# Ready to roll

In this new era of city cars, AYGO takes centre stage with its clever and versatile performance

**Combining the Toyota** characteristics of advanced technology, comfort and safety, AYGO is redefining our perceptions of the urban car. Curvy in all the right places, its dynamic and sporty design reflects its agile performance around city streets.

See how good it looks from every angle. Available with three or five doors, it has a stylish bullet-shaped body, along with distinctive bumpers and headlights. And its unique shape is complemented by the sophisticated choice of colours available – Ice Blue, Chilli Red, Carbon Quartz, Crystal Silver, Tempest Black and the new Lagoon Blue.

But AYGO is more than a head-turner. It's the embodiment of some super-smart thinking, too. The striking headlights, for example, use a double-beam shape to enhance visibility while driving by night. Also, notice how the cabin is positioned further forward than usual, creating a more spacious interior within the compact exterior. Even the doors boast unusual three-step opening, enabling you to open and load your AYGO in a tight space – useful when you're parked side-by-side in a busy car park.

It's this combination of beauty, brawn and brains that adds up to a nimble, practical and fuel-efficient car that's ideal for city living. Intelligent design, minimum hassle, maximum enjoyment: that's AYGO.

**THE DYNAMIC AND SPORTY DESIGN REFLECTS AYGO'S AGILE PERFORMANCE AROUND THE CITY**

## Now take a seat

**AYGO is great** looking on the inside as well as on the outside. Intelligent and stylish design combine to create a spacious, comfortable cabin that's big on quality and functionality.

### SPACE

For a compact car, AYGO is remarkably roomy. Both the three- and five-door versions are just 3.4 metres in length, yet inside there's class-leading space and loads of headroom – enough for anyone up to 1.91 metres (6'3") tall. It's a nippy and easy-to-park city car that's comfortable for both driver and passengers.

### COMFORT AND DURABILITY

The quality fabric seats are sporty, supportive and comfortable. The dashboard has a 'sharkskin' graining, which is hard-wearing and scratch resistant, as well as good looking.

### DETAIL AND FUNCTIONALITY

Attention to detail and a focus on function

are hallmarks of AYGO. The single combined instrument panel features easy-to-read, two-tone displays. Meanwhile, integrated into the compact central console is the CD/radio, which comes with an auxiliary input for your MP3 player. It can even operate for 30 minutes after the ignition key is removed, before turning itself off automatically. The central console is also where you'll find the backlit controls for the optional air conditioning system (available on AYGO+, AYGO Black and AYGO Blue).

### QUALITY ASSURANCE

Every AYGO comes with a three-year standard warranty – a testament to Toyota quality and reliability. You can also extend your warranty until the vehicle is seven years old.

### OPTIONS AND UPGRADES

See AYGO grades, AYGO Option Packs for the lowdown.

# Street sensation

To find out what AYGO is all about, get behind the wheel and take to the streets

**City life is** easier with a car designed for city living. The daily commute, shopping trips, weekends away, visiting family and friends... it's simply more fun in a car made for the job. This is the philosophy behind AYGO by Toyota.

When it comes to making a style statement, AYGO stands out with its dynamic design. Take AYGO out on the street and you'll be similarly impressed: stopping and starting in busy traffic; turning sharp corners; nipping through gaps; parking in tight spaces – AYGO is a joy to drive.

AYGO's city performance is built on a choice of efficient, quiet engines, optimised suspension and a

tight turning circle. The optimised suspension gives you a responsive driving experience, and AYGO's compact size makes navigating narrow streets a breeze. Both the diesel and petrol engines offer excellent levels of torque for effortless driving, in and out of city traffic.

When you arrive, that last parking spot has your name written all over it, thanks to electric power steering, a 9.4-metre turning circle and good all-round visibility. AYGO is available with a choice of either a 1.0-litre VVT-i petrol engine (Variable Valve Timing – with intelligence) or the quiet, smooth 1.4-litre diesel engine.

**TOP GEAR'S CAR OF THE YEAR & SMALL CAR OF THE YEAR 2005** "AYGO IS CLEVER, IT'S GOOD AND, GIVEN THAT IT'S A TOYOTA, IT'S RELIABLE. BUT BEST OF ALL IT HAS CHARACTER... IN A POST-MINI WORLD, THAT'S ESSENTIAL"

MICHAEL HARVEY, EDITOR, TOP GEAR MAGAZINE

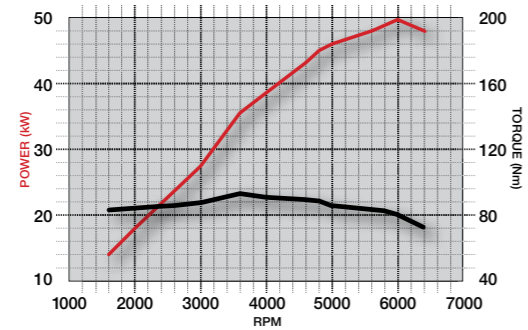

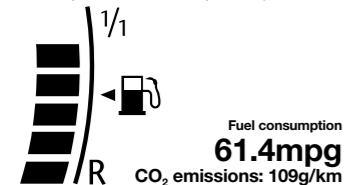

### CHOOSE THE PETROL ENGINE ...

The 1.0-litre VVT-i petrol engine delivers agility and performance without compromising the environment – or your bank account. This three-cylinder engine accelerates quickly and, at 69kg, it's the lightest engine on the market. It's been engineered to give you high levels of torque at low engine speeds, which means you get better acceleration in the stop-start world of city driving.

Toyota's sophisticated VVT-i technology is the brains behind class-leading fuel economy (61.4mpg) and low emissions. The petrol engine is also available with a choice between a five-speed manual gearbox or an advanced five-speed MultiMode (M/M). MultiMode enables you to switch between the convenience of an automatic system and the direct, sporty feel of a manual transmission, with no reduction in fuel economy.

### PETROL

Toyota's sophisticated VVT-i technology delivers class-leading fuel economy (61.4mpg), low emissions (109g/km; road tax is just £40 per annum) and excellent torque (93Nm/3,600rpm; delivering more power at low speeds)

MultiMode combines the convenience of an automatic system with the direct sporty feeling and economy of a manual

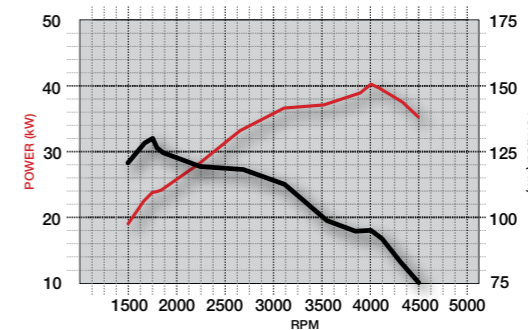

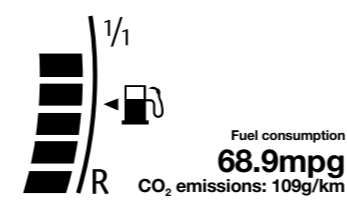

### ... OR OPT FOR DIESEL

The 1.4-litre turbocharged diesel engine features all-aluminium construction and plenty of torque at low revs (130Nm/1,750rpm). High-pressure common-rail diesel technology means that this engine is quiet, smooth and remarkably fuel efficient (68.9mpg combined, see below), making it more than a match for life on city streets.

It's made quieter still through the use of a revolutionary engine-mount system (also used for the petrol engine), which uses a combination of two lateral engine mounts and a torque rod. The result? The amount of noise and vibration transmitted into the cabin is drastically reduced, and you enjoy a comfortable and quiet driving experience.

### DIESEL

The new 1.4-litre diesel engine offers outstanding fuel economy (68.9mpg) and plenty of low-down torque for easy city driving (130Nm/1,750rpm). Emissions are low (109g/km)

The 1.4-litre diesel engine features high-pressure common-rail diesel technology for quiet yet powerful performance

# AYGO safety

From airbags to advanced braking systems, discover a range of high-tech measures to keep you and your car safe

## BODY STRENGTH

AYGO's strong bodyshell takes advantage of Toyota's Minimum Intrusion Cabin System (MICS), which disperses and absorbs impact energy during collisions from the front, side and rear.

## BRAKES

Every AYGO has an anti-lock braking system (ABS) to help you keep control during sudden heavy braking. In addition, electronic brake-force distribution (EBD) automatically applies the best braking force to each wheel to compensate for different weight loads during cornering and heavy straight-line braking.

## AIRBAGS

With three-point seatbelts both front and back, you and your passengers can travel in confidence. Each front seatbelt incorporates pre-tensioners and force limiters to provide added protection.

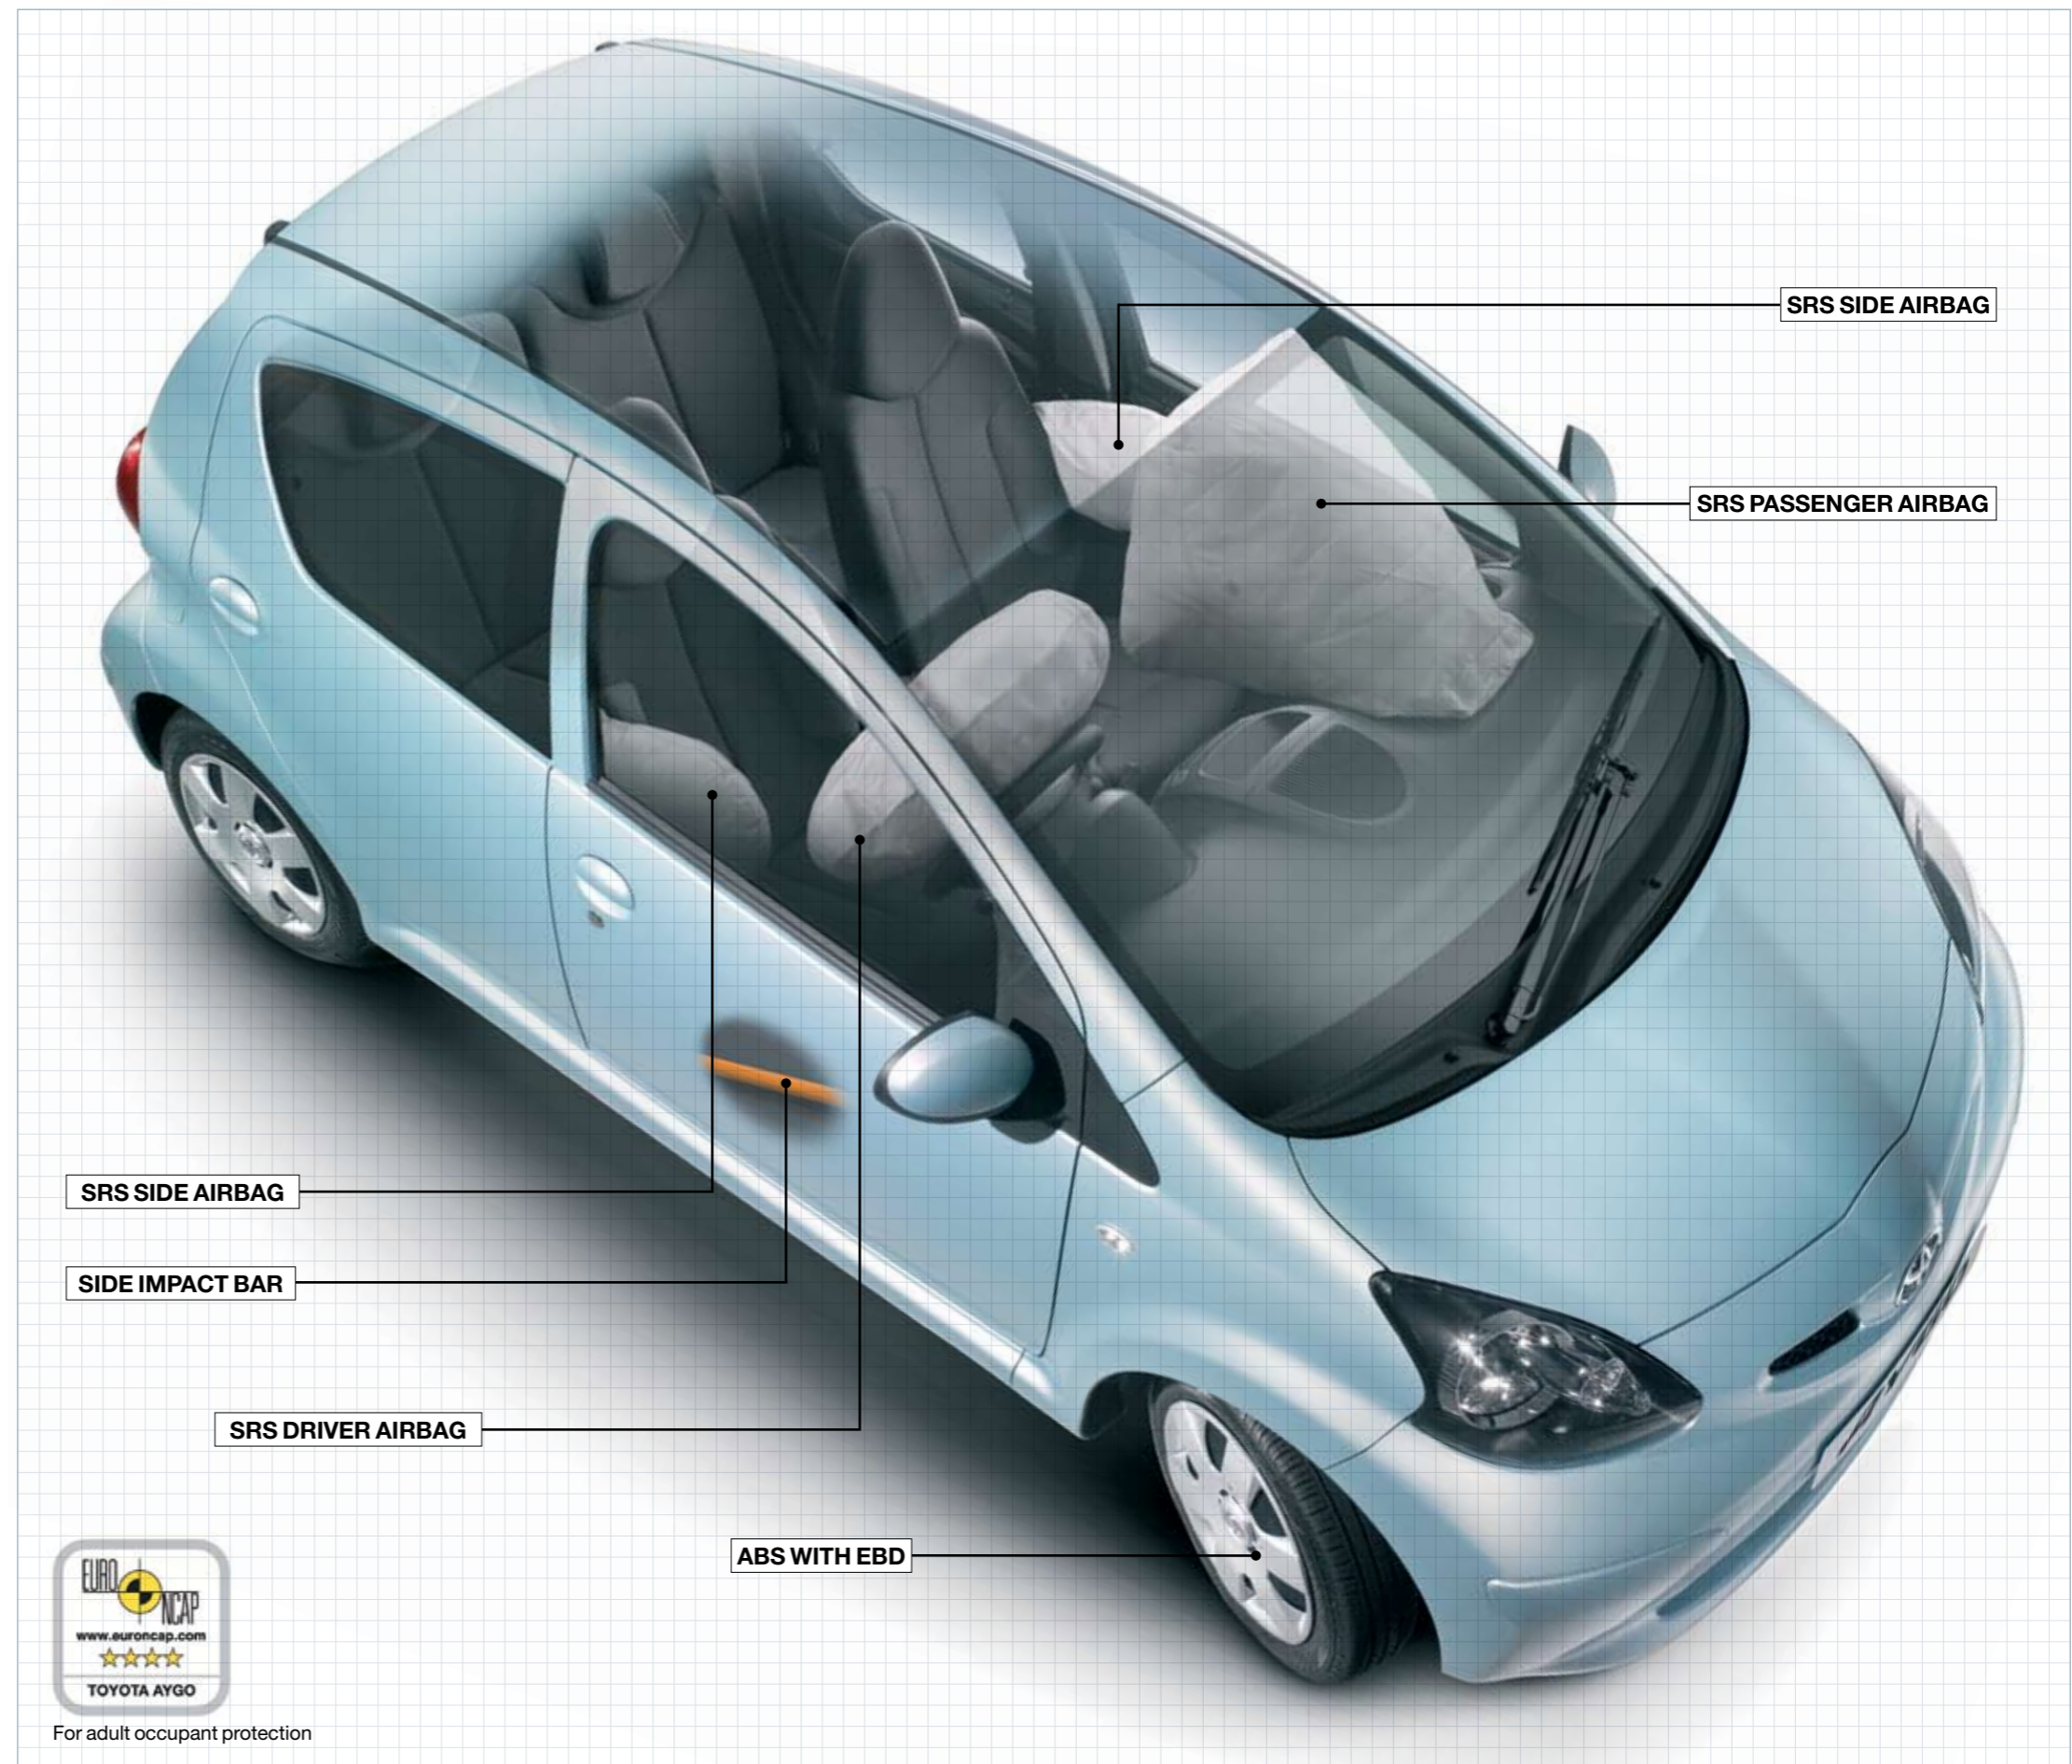

SRS driver and front passenger airbags are fitted to every vehicle, SRS side airbags are standard on AYGO+ and above, and SRS curtain airbags are available on all models as part of the AYGO Upgrade Pack. For smaller companions, ISOFIX anchor points – an easy and safe way to fit child seats – are standard equipment on AYGO+ and above.

## STAR RATING

AYGO's safety features have resulted in the following star ratings from Euro NCAP, the European New Car Assessment Programme: four stars for adult occupant protection; three stars for child protection and two stars for pedestrian protection.

## ANTI-THEFT

You can rest easy when you leave your car parked – every AYGO boasts an anti-theft engine immobiliser as standard.

TODAY TOMORROW **TOYOTA**

# Toyota and you

Drive away an AYGO for less! From great finance plans to the superb benefits of complimentary Club Toyota membership, you're better off with a Toyota

## AYGO Drive

**AYGO Drive** is a range of finance plans that make buying and maintaining your AYGO a breeze.

**Simplicity:** it's not always easy to get your hands on a big deposit, so we offer Easy Start. With the equivalent of just one monthly payment in advance you could drive away a new AYGO.

**Flexibility and easy budgeting:** all our Drive Plans are based on fixed monthly payments and our Personal Contract Purchase plans give you flexibility and choice at the end of the agreement. You can either part exchange for a new model, pay the final payment and keep your AYGO, or hand the car back with nothing more to pay.\*

To work out your own quote online, visit us at [www.aygo.co.uk](http://www.aygo.co.uk), or talk to your local Toyota Centre. Toyota professionals will be able to help you work out which Drive Plan suits you best, as well as tell you about any current finance offers that are available.

Finance subject to status to over-18s only, indemnities may be required. Toyota Financial Services (UK) PLC, Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UZ.

\*Subject to fair wear and tear and mileage.

## AYGO Insure

As an AYGO owner, you're eligible for AYGO Insure\*, offering you a 24-hour one-stop claim service and an additional year's No Claims Discount (NCD) to help reduce your premium! For example, if you have zero NCD, the AYGO Insure quotation includes a one year bonus – that's a 35% discount. If you already have an NCD, AYGO Insure increases that by a year – so if you have two years' NCD, for example, you receive three years' NCD when you sign up with AYGO Insure.

In addition, drivers who have passed the Pass Plus advanced driving test receive an additional 5% discount.

For a typical 25-year-old single male living in London, insurance could cost over £2,000 per year. With AYGO Insure, he could make a saving of over £900!

The benefits of AYGO Insure include a free courtesy car, immediate repair authorisation and a three-year repair guarantee. Comprehensive cover also includes legal, medical, personal effects, audio and personal accident cover, plus free European cover of up to 45 days. For details, visit [www.toyota.co.uk](http://www.toyota.co.uk) or call 0800 350 500.

\*Terms and conditions apply. Applicants must be at least 17 years old.

## Toyota Accident Assistance

Toyota provides a comprehensive accident management service to all Toyota drivers, giving advice, assistance and practical help free of charge in the event of an emergency.

## Toyota Warranties

Every new Toyota comes with a three-year/60,000 mile manufacturer's warranty, covering your car against the unlikely event of a manufacturing defect causing a mechanical fault, a paintwork defect or surface rust. After the initial warranty period has ended, you can extend your warranty until the vehicle is seven years old – choosing from a range of packages to suit your vehicle and your needs. All of our warranties cover the main component parts of the vehicle\*, meaning that you pay for nothing beyond routine servicing and maintenance, so there are no unexpected bills to pay.

\*With the exception of batteries, exhaust corrosion and wear damage to the interior.

## Club Toyota

When you buy a Toyota, you automatically become a member of Club Toyota for 12 months free of charge. This entitles you to a host of benefits, including free RAC Roadside Assistance in the UK and Europe, special rates for travel insurance, plus exclusive offers and promotions through a quarterly magazine. For further information please call 0845 275 5555.

# ACCESSORIES

## Leisure and travel

Take your skis, surfboard or bicycle on holiday with you – AYGO's luggage range offers all the solutions

AYGO cool/hot bag to keep your food and drink just the way you want it.

The use of the term 'AYGO Accessories' should not be taken to imply that the products in these pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. The After Sales Division is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.

An aluminium roof rack takes the strain, and leave lots of room for you inside. For extra versatility, choose holders for bikes (01), surfboard or sailboard and mast (02), skis (03), luggage, or a ski box. All holders are fitted to the roof rack. The Duo Plus child restraint seat (04) is for children between eight months and four years (approx 9 to 18 kg).

# Protection plus

Keep your new AYGO in pristine condition with a range of protective technology and accessories

**AYGO PARKING AID:** just the job for when space is tight, with rear sensors to warn you of unseen obstacles.

**SIDE AND REAR MOULDINGS:** help prevent minor damage to the paintwork.

**FRONT AND REAR MUD FLAPS:** shield your AYGO from spray and stone chips.

**BOOT LINER:** protects against accidental damage and spillages.

Also available:

- RUBBER MATS
- TAILORED CARPET MATS

*Mandatory in many European countries:*

- EMERGENCY KIT (containing a warning triangle and first aid kit)
- FIRE EXTINGUISHER

**Please contact your local Toyota Centre for further information and fitted prices of AYGO accessories**

# Gizmos and gadgets

From hands-free phone calls to a CD autochanger, there's a range of voice and music solutions for a life on the move

**BLUETOOTH® HANDS-FREE SYSTEM:** for easy, seamless calls on the move. Command your phone simply with your voice. (Requires Bluetooth®-compatible phone.) Standard on AYGO Blue.

**6-DISC CD CHANGER:** for extra choice on long journeys. Fits neatly out of the way, too.

**THE MONITOR AND HORIZON TRACKER SYSTEMS:** stolen-vehicle solutions to suit your needs. Based on proven technology, all TRACKER systems use a dedicated network of land-based radio transmitters that enable the police to locate a stolen vehicle. The Horizon system also incorporates a satellite location device which will even locate a vehicle hidden in a container, an underground car park or a garage.

Also available:  
**REMOVABLE ASHTRAY:** fits into the cupholder. Includes a lid, to keep your AYGO smelling fresh.

**AYGO HANDS-FREE TELEPHONE KIT:** features an interchangeable, cable-free cradle – so you only have to replace the cradle when upgrading your phone, not the whole system. Three models are available to suit your handset model, and if your friends use the same technology, they can use the cradle too!

# AYGO Custom Leather

With a palette of colours available and a stylish two-tone design, AYGO Custom Leather is a luxurious and sophisticated choice

**AYGO CUSTOM LEATHER**  
For the ultimate personalisation of your AYGO, choose a full front-and-rear-seat leather interior, in a colour to suit your personality. Choose from the options shown when you order your car.

*Please contact your Toyota Centre for full information.*

**EMBROIDERED MATS**  
Add that final touch of individuality to your AYGO's interior with a full set of tailored carpet mats. Choose from red trim (01), Ice Blue trim (02), grey trim (03) or black trim. Lagoon Blue-trimmed mats are standard on AYGO Blue.

# AYGO Hide: seek out luxury

As an urban style-setter, you can trim your AYGO's front seats with a bold combination of smooth leather and tactile Alcantara

**AYGO HIDE**  
**This exclusive upholstery** option finishes the headrests, arm bolsters and lower seat panels of the two front seats in dark grey leather. Meanwhile, toning dark grey Alcantara – a material which has the feel of suede but is much harder wearing – is used for the centre panel and back of the seats. The look is finished off with contrasting red double stitching around the seams and an 'AYGO by Toyota' logo embossed on each of the headrests. The AYGO Hide option also provides additional storage, thanks to seatback pockets on the front seats.

*AYGO Hide should be specified at the time of ordering your AYGO. Please contact your Toyota Centre for information.*

# AYGO PACKS

Make your AYGO even smarter with these upgrade, travel, protection and styling packs

## 01/AYGO UPGRADE PACK

The AYGO Upgrade Pack includes Vehicle Stability Control (VSC) and Traction Control (TRC), together with a range of additional safety and comfort features for each grade (see table, below).

VSC is a major safety feature that automatically uses differential engine power and braking, distributed to each of the four wheels individually when skidding or other loss of grip is detected. The TRC system further supports the stability of the vehicle by controlling wheelspin.

The AYGO Upgrade Pack provides enhanced safety features and total peace of mind.

## 02/AYGO EXPLORE

AYGO Explore lets you integrate state-of-the-art TomTom satellite navigation into your car. AYGO Explore consists of a tailored installation kit compatible with TomTom

GO710 models. It also links the device to your car's loudspeakers, so you can get the full benefit of voice guidance, iPod connectivity, Bluetooth® hands-free calling (requires a Bluetooth®-compatible handset) and more.

*(Please note that the AYGO Explore pack does not include a TomTom satellite navigation system. The devices are available separately, via TomTom's retailer network.)*

## 03/AYGO PROTECTED

Three great accessories combined to protect your AYGO against wear and tear, inside and out.

### Side protection mouldings

Side protection mouldings are a smart and effective way to guard against minor knocks. Available in black, but they can be painted to match your car's body colour.

### Front & rear mud flaps

AYGO mud flaps are tailored to prevent excessive mud spray and reduce stone-chip damage. Rubber mats Protection for your carpets is provided by tailored-fit ultra-tough rubber mats.

## 04/AYGO XTRA PROTECTED

For protection against knocks to bodywork, plus great looking mats to protect carpets.

### TPA 400 Parking Assist

Even with a car as manoeuvrable as the AYGO, a

parking aid system is a great help in car parks or when reversing close to low objects. Rear sensors automatically activate in reverse gear, and are linked to an interior audio alert that becomes progressively louder as you approach an obstacle.

### Velour carpet mats

Take extra care of your carpets and add a touch of luxury with a full set of tailored mats.

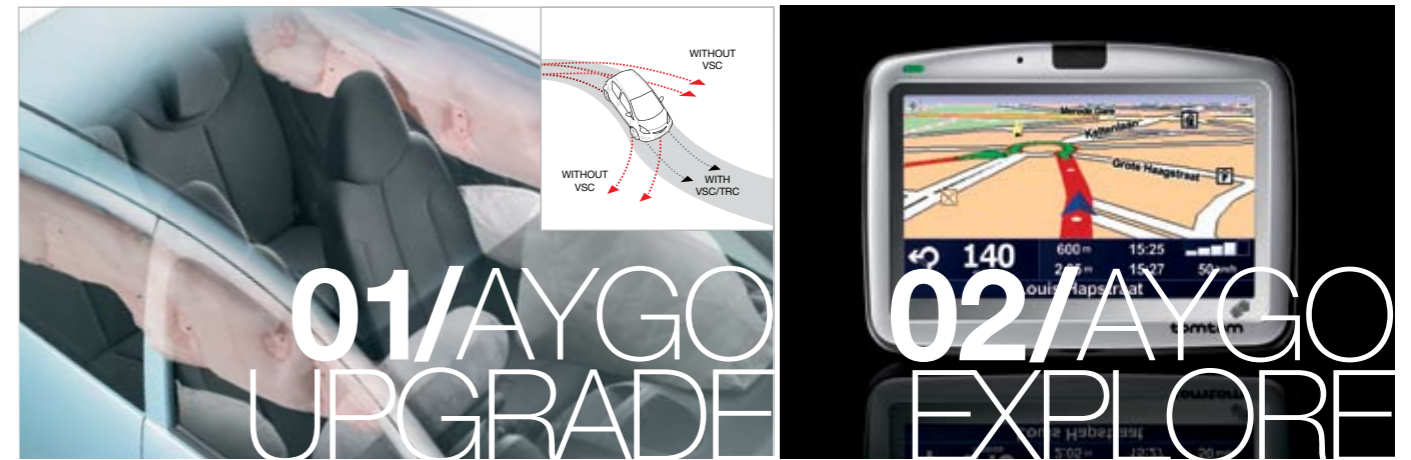

### Rear protection moulding

A first line of defence against knocks and dents to your bumper, the bumper protector can be painted to match your AYGO's body colour.

**Plus:** this pack includes side protection mouldings and front and rear mudflaps, as featured in the AYGO PROTECTED pack.

## 05/AYGO TRAVEL

This tailor-made functional Samsonite luggage set will fit perfectly into your AYGO. The two-tone grey set includes a rucksack, wheel duffel bag and a glovebox bag.
