Introduction

BMW X3

Speed, flexibility, aesthetics, power and appeal - today's drivers expect a lot from their cars. Spontaneity is especially important: we all want to be able to put our plans into action quickly. The BMW X3 is the ideal vehicle for people who enjoy their freedom. It is the first Sports Activity Vehicle with the intelligent xDrive all-wheel-drive system and a flexible interior, hallmarks of BMW's superior engineering skills and eye for stylish, practical design.

Accessories - Exterior styling

Full Aerodynamic package

Emphasises the strikingly sporty persona of the BMW X3. The front and rear aprons, side skirts and flared wheel arches accentuate the dynamic contours.

Underride protection

To protect the engine area, underbody and radiator against damage. Reduces ground clearance by 20mm.

Sports rear silencer

With mirror-finish tailpipes, in stainless steel.

Running boards

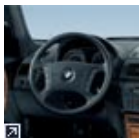

Broadened step surface made of brushed and anodised aluminium. For vehicles without aerodynamic kit.

Exhaust tailpipe trim chrome

Thanks to their sporty appearance, these exhaust pipe covers heighten the powerful sound of the X3.

Accessories - Interior styling

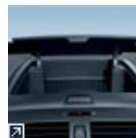

Multifunction steering wheel

Controls functions such as the stereo and cruise control.

Velour floor mats

Dirt-repellent and water-resistant.

Oddments tray

Useful storage option for small items

Accessories - Mobile communications

Navigation Professional (DVD)

With 16:9 on-board monitor. Uses GPS to direct you swiftly and accurately to your destination. The split screen function allows you to display the route map - in different scales - and direction arrows simultaneously. Guidance by voice instruction is possible at all times. The dynamic route guidance system suggests an alternative route when the radio receives information on traffic congestion via TMC.

Universal Bluetooth hands free kit

Enables the wireless connection, via snap-in adapter, of Bluetooth enabled mobile phones to the hands free kit. Includes integrated voice control. Snap-in adapters sold separately.

Roof mounted DVD Entertainment System

Allows you to play DVDs as well as audio CDs, also in MP3 format. A games console or video camera can also be easily connected via external sockets. The console is securely integrated into the roof lining on a level with the driver's and front passenger's seats. The 7" LCD monitor is non-reflective and delivers a high-quality picture. Comes with infrared remote control and two cordless headphone sets as standard.

TV Function for the on-board monitor

Enables you to watch analogue TV programmes. Can only be activated when the car is stationary. Only available in conjunction with on-board monitor.

BMW 6 CD changer

Integrated in the armrest. For six CDs.

Rear Seat DVD Entertainment System

Allows you to play DVDs as well as audio CDs, also in MP3 format. A games console or video camera can also be easily connected via external sockets. Two foldable screens are integrated into the backrests of the front seats. The system is controlled via infrared remote control. The 7inch LCD monitor is non-reflective from every angle and delivers a brilliant picture. Includes a 6 disc CD/DVD changer (which is mounted in the boot of the vehicle). Comes with infrared remote control and two cordless stereo headphone sets as standard.

Accessories - Versatility

Basic roof rack system

The support bars are made of high-strength aluminium tubing and are fastened to the roof railing. The BMW base support system is equipped with an anti-theft feature and complies with the most stringent safety requirements.

Interior bicycle holder

Two bicycles can be fastened to the lashing rails in the luggage compartment with a special attachment kit and can be safely transported, thereby eliminating the risk of theft.

Surfboard carrier

With board supports made of impact-resistant plastic and integrated mast carrier, belt eyelets and tensioning straps.

Boot lid bicycle rack

Can carry a maximum of three bicycles.

Snowboard holder

For up to two snowboards.

Touring cycle holder, lockable

Sturdy attachment for transporting a bicycle with frame tube diameter of up to 80mm. Also suitable for mountain bikes. Single locking set for fitting up to four touring cycle holders on the base support system.

Accessories - Versatility

Luggage compartment dividing net

Unrolls. Protects passengers from loose items of luggage when the car brakes. With integrated roll cover. Retrofitting roof holder and metal grid.

Boot floor net

Secures objects of varying sizes quickly and safely. Secured to existing eyelets.

Fitted boot mat

Non-slip, precision-fit mat made of durable plastic. Resistant to oil and solvents. Height approximately 30mm.

Skibag

Simple storage of skis through the opening in the rear bench seat. Accessed via the luggage compartment. When the skibag is not required, it can be stowed to save space.

Luggage compartment tensioning straps

Two tear-resistant nylon straps secure items in the luggage compartment easily, quickly and safely.

Luggage compartment tray

Shatter-proof, acid-proof and impact-resistant. The tray seamlessly lines the luggage compartment. Height approximately 350mm.

Anti slip mat

Prevents objects from sliding around. Dimensions: 1200x1000mm.

Protective rear cover

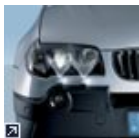

Separable cover that is made from high-quality textile fibres and attached by fitting over the front and rear headrests. Waterproof, dirt-repellent and washable.

Accessories - Safety and security

Fog lights kit

Throw a wider beam onto the road and also reduce back glare.

Headlight washer system

Ensures the best possible illumination of the road at all times.

Rear view mirrors, automatic anti-dazzle

Available with a digital compass, which indicates the direction in a 45 degree scale or with a universal remote control, which activates the garage door opener, alarm or door locking systems.

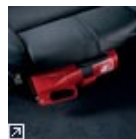

Park Distance Control (PDC) front and rear

Makes parking and manoeuvring the car easier. Obstacles closer than a distance of approximately 1.5m are detected and signalled by an acoustic warning.

Outdoor car cover

The breathable, washable car cover is easy to handle. Heat-reflective, completely impermeable to water. Silver-coloured, dirt-repellent surface. With BMW logo.

Powder-type fire extinguisher

Located under the driver's seat for easy access.
