COLLECTION

Genuine Mercedes-Benz accessories for your CL-Class Coupé

Few vehicles are more deserving of the title “dream car” than the Coupés. Their elegant, flowing contours, dynamic presence and exclusive comfort have always set them apart from other cars.

The CL-Class Coupé from Mercedes-Benz brings the dream to life in spectacular style – as stunningly attractive as it is powerful, yet so comfortable that your passengers will be able to dream on undisturbed during your journey.

With genuine accessories from Mercedes-Benz you can now shape your dream to suit your own style:

- ▶ Our **incenio** designer wheels, such as the **18" Armida 9-spoke wheel** pictured left, add an individual touch to your CL-Class Coupé. More aluminium dreams can be found overleaf.
- ▶ Our **navigation DVDs** are designed to help you coast your way effortlessly along Europe's roads. You'll find more accessories for the interior of your Coupé from page 8.
- ▶ And if you want to add a touch of exclusivity and style to your dreams, take a look at the choice of stunning designs offered by the **Mercedes-Benz Collection** from page 14.

Wake up to a whole range of exciting options.

And start dreaming.

Europe navigation DVD for COMAND APS
The whole of Europe on one DVD

The data for the Mercedes-Benz navigation systems is regularly updated. Please ask your Mercedes-Benz partner for the latest updates

Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the system's intelligent mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. There are no compromises when it comes to convenience-enhancing technology either: the telephone can be operated via the multifunction steering wheel, and the telephone status and call information are displayed in the central multifunction display - as you would expect

Siemens S65, SP65, SK65, CX65, CXT65, CX65V, CX70, CXT70, CX70V, CX75, M75

Nokia 6100, 6210, 6220, 6230, 6230i, 6310, 6310i, 6610, 6610i, 7250i, 6020, 6021, 6820, 6822, 3120

Sony Ericsson T610, T630, K700i, W800

¹ SAP (SIM Access Profile) allows the module to read your mobile phone's SIM card

For further information about using the phone while in your car, see our Telematics brochure. Ask your Mercedes-Benz partner for a copy

To use a mobile-phone holder, your car must be factory-fitted with one of the two following optional extras:

- ▶ Code 386: Pre-installation for mobile phone with universal interface (MTUS)
- ▶ Code 388: Mobile phone with universal interface (MTUS)

Holders are available for many popular Nokia, Sony Ericsson and Siemens mobile phones (see list below). The range of mobile-phone holders is constantly being extended. Please contact your Mercedes-Benz partner for details

[A]

[B]

Mercedes-Benz Bluetooth® (SAP¹) telephone module

Provides a wireless connection between your mobile phone and your Mercedes-Benz hands-free system. It couldn't be more convenient – simply leave your mobile in your jacket pocket. Two versions of the module are available: a handset version [A] which offers Privacy mode, bypassing the on-board loudspeakers, or a closed box version [B] | compatible with Bluetooth® mobile phones |

Mercedes-Benz iPod® Interface Kit*

It's never been easier to take your favourite music with you when you're on the move. The Mercedes-Benz Interface Kit provides an elegant and functional way to integrate your iPod into your CL-Class's audio system. The iPod is connected to the system inside the glove compartment, where it is hidden from prying eyes. While you're on the move, you can scroll through the playlists, select songs and adjust the playback volume using the buttons on the multifunction steering wheel. Your iPod's battery is also recharged. The current status of your iPod appears in the central driver's display, helping you to keep your attention focused on the traffic.

It's easy to control your iPod via the multifunction steering wheel:

- ▶ Adjust the volume, playback
- ▶ Select the iPod menu and scroll through the options
- ▶ Display current artist/title

iPod (from 3rd generation), iPod video, iPod photo, iPod U2

iPod mini

iPod nano

* The iPod Interface Kit and the iPod holder are compatible with the following models:

iPod (from 3rd generation), iPod video, iPod photo, iPod U2, iPod mini, iPod nano

iPod holder*

Black plastic holder for the glove compartment. Holds your iPod in place. Soft, flock surface protects the player from scratches and prevents it sliding around

Mercedes-Benz offers a broad range of retention systems for children of all ages. Please ask your Mercedes-Benz partner for a copy of our child safety brochure

Rectifier

Allows the Mercedes-Benz coolbox and the coolbag to be connected to 220V socket at home

Cup holder

black | Holds drinks firmly in place, within easy reach | not pictured |

Stainless steel door sill panels

High-quality, two-piece door sill panels made from brushed stainless steel. Inner panel features chrome-backed Mercedes-Benz lettering, set in robust glass (not illuminated)

Coat hanger

Robust coat hanger made from chromed metal and plastic. Easy to fit to the front head restraints. The ideal way to transport items of clothing without creasing them

Rubber mats, velour mats, rep mats

Durable, hardwearing materials. Available in various colours to match the interior. Can be clip-fastened to the floor of the vehicle to prevent slipping

Coolbag

black | Capacity: 12 litres. With 12V connection for the cigarette lighter

Wood/leather steering wheel

Wood: pale matt burr walnut | Leather: black
The wood/leather steering wheels are available in various colours and woods to match the interior. A heated version is also available

The range of genuine accessories features plenty of other useful aids, including jump leads and fire extinguisher mounting. See your Mercedes-Benz partner for details

Fluorescent jacket

Already compulsory in many countries, the bright orange and yellow fluorescent jackets with reflective stripes are conspicuous even in the dark. Pack of two

Ski bag for interior

For up to two pairs of skis. With carrying straps and elasticated straps for attaching to load-securing rings in the boot

Safety tow rod

2-piece steel rod with patented connector and cotter pin. For trailer couplings and towing eyes. Approved for vehicles with a gross vehicle weight of up to 3.2 t

Charger with trickle charge function

With its cutting-edge technology, the Mercedes-Benz charger ensures the longest possible life for the battery

Tie-down strap

Even heavy objects can be secured in place easily using this strap | not pictured |

Protective dust cover

Protective cover made from synthetic stretch fabric. Designed to be used in garage or other interior spaces. Keeps the car clean and protects it from dust and scratches

Non-slip mat

black | Non-slip mat.
Not in conjunction with coolbox (Code 308)

Shallow boot tub

Non-slip, suitable for transporting
foodstuffs, precision fit

Shopping crate

anthracite | Collapsible

Luggage net

Net pocket for the floor of the boot.
Prevents small objects from sliding
around during your journey

CARGO

Please note: changes may have been made to the products since this brochure went to press (01.09.2006). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by DaimlerChrysler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.
