

# THE NEW JEEP GRAND CHEROKEE ACCESSORIES

**Jeep**<sup>®</sup>

THERE'S ONLY ONE

# THE FINISHING TOUCHES

Your Jeep Grand Cherokee is already so beautifully appointed you might wonder how it could be improved. That's where our stunning range of accessories comes to the fore. You'll find that they allow you to enhance your Grand Cherokee perfectly for your lifestyle.

Our accessories have been created especially for the Grand Cherokee and are made to Jeep's exacting standards. We don't think you will find better Jeep accessories anywhere.

There are numerous accessories for travelling, like satellite navigation or roof top cargo boxes. Then there is our range of styling details; illuminated running boards, a chrome grille or perhaps a full body kit. And then, there are simply those useful additions you will wonder how you ever survived without.

So whether it's making your Grand Cherokee even more distinctive to look at, adding an extra touch of practicality, or simply enjoying a shameless luxury inside, there's bound to be something for you, whatever your adventure.

# THE BODY BEAUTIFUL

Grand Cherokee is style personified on the road, but you can make it even more distinctive.

Our exclusive options allow you to create a Grand Cherokee to your unique tastes. From a splash of chrome to a complete body kit, be as daring or discreet as you and your lifestyle allow.

And whichever exterior accessories you choose, rest assured that all are designed specifically with your Jeep in mind, so they all look tailor made for your Grand Cherokee no matter where you go.

Just in case the front of your Grand Cherokee isn't quite stylish enough already, add a touch of brilliance with this high-gloss, reflective **chrome grille** (82209206).

This stylish, specially designed **body kit** incorporates a front air dam, side sills and wheel arch accents. It comes coloured in **silver** (82208333), **dark khaki** (82208331) **black** (82208330) or **primed** (82208334) ready for finishing to match your Grand Cherokee's colour. Not compatible with front splash guards.

Full-frontal is the only way to describe this **STARTECH by BRABUS front spoiler** (K SWH 0110 002). For an even more masculine look to your Grand Cherokee.

Round off your Grand Cherokee with this full-bodied **STARTECH by BRABUS rear valance** (K SWH 0110 004). Designed for aerodynamic performance as well as aesthetic pleasure. And give your Grand Cherokee a voice-over with the **STARTECH by BRABUS full sports exhaust system** (K SWH 0110 006). This stainless steel exhaust with twin oval tail pipes offers improved performance as well as an unmistakable growl.

Step into the light with a pair of **STARTECH by BRABUS illuminated side-sills** (K SWH 0110 003). For a safer as well as a show-business exit.

For the ultimate in low-rider look, these **STARTECH by BRABUS 20" Monostar IV alloy wheels** (K SWH 0110 001) are the absolute business.

If it's 'bling' you're after then these **17" Orbitek chrome wheels** (82209112) are for you, with a bright chrome finish on the standard design.

**17" Solarus chrome alloy wheels** (82205898) are ideal for those who like high profile wheels inside their low-profile tyres.

# THE GREAT OUTDOORS

Jeep's off-road heritage is legendary, and rightly deserved: few vehicles perform as well in the wilds as a modern Jeep, especially the luxurious Grand Cherokee.

But even the best can be improved a little, which is why we've developed a bespoke range of accessories for those who regularly ask their Grand Cherokee to prove its mettle in the rough.

Whether it be towing, touring or a full-on adventure, Jeep accessories fulfil the needs of the most demanding of customers and environments.

**Moulded splash guards** offer valuable lower body protection, while also enhancing the visual appeal of your Grand Cherokee. Made of plastic and rubber composite, they're rigid yet forgive knocks and can also be painted. They also feature the Jeep logo. Available for **front** (82209093) and **rear** (82209094). Front guards not compatible with running boards or body kit.

Whether you want to protect your rear lights from damage in the wilds, or just enhance the stylish, rugged look of your Grand Cherokee in town, these **tail lamp guards** are the perfect accessories. They come in sturdy-looking **black** (82209165) or **polished chrome** (82209166).

Not only does this **rear spoiler** look fantastic, it also helps to keep your rear window freer from road grime and spray. Available in **silver** (82209198) and **black** (82209200), or **primed** (82209202) ready for painting in the colour of your car.

**Skid plates** add extra protection when travelling over the most rugged off-road terrain. Made from heavy gauge steel, they're available to protect the **front suspension** (82208713), **transfer case** (82208712) and **fuel tank** (82208714).

High strength steel **running boards** (82208236) allow effortless entry to your Grand Cherokee and are finished in a black non-slip rubber coating. They fit securely to the sub-structure of your Grand Cherokee. Not compatible with moulded front splash guards.

Make the most of your Jeep Grand Cherokee's excellent towing capability with this **detachable tow bar** (82208220), which is easily removed when it's not needed. **Fixed tow bar** (82208245) also available.

# STORAGE INSIDE

At Jeep, we know that Grand Cherokee owners use their vehicles like they live their lives: to the full. And if that means you need to take everything and the kitchen sink, then so be it.

We've made the Grand Cherokee capable of carrying the burden, while making life as easy as possible for you. It's all very well having space to stack things, but it's so much more convenient when everything has a place, and our range of flexible interior storage accessories offers exactly that.

Is there a place for everything and everything in its place? There certainly will be with the **adjustable cargo tray** (82209062), which has a collapsible organiser. Finished in black, with Jeep logo.

This **moulded cargo tray** is made from flexible rubber and is skid-resistant to stop loads from moving around. It protects the boot floor against dirt, mud and grime and is specially moulded to fit the Grand Cherokee's load-bay. Available in **medium slate grey** (82209052) and **khaki** (82209051).

This **removable cargo area mat** is made from premium carpet and is available in colours to match the interior. It has a surged-edge binding and comes finished with a Jeep logo. Available in **medium slate grey** (82209065) and **khaki** (82209064).

The fabric **cargo security cover** hides your valuables out of sight and well away from temptation. Retractable, it's available in **medium slate grey** (82209393) or **khaki** (82209392).

The **roof top cargo basket** (82209365) is great for hauling bulky or oversized items. Cargo can easily be placed in the basket and secured with optional **cargo basket web netting** (82209422). Includes air deflector incorporating Jeep logo. Requires **multi-purpose cross bars** (82208139AB). These are made from black brushed aluminium for weight-saving and are wind-tunnel tested to reduce wind-noise at speed. They slide and lock to any position on the side rails. They are required for all Jeep roof carrier systems and must be purchased separately.

# STORAGE OUTSIDE

Living an active outdoors life also means you will need serious outdoor storage. The New Jeep Grand Cherokee will not disappoint in this department. Whatever your recreation, whatever the conditions, we think we have the solution to match.

Whether it's skiing, cycling, abseiling or windsurfing, Grand Cherokee is as fit for task as you are. So along with ample storage inside, you'll find everything you need for your outdoor pursuit, however trivial.

Make the most of your luggage space with our sturdy **440 litre** (82207353) or **480 litre** (82207341) capacity, lockable thermoplastic **roof box**. The sleek, aerodynamic design limits wind resistance. Comes in black. Requires **multi-purpose cross bars** (82208139AB) which must be purchased separately.

Our **water-sports carrier** (82205416) carries kayaks, sailboards or surfboards and attaches easily to multi-purpose cross bars. Made to take flat or curved hulls. Comes complete with latching, push-button nylon strap and attachment tool. Requires **multi-purpose cross bars** (82208139AB) which must be purchased separately. Mast holder available separately (see price list).

**Tow bar mounted bike carrier** (82205419) carries up to two bikes. It is lockable, durable and mounted on the tow bar.

**Bike carrier – fork mount** (82207943) carries one bike secured by the front forks and rear wheel. The perfect car and accessory for all-terrain mountain biking. **Bike carrier – frame mount** (82207942) carries one bike, locked by the frame with both wheels secured. Ideal for all those cycling holidays. Requires **multi-purpose cross bars** (82208139AB) which must be purchased separately.

Constructed from stainless steel, anodised aluminium and moulded corrosion-resistant plastic, this carrier is designed for the rigours of the slopes. **Ski carrier/snowboard mount** comes in two sizes. **The single** (82207312) carries 2 snowboards or 3 pairs of skis. **The double** (82207308) holds 4 snowboards or 6 pairs of skis. Requires **multi-purpose cross bars** (82208139AB) which must be purchased separately.

# THE GREAT INDOORS

Just because you and your Grand Cherokee like spending time in the wilds doesn't mean that you should compromise on comfort while you're there.

And even though luxury comes as standard on the Grand Cherokee, our exclusive range of accessories let you indulge even further, while retaining your car's go-anywhere ruggedness.

Take our full-screen Sat Nav, Radio and CD-changer. The navigational maps are DVD-based for maximum quality and the system can continue to play your favourite CDs while you are using the Sat Nav.

So, what better than satellite navigation to pick your way through the wild outdoors and Park Pilot to pull up safely on arrival!

Connecting you to an operator at the touch of a button, the **Smartnav navigation system** (CJ001) gets detailed directions sent to your car in seconds. Verbal guidance then directs you right to the door.

This is a **full-screen satellite navigation system and entertainment system** (82208905AB), featuring DVD-based navigation maps linked to GPS, Radio and 6-CD Changer. It can provide clear audio and visual navigation instructions, while still playing your favourite CDs. It can play MP3 tracks from CD and the satellite navigation has detailed maps of UK and European roads on a single disc.

The **Park Pilot** (82209267AC) uses ultrasonic technology to sense objects that are within 1.5 metres of the rear of the car, and gives audible and visual warnings to aid parking. Can be used with a towbar.

Made from tough, brushed stainless steel, these **scuff plates** protect the sills from scratches. Available for **front** (82209068AB) featuring the Grand Cherokee logo and **rear** (82209307AB).

**Premium floor mats** come in a set of 4 and are made from thick, 24-ounce carpet, coloured to match your Grand Cherokee's interior. They're rubber backed to avoid slipping and are custom contoured for a perfect fit. Available in **medium slate grey** (82209462) and **khaki** (82209463).

**Slush floor mats** are moulded in a colour to match your Grand Cherokee's interior, and feature deep ribs to trap water, mud or snow and protect your Jeep's carpets. Especially effective in wintry conditions. Available in **medium slate grey** (82209464) or **khaki** (82209465).

# BIG JOURNEY ESSENTIALS

We won't be surprised if you want to spend as much time as possible in your new Jeep Grand Cherokee. That's why we've developed some essential equipment especially for the longer journey.

A fire extinguisher is a pre-requisite for most European countries. A safe child-seat essential for precious cargo. And a tow-rope ideal for the good Samaritan in you.

So, pack up and prepare for the adventure in the biggest adventurer of them all - your New Grand Cherokee.

Secure your luggage with this pair of tough, multi-adjustable **roof rack straps** (KJ0000004). Pack contains two straps.

**High-visibility jacket** (KJ0000009), essential for when working by the side of the road. Carrying one in a vehicle is now a legal requirement in some EU countries.

Equipped for dealing with most minor injuries, this **first aid kit** (KJ0000016) comes in a Jeep-branded bag.

Keep an eye on the legality and inflation pressure of your Jeep's tyres with this handy **depth gauge and pressure gauge** (KJ0000015) ideally sized for the glove box.

All-terrain often means helping someone who isn't. Pull or be pulled with this **tow rope** (KJ0000010), which has a safety hook at each end and an integral stowage bag that doubles as a warning flag while towing.

The **Jeep travel system** (KJ0000011) is just plain useful. It contains heavy-duty gloves, GB sticker, a paper overall, hand wipes, sick bags, rubbish bags, shoe covers, zip ties, tape and a ground sheet.

Keep your most precious cargo of all safe and secure with this **Britax Duo ISOFIX child seat** (K01080220), suitable for children aged 9 months to 4 years (9-18kg). Note, not to be used in a passenger seat with an active airbag.

Jeep-branded **fire extinguisher** (KJ0000013), 1 kg BC powder filled, meets BSEN3 specifications. Polished alloy finish. A fire-extinguisher is now a legal requirement in most EU countries.
