The BMW 6 Series 630i Coupé

BMW UK

Introduction

BMW 6 Series Coupé

The BMW 6 Series Coupé can trace its origins back to a motoring milestone - the BMW 327 Coupé launched in 1937. Classic Gran Turismo design qualities have been carried through from the original 327 including extended bonnet, elegant arc of the roof and dramatic contours. The new BMW 6 Series, a dream come true.

Accessories - Introduction

The 6 Series takes classic styling cues from the iconic BMW Coupes of the past such as the 327 and moves them fast forward into the future. The 6 Series powertrain, suspension and brakes deliver continent-crossing pace with deep reserves of power. You will find the finishing touches to meet your needs among the wide range of BMW Accessories.

Accessories - Exterior styling

Star spoke 92

Single front rim 9x19", single rear rim 10x19".

Radial spoke 118

8x18" single rim, only available with runflat tyres.

Double spoke 120

8x18" single front rim, 9x18" single rear rim, only available with runflat tyres.

"RUD-matic Disc" snow chains

Provided ready to assemble. Quickly and easily attached.

Accessories - Interior styling

Front seat heating

The seat surface and seat back begin warming up a short way into the journey. Three control stages allow variable heating.

Sports seats

The height, angle and thigh support can be adjusted to suit drivers/front passengers of any height, while distinctive side sections keep you in your seat when cornering.

Leather-covered gear lever knob with dark variegated birch decorative strip

Highly polished, with six-speed gear shift pattern.

Dark variegated birch wood handbrake grip

Highly polished.

Velour floor mats

Dirt repellent and water resistant.

Fine wood interior trim strips in dark variegated birch

Highly polished fine wood trim adds an extra touch of elegance to the interior of the 6 Series.

Leather-covered selector lever grip with dark variegated birch decorative strip

Highly polished.

Accessories - Mobile communications

Universal hands-free kit with Bluetooth interface

Integrated into the centre console, with eject box. Phone-specific snap-in adapters, which enable the mobile phones of various manufacturers to be used, are available for this hands-free kit. For more information on phone compatibility please contact your local BMW Dealer.

TV function for on-board monitor

Enables you to watch analogue TV programmes. Can only be activated when the vehicle is stationary. Only in conjunction with BMW Navigation system - Professional.

CD changer

Fitted in the glove box to save space. Holds up to six CDs.

Accessories - Versatility

Luggage compartment tensioning straps

Two tear-resistant nylon tensioning straps secure items in the luggage compartment easily, quickly and safely.

Anti-slip mat

Prevents objects from sliding around.

Ski bag

For easy stowage through the opening in the rear seat bench. Accessed via the luggage compartment. When the skibag is not required, it can be stowed and concealed behind the centre armrest in the rear compartment to save space.

Coat hanger

Attaches easily and securely to the head restraint.

Protective rear cover

Separable cover that is made from high-quality textile fibres and attached by fitting over the front and rear headrests. Waterproof, dirt-repellent and washable.

Luggage compartment floor net

Secures objects of varying sizes quickly and safely. Secured to existing eyelets.

Multifix system

Special brackets with non-slip finish.

Drinks holder

Available for the centre console for rear passengers.

Belt holder

Facilitates easy access to the belt from any seat height and position.

Coolbag

CFC-free, electric cooler which cools its contents to approx 20 degrees centigrade below the temperature inside the car. Capacity: 12l.

Accessories - Safety and security

Adaptive directional headlights

These headlights illuminate bends to optimum effect through electromechanical control of the moving headlights as soon as the driver turns into the bends in question.

Front camera

Cross-traffic is displayed on the on-board monitor via a camera and a special prism glass at an angle of 90 degrees. The camera is located in the centre of the car below the bumper.

Reversing camera

Ensures maximum safety when reversing. As soon as reverse gear is selected the area behind the car is filmed with a wide angle (131 degrees) camera in the boot lid. The image is then shown on the on-board monitor.

Rear-view mirrors

Automatic anti-dazzle when light from vehicles travelling behind hits the mirrors. They are available with a digital compass which indicates the direction in a 45 degree scale or with a universal remote control which activates most garage doors.

Accessories - Safety and security

Torch with rechargeable battery

With magnifying glass. This small torch can be connected to the cigarette lighter and recharged.

Outdoor car cover

The breathable, washable car cover is easy to handle. Heat-reflective, completely impermeable to water. Silver-coloured, dirt-repellent surface. With BMW logo.

Powder-type fire extinguisher

Located under the driver's seat for easy access.
