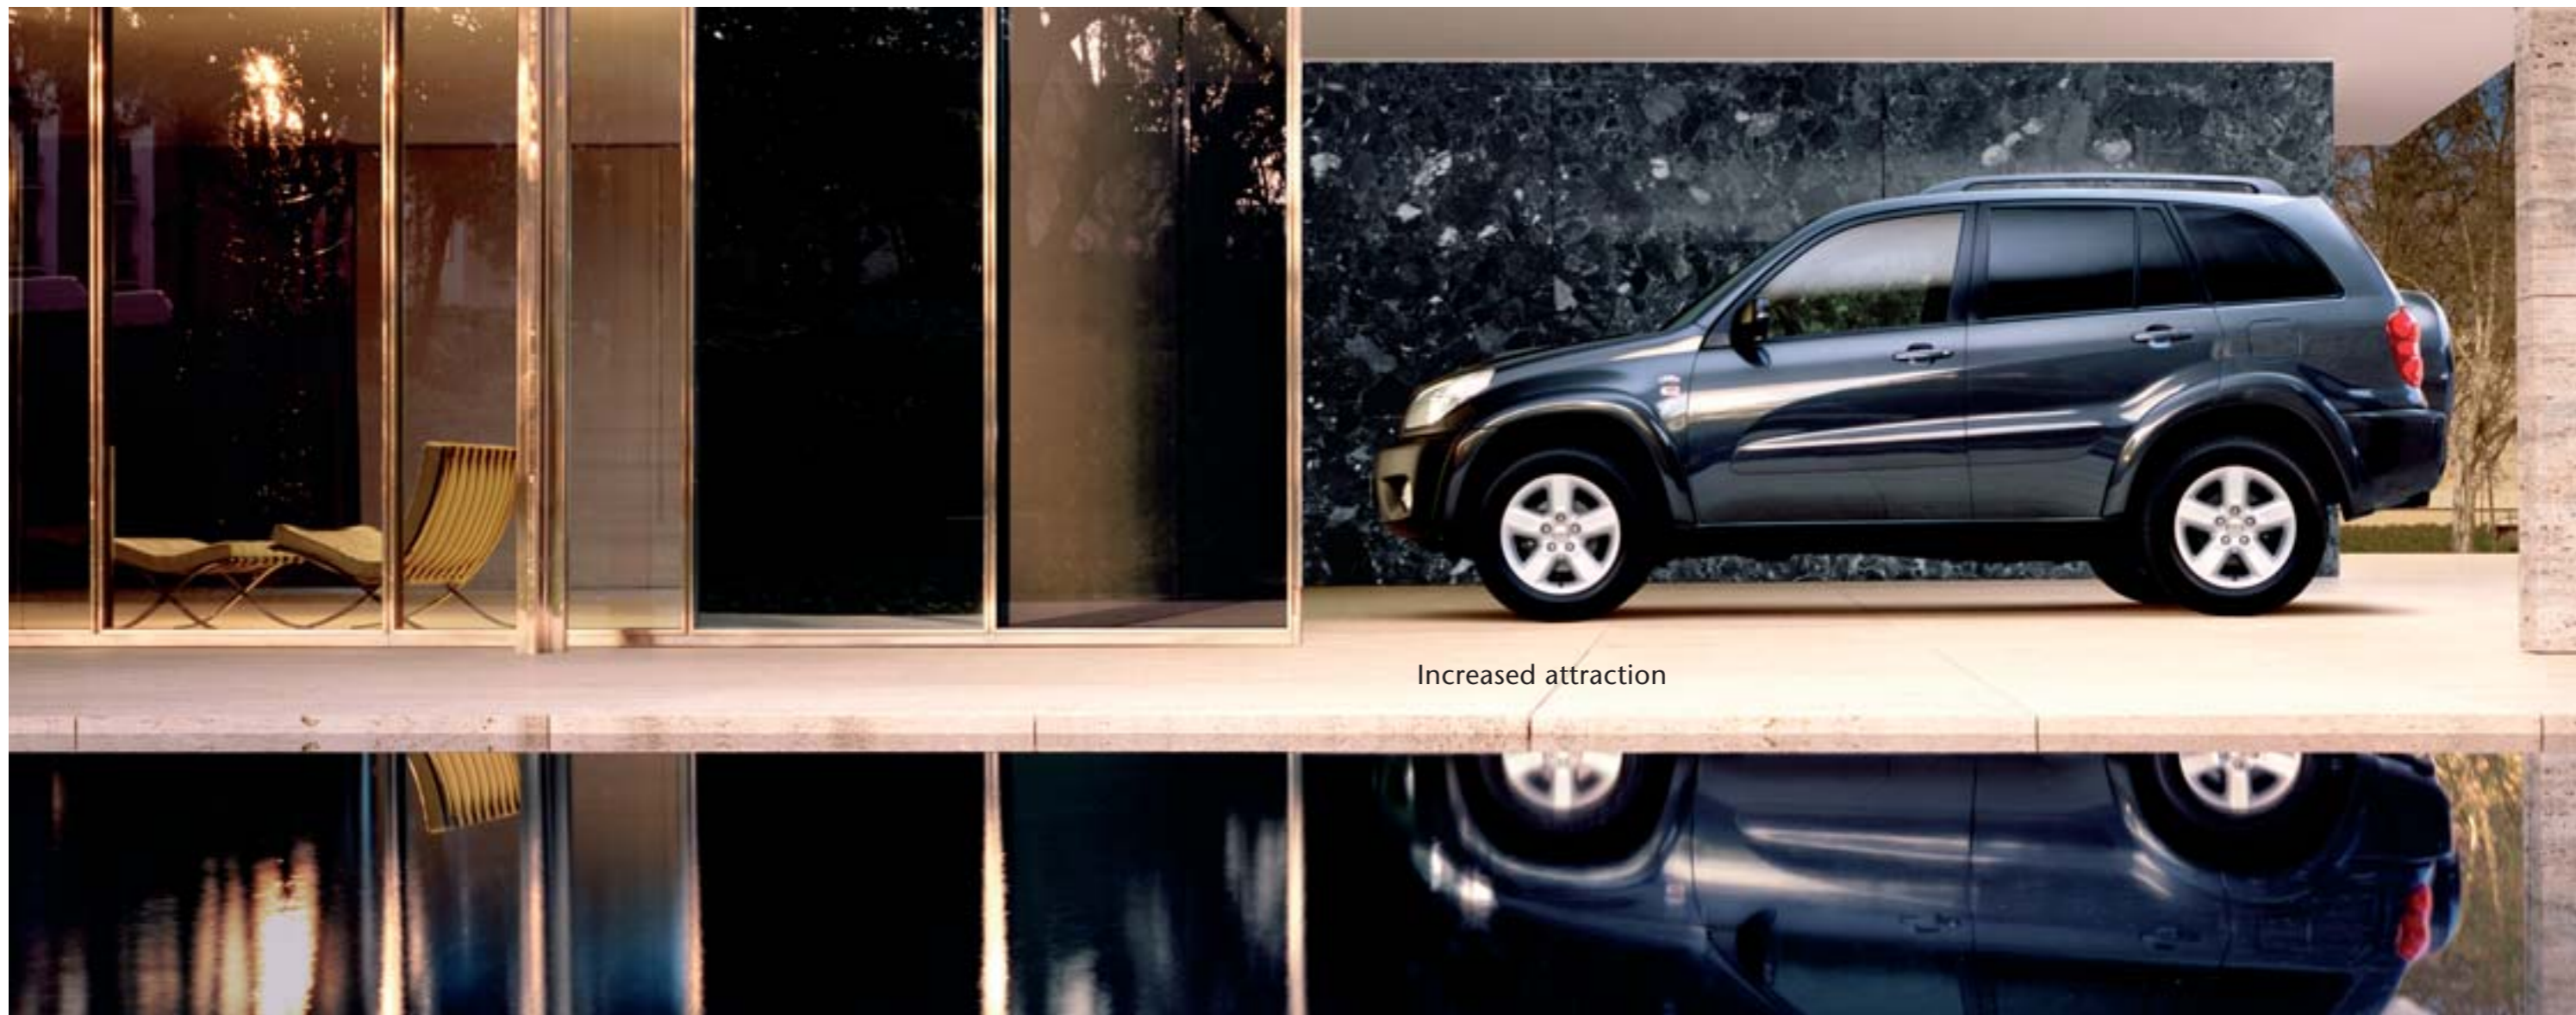

The Toyota RAV4 XT-R.  
Makes the city more exciting

**With its bold, distinctive styling, the RAV4 XT-R already merits closer examination. But, with the addition of a whole host of complementary features as standard, there's even more reason to take a second look.**

Particularly striking is the added exclusivity of privacy glass – attracting the right kind of attention, while offering protection from the wrong kind as well. The RAV4 XT-R. Worth setting your sights on.

Increased attraction

**It's only when you get to know the RAV4 XT-R that you'll fully appreciate how its good looks, elegance and attention to detail make it stand out from the crowd while fitting effortlessly into your life.**

The power to be you

**Available with advanced common rail diesel technology, the RAV4 XT-R's 2.0 litre D-4D engine delivers 250 Nm/1800–3000 rpm of torque, as well as 114 bhp of power, giving you altogether smoother, more responsive acceleration.**

There is also a sophisticated 2.0 litre VVT-i petrol engine that offers 192 Nm/4000 rpm of torque and 147 bhp of power for a liberating driving experience, no matter where you want to go, or what you want to do.

Truly exclusive.  
In look...

**There's plenty that catches your eye when taking in the RAV4 XT-R.** Not just the standard privacy glass, but also the stylish alloy wheels and bold, distinctive curves of the body that are enhanced by the body-coloured wheel arch extensions. All of which helps to ensure that RAV4 XT-R turns heads wherever you go.

Vehicle shown 2.0 litre VVT-i petrol engine.

High quality materials are used throughout – from stylishly upholstered seats to outstanding sound quality from the 4-speaker CD radio player.

The electrochromic rear-view mirror cuts glare by automatically dimming the headlight reflection from following cars.

Driving over longer distances is made easier with cruise control.

...and feel

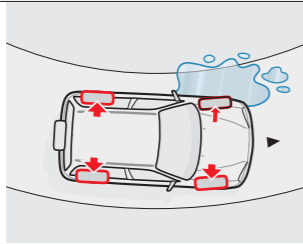

**Even more attractive are some complementary features that come with the RAV4 XT-R.**

A power sunroof, to brighten up your journeys. Cruise control, to make them less tiring. A 4-speaker radio CD player and climate-controlled air conditioning. There's even an electrochromic rear-view mirror to eliminate headlight glare from cars driving behind you.

## Safety

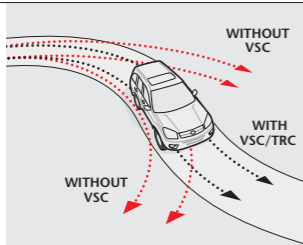

### ABS with EBD

These two systems, which are standard on RAV4 XT-R, combine to prevent the wheels from locking to enable you to steer safely around obstacles as you come to a stop.

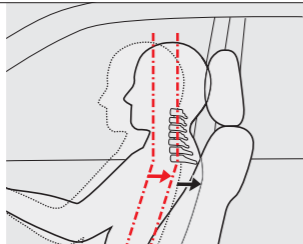

### VSC and TRC

These two electronically-controlled systems help to maintain grip, and so control, whatever the road surface or conditions.

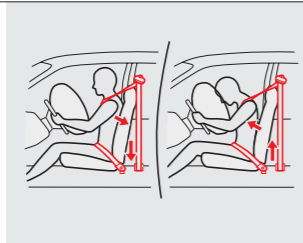

### Whiplash Injury Lessening

The WIL front seat design helps minimise the risk of neck whiplash injuries in low-speed, rear-end collisions.

### Seat belts

Front seat belts with pre-tensioners and force-limiters help reduce the likelihood of chest injuries in an accident.

### Safety cell

RAV4 XT-R's occupants are protected by an energy-absorbing body with front and rear crumple zones.

The Toyota RAV4 XT-R  
with simply more to offer

**It's difficult to decide what's most inviting about the RAV4 XT-R.**

Its striking looks. Its smooth and responsive performance. The enticing range of features that come as standard. Perhaps a combination of them all. One thing is certain. Whatever your personality, whatever your tastes, the new RAV4 XT-R is as vibrant and individual as you are.

### Using the navigation bar

A navigation bar is provided at the bottom of each page of this e-brochure to make browsing it easy. Please follow the simple instructions on the right to navigate through this e-brochure.

This will take the document back to the previous page.

This will take the document back to the next page.

This will allow the Acrobat toolbar to be visible if pressed once and it will also make it disappear if already visible.

This will zoom in on the document so smaller text etc will be easier to read. To zoom in further, click the icon again. If the menu bar is not visible then use your mouse by clicking the left hand button and moving it.

This will zoom out of the document. To zoom out further, click the icon again. If the menu bar is not visible then use your mouse by clicking the left hand button and moving it.

This will print out the full brochure to your printer. Please note that if you have a colour printer this document will print in full colour.

This will save the whole document to your computer.

To close this document press *esc* and then close the document normally.

Whilst every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible, (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability we ask that you contact your local Toyota Centre.
