Peugeot

The right chemistry

When you choose a Peugeot, you're buying more than an elegant piece of design or a superb piece of engineering, you're buying a vision – our dream of a marque that embodies your desires and meets your expectations in every way. A vehicle that is the very personification of the Peugeot spirit.

This spirit, or essence, of our marque can be summed up in four words. Style, quality, dynamism and innovation – the values that every Peugeot is created around.

So what does that mean to you? It means beauty, stunning design, pure Peugeot lines, the very quintessence of aesthetics as seen by top Peugeot designers. Or roughly translated, a car that makes your heart beat faster every time you look at it.

It means a car that you can trust. Every new Peugeot is built to the very highest standards, ensuring technical excellence, superb handling plus peace of mind, and is engineered to achieve optimum active and passive safety.

It also means passion. Our passion for creating cars with real poise and precision, cars that communicate with the road and connect with you, lifting your spirits on every journey. Cars that reawaken your enthusiasm for driving.

And it goes without saying that it means intelligence. Innovative designs and features that answer your demands for better, safer, more comfortable and environmentally respectful vehicles (we've reduced emissions from our engines and every new car we build is 90% recyclable).

These are the strands of Peugeot DNA that you'll find running through every vehicle that bears our name today, and every car that we'll build tomorrow – just as the four lines run through the pages of this brochure. Creating the perfect chemistry between you and your car. And ensuring you the drive of your life.

Break free from compromise

Exhilarating cabriolet, stylish coupé

The 206 CC is an exciting concept – it's a creation of two cars in one that's been designed with foresight and vision, without compromising either style or safety.

It takes just 20 seconds for the 206 CC's rigid, integral roof to rise or retract. So with the touch of a button, you can swap the insulated comfort of a coupé for the freedom of a wind-in-your-hair cabriolet whenever your mood, or the weather changes.

The embossed lines that grace the boot hint at inspired cabriolet design.

Cabriolet configuration

When the roof goes back, a protective rear boot shelf pulls out enabling it to be housed discreetly out of sight. There are also additional safety features that ensure the roof will not be raised accidentally. And even when it's folded, the capacity of the boot still offers you excellent versatility, being able to hold up to around 200 litres of luggage.

Coupé configuration

As a coupé with the roof raised overhead, the rear boot shelf is retracted to leave the boot with a generous 400-litre capacity – about the same as in our 206 hatchback.

Behind the wheel of the 206 CC, you'll find a host of intelligent features and functions, designed with your comfort in mind, all within easy reach.

You can change the in-car temperature and airflow instantly with just a tweak of the air-conditioning, and to stop you getting too hot in the sunshine, the 206 CC also features a heat-reflective athermic windscreen*.

For your safety, the 206 CC also includes automatic windscreen wipers that will adapt their speed to the intensity of the rain, while the automatic headlights* will come on if the light diminishes or you're driving at dusk.

*On Allure only.

Trip computer

The trip computer will tell you your current fuel consumption figures, how far you've travelled, how far until you need to refuel and your average speed. You can select which

information you'd like displayed by simply pressing the button situated at the end of the windscreen wiper control.

JBL® audio system

With eight speakers in six locations, and an integrated subwoofer in the boot, the 206 CC's JBL® audio system has a 240 Watt amplifier with precise acoustic tuning so you and your passengers can enjoy perfect sound quality - even when the roof is down.

* Standard on Allure only.

Irresistible style, exceptional performance

The 206 CC is not only good to look at, but it's also an engaging driving experience – supreme handling complemented by powerful engine range.

1.6 litre 16v 110 bhp

Giving you the ideal balance between dynamism and smoothness, the high-performance 1.6 litre 16v 110 bhp engine will complement your coupé cabriolet perfectly.

2.0 litre 16v 138 bhp*

This powerful engine gives you lively acceleration even in the lower gears.

* Available on Allure only.

HDi 110 diesel

The HDi 110 diesel uses the very latest in diesel technology, making it among the cleanest, most efficient, and not forgetting quietest, on today's market. You'll experience a fantastic level of performance, together with assured acceleration, and an instant response.

Sequential automatic gearbox

The Tiptronic System Porsche 4-speed automatic gearbox is available with the 1.6 litre 16v engine. In automatic mode, the gearbox adapts to your own individual driving style and the conditions of the road, thanks to its ability to recognise inclines and bends. You can choose from three programmes: Auto, for normal driving, Sport for more dynamic handling, and Snow, which reduces the risk of skidding on slippery roads.

Complete protection, unconditional safety

Cruise control*

Take the strain out of tiring motorway journeys. Just press the button on the steering wheel mounted control and you can stay at the same, constant speed without touching the accelerator.

* Standard on 1.6 petrol models only

Braking system

The 206 CC features a sophisticated braking system. It includes Anti-lock brakes (ABS) with Electronic Brake Force Distribution (EBFD) which reduces the risk of the wheels locking on slippery surfaces – significantly shortening the braking distance. Plus it comes with Emergency Brake Assist (EBA) which aids you when you need to make an emergency stop.

Electronic Stability Programme (ESP)*

The Electronic Stability Programme (ESP) has been designed to keep you firmly on the road. It includes Dynamic Stability Control (DSC) which will correct your braking to make sure your wheels stay on track, EBFD which distributes braking pressure on all four wheels to improve vehicle control, as well as ABS and EBA.

Automatic hazard lights

If you brake suddenly, the 206 CC's ingenious hazard lights switch on automatically, warning other road users that you've stopped so you can concentrate on the situation ahead. And once you've accelerated away, they will switch themselves off again.

Automatic door locking while driving

When the 206 CC reaches a speed of 6mph, the doors will automatically lock for added safety.

Automatic headlights on**

Automatic headlights have been fitted to the 206 CC to significantly improve visibility where it's needed. At night or in a dimly lit area, a sensor triggers the headlight switch automatically so you don't need to think about it. The lights will then switch themselves off when the light becomes bright enough.

*Available on 2.0 litre petrol and HDi 110 engines.

**Standard on Allure only.

Airbags

Your 206 CC comes equipped with:

- On both models two front airbags.
- Two front side airbags integrated in the sides of the front seats on Allure only.

Safety belts

The 206 CC features front pre-tensioned seatbelts with a force limiter. This means if you're involved in an accident, this device holds you securely in your seat, minimising the risk of injury. In the rear, there are three anchoring points for passenger belts.

Isofix system

A child's safety is really important, that's why the 206 CC features the Isofix system to give you added peace of mind. It is the safest and most efficient way to install a child seat without using the seat belts.

Peace of Mind 206 CC

When you choose Peugeot, you have the reassurance of knowing that that your vehicle has been designed and manufactured to give you years of worry-free motoring. What's more, as a Peugeot owner, you can rely on a comprehensive range of customer care services from your Dealer. So you can be sure that you're talking to a specialist who'll listen to you, understand your problems and respond efficiently – someone who also has the expertise to maintain your Peugeot correctly, using trained technicians, Peugeot Diagnostic Equipment and Peugeot Original Equipment Parts.

Peugeot Warranties

As well as the 2 year unlimited mileage manufacturer's Warranty, all vehicles first registered in the UK and purchased from a UK Peugeot Dealer come with a free, optional additional year of Warranty through the Peugeot UK Dealer network. The mileage limit on this additional Warranty is 60,000 miles (100,000 miles for Boxer vans excluding Motorhomes and other converted vehicles) from first registration. At the end of the 3 year Warranty period (or after 60,000 miles) you have the option to purchase a Peugeot Platinum Extended Warranty. Our cars also come with a 12 Year Anti-Perforation and 3 Year Paint Warranty (6 and 2 years on vans). For full terms and conditions on all of these, please contact your Peugeot Dealer.

Peugeot Assistance

All new Peugeots come with 12 months' Peugeot Assistance – our breakdown assistance service (36 months for the 607). This covers all incidents involving vehicle-based faults for you and anyone else driving your car with your permission. It is available 24/7, 365 days a year.

Peugeot Assistance includes European cover, homestart, roadside assistance, vehicle recovery and a free replacement car or hotel accommodation if required. It can be extended for a further 12 months, or 24 months, and to protect you against non-vehicle faults (such as punctures) at specially discounted rates, by calling **0870 752 7050**.

Peugeot Service Care

Peugeot vehicles benefit from extended service intervals of up to 20,000 miles or 2 years (12,000 miles for 1.6 HDi diesel and 2.0 litre 180 bhp petrol engines; 10,000 miles or 1 year on 107). Please refer to the maintenance book for details of the service intervals for specific models.

To minimise the inconvenience often associated with servicing, our Dealers promise to offer you a number of options.

- A while-you-wait service, with a timed appointment.
- Local vehicle collection from your home, or from your work.
- Alternative transport to a train station, home, or work.
- By arrangement, a hire car at a concessionary rate.

What's more, they will aim to ensure that your vehicle is cleaned before you get it back.

Peugeot Insurance

Peugeot Insurance is designed specifically for Peugeots. It offers tailored cover at a competitive price. Should you be unfortunate enough to be involved in an accident, one of our Peugeot Approved Accident Repair Centres will repair your car, using only Peugeot Original Equipment Parts. We'll even give you a courtesy car while yours is being repaired (depending on availability) when you use an approved repairer. **Why not call Peugeot Insurance now for a quote at 0870 0240 206**
