

Corolla

For Toyota,
quality is not just a promise;
it's a way of life

Nothing is so good that it cannot be made better. That is why we strive for constant improvement in everything we do. It is not a motto. Or a mission statement we hang on the wall and forget about. It is simply the way we do things. We have a word for it: 'kaizen'. It means 'continuous improvement' and it is the key principle that guides us in our pursuit of total quality.

This commitment to quality results in real benefits – benefits that enhance the quality of your life. We know this because you tell us so by consistently voting Toyota highly in independent customer satisfaction surveys. This is also evident through the outstanding results Toyota achieves in the Euro NCAP safety tests. Most of all we know this because we make it our business to find out how to give you the best possible ownership experience, from when you first buy your car, right up to when you ultimately sell it.

What this means for you is that every time you get into the driving seat of a Toyota and start the engine, you will experience a feeling of complete confidence. Confidence that comes from knowing that the car you are driving is designed and engineered with the very highest standards of quality and reliability in mind. For Toyota, quality is not just a promise; it's a way of life.

"From now on, I want everybody to put their efforts together and unite in finding a way to make superior vehicles."

Kiichiro Toyoda, Founder

Toyota Motor Corporation, May 1939

Toyota Corolla

A car to be proud of

The highly desirable Corolla

Designed to reflect the modern, innovative age in which we live. Its engineering is sophisticated to deliver the performance, comfort and safety we demand. And its specification is outstanding.

Corolla has been specifically designed to make a powerful statement that not only engenders a feeling of pride in ownership, but all-round admiration as well.

It has also been engineered to cater for a range of busy and varied lifestyles. Which is why it's offered with a choice of four body styles and five highly efficient petrol and diesel engines. Choose between 3- and 5-door hatchbacks – an elegant saloon and a roomy estate.

All offer outstanding performance, fuel economy and low emissions, as well as refinements and standard equipment you'd expect on more expensive models. Features like air conditioning, power steering and Optitron instrumentation, plus front, side and curtain airbags are standard right across the range.

Consider, too, the superior quality and reliability for which Toyota is world-renowned, and you have a car that not only fits your budget exactly, but one that you'll truly treasure.

The Corolla – a car to be proud of because it just keeps getting better.

A prized possession

Exciting design, dynamic performance and exceptional quality are the hallmarks of the Corolla, as exemplified by the T₂ models.

This versatile range offers 3- and 5-door hatchbacks, a saloon and a spacious, practical estate. There is a choice of four engines – an economical 1.4 litre VVT-i petrol engine, a more powerful 1.6 litre VVT-i petrol version, the efficient 1.4 D-4D 90 diesel engine and an even more impressive 2.0 D-4D 120 diesel version, delivering an exciting 116 DIN hp (available on the 5-door hatchback and estate).

Superbly equipped, all T₂ models come with air conditioning, Optitron dials, telescopic/tilt steering column, speed-sensitive power steering, MacPherson strut front suspension, ABS brakes with EBD (Electronic Brake force Distribution), CD player, power adjustable front windows and front, side and curtain airbags (plus an airbag cut-off switch).

The Corolla – a delight to drive, a delight to own.

Air conditioning
Standard across the range – keeps the cabin at your preferred temperature whatever the weather.

MultiMode
Why not opt for MultiMode (M/M), an innovative five-speed gearbox that enables you to choose between sequential manual and automatic modes. Available on 1.4 D-4D only.

Optitron dials
The special Optitron instrumentation provides maximum clarity for the driver.

High-grade cloth seats for maximum comfort enhance the interior's benchmark quality feel.

Corolla T2

3- and 5-door hatchback

- Air conditioning
- Optitron dials
- Telescopic/tilt steering column
- Speed-sensitive power steering
- MacPherson strut front suspension
- ABS brakes with EBD
(Electronic Brake force Distribution)
- CD player
- Power adjustable front windows
- Front, side and curtain airbags
(plus an airbag cut-off switch)

Saloon

- Air conditioning
- Optitron dials
- Telescopic/tilt steering column
- Speed-sensitive power steering
- MacPherson strut front suspension
- ABS brakes with EBD
(Electronic Brake force Distribution)
- CD player
- Power adjustable front windows
- Front, side and curtain airbags
(plus an airbag cut-off switch)

Estate

- Air conditioning
- Optitron dials
- Telescopic/tilt steering column
- Speed-sensitive power steering
- MacPherson strut front suspension
- ABS brakes with EBD
(Electronic Brake force Distribution)
- CD player
- Power adjustable front windows
- Front and side airbags
(plus an airbag cut-off switch)

The perfect combination

A car is a reflection of the way we live our lives and the values we cherish. With today's active lifestyles, we want a car that combines performance and practicality with style and refinement. The Corolla, epitomised by the T₃ series, fits the bill exactly.

Again with a choice of four body styles and four engines, the sportier T₃ models offer outstanding versatility together with dynamic, economical performance. Add in a platform that delivers excellent handling, improved comfort and increased interior space and the T₃, like all Corollas, makes driving a genuine pleasure.

In addition to the generous specification of the T₂ series, the T₃ offers power adjustable, colour-coded exterior mirrors, front fog lamps to complement the rear ones, and 15" alloy wheels with locking wheel nuts.

Not only that, but the hatchback model also features steering wheel-mounted audio controls, leather-covered steering wheel and gear shift knob, side skirts and rear bumper extensions. The 5-door hatchback is also enhanced with automatic climate-controlled air conditioning* and heated exterior mirrors*.

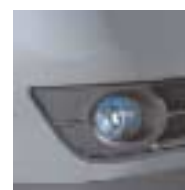

The Corolla T₃ – great to experience, great to be seen in.

Steering wheel-mounted controls[§]
For safety and convenience, the leather-covered steering wheel incorporates audio controls for the sound system.

CD player
Powering four speakers, the radio/CD is neatly integrated into the dashboard.

Front fog lamps
Designed to provide essential visibility in poor weather conditions – be safer with these powerful, high-intensity fog lamps.

* Excludes 1.4 D-4D 90.

§ Hatchback models only.

The superbly crafted ergonomic interior is matched by a sporty design throughout (3-door interior shown).

Corolla T3

3- and 5-door hatchback

- Air conditioning (3-door hatchback only)
- Automatic climate-controlled air conditioning* (5-door hatchback only)
- Optitron dials
- Telescopic/tilt steering column
- Speed-sensitive power steering
- MacPherson strut front suspension
- ABS brakes with EBD (Electronic Brake force Distribution)
- CD player
- Power adjustable front and rear* windows (5-door hatchback only)
- Front, side and curtain airbags (plus an airbag cut-off switch)
- Power adjustable, colour-coded exterior mirrors
- Front fog lamps
- 15" alloy wheels with locking wheel nuts
- Steering wheel-mounted audio controls
- Leather-covered steering wheel
- Leather-covered gear shift knob
- Side skirts and rear bumper extensions
- Heated exterior mirrors* (5-door hatchback only)

Saloon

- Air conditioning (manual)
- Optitron dials
- Telescopic/tilt steering column
- Speed-sensitive power steering
- MacPherson strut front suspension
- ABS brakes with EBD (Electronic Brake force Distribution)
- CD player
- Power adjustable front and rear windows
- Front, side and curtain airbags (plus an airbag cut-off switch)
- Power adjustable, colour-coded exterior mirrors
- Front fog lamps
- 15" alloy wheels with locking wheel nuts

Estate

- Air conditioning (manual)
- Optitron dials
- Telescopic/tilt steering column
- Speed-sensitive power steering
- MacPherson strut front suspension
- ABS brakes with EBD (Electronic Brake force Distribution)
- CD player
- Power adjustable front and rear windows
- Front and side airbags (plus an airbag cut-off switch)
- Power adjustable, colour-coded exterior mirrors
- Front fog lamps
- 15" alloy wheels with locking wheel nuts

Colour Collection

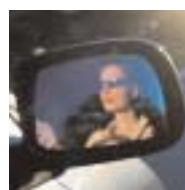

Features to be proud of

Blending both style and practicality, the Corolla Colour Collection comes equipped with everything you could ask for.

The Colour Collection provides all the generous specification that the T₃ offers. The 5-door hatchback features a uniquely stylish seat fabric as well as a centre console enhanced by a beautiful brushed metallic finish*. Automatic air conditioning* means you can pre-set the exact temperature you want the cabin to be, while power adjustable mirrors and windows offer even more in the way of convenience. Both the 3- and 5-door hatchback feature striking 15" alloy wheels and the standard metallic colour choices of Silver Steel, Ixion Blue or Eclipse Black making the Colour Collection just as attractive on the outside as it is on the inside.

Available in both a 3- and 5-door hatchback, the Colour Collection offers the options of a 1.4 and 1.6 litre petrol or 1.4 litre D-4D 90 and 2.0 litre D-4D 120 diesel engines, delivering a performance that, combined with all the features you'll find as standard, results in a car you can really be proud of.

* 5-door only (excludes 1.4 D-4D 90).

Heated exterior mirrors*

For extra convenience, the Colour Collection's heated exterior mirrors are power adjustable.

Unique 15" alloy wheels

Attract attention wherever you're going, with these eye-catching 15" alloy wheels.*

Brushed metallic-effect centre console

Aesthetically appealing in its design, the centre console has a stylish brushed metallic look.*

The striking brushed-metallic effect of the centre console adds a distinctive touch to the high quality interior.

Corolla Colour Collection

3- and 5-door hatchback

- Automatic climate-controlled air conditioning*
- Optitron dials
- Telescopic/tilt steering column
- Speed-sensitive power steering
- MacPherson strut front suspension
- ABS brakes with EBD
(Electronic Brake force Distribution)
- CD player
- Power adjustable front and rear* windows
- Front, side and curtain airbags
(plus an airbag cut-off switch)
- Power adjustable, heated* colour-coded exterior mirrors
- Front fog lamps
- 15" alloy wheels with locking wheel nuts
- Steering wheel-mounted audio controls
- Leather-covered steering wheel
- Leather-covered gear shift knob
- Side skirts and rear bumper extensions
- Stylish seat fabric
- Brushed metallic finish centre console*
- Standard metallic colour
(Silver Steel, Ixion Blue or Eclipse Black only)

More refinement, more prestige

The Corolla is one of the best-equipped cars in its class. And when you look at the refinements of the T Spirit, it's almost certainly the most luxurious.

This elegant 5-door hatchback has automatic climate-controlled air conditioning, six-speaker audio system, power adjustable and heated exterior mirrors, rain-sensing wipers, electrochromatic rear-view mirror, plus electric tilt/slide sunroof and leather-covered, chrome-effect gear shift knob.

To add even more luxury to your T Spirit, you can opt for the opulent feel of soft black leather upholstery and full colour map DVD satellite navigation.

The T Spirit is offered with a choice of two VVT-i petrol engines, an efficient 1.4 litre power unit and a 1.6 litre version with optional automatic transmission. Additionally a powerful but economical direct injection, common rail 2.0 litre D-4D 120 diesel power unit that delivers an exhilarating 116 DIN hp is available.

Why not treat yourself to a luxurious, spirited performance?

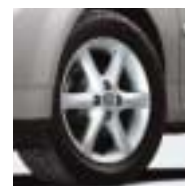

Full colour map satellite navigation

The optional DVD-based full map navigation system with touch-screen controls offers a range of functions and can guide you to your destination by the quickest route.

Electrochromatic rear-view mirror

Night driving is much safer thanks to an electrochromatic rear-view mirror which cuts out glare.

Special alloy wheels

Distinctive six-spoke, 15" alloy wheels with locking wheel nuts mark out the T Spirit's prestige status.

The ultra-modern trim, embodies the T Spirit's refined elegance. Optional full map satellite navigation system shown.

Corolla T Spirit

5-door hatchback

- Automatic climate-controlled air conditioning
- Optitron dials
- Telescopic/tilt steering column
- Speed-sensitive power steering
- MacPherson strut front suspension
- ABS brakes with EBD
(Electronic Brake force Distribution)
- Six-speaker audio system
- Power adjustable front and rear windows
- Front, side and curtain airbags
(plus an airbag cut-off switch)
- Power adjustable, heated exterior mirrors
- Front fog lamps
- 15" alloy wheels with locking wheel nuts
- Steering wheel-mounted audio controls
- Leather-covered steering wheel
- Leather-covered, chrome-effect gear shift knob
- Rain-sensing wipers
- Electrochromatic rear-view mirror
- Electric tilt/slide sunroof

An exclusive experience

The Corolla SR combines technology, design, performance and looks to create an all-round exceptionally refined driving experience.

But this exclusive 5-door hatchback doesn't just hold the road; it holds the attention of all who gaze upon it too. Sportily styled throughout, the Corolla SR boasts the kind of dynamic looks that really make it stand out from the crowd – a racy front skirt and rear spoiler, striking 16" alloy wheels and distinctive privacy glass.

The SR is available with two engines. A 1.6 VVT-i petrol engine, producing 110 DIN hp, 150 Nm of torque, an acceleration of 0–62 mph in 10.2 seconds and a top speed of 118 mph. Or, alternatively, a 2.0 litre D-4D 120 diesel engine, capable of 116 DIN hp, 280 Nm of torque and a maximum speed of 116 mph. Whichever one you choose, you're guaranteed all the smooth, responsive power you need, when you need it.

The Corolla SR. Make it exclusively yours.

Front skirt

An alluring front skirt is the perfect touch to enhance the Corolla SR's body shape.

16" alloy wheels

16" alloy wheels increase the Corolla SR's sporty appeal.

Privacy glass

Command attention while keeping prying eyes out with stylish privacy glass.

The SR's interior sports an arresting brushed metal-effect centre console, unique trim and optional climate controlled air conditioning.

Corolla SR

5-door hatchback

- Automatic climate-controlled air conditioning
- Optitron dials
- Telescopic/tilt steering column
- Speed-sensitive power steering
- MacPherson strut front suspension
- ABS brakes with EBD
(Electronic Brake force Distribution)
- CD player
- Power adjustable front and rear windows
- Front, side and curtain airbags
(plus an airbag cut-off switch)
- Power adjustable, heated colour-coded exterior mirrors
- Front fog lamps
- 16" alloy wheels
- Steering wheel-mounted audio controls
- Leather-covered steering wheel
- Leather-covered gear shift knob
- Front and side skirts
- Rear spoiler and rear bumper extensions
- Stylish seat fabric
- Brushed metallic-finish centre console
- Standard metallic colour
(Silver Steel, Alsace Granite or Balearic Blue)
- Privacy glass

A performance to relish

Designed for the ultimate thrill of the road, the limited edition T Sport Compressor is the fastest and most dynamic Corolla ever made.

At the centre of it all is its super-charged 1.8 litre VVT-i engine. Boasting an impressive power output of 218 DIN hp at 8200 rpm, and a powerful torque figure of 215 Nm at 4000 rpm, the supercharger boosts power across the operating range to deliver instant responsiveness. Acceleration is an astonishing 0–62 mph in 6.9 seconds, and top speed a remarkable 143 mph.

Complete with sports suspension and lowering springs for even better road-holding, this Corolla also comes with the looks to match. A leather-covered steering wheel complements a leather and chrome-effect gear lever and handbrake. And, on the outside, a roof spoiler, rear skirt, twin exhaust and 17" alloy wheels all go towards making up its highly athletic appearance.

Conceived by Toyota's own Formula One Team, the Corolla T Sport Compressor is the perfect way to experience an exhilarating on-road performance you'll really relish.

Roof spoiler
This arresting roof spoiler adds a shapely touch to the T Sport Compressor's sleek body.

Ultra lightweight 17" alloy wheels
The T Sport Compressor comes equipped with sporty-looking 17" alloy wheels.

Twin exhaust
Head-turning twin exit mufflers are one of the T Sport Compressor's key distinguishing features.

A leather-bound steering wheel and chrome-effect gear shift knob are two key features that make up the interior's superior sporty feel.

Corolla T Sport Compressor

3-door hatchback

- Air conditioning
- Optitron dials
- Telescopic/tilt steering column
- Speed-sensitive power steering
- ABS brakes with EBD
(Electronic Brake force Distribution)
- CD player
- Power adjustable front windows
- Front, side and curtain airbags
(plus an airbag cut-off switch)
- Power adjustable and heated, colour-coded exterior mirrors
- Front fog lamps
- Steering wheel-mounted audio controls
- Side skirts and rear bumper extensions
- Sports suspension
- Lowering springs
- Leather-covered steering wheel
- Leather and chrome-effect gear lever and handbrake
- Roof spoiler
- Rear skirt
- Twin exhaust
- 17" alloy wheels

The T Spirit interior shown has optional full map navigation system.

Where elegance combines with quality

The first thing you notice about the Corolla's interior is its smart, contemporary design and the genuine premium look and feel throughout the cabin – from the stylish, ergonomically designed dashboard to the high-grade cloth seats and chrome door handles.

With a fully adjustable steering wheel and column, plus driver's seat height adjuster, it's easy to find the most comfortable driving position (on 3-door models the driver's seat has a standard memory function), while the full range of instrumentation is clearly visible, thanks to Toyota's special Optitron displays which provide maximum clarity.

Extra driver peace of mind is afforded by the optional turn-by-turn satellite navigation system, featuring Electronic Traffic Avoidance, while, for even greater reassurance, full colour map DVD navigation, incorporating audio and CD, is available on T Spirit models.

For convenience and safety, T₃ (hatchback), Colour Collection, T Spirit, SR and T Sport Compressor models all feature steering wheel-mounted audio controls. And, for added refinement and comfort, they come with a leather-covered steering wheel and leather and chrome-effect gear shift knob.

Of course, to enjoy the ultimate Corolla luxury, you can always opt for full leather upholstery on the T Spirit or leather/alcantara on the T Sport Compressor.

The T Spirit interior shown has optional full map navigation system. Image may not be to full UK specification.

It's quiet in space

Life may be crowded and noisy outside, but once inside a Corolla you experience space and a sense of calm.

Its specially engineered platform has allowed the designers to create an open, roomy cabin with plenty of space for driver and passengers. In fact, the Corolla is one of the most spacious cars in its class.

For practicality, there's an abundance of storage space, conveniently situated around the cabin. In addition to the glovebox and front door pockets, there's a handy box behind the handbrake and two storage areas in the lower dashboard. What's more, there are twin cup holders in the front, and 3-door models have twin cup holders in the back as well.

The generous boot space can be made bigger and more adaptable by the 60:40 split of the rear seats which, on hatchback and estate models, fold and tumble for even more room and load flexibility. Estate models also feature a retractable tonneau cover.

With increased insulation to reduce engine, road and wind noise, coupled with its quality upholstery and deep-pile carpeting, the Corolla delivers an exceptionally smooth and quiet ride – with barely a hint of vibration. For driver and passengers alike, every journey is a satisfying experience.

The T Spirit interior shown above with fabric trim has the option of leather trim and full map navigation system.

Loads of options

On hatchback and estate models, the rear seats split 60:40, fold and tumble, giving you a useful variety of passenger and load options.

VVT-i

Technology drives superior performance

Toyota's engineers are driven by one central goal – to produce engines that deliver maximum performance, outstanding fuel economy and low emissions.

With petrol power units, the main solution is provided by Toyota's VVT-i technology – Variable Valve Timing with intelligence. This advanced system automatically reacts to the way you're driving and the demands made of the engine. An on-board computer controls the timing and duration of the intake valve opening which means you get the power you want when you need it. And by maximising engine efficiency, it ensures that fuel consumption and exhaust emissions are as low as possible.

The 1.4 litre VVT-i engine* –

97 DIN hp, maximum torque of 130 Nm, maximum speed 115 mph, acceleration to 62 mph in 12 seconds, fuel economy on the combined cycle 42.2 mpg, CO₂ emissions 159 g/km.

The 1.6 litre VVT-i engine* –

110 DIN hp, maximum torque of 150 Nm, maximum speed 118 mph, acceleration to 62 mph in 10.2 seconds, fuel economy on the combined cycle 40.4 mpg, CO₂ emissions 168 g/km.

The 1.8 litre VVT-i supercharged engine –

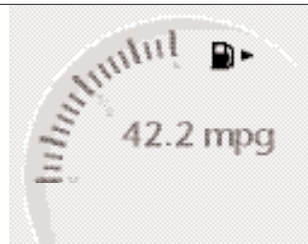

218 DIN hp, maximum torque of 215 Nm, maximum speed 143 mph, acceleration to 62 mph in 6.9 seconds, fuel economy on the combined cycle 34 mpg, CO₂ emissions 218 g/km.

* Figures based on Corolla 5-door with manual transmission.

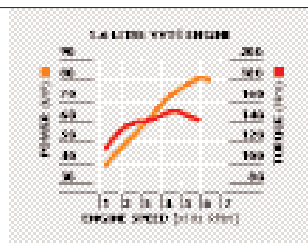

Economical

The 1.4 litre petrol engine delivers excellent performance while achieving an impressive 42.2 mpg on the combined cycle.

Responsive

Producing 110 DIN hp and maximum torque of 150 Nm, the 1.6 litre power train delivers acceleration to 62 mph in just over 10 seconds.

Powerful

Engine efficiency is achieved by Toyota's VVT-i technology which delivers superb performance combined with low fuel consumption and low emissions. The 1.8 litre supercharged engine, which drives the T Sport Compressor, takes the technology a stage further by increasing the intake/exhaust valve lift at high engine speeds for more power and better fuel economy.

Tomorrow's diesel today

Toyota's advanced diesel-engine technology delivers the best of both worlds – the lively, responsive power you expect from a petrol engine but with the superior fuel economy and lower emissions of a diesel.

Toyota's highly efficient 1.4 litre and 2.0 litre turbocharged diesel engines employ direct injection, common rail technology, which means that atomised fuel is injected into the combustion chamber at very high pressure and according to how the car is being driven. The result is efficient, responsive performance, low fuel consumption and minimal emissions.

The D-4D engines also incorporate a variable nozzle turbocharger, which helps boost power and torque, while other refinements reduce engine noise and vibration. A large catalytic converter helps cut emissions even further. Furthermore, the 1.4 litre power train, made entirely of aluminium, boasts the best power-to-weight ratio in its class.

Toyota's diesel technology leads the way in designing engines that are clean, highly efficient and, above all, outstanding performers.

The 1.4 litre turbocharged D-4D 90 engine* – 90 DIN hp, maximum torque 190 Nm, maximum speed 112 mph, acceleration to 62 mph 13.3 seconds, fuel economy on the combined cycle 58.9 mpg, CO₂ emissions 128 g/km.

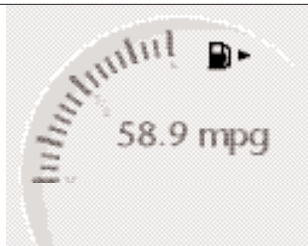

The 2.0 litre turbocharged D-4D 120 engine* – 116 DIN hp, maximum torque 280 Nm, maximum speed 116 mph, acceleration to 62 mph 10.6 seconds, fuel economy on the combined cycle 49.6 mpg, CO₂ emissions 151 g/km.

* Figures based on Corolla 5-door with manual transmission.

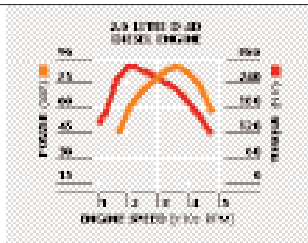

Efficient

With the best power-to-weight ratio in its class, the 1.4 litre D-4D power unit delivers outstanding economy – more than 58 mpg on the combined cycle.

Dynamic

Eager and responsive, the 2.0 litre turbocharged engine produces 116 DIN hp and maximum torque of 280 Nm.

Clean

D-4D stands for Direct injection 4-stroke common rail Diesel engine. The technology employed causes fuel to be injected into the combustion chamber at extremely high pressure, resulting in excellent performance, outstanding fuel economy and, above all, extremely low emissions.

Front, side and curtain shield airbags for the driver and front-seat passenger are all standard equipment.

For safety's sake

Safety and security are key considerations when it comes to choosing a car. Which is why the Corolla comes with such a comprehensive range of features and equipment.

Every Corolla has Anti-lock Braking System (ABS) with Electronic Brake force Distribution (EBD) for maximum braking efficiency. While the T Sport Compressor adds Brake Assist to boost braking power in an emergency, as well as Vehicle Stability Control (VSC) which automatically minimises oversteer and understeer, and Traction Control which detects and controls wheel spin for maximum road grip.

The Corolla's whole body structure has been specially designed to absorb energy, thereby reducing the effects of front, side and rear impacts, while on all models, the driver and front-seat passenger have the added protection of front, side and curtain airbags. What's more, a cut-off switch has been added to the front passenger airbag, enabling it to be 'turned off' when a child restraint system is used.

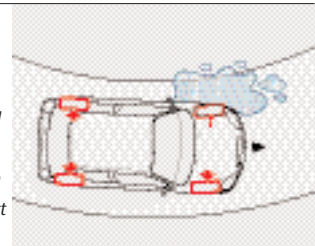

For further peace of mind, every Corolla comes with engine immobiliser, remote central locking, double locking and security window etching. What's more, there's a three-year/60,000-mile mechanical warranty, three-year paint warranty and 12-year anti-corrosion perforation guarantee.

Excellent handling is achieved by the MacPherson strut front suspension and enhanced suspension geometry.

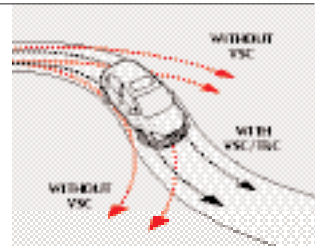

Anti-lock Braking System (ABS) with Electronic Brake force Distribution (EBD)

Risk of the wheels locking is minimised thanks to the ABS braking system with Electronic Brake force Distribution which automatically applies the correct braking force to each wheel.

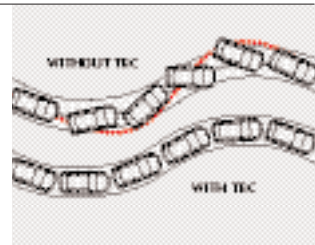

Vehicle Stability Control (VSC)

VSC detects when the car is about to understeer or oversteer and adjusts brake performance and engine output to compensate.

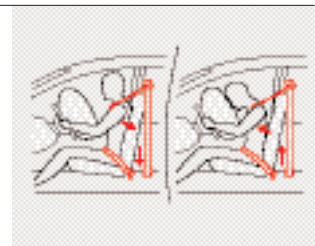

Traction Control (TRC)

TRC senses when the car is about to skid or spin its wheels and helps to regain control by adjusting brake performance and engine output.

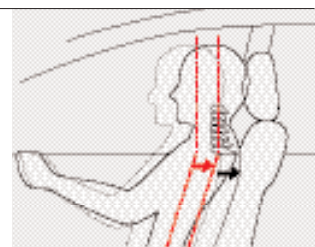

Advanced seat belts

For the most effective protection, all the seat belts have pre-tensioners and force-limiters.

Whiplash injury protection

Toyota's special safety system helps to reduce whiplash neck injuries. There's also a specific structure to minimise head impacts.

Crash-resistant bodyshell

Continuous testing has fine tuned the design of the energy-absorbing bodyshell to provide maximum protection from front, side and rear collisions.

Peace of mind

Toyota's global reputation for quality and integrity means the Corolla can add peace of mind to its own highly individual range of attributes.

On the day you purchase your Corolla, your Toyota Centre will present you with the 'Corolla Passport'; a guide to living with your Corolla and making the most of its considerable range of features. Your Toyota Centre will explain the car to you, and always be there, should you require any assistance.

Health and Safety

Your Toyota Centre will also talk you through Corolla's very own 'Health and Safety' programme. It's very simple. Your Corolla will only need a full 'Health and Safety' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also required every year or 10,000 miles.

Warranty

We're so confident each and every Corolla is so well built that it comes with a three-year or 60,000-mile warranty against any mechanical failure*. In addition, the paintwork, no matter what colour you select, is guaranteed against defects and surface rust* for three years too. Finally, the body is guaranteed for 12 years against corrosion perforation*.

* Occurring as the result of a manufacturing default.

Drive Plans from Toyota Financial Services

We want to make acquiring and maintaining your Corolla as easy as driving one. Our range of Toyota Drive Plans have been designed specifically with this in mind, to offer you a choice of affordable ways to finance, service and maintain your new car. Above all our plans offer flexibility, easy budgeting and peace of mind and can be arranged as a one-stop-shop when you select your Corolla.

Easy Start

With Easy Start finding a large deposit is not an issue. Just the equivalent of one monthly payment in advance is all that is needed to drive away in a Corolla. This simple and innovative plan, based on our popular PCP Drive Plan, is ideal for younger customers or families on a tight budget.

Easy Drive

Easy Drive is a comprehensive finance package, with one monthly payment taking care of most of your motoring needs for two or three years. The plan includes the cost of a Corolla on a PCP Drive Plan and an Easy Care servicing plan covering routine, major and intermediate services.

Easy Care

For those who value the peace of mind of a pre-paid servicing package we can offer Toyota Easy Care. The plan ensures that your Corolla will receive the very best maintenance and servicing. Easy Care covers routine major services (including routine servicing, parts and labour) and intermediate oil and filter services.

Business Drive

Business Drive offers the security of a fully maintained Contract Hire package, ideally suited for VAT registered businesses. The package offers a host of benefits including reduced capital outlay, all-inclusive monthly rentals and no depreciation, disposal or administration problems.

Flexible Finance

However, Drive Plans are about more than just these four schemes. Whatever your needs, Toyota has a full range of finance options to offer you. Whether you're a private motorist or a business customer, just discuss your individual requirements with your Toyota Centre, who will be pleased to help you choose a Drive Plan to suit you.

Licensed credit broker. Indemnities may be required. All finance subject to status to over 18s only.
Toyota Financial Services (UK) PLC, Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UZ.
Toyota Financial Services is authorised and regulated by the Financial Services Authority.

A colourful choice

However you like to express your individuality, the Corolla offers you the choice of nine exciting colours

and six interior trims. What's more, every model grade features its own highly distinctive wheels.

040 Pure White

Customer Services

Club Toyota

When you buy a Toyota you automatically become a member of Club Toyota, for 12 months free of charge. This entitles you to take advantage of a host of benefits including free RAC Roadside Assistance in the UK and Europe, 5% discount on Toyota Insurance for your car and specially negotiated rates for travel insurance, plus exclusive offers and promotions through our quarterly customer magazine.

Toyota Drive Plans

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- Easy Start is an exciting new low deposit plan.
- Easy Care offers the complete reassurance of prepaid servicing.
- Easy Drive is a comprehensive plan which takes care of most of your motoring needs for two to three years with one monthly payment.
- Business Drive is a fully maintained contract hire package most suited to small business customers.

Whatever your personal preference, your Toyota Centre can tailor a Drive Plan to suit your needs perfectly – driving a new car has never been so easy.

Written quotations available on request. All agreements subject to status. Indemnities may be required.

Toyota Insurance

Toyota Insurance is available for Toyota owners at competitive premiums.

To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Toyota Fleet

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information

on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Centre or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Warranties

Every new Toyota comes with a three-year/60,000-mile manufacturer's warranty, covering your car against the unlikely event of a manufacturing defect causing a mechanical fault. It includes coverage for paint and surface rust for three years, unlimited mileage and a 12-year anti-perforation warranty. After the initial warranty period has ended, you can choose to extend your warranty until the vehicle is seven years old – choosing from a range of packages to suit your vehicle and your needs. All of our warranties cover the main component parts of the vehicle* meaning that you pay for nothing beyond routine servicing and maintenance, so there are no unexpected bills to pay.

* With the exception of batteries, corrosion of exhaust, and damage or wear to the interior.

Toyota Accident Assistance

Toyota provides a comprehensive accident management service to all Toyota drivers, giving advice, assistance and practical help free of charge in the event of an emergency.

Toyota Approved Used Car Scheme

All Toyota Approved Used Vehicles come complete with a delivery pre-check, a mileage check, RAC Roadside Assistance, 12 months Club Toyota membership and a 30-day no-quibble exchange plan.

Toyota End-Of-Life Vehicles

The legislation on End-Of-Life Vehicles offers Toyota drivers a new and innovative way of returning their old vehicle to the producer. For more information about End-Of-Life Vehicles please refer to www.toyota.co.uk/environment

The pulp used in this paper is chlorine free and comes from sustainable sources. Please refer to www.toyota.co.uk for further environmental information.

Whilst every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification) and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability we ask that you contact your local Toyota Centre.

Fuel consumption values quoted throughout this brochure are determined according to EC Directive 1999/100/EC. The results do not express or imply any guarantee of actual fuel consumption.

For more information on any other Toyota models and the location of your nearest Toyota Centre, simply call: 0845 275 5555 (calls to Toyota may be monitored or recorded) or visit our web site: www.toyota.co.uk

Lifestyle accessories

Tailor your Corolla to fit the demands of your lifestyle with a range of accessories designed to make it even more practical, enjoyable and convenient.

Cargo net

Keep all loose items secure and tidy in the back with horizontal or vertical cargo nets – in addition to a barrier net in the case of the Corolla estate.

Boot liner

Protect the lining of the boot and prevent items from slipping about with this practical boot liner.

Dog guard

Keep your pet safe and secure with a dog guard.

Tow bar

Towing a caravan or trailer presents no problem with a fixed tow bar. If you prefer, on hatchback models, a detachable tow bar can be fitted.

15" Zamba alloy wheel

Always popular, alloy wheels make such a difference. Why not opt for Zamba 15" alloy wheels shown on the vehicle opposite.

Toyota Hands Free telephone kit and Bluetooth®

Stay in touch legally with the Toyota Hands Free phone kit. In conjunction with the Bluetooth Hands Free system you will also have voice recognition for command-dialling, enhanced sound quality and a directional microphone for maximum sound pick up. (See image below.)

Main image. The Corolla is fitted with Zamba 15" alloy wheels, vertical cargo net, barrier net, boot liner and tow bar.

Photograph by kind permission of Fired Earth Interiors at Cobham, Surrey.

Satellite navigation system

Toyota's sophisticated satellite navigation system with Electronic Traffic Avoidance will point you in the right direction, whatever the traffic conditions (factory fit option only/Europe DVD required).

6-disc CD autochanger

Enjoy hours of your favourite music with the 6-disc, CD autochanger.

Front tweeters

Strategically positioned, front tweeters will help you experience a new dimension – a total, all-round musical sensation (T₂ and T₃ only).

Child seats

With three child seats offered, all of which conform to the latest safety standards, your child, irrespective of age, can be assured of travelling in safety and comfort.

Rear bicycle holder

Need to carry bikes? No problem with this special two-bicycle holder with outrigger rear lights, indicators and number plate holder. Must be fitted with tow bar.

Cargo accessories

If you live 'in and out' of your car, storage facilities are a priority. The Cargo accessories have been designed just for you.

Cool/hot box

Whatever the weather, you can keep food, drinks and confectionery at the right temperature with this convenient cool/hot box.

Seat storage bag

Hugely practical, this special bag attaches to the back of a seat for extra storage and can be used, in part, as a detachable rucksack.

Roof rack

Quick and easy to install, a bespoke roof rack will provide useful, extra carrying capacity (cross bars are available for the estate). You can also choose from an extended range of special holders for luggage, bicycles, surfboards and skis.

Bicycle holder (roof mounted)

Fitted with the roof rack, a roof bicycle holder enables you to carry your bicycle safely and securely.

15" Tamyra alloy wheel

Enhance your Corolla's style with these Tamyra 15" alloy wheels. Can be fitted with original tyres.

Main image. The Corolla is fitted with Tamyra 15" alloy wheels, seat storage bag, cool/hot box and roof rack with bicycle holder.

Luggage box

This lockable aerodynamic luggage box provides valuable extra load space that is secure and protected from the elements (must be fitted with roof rack or cross bars).

Ski holder

When you head for the mountains, the lockable ski holder allows you to conveniently transport four snowboards or up to five pairs of skis (must be fitted with roof rack or cross bars).

Urban accessories

If your motoring is mostly in and around town, then the Urban accessories are made for you. They are a perfect combination of convenience and protection.

Toyota Parking Aid

Parking in small spaces couldn't be easier with sensors that emit an audible signal when you get too close (except T Sport). An optional cancellation switch is available at time of installation for use when a tow bar is fitted.

Mud flaps

Front and rear mud flaps reduce dirt accumulation and stone chippings as well as cut spray to following vehicles.

Bumper corner protectors

These special protectors will help reduce minor damage to the bumpers.

Wind deflectors

Enjoy fresh air without any wind-buffeting, with these practical wind deflectors.

15" Sandu alloy wheel

Make a great impression with these Sandu 15" alloy wheels. Can be fitted using original tyres.

Main image. The Corolla is fitted with Sandu 15" alloy wheels, front and rear mud flaps, bumper corner protectors, Toyota Parking Aid and wind deflectors.

Fog lamps

Extra visibility is essential in poor weather – be safer with powerful, high-intensity fog lamps (T2 only).

Carpet mats

Customised carpet mats, colour-keyed to your car's interior, keep your Corolla clean and tidy – as it should be for an object of pride.

Coat hanger

Keep your jacket free from creases and out of the way with this handy seat back mounted coat hanger.

Rear bumper protection film

This transparent film will help to protect your vehicle from wear and tear, such as scratches from dog's claws or luggage.

Style accessories

Be different. Let the Style accessories express your personality by adding even more flair and character to your Corolla.

Aero roof spoiler

The Aero roof spoiler streamlines the roofline, blending perfectly with the car's dynamic styling.

Chrome exhaust finisher

The high-quality chrome tailpipe finish is an attractive sporty feature that gets noticed.

Rear chrome garnish

Take an extra shine to your Corolla with this stylish chrome rear trim.

16" Pekea alloy wheel

Stylish 16", seven-spoke Pekea alloy wheels with locking wheel nuts are shown on the Corolla opposite.

Main image. The Corolla is fitted with Pekea 16" alloy wheels, Aero roof spoiler, chrome exhaust and rear chrome garnish.

Scuff plates

Keep your Corolla's door sills clean and free from marks with these smart scuff plates.

Shift knob

Be individual – and sporty – with a stylishly distinctive gear shift knob.

15" Surmi alloy wheel

Add a touch of pure style with these special Surmi alloy wheels.

Side skirts

Enhance the profile of your Corolla with side skirts which are specially designed to harmonise with the car's innovative styling.

Take more pride

The new Corolla has been specifically designed for people who live life to the full. They're energetic – one minute shopping or socialising, the next out for entertainment or adventures with the family. What they want is a car that's as practical as it is stylish. And, above all, a car that reflects their personality.

Our extensive range of quality, bespoke accessories gives every new Corolla owner the chance to make their car even more distinctive and even more suited to their lifestyle needs.

Add more style, more convenience, but especially – add more individuality.

Bumper corner protectors

These special protectors will help reduce minor damage to the bumpers.

Rear spoiler

For that extra sporty look, opt for a colour-keyed rear spoiler that integrates perfectly with the Corolla's distinctive styling.

Roof rack with sailboard/mast holder

Transporting your sailboard and mast couldn't be easier with this bespoke holder, tailored to fit on to the roof rack or cross bars.

Parking aid

Parking in tight spaces couldn't be easier with these special colour-coded rear parking sensors which warn you when you get too close (except T Sport).

Chrome exhaust finisher

The high-quality chrome tailpipe finish is an attractive sporty feature that gets noticed.

Alloy wheels

Add an extra stylish touch with these 16" Tupelo II alloy wheels.
