## Genuine accessories for the SL-Class

Mercedes-Benz

Please note: changes may have been made to the products since this brochure went to press (01.03.2008). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by Daimler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.

## Legends

Mercedes-Benz is a brand steeped in tradition. And everything the brand stands for is reflected in the SL. This is a model series that has been making pulses race ever since the legendary gullwing 300 SL first began to adorn roads around the world.

What can we do for your pulse? Our range of products is designed to ensure that your SL matches your own personal vision. Try adding **incenio** designer wheels, for example. There are plenty of exclusive designs to choose from – designs that ooze dynamism, elegance and harmony.

All you have to do is follow your heartbeat.

**Nashira** | 5-twin-spoke wheel, multi-piece **incenio** designer wheel | Finish: sterling silver, high-sheen rim flange

# TELEMATICS

Whether it's an iPod or another MP3 player, with the Media Interface from Mercedes-Benz your valuable player stays hidden from prying eyes while you control the playback and listen to the music

**Media Interface consumer cables<sup>1</sup>**  
 For models with optional extra "Media Interface" (Code 518)

Set of 3 cables, designed to connect various players (one at a time) to the pre-installed Media Interface in the centre console. Allows you to select tracks and adjust the playback via your car's COMAND system.

The current status of your player also appears in the central driver's display, helping you to keep your attention focused on the traffic.

Designed to connect iPods [2] and devices with USB<sup>2</sup> [3] or AUX [1]

**COMAND APS with 6-DVD changer**  
 The new COMAND APS now offers even more convenience and freedom when you're on the move: your route is navigated with impressive speed, thanks to the integral hard drive. The MUSIC REGISTER has up to 4 GB of memory, offering virtually unlimited space for your favourite music. COMAND APS plays back music from DVDs and CDs and from SD memory cards. The optional Media Interface (see page 16) also allows you to connect your mobile music player. And for convenience and enhanced safety, all of these functions can be controlled via your COMAND system. Other features: Bluetooth® connectivity, 6.5" TFT colour display, dynamic route guidance (RDS/TMC), double-tuner radio with 4-channel amplifier for outstanding sound, DVD changer controls

<sup>1</sup> For details and a list of the supported players, please contact any Mercedes-Benz service outlet or visit the "Accessories" section of our website: [www.mercedes-benz.com](http://www.mercedes-benz.com)  
<sup>2</sup> Supports MP3, WMA and AAC. For further details, contact your Mercedes-Benz partner

## Freedom

A Roadster is all about openness. Living life to the full and savouring that feeling of the wind in your hair. The telematics systems in your SL are as open as the roof of your car in spring. Have your SL factory-fitted with the Media Interface and hook up the music player of your choice.

Now all you have to do is decide whether you prefer the sound of music or the rustling wind.

### Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the system's intelligent mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. There are no compromises when it comes to convenience-enhancing technology either: the telephone can be operated via the multifunction steering wheel, and the telephone status and call information are displayed in the central multifunction display - as you would expect.

To use a mobile-phone holder, your car must be factory-fitted with the following optional extra:

► **Code 386: convenience telephony**

Holders are available for popular Nokia and Sony Ericsson mobile phones.

The range of holders is being extended all the time.

Please contact your Mercedes-Benz partner for details

1 | Nokia (6220, 6230, 6230i, 6233)

2 | Sony Ericsson (K800i)

*For further information about using the phone while in your car, see our Telematics brochure. Ask your Mercedes-Benz partner for a copy*

## Exclusivity

An SL is a no-compromises sports car. But it's also a Mercedes-Benz with everything that the name leads you to expect.

Or desire. The wood/leather steering wheel is perfect for those who are looking for that exclusive feel – a desire you made clear when you chose an SL.

### Spectacles box

Universal – adjusts to different sizes of spectacles/sunglasses

### Illuminated door sill panels

High-quality, two-piece door sill panels made from brushed stainless steel. The white illuminated Mercedes-Benz lettering is activated every time you open the door to get in or out. Set of 2

### Wood/leather steering wheel

The exclusive wood/leather steering wheel, with its 3-spoke design, coordinates perfectly with the interior of your SL. It not only underlines your car's dynamic elegance but also offers ergonomic comfort with its contoured thumbrests | leather available in black, pearl or alpaca grey |

### Available wood:

- 1 | burr walnut
- 2 | pale burr walnut
- 3 | ash
- 4 | poplar

### Back cushion

Ergonomic, individually adjustable cushion, designed to support the back on long journeys. Available in anthracite

**“BABY-SAFE plus” child seat**

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg). Removable, washable “DaimlerSquare” cover

**1 | “DUO plus” child seat**

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. With automatic child seat recognition and ISOFIX attachment points. Adjustable tilt. Removable, washable “DaimlerSquare” cover

**2 | “KID” child seat**

Booster seat with height-adjustable backrest. The belt guides at the sides prevent the lap belt from sliding over the child’s abdomen. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (approx. 15 to 36 kg). Removable, washable “DaimlerSquare” cover

**V12 velour mats, velour mats, all-season mats**

Durable, hardwearing materials. Available in various colours to match the interior. Can be clip-fastened to the floor of the vehicle to prevent slipping

| 1 |

| 2 |

*Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition, the technology automatically deactivates the passenger airbag when a child seat with automatic child seat recognition is installed on the passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points.*

*For further information on the Mercedes-Benz child safety range, ask your Mercedes-Benz partner for a copy of our separate brochure*

**Cleanbag**

The ideal way to keep the interior clean when you’re on the move: the “Cleanbag” is simply attached to the net in the passenger footwell or to the ruffled pockets on the back of the seats

# CARGO & CARE

**Alustyle basic carrier bars**  
 The Alustyle basic carrier bars, specifically developed for the SL, are precision-tailored to the vario-roof and are fitted to the A-pillar and the rear. The vehicle must feature the optional extra “pre-installation for carrier systems”. The Alustyle basic carrier bars are compatible with a variety of different roof-mounted accessories (e.g. ski and snowboard rack, bicycle rack and roof boxes)

*“Pre-installation for carrier systems”, Code 726, required before Alustyle basic carrier bars can be fitted*

**Transport and stowage bag**  
 Robust bag, made from a high-quality nylon fabric. Protects the basic carrier bars and makes it easier to transport them

## Holiday fever

Are you familiar with that flustered feeling that seems to descend whenever you're about to set off on a long journey? Or is it just excitement at the prospect of getting back behind the wheel of the SL?

This section is packed with ideas to help you on your travels. The products here are not only perfectly tailored to your SL but are outstandingly safe too. One less thing to worry about.
