

More touches of luxury

With Avensis TR, you'll find much in the way of indulgence. Take features like dual-zone climate-controlled automatic air conditioning, for instance. Or cruise control to make driving less tiring*. Rain sensor wipers anticipate the weather even before you do, while a leather steering wheel and gear shift knob add even more refinement to the cabin. There are also heated, retractable side mirrors and an electrochromatic rear-view mirror that cuts out glare from headlights behind you.

Enhancing the vehicle's looks even further are automatic headlamps, front fog lights and attractive 17" alloy wheels*.

Avensis TR is available with a choice of three engines. And whether you opt for a 1.8 VVT-i petrol, 2.0 D-4D or 2.2 D-4D 140 diesel engine, you can be confident of a powerful, responsive performance on the road.

Avensis TR. Upgrade to luxury today.

* Available with D-4D engines.

The T Spirit headlamps are fitted with an automatic dusk sensor which turns the lights on and off according to light conditions on the road.

17" alloy wheels

Arresting 17" alloy wheels are available with D-4D engine options.

Introducing Avensis TR. Refined elegance at its best

Some decisions in life are worth making – take the sophisticated Toyota Avensis TR.

Here, alluring looks, outstanding performance and advanced technology converge to form a vehicle of supreme quality, where every detail has been meticulously crafted and considered. Avensis TR is a driving experience full of understated charm that whispers rather than shouts. An experience that's undeniably premium, yet never ostentatious. And an experience that creates a quiet inner confidence that some choices are made for all the right reasons.

Enjoy a better quality of life

Driving the Avensis TR, it's difficult not to believe it isn't twice the price. Few vehicles, after all, take you where you want to go in such comfort, or so effortlessly. Fewer still are designed so clearly with the driver in mind, combining superior comfort with the technology to make your every trip one of ease and convenience. Add to that the sleek, curved lines that make up its distinct stylish look and you can't help but conclude the Avensis TR offers unrivalled sophistication, both inside and out.

You know you've arrived

Avensis TR is equipped with an advanced new map navigation system that gets you to your destination with the minimum of

fuss. Easy to operate, an intuitive touch-screen monitor displays a full colour map that highlights your journey and displays nearby landmarks in 3D. And to entertain you en route, the screen is incorporated into a radio and CD player that can be operated by ergonomic controls integrated into the steering wheel. The player is also MP3 compatible, which means you can play a CD containing digital music files in MP3 format that you've downloaded from a PC and enjoy crisp, clear sound.
