**Choosing the right car depends on a variety of factors – lifestyle, motoring needs, budget and personality. We've taken all these and more in devising the comprehensive array of exciting cars that make up the Toyota range.**

At the heart of our philosophy is choice, not just in the different types of vehicle on offer but also within each model range. The result is Toyota can meet your exact needs and offer a car that's just right for you.

And because it's a Toyota, you know you can rely on its quality and reliability, not to mention its engineering excellence, safety features and durability.

For today and tomorrow, always choose Toyota.

For Toyota,  
quality is not just a promise;  
it's a way of life

Nothing is so good that it cannot be made better. That is why we strive for constant improvement in everything we do. It is not a motto. Or a mission statement we hang on the wall and forget about. It is simply the way we do things. We have a word for it: 'kaizen'. It means 'continuous improvement' and it is the key principle that guides us in our pursuit of total quality.

This commitment to quality results in real benefits – benefits that enhance the quality of your life. We know this because you tell us so by consistently voting Toyota highly in independent customer satisfaction surveys. This is also evident through the outstanding results Toyota achieves in the Euro NCAP safety tests. Most of all we know this because we make it our business to find out how to give you the best possible ownership experience, from when you first buy your car, right up to when you ultimately sell it.

What this means for you is that every time you get into the driving seat of a Toyota and start the engine, you will experience a feeling of complete confidence. Confidence that comes from knowing that the car you are driving is designed and engineered with the very highest standards of quality and reliability in mind. For Toyota, quality is not just a promise; it's a way of life.

*"From now on, I want everybody to put their efforts together and unite in finding a way to make superior vehicles."*

**Kiichiro Toyoda, Founder**  
Toyota Motor Corporation, May  
1939

#### Standard safety

Front driver and passenger airbags  
ABS with EBD  
Crash-resistant body structure  
Driver seat belt warning

#### AYGO features include

CD/radio audio unit  
2 front speakers  
Colour-keyed bumpers  
Power steering  
One piece folding rear seat

#### AYGO+

2 rear speakers and 2 front tweeters  
Colour keyed door handles and mirrors  
Electric front windows  
Optional remote control door locking  
Optional metallic paint

#### Sport

Front fog lamps  
Tachometer  
14" alloy wheels  
50:50 split folding rear seat  
ISOFIX child seat anchor points  
Optional air conditioning  
Optional metallic paint

### Light but powerful, responsive yet economical, AYGO is the perfect way to get around the city.

Even in the business of faster, louder city life, AYGO stands out from the crowd. Sporty, accentuated curves hint at its nimble and agile performance, while its sleek aerodynamic shape suggests modern urban architecture.

AYGO's responsive 1.0 litre engine makes it quick off the mark, while its compact size ensures narrow streets are no obstacle. As for parking, almost any space you like has your name on it – thanks to a tight turning circle and good all-round visibility.

It's also available in three enticing versions – AYGO, AYGO+ and Sport. And colour-wise, there's a choice of Ice Blue, Carbon Quartz or Chilli Red. When it comes to style, performance and comfort, the AYGO is simply streets ahead.

The new AYGO by Toyota. Do something memorable.

Manual Transmission.

# YARIS

## Standard Safety

- Driver's airbag
- Passenger & front side airbags (except T2)
- ABS with Electronic Brake force Distribution (EBD)
- High mounted rear stop lamp
- Twin side impact beams
- Front seat belts with electronic sensing, pre-tensioner & force-limiter
- Child seat fixings – ISOFIX

## T2 features include

- Tilt adjustable steering
- 3D digital multi information display (except T Sport)
- Transponder key engine immobiliser
- 60/40 split/fold sliding rear seats
- Power assisted steering

## T3

- Electric front windows
- 4 speaker CD player
- Remote central double locking

## T Spirit

- Manual air conditioning
- 14" 8-spoke alloy wheels
- Manual sunroof – with shade
- Leather & chrome trimmed gearshift knob
- Front fog lamps
- Steering-wheel mounted audio controls

## T Sport

- Rear disc brakes
- 15" 6-spoke alloy wheels
- Projected white analogue sports instruments Alarm
- Unique exterior and interior features

**The Yaris is one of those cars you can't help but fall in love with the moment you see it because it's so distinctively different. Its innovative styling immediately catches the eye while, inside, its class-leading spaciousness and outstanding interior trim give you a real surprise.**

The Yaris is truly exceptional in every sense – it's light but strong, powerful but economical, superbly equipped but sensibly priced.

This extraordinary compact car comes with a choice of four exciting versions – the lively and economical T2, the even better equipped T3 and the even more stylish T Spirit. And then there's the T Sport, offering outstanding performance, dynamic design and pure individuality.

With a wide choice of exciting colours to suit every personality, the Yaris gives you the chance to really stand out from the crowd and to enjoy your motoring. Choose from three lively petrol engines and an even more economical diesel power train, and enjoy all the comforts and superb specification of a quality small car.

Yaris – the compact car that makes a big impression.

- Transponder key engine immobiliser
- Central remote double locking
- Roof rails
- Power door mirrors
- ABS with Electronic Brake force Distribution (EBD)

## T Spirit

- Radio/CD player
- Air conditioning
- Leather trim steering wheel with audio controls
- Front fog lamps
- 14" alloy wheels

**The Yaris Verso represents a remarkable concept that draws on highly original thinking in design and clever advances in engineering. It combines the interior space philosophy of a Multi Purpose Vehicle (MPV) with the outstanding economy and drivability of a compact car.**

You simply won't find a more versatile vehicle. A unique underfloor fold-away seating system means you can quickly convert it from a lively five-seat family transporter to a two-seat high capacity load carrier.

The Yaris Verso's engine options produce remarkable power but also economical performance thanks to VVT-i and D-4D common-rail diesel technology. Excellent road holding and responsive performance give you the control and safety associated with much larger cars.

Experience the transformation of the car – with the Yaris Verso.

### 5-door compact MPV

 T Sport scuff plates  
 6-speed manual  
 16" alloy wheels with locking wheel nuts

**The sensational Corolla has been designed inside and out to make a powerful statement that not only engenders a feeling of pride in ownership, but all-round admiration as well.**

It's offered in four different body styles – and with a choice of petrol and diesel engines, specially engineered to deliver maximum performance together with excellent fuel economy and low emissions. From Corolla Estate practicality to T Sport exhilaration, the range offers a definitive lifestyle solution.

The Corolla also delivers outstanding comfort, both in terms of roominess, seating and quality interior. But, it's the level of standard equipment across the range that sets it apart – speed-sensitive power steering, ABS braking with EBD, front and side airbags, CD player and electric front windows.

Or add even more refinement by opting for leather upholstery, available as an option on T Spirit and T Sport models – plus Toyota's sophisticated satellite navigation and efficient air-conditioning systems.

With an exciting Corolla, you can be cool – in every sense of the word.

 Chrome trim

**The Verso is an exciting blend of style and versatility. A compact 7 seater MPV offering 30 different seating configurations, including comfortable accommodation for up to seven people.**

Offered in three grades, T2, T3 and T Spirit, Verso comes with a choice of three sophisticated engines – an efficient 2.0 litre D-4D diesel unit, an eager 1.6 litre VVT-i -petrol engine and a more powerful 1.8 litre petrol power train, which is also offered with the benefit of Multi-mode Manual Transmission for supreme driving flexibility.

Features include air-conditioning, Optitron instrumentation, remote entry and push-button start and, depending on grade, a rear-seat DVD In-Car Entertainment system, satellite navigation with Park Assist (a rear-mounted camera safety system) plus an innovative Cornering Assist Camera.

ABS braking with EBD is standard throughout the range, while T3 and T Spirit grades also come with Vehicle Stability Control, Traction Control and Brake Assist. With a full set of front, side and curtain airbags – plus a driver's knee airbag – Verso is built with safety in mind.

Verso has it all – style, space and the promise of sheer driving pleasure.

## Everything about Avensis speaks quality – its premium styling, outstanding build-quality, handling and comfort, plus its advanced technology for superior performance and safety.

Offered in three bodystyles – 4-door saloon, 5-door hatchback and a stylish 5-door tourer – it is powered by a choice of four engines, 1.8 litre, 2.0 litre and 2.4 litre VVT-i petrol engines and the turbocharged D-4D ultra efficient diesel power unit. All five maximise performance, but deliver excellent fuel economy and low emissions.

Standard features on all five grades include ABS braking with Electronic Brake force Distribution (EBD), an eight-speaker CD/radio/cassette audio system with steering-wheel integrated audio controls and Optitron instrumentation.

Every Avensis is fitted with nine airbags, including a driver's knee airbag (a class first), and most models include Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA). As a result, Avensis has been awarded the maximum 5 stars under the stringent Euro NCAP crash safety rating system.

Avensis – quality speaks for itself.

**The Avensis Verso is radical in concept and design, combining all the versatility of an MPV with the performance and handling of a quality saloon.**

Created to meet a diverse range of lifestyle needs, this exceptional seven-seater offers space, comfort and practicality, without compromising driver appeal. Its highly responsive 2.0 litre petrol and diesel engines each deliver a lively performance but keep fuel consumption and emissions to a minimum.

Flexibility and space are the hallmarks of the Avensis Verso. It has 17 different seat configurations and masses of storage areas. Offered in two versions (T3 and T Spirit), it comes with generous standard equipment, including power-steering, ABS braking with EBD, automatic air conditioning, all-electric windows and door mirrors, plus integrated radio/CD system.

For even more high-quality entertainment, you can opt for Toyota's exciting In-Car Entertainment system, which offers the very best in DVD quality vision and excellent stereo sound. It's even compatible with your home gaming system and video camera.

All in all, the Avensis Verso offers remarkable value for money.

**The Previa is the ideal answer for those who need a spacious, practical Multi-Purpose Vehicle (MPV) but one that also delivers on style and performance.**

Offered with a choice of two efficient engines – 2.4 litre VVT-i petrol and 2.0 litre D-4D diesel power unit – it delivers exceptional performance combined with low fuel consumption – up to 39.2 mpg on the combined cycle – and low emissions.

Superbly flexible with five-, six- or even seven-seat configurations, the Previa is outstandingly well equipped. Digital climate control air conditioning, front and side airbags, three-point seatbelts on all seats, ABS braking with Electronic Brake force Distribution and Brake Assist, six-speaker CD/radio system with steering-wheel-mounted audio controls and power-heated exterior mirrors are all standard.

The T Spirit model additionally offers, twin sunroofs, privacy glass, power-retractable exterior mirrors and Toyota's advanced satellite navigation system with Electronic Traffic Avoidance.

The Previa – arguably the most prestigious MPV.

 Bluetooth™ telephone interface

**Probably the most technically sophisticated car in the world, Prius employs the world's most advanced hybrid power-train to deliver competitive performance, truly outstanding fuel efficiency and ultra-low emissions. It's all achieved by a powerful 50 kW zero-emissions electric motor and an improved 1.5 litre VVT-i petrol engine, working intelligently in tandem. The result is acceleration to 62 mph in just 10.9 seconds, fuel economy of 65.7 mpg on the combined cycle and CO2 emissions of just 104g/km.**

Prius features the world's first by-wire braking system. The throttle and gear shift also employ by-wire technologies, which are more responsive, lighter and more compact than mechanical and hydraulic systems. The T3 entry model comes with electric power steering, ABS with Brake Assist and EBD, Electronic Traction Control and Vehicle Stability Control Plus, as well as climate controlled air conditioning, electric windows and a six-speaker audio system. The T4 adds cruise control, a six-disc CD autochanger and front fog lamps, while the T Spirit offers satellite navigation and Bluetooth compatible communications.

Prius – the most eco-friendly, high-performing, five-seat family hatchback in the world. Don't take our word for it – the Prius has been voted European Car of the Year 2005.

- Climate controlled air conditioning
- Vehicle Stability Control (VSC) and Traction Control (TRC)

## XT5

- Full map satellite navigation system
- Cruise control
- Heated front seats
- Electrochromic rear-view mirror
- Aluminium scuff plates

## Granite

- 17" alloy wheels
- Aluminium side bars
- Chrome rear light protectors
- 6-CD autochanger
- Carpet mats
- Aluminium scuff plates
- Air conditioning
- Remote alarm/immobiliser

### The exciting RAV4 is everything a 4x4 sports utility vehicle should be – stylish, sporty, practical but comfortable.

The entry model XT3 and Granite are offered with three or five doors, while the XT4 and prestigious XT5, come with five doors.

Choose between an efficient 2.0 litre VVT-i petrol engine or an advanced common-rail D-4D diesel power unit that is available on all models except Granite. Both produce a lively, responsive performance, yet deliver excellent fuel economy and low emissions.

Standard equipment includes air conditioning, power steering, ABS braking with EBD, electric windows and door mirrors, remote central double locking, 16" alloy wheels, and front, side and curtain airbags.

The XT4 adds Vehicle Stability Control, Traction Control, climate controlled air conditioning and the sheer luxury of full leather trim, whilst the range-topping XT5 boasts full map satellite navigation, cruise control and heated front seats.

On or off the road, in or out of town, the new-look RAV4 remains the definitive sports utility vehicle.

 TEMS – Toyota Electronic Modulated Suspension

**With a pedigree going back more than 50 years, the Toyota Land Cruiser is the benchmark Sports Utility Vehicle (SUV), leading its class in off-road performance, engine power, interior space, technology and safety.**

The Land Cruiser is offered in three- and five-door versions powered by either a 3.0 litre D-4D common rail turbo diesel engine that delivers outstanding torque and low fuel consumption, or a 4.0 litre VVT-i V6 petrol unit for powerful efficient engine performance.

All models are fitted with ABS braking with EBD and Brake Assist, while at the top of the range, Traction Control and Vehicle Stability Control are standard, as is Hill-start Assist Control – a world first – and class-leading Downhill Assist Control.

The comprehensive specification includes (depending on model): electric power seats and seat heaters, dual zone climate control, Optitron instrumentation, cruise control and satellite navigation system.

Wherever you explore, you can depend on the Land Cruiser.

 EMV – Electro-Multi Vision 7-inch screen touch sensitive LCD  
 7-speaker audio with CD autochanger  
 Fully integrated voice activated full map satellite navigation system with DVD  
 Rear-view monitor system  
 Bluetooth™ telephone interface  
 Front and rear climate control air conditioning

## Outstanding practicality, exceptional 'go-anywhere' power plus superb comfort make the Land Cruiser Amazon the world's supreme on- and off-roader.

The permanent four-wheel drive Amazon is offered with a choice of two engines. The powerful 4.7 litre V8 petrol engine is complemented by a 5-speed electronically controlled automatic transmission, while the 4.2 litre turbo-diesel is offered with both manual and 5-speed automatic transmission.

The petrol version is also the first vehicle in the world to be fitted with Variable Gear Ratio Steering (VGRS), giving the driver greatly enhanced steering feel and response.

Inside, luxurious leather upholstery is matched by other refinements, including climate control, front and rear air conditioning, electronically multi-adjustable front seats, a rear-view monitor system, full map DVD satellite navigation system with Bluetooth™ telephone interface, operated via the seven-inch multi-function display screen, while its impressive safety package includes eight airbags.

The Land Cruiser Amazon – taking the rough with the smooth.

## 280/300 GS features include

- Driver's armrest
- Height adjustable seat belt
- Tilt adjustable steering column
- Full bulkhead with window
- Mud flaps and load area floor protector
- Tachometer
- Choice of rear door configuration

## GS-Xtra (102 bhp only) features include

- Side tape and decals
- RDS stereo with CD player
- Power front windows
- Air conditioning

## The spacious, versatile Hiace is designed to meet a wide range of business needs.

Powered by an ultra efficient, direct-injection common rail diesel engine with a choice of power output, both of which deliver outstanding performance with low cost of ownership.

The Hiace is highly manoeuvrable, thanks to power-steering, all-round independent suspension and a turning radius of just 5.5 metres (SWB). And with a five-speed gearbox, ventilated front disc brakes and ABS on all models, it is ideally equipped for tough urban conditions.

Just as impressive is its load capacity. The Hiace Standard Wheelbase can accommodate up to six cubic metres of cargo, while the Long Wheelbase adds a useful extra cubic metre and increased payload. Both wheelbases are offered with a choice of swing-out rear doors or tailgate, plus a sliding side door on all models. A rear loading-height of less than 21 inches makes loading and unloading so easy.

With a high level of equipment and safety specification and low cost of ownership, the Hiace is a great business asset.

### Standard Wheelbase

- 280 1 rear door 88 bhp
- 280 GS 1 or 2 rear doors 88 bhp
- 280 GS 1 rear door 102 bhp
- 280 GS-Xtra 1 rear door 102 bhp

### Long Wheelbase

- 300 1 rear door 88 bhp
- 300 GS 1 or 2 rear doors 88 or 102 bhp
- 300 GS-Xtra 1 or 2 rear doors 102 bhp

**The Hilux is known throughout the world as a tough, reliable workhorse. In particular, it appeals to those who need a practical commercial vehicle but who also appreciate car-like qualities and refinements.**

The six-model range extends from the dependable Hilux 2WD pick-up and the 2WD Extra Cab with its added space for more passengers, to the highly practical four-wheel-drive versions, including the Hilux 4WD Double Cab.

All versions are powered by Toyota's 2.5 litre turbocharged direct-injection common-rail diesel engine. This efficient powerplant – producing 88 bhp (2WD) or 102 bhp (4WD)\* – delivers exceptional performance on and off the road, while keeping cost of ownership low.

With payloads up to 1085 kg and a towing capacity of 2250 kg, the Hilux can perform the toughest of tasks. But the range also boasts outstanding specification, including power steering, five-speed gearbox, air conditioning, twin airbags, electric front windows, ABS brakes, engine immobiliser and on the VX and Invincible grades an alarm system.

The Hilux – the supreme, multi-purpose 2WD and 4WD pick up.

\* Optional power upgrade to 128 bhp available on all 102 bhp engines.

# DYNA

### Standard safety

- ABS
- Driver's airbag
- Side impact beams
- Seat belt pre-tensioners

### Features include

- Power steering
- Toyota radio cassette
- Cab tilt security
- Engine immobiliser
- Remote control door locking
- Electric front windows
- Glovebox
- Tachometer
- In-line fuel heater
- Tilt cab
- Roof crown storage lockers
- Twin rear wheels on 350 models

### Body options standard

- Dropside
- Tipper

### Built to order options

- Box van or curtain side
- Car transporter
- Tipper cage
- Steel dropside

**The Toyota Dyna is a versatile chassis cab vehicle with an enviable record of success throughout the world. It is offered with a choice of three chassis, the 300 SWB or the larger 350 MWB and LWB models along with a variety of body configurations to suit need and budget – Dropside, Tipper plus built to order Box Van or Single Car transporter to name but a few.**

The turbocharged common-rail, direct-injection, 2.5 litre diesel engine develops 88 bhp on the 300 and is inter-cooled to provide 102 bhp on the 350, delivering not only excellent power and torque, but also low cost of ownership with 20,000 mile main service intervals.

With power-assisted steering, excellent visibility and a turning radius of just 4.5 metres, this practical workhorse is very manoeuvrable, light to drive and comfortable, too. There's room for three occupants, plenty of storage compartments and cup holders, plus a two-speaker stereo radio/cassette player.

For reassurance, all Dynas are fitted with central locking, immobiliser and cab tilt security as standard and its safety features include ABS, driver's airbag, strong cabin structure and side-impact beams.

## Make your Toyota even more distinctive

**Elegant styling and superb specification are just two of the hallmarks that characterise the Toyota marque. But whichever model you choose, you can personalise it – both to reflect your individuality and your lifestyle needs – with our comprehensive range of quality accessories.**

Why not choose a styling enhancement such as specially designed alloy wheels or opt for a practical feature like satellite navigation? If yours is an active lifestyle, then perhaps one of our special holders for bicycles, sailboards and extra luggage would be particularly useful.

For every Toyota model, there's a specially tailored range of accessories that has been created to harmonise perfectly with the car's design and to make your motoring that much more enjoyable.

And because the accessories are genuine Toyota products, you can be assured of their fit, colour and performance. Whether you choose for style, convenience or comfort, you can rely on Toyota's renowned quality.

So, why not see how you can make your Toyota as individual as you are – and check out the full range of accessories at your local Toyota retailer?

*The Land Cruiser – above – is fitted with tow bar, boot liner, cool/hot box and cross bars with sailboard and mast holder.*

*The Avensis is fitted with Pallas 16" alloy wheels, front and rear mud flaps, fixed tow bar and roof rack.*

*Grand Prix 17" alloy wheels*

*Rear bicycle holder*

*Toyota Hands free telephone kit*

## Club Toyota

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK – Club Toyota. As well as giving you one year's free RAC Roadside Assistance in the UK and Europe, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers you family membership and the opportunity to participate in a variety of special offers and promotions. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: if. To find out more about Club Toyota call 0845 275 5555.

## Toyota Drive Plans

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- Easy Start is an exciting new low deposit plan.
- Easy Care offers the complete reassurance of prepaid servicing.
- Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment.
- Business Drive is a fully maintained contract hire package most suited to small business customers.

Whatever your personal preference, your Toyota Centre can tailor a Drive Plan to suit your needs perfectly – driving a new car has never been so easy.

Written quotations available on request. All agreements subject to status. Indemnities may be required.

## Toyota Insurance

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

## Toyota Fleet

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Centre or the Toyota Fleet Business Centre on 0845 271 2712.

## Toyota Warranties

Every new Toyota comes with a three-year/60,000 mile manufacturer's warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance.

Toyota warranties offer equivalent cover to the manufacturer's warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim).

Our warranty range offers you choice and flexibility, based on the vehicles age and engine size.

All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year.

Warranty cover also includes Club Toyota membership including RAC Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover.

For further information please contact your local Toyota Centre.

## Toyota Accident Assistance

### Using the navigation bar

A navigation bar is provided at the bottom of each page of this e-brochure to make browsing it easy. Please follow the simple instructions on the right to navigate through this e-brochure.

Takes the document back to the beginning.

This will take the document back to the previous page.

This will take the document back to the next page.

Takes the document to the Index page.

This will allow the Acrobat toolbar to be visible if pressed once and it will also make it disappear if already visible.

This will zoom in on the document so smaller text etc will be easier to read. To zoom in further, click the icon again. If the menu bar is not visible then use your mouse by clicking the left hand button and moving it.

This will zoom out of the document. To zoom out further, click the icon again. If the menu bar is not visible then use your mouse by clicking the left hand button and moving it.

This will print out the full brochure to your printer. Please note that if you have a colour printer this document will print in full colour.

This will save the whole document to your computer.

To close this document press *esc* and then close the document normally.

Whilst every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible, (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability we ask that you contact your local Toyota Centre.
