Accessories - Versatility

Snowboard holder

Lockable for up to two snowboards.

Luggage rack

High load capacity. Corrosion-resistant tubular steel construction. A small luggage rack allows you to combine other attachments from the multifunctional roof rack system.

Touring cycle holder, lockable

Sturdy attachment for transporting a bicycle with frame tube diameter of up to 80mm. Also suitable for mountain bikes. Single locking set for fitting up to four touring cycle holders on the base support system.

Dog guard

Black anodised grille partition. Easily removed if required.

Trailer tow hitch

For high towed weights up to 2700kg. The trailer tow hitch is not visible when the tow ball is removed.

Ski holder

Ski holder for up to four or six pairs of skis.

Racing cycle holder

Suitable for racing cycles with quick release skewers on the front wheel. A holder to secure the front wheel to the base support is also available.

Bicycle lift

For all BMW roof rack systems. A bicycle can be lifted on the roof rack and taken down again effortlessly. Suitable for different sized bikes.

Moveable cargo platform

Comfortable solution to loading and unloading can hold up to 75kg in extended position. Your BMW dealer will be happy to advise.
