Accessories - Introduction

You expect a lot from a BMW 1 Series and that's what you get. But there is more. These pages show a range of accessories for the 1 Series that are every bit as well made and stylish as the car itself.

Accessories - Exterior styling

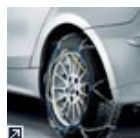

Alloy wheels - 18" Star spoke 180

Complete wheel set with runflat tyres.
205/45 R18W front
225/40 R18W rear

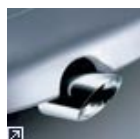

Alloy wheels - 18" Double spoke 182

Complete wheel set with runflat tyres.
205/45 R18W front
225/40 R18W rear

Snow chains

Provided ready to assemble. Quickly and easily attached.

Sport exhaust system

Increases the powerful sound of your BMW 1 Series providing an even sportier sound. With mirror finish stainless steel tail pipes.

Alloy wheels - Star spoke composite 179

Complete wheel set with runflat tyres.
205/45 R18W front
225/40 R18W rear

Mud flaps

Locking wheel bolts

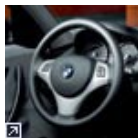

These bolts have a special inner toothing which can only be undone with the special tool provided.

Tail pipe in chrome

The distinctive look of this exhaust pipe cover accentuates the dynamic lines of the BMW 1 Series.

Accessories - Interior styling

Leather covered sport steering wheel

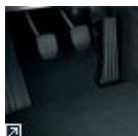

Decorative trim strips* match the interior trim perfectly and are available in chrome, wood, carbon and titanium. Available with or without multi-function.

*Decorative trim strips for the steering wheel, inserts need to be ordered separately

Rubber floor mats with textile insert

Two part-dirt repellent and water-resistant

Velour floor mats

In four parts, they are dirt-repellent and water resistant

Seatbelt holder

Facilitates easy access to the belt from any seat height and position.

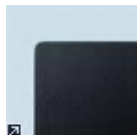

Automatic Climate Control

Ensures that the preferred in-car climate is reached as quickly as possible, maintaining a preselected temperature which can be set in 0.5 degree increments.

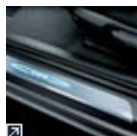

Leather covered gear knob

With a chrome inlay.

City floor mats

In four parts, they are: dirt-repellent and water-resistant.

Illuminated door entry strips

The decorative feature set into these aluminium strips has a chrome appearance in daylight. When the light fades this is subtly illuminated.

Rear and side sun blinds

The sun blinds can be quickly and easily attached to the rear window and to the side windows. When they are not needed, they can be stowed away in the pouch provided to save space.

Accessories - Mobile communications

Bluetooth universal hands-free kit

Suitable for a variety of brands of mobile phone. By using a phone-specific and easily interchangeable snap-in adapter, calls can be made via the hands-free kit whilst charging the phone at the same time. The kit is operated by the following integrated devices: Voice control, the on-board monitor or the multi-function steering wheel depending on the vehicle's specification. Snap in adapters are available separately. For information on phone compatibility, please visit www.bmw.co.uk/bluetooth

StreetPilot® c510D

- Full turn by guidance with voice prompts

Accessories - Versatility

BMW roof boxes

With anti-theft five-part lock. Available in silver or black in two sizes (320 and 450 litres).

Ski holder

The standard ski holder can carry up to six pairs of skis.

Snowboard holder, lockable

For up to two snowboards.

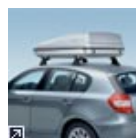

Universal holder

Provides secure support even for large, bulky items and consists of four infinitely adjustable holders, two tensioning straps and four belt eyelets.

Lockable touring cycle holder

Sturdy attachment for transporting a bicycle with frame tube diameter of up to 80mm. Also suitable for mountain bikes. Single locking set for fitting up to four touring cycle holders on the base support system.

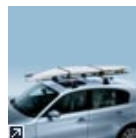

BMW luggage boxes

Available in various sizes and colours. The BMW Ski and luggage box can carry up to five pairs of Skis, including accessories or more extensive luggage.

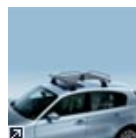

Ski and snowboard set

A Ski holder can also be fitted as well as a snowboard holder.

Surfboard carrier

With supports of impact-resistant plastic, an integral mast carrier, strap eyelets and tensioning straps. An anti-theft kit for both surfboard and mast is also available.

Luggage rack

High load-carrying capacity. Corrosion-resistant tubular steel construction. Available in two sizes. The small luggage rack (not shown) allows you to combine other attachments from the multifunctional BMW roof rack system.

Lockable racing cycle holder

Suitable for racing cycles with quick release skewers on the front wheel. A holder for securing the front wheel to the base support system is also available.

Accessories - Versatility

Luggage compartment tensing straps

Two tear-resistant nylon straps to secure items in the luggage compartment easily, quickly and safely to existing eyelets.

Luggage compartment tray

Shatter-proof, acid proof and impact resistant. The tray completely covers the luggage compartment floor.

Luggage compartment fitted mat

Fitted non-slip luggage mat made from heavy duty plastic. Resistant to oil and solvents to protect the cars interior.

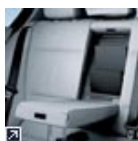

Folding box

Can be erected quickly and secured with a Velcro-type fastener. For loads of up to 20 kg.

Protective rear cover

A separate cover made from high-quality textile fibres that can be attached by fitting over the front and rear headrests. Waterproof, dirt-repellent and washable.

Stowaway module

Offers two compartments one on top of the other, which open when pressed gently - for storage of smaller sized items.

Towing hitch

Only suitable for trailer loads of up to the maximum permissible weight. This information is set out in the vehicle's Owner Handbook.

Luggage compartment floor net

Secures objects of various sizes, quickly and safely, to existing eyelets.

Luggage compartment anti-slip mat

Non-slip, precision-fit mat made of durable plastics that's oil- and solvent-resistant.

Cool bag

CFC-free electric cooler which cools its contents to approximately 20 degrees centigrade, below the temperature inside the car. Capacity:12 litres.

Coat hanger

Can be easily attached to a headrest.

Umbrella holder

With matching BMW umbrella. Installed in the front passenger footwell for ease of use.

Cupholder module

When opened, this module can hold two drinks securely and offers two extra small storage options.

Accessories - Safety and security

Park Distance Control (PDC) front and rear

Makes parking and manoeuvring the car easier. Obstacles closer than a distance of approximately 1.5m are detected and signalled by an acoustic warning. Available individually or as a package.

Headlamp washers

Clean headlamps ensure that the road is perfectly lit at all times.

Outdoor car cover

This breathable and washable car cover is easy to handle. Heat reflective and completely waterproof, it has a silver-coloured, dirt-repellent surface with a BMW logo.

Front fog lamps

Throw a wide beam onto the road and reduce backglare.

Reversing camera

For reversing safely. On selecting reverse the area behind the car is filmed via a 131 degree wide angle lens of a camera in the boot lid. Images are then displayed on the on-board monitor. For vehicles without an on-board monitor, a display monitor can be fitted in the place of the air vent.

Halogen reading light

An anti-dazzle light for map reading. The flexible arm allows you to adjust the beam in any direction.

Accessories - Safety and security

Towing bar and cable

Child Seat

As an extension to the BMW child seats, BMW recommends the FAIR G 0/1 ISOFIX (Bimbo Fix XL) with integrated belt system. Further information on this child seat can be found on the external website www.fairbimbofix.com/indice_e.htm.

Warning triangle with holder
