# TRACKER

Monitor • Horizon • Response

ENSURE YOUR VEHICLE IS SAFE WHEN YOU'RE NOT AROUND

D.All TRACKER systems are operated by the UK's 52 police forces, allowing the police to track and recover vehicles undercover, underground and even in a container. With full Thatcham TQA accreditation and backed by expert trained fitters in your local Chrysler dealership, you can rest assured that your vehicle is being monitored every minute of the day. In addition most insurance companies will offer a discount for any vehicle fitted with an enabled TRACKER system.

**TRACKER MONITOR** operates using TRACKER's proven Very High Frequency (VHF) technology. In the event of a theft where the vehicle is moved with the ignition turned on, the motion sensor will alert TRACKER who will in turn notify you. Part Number 82201200

**TRACKER HORIZON** has all the functionality of TRACKER MONITOR with the added benefit of Global Positioning System (GPS) Part Number 82201201

**TRACKER RESPONSE**, based on a unique combination of GPS and VHF tracking technologies and utilising GSM communications, TRACKER RESPONSE provides an unrivalled entry into the vehicle tracking marketplace with an interactive customer website offering the ability to track the vehicle during journeys and storing historical travel information for a 6 month period.
