Yaris TR

The Toyota Yaris TR. The small car, reinvented

With its vibrant looks, generous interior space and exceptional performance on the road, the Yaris TR redefines what a small car ought to be.

Designed around you and your lifestyle, Yaris TR offers levels of innovation and ingenuity so advanced, you can't help feeling that this is one car that's nothing short of being a class above. With all the Yaris TR offers, it deserves a huge amount of respect.

First impressions count. And to see the Yaris TR for the first time is to be struck by its stylish, dynamic body shape. Yet there's even more to surprise and thrill once you get inside. The whole interior room has been maximised, leaving you with the kind of space you'd expect to find only in a much bigger car.

And of course, there's the flexibility of 60/40 fold-down seats and a large boot capacity. Not only that, Yaris TR is also equipped with Easy Flat seating, which folds the rear seats down, fully flat, in a second – simply with a quick pull of a lever. Refined quality is everywhere too, from ergonomic features as seemingly small as easy-to-reach cup holders, to touches like a 3D digital meter display as standard.

Whether you choose a three- or a five-door model, Yaris TR comes with some tempting engine options. A 1.3 VVT-i petrol engine or 1.4 D-4D diesel engine both are available either as a manual or as MultiMode transmission, which allows you to

switch easily between manual and automatic depending on traffic. Whichever you go for, you can expect power and agility when you're out on the road and that's something you'll find difficult not to admire.

The small car that's also big on features

When it comes to what's included as standard, the Yaris TR doesn't compromise. Its existing beautiful looks are furthered with features such as 15" Savara alloy wheels with locking wheel nuts as well as front fog lamps. The door handles are silver, as is the handbrake trim – and the leather gear shift knob has an eye-catching silver-look trim too. From its adjustable leather steering wheel, you can also operate the six-speaker radio/CD player, which has the added advantage of being able to play MP3s. Manual air conditioning is standard. Protection is a big feature too, so you'll also find remote central locking, an engine immobiliser and even scuff plates to protect against marks.

As for safety, the Yaris TR has no fewer than nine airbags, including curtain and knee airbags. And, a 5-star Euro NCAP rating that speaks for itself.

Whether you go for Chilli Red, or a metallic finish in Eclipse Black, Venetian Silver or the new and exclusive Decuma Grey, your Yaris TR will deliver everything you wouldn't expect a compact car to do. And much, much more.

Set your pulse racing with the Yaris SR 1.3 & 1.4

Introducing a Yaris to be reckoned with. Where remarkable innovation meets exceptional power. Where clever modularity goes hand in hand with unrivalled performance. And where class-leading design is matched by striking looks guaranteed to get the adrenaline pumping.

This is the new Yaris SR 1.3 and 1.4. The compact car, not just redefined, but complete with an all-round racy look and feel that opens up the road in ways you never thought possible. Something you'll discover the moment you get behind the wheel.

Powerfully thrilling

Yaris SR is available with a choice of two tempting engines. A 1.3 petrol engine which uses advanced VVT-i technology to deliver sharp responsiveness that you'll feel the second you press the pedal. Or, alternatively, there's a 1.4 D-4D diesel engine incorporating Toyota's sophisticated common rail technology which results in more precise engine control, giving you instant power when you need it. Both options ensure every trip you make is a powerful experience you'll come to relish.

Looks as good it drives

With the Yaris SR 1.3 or 1.4, you'll find style that's just as dynamic as the on-road performance. Take turbine-style alloy wheels, for instance, which are sure to stand out from the crowd. Not to mention an attractive rear spoiler and a chrome finish on the exhaust, significantly enhancing the vehicle's sporty feel. Inside, you'll also discover a unique brushed-aluminium gear knob to polish off its appealing appearance. And because it's an appearance worth preserving, protective scuff plates are included too. Finally, you can add your own aesthetic touch by specifying whether you'd prefer Chilli Red or metallic Vivid Blue, Eclipse Black and Venetian Silver.

Enjoy a compact car that will set your pulse racing. Enjoy the Yaris SR 1.3 and 1.4.

Yaris SR 1.8

Experience the ultimate in exhilaration with the Yaris SR 1.8

Are you ready for uncompromising thrills? For a highly refined small car that doesn't let up on excitement? Where class-leading levels of convenience, flexibility and spaciousness blend seamlessly with unrelenting sportiness?

Then prepare to meet the Yaris SR 1.8. High-octane, high energy and highly sought after, this is one car where sporty looks clearly take the lead. From the inside out, there's no denying the powerful allure of this Yaris. Nor the feeling of exhilaration it gives you.

A truly moving performance

No matter where you're headed in the Yaris SR 1.8, you can count on anticipating the journey. A strong VVT-i petrol engine, capable of an impressive 133 DIN hp and 173 Nm of torque as well as 0–62 mph in just 9.3 seconds, provides you with smooth, quick-to-respond power at every turn. Not only that, the suspension has also been deliberately lowered for a driving experience that really hugs the road. Indeed, the Yaris SR 1.8 has the accolade of delivering the best responsive performance and refinement in its class.

Stylishly eye catching

From every vantage point, the Yaris SR's magnetic looks leave a lasting impression. Exclusive bumpers, front grille and a rear spoiler complement an aerodynamic body shape comprised of smooth, fluid lines. And stylish 17" alloy wheels, side skirts and an attractive sports exhaust enhance the sense of raciness the exterior evokes. Inside, there are even more sporty features designed to please the eye; including analogue meters, unique sporty seat fabric – even sporty pedals. All in all, Yaris SR 1.8 is as much a pleasure to look at as it is to drive. And to complete the look, you can choose from four alluring colours –Chilli Red, Alsace Granite or metallic Eclipse Black and Vivid Blue.

Revolutionise your experience of the small car. And feel the power of the stunning, exhilarating Yaris SR 1.8.

Yaris SR 1.4
