	Option code	2KC	2CH	2KF
				
All Sport models		£0	£100	£475

BMW EfficientDynamics
Less emissions. More driving pleasure.

£1,315 saving is calculated based on the cost of specifying the options individually. Please note that images shown may include options available at additional cost. Figures in brackets refer to optional automatic transmission. *Please refer to the BMW 1 Series Price List for full details.

The new BMW 1 Series Sport

With near-perfect 50:50 weight distribution, award-winning BMW EfficientDynamics engine technologies and as the only car in its class with rear-wheel drive, the BMW 1 Series already sets the benchmark for dynamic performance, handling and agility.

But with the new Sport trim, now available on the 116i, 116d and 118d 3 and 5-door models, you can enhance this sporting character even further with £1,315 worth of complimentary additional equipment, over the corresponding ES model:

- 17" Star-spoke style 256 alloy wheels
- Front foglights for increased safety and visibility
- Heated exterior mirrors and windscreen washer jets
- Network cloth upholstery in Anthracite, Monaco Blue or Cranberry Red
- Sport leather steering wheel with multi-function controls
- Sport seats with electric side bolster adjustment

Every BMW 1 Series model comes equipped with a range of BMW EfficientDynamics technologies to deliver lower fuel consumption and reduced emissions, without compromising the class-leading performance.

This means for example, that both the 118d (2008 World Green Car of the Year) and the 116d (the cleanest and most fuel efficient BMW ever produced) will cost just £35 in annual road tax and travel over 700 miles on a single tank on the combined cycle.

The new BMW 1 Series Sport models provide a superior combination of sporting performance, enhanced efficiency and customer value – all adding up to an even more rewarding driving experience.

The BMW 118d - 2008 World Green Car of the Year

This is how much has gone in.

The pleasure you get from driving a BMW is the result of fine engineering – always setting the benchmark because it is based on much more than engine power. This is the thinking behind BMW's programme of EfficientDynamics. A change in philosophy, this programme of technologies helps to make positive changes in reducing CO₂ emissions and improving fuel consumption whilst enhancing driving dynamics. Changes for both today and tomorrow. Today's solutions include Brake Energy Regeneration, an innovative process for harnessing energy previously lost. As for tomorrow – even more advanced technologies to improve emissions and fuel consumption as we move towards BMW's vision of CleanEnergy and the use of hydrogen-powered engines. Nothing lost, but much gained. BMW EfficientDynamics: pushing the boundaries in terms of performance and dynamism – without compromise.

High-precision direct injection

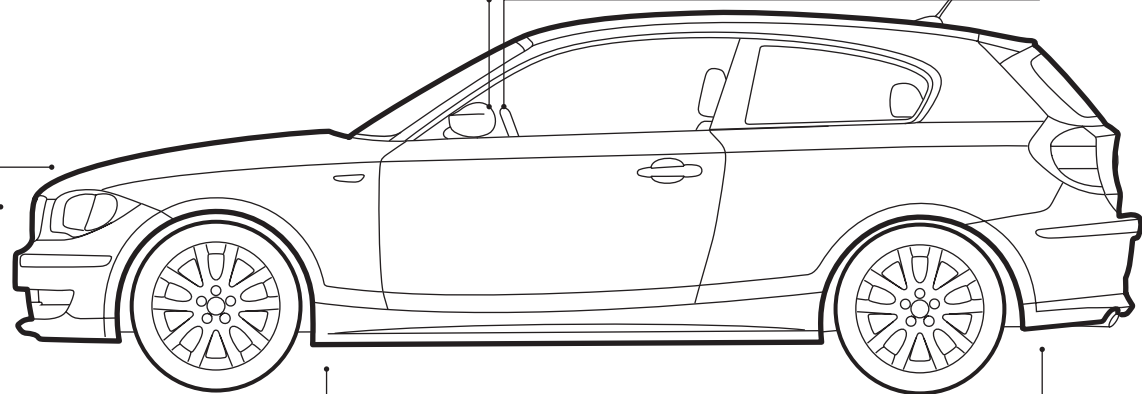

In this cutting-edge generation of petrol direct injection, the Piezo injectors are positioned very close to the spark plugs. They inject the fuel at high pressure and with extreme precision. This ensures an outstanding power-to-consumption ratio. (Standard on 116i, 118i, 120i.)

Auto Start-Stop

BMW four-cylinder engines with six-speed manual transmission automatically shut down when the vehicle is stationary, for example at a red light or in traffic, when the driver shifts to neutral and releases the clutch. The engine restarts as soon as the clutch is activated again. This innovation significantly reduces fuel consumption especially in city traffic. (Standard on 116i, 118i, 120i, 116d, 118d, 120d, 123d.)

Optimum Shift Indicator

Timely gear shifts are one of the most effective and easiest ways to save fuel. This is where Optimum Shift Indicator in conjunction with six-speed manual transmission comes in. It shows the driver the most fuel-efficient gear to select for any driving situation. (Standard on all models.)

Active Aerodynamics

Engine management signals the engine's current cooling capacity requirements constantly while driving. Rendering a permanent airstream through the radiator unnecessary. The air vents in front of the radiator open or close depending on the environmental temperature and road speed. When shut they improve aerodynamics, shorten the engine's warm-up time and so reduce fuel consumption. (Standard on 116i, 118i, 120i, excluding M Sport models.)

Electric Power Steering

In comparison with conventional, hydraulic steering systems, the electrical steering only uses energy during actual steering. When the steering wheel is in a constant position – for example at high speed along the motorway – the electronic motor is inactive. (Standard on all models.)

Brake Energy Regeneration

The alternator disengages automatically when the battery is fully charged, only re-engaging when the battery needs charging. In addition, the system engages automatically when the car's brakes are applied or when coasting, to recycle otherwise wasted energy. (Standard on all models.)

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.

And this is what comes out.

BMW already offers 81 models* with CO₂ emissions of 140 g/km or less. But that's just for starters. We're carrying on our research – in the quest to bring you more driving pleasure and less consumption.

* In the UK and Republic of Ireland.

Post-budget pricing

This insert is designed to be used with the BMW 1 Series 3 Door Sports Hatch Price List and details revised pricing information following the 2009 Government Budget announcement concerning changes to Vehicle Excise Duty bands and rates. The pricing found here is therefore valid from 1 May 2009 onwards.

Full technical data and details of standard and optional equipment can be found in the main Price List.

The recommended on the road price includes:

Delivery and BMW Emergency Service	£655
Number plates	£25
Vehicle first registration fee	£55
Vehicle Excise Duty (12 months)	See left

116i

Engine

- Catalytic converter
- Digital Motor Electronics (DME)
- Double-VANOS
- Four-cylinder in-line petrol engine with high-precision direct injection with four-valve technology
- Oil level display

Transmission

- Gear lever, short-shift
- Six-speed manual transmission

Wheels and chassis

- 16" steel wheels with tyre size 195/55 R16
- Electric Power Steering
- Lightweight double-joint spring-strut front axle with aluminium strut brace
- Lightweight five-link rear axle
- Mobility tyre sealing system

Safety and technology

- Airbags:
 - Airbags, front sides (seat-integrated)
 - Crash sensor activating central locking release, hazard warning lights, fuel cut-off and interior lighting
 - Impact-Depending Airbag System (ID Airbags), driver and front passenger ITS head airbags – driver, front passenger and rear
- Alarm system (Thatcham 1) with remote control and engine immobiliser
- Brake Force Display
- Child locking system, rear doors (5-door only)
- Deformation zones – front and rear with door reinforcements and bumpers that regenerate to their original shape in impacts of up to 2.5 mph
- Disc brakes, front and rear with brake pad sensors
- Dynamic Stability Control (DSC) comprising:
 - Anti-lock Braking System (ABS)
 - Automatic Stability Control (ASC)
 - Cornering Brake Control (CBC)
 - Dynamic Brake Control (DBC)
 - Dynamic Traction Control (DTC)
 - Electronic Brake-force Distribution (EBD)

Safety and technology (cont.)

- First Aid kit and warning triangle
- Halogen headlights
- Head restraints – rear, foldable and removable
- High level third brake light
- On-Board Diagnosis (OBD)
- Seat belts – inertia reel at the front with pyrotechnical belt latch tensioner, belt force limiter, belt restrainer and manual height adjustment
- Seat belts – three with inertia reel, rear (two when four-seat configuration is specified)
- Side impact protection
- Tyre Puncture Warning System (TPWS)
- Visible VIN

Seats

- 60:40 split folding rear seat
- Child seat ISOFIX attachment, front and rear, with front passenger airbag deactivation
- Five seats
- Seat adjustment – front, manual
- Seat height adjustment – front, manual

Exterior equipment

- All round anti-corrosion system with partial hot galvanising, phosphate treatment and cathodic dip paintwork, preservation of hollow cavities, underfloor protection
- Exhaust tailpipe – single, oval
- Exterior mirrors – electric adjustment
- Exterior parts in body colour:
 - Bumpers
 - Door handles
 - Side sills
- Indicator lenses, clear
- Kidney grille chrome with black vertical slats
- Luggage compartment access via BMW Roundal
- Non-metallic paintwork
- Wash wipe system, rear
- Windscreen washer jets
- Windscreen wipers with adjustable intermittent intervals

Interior equipment

- Air microfilter
- Battery in luggage compartment with jump start facility in engine bay
- Central locking switch
- Courtesy lights, front and rear with soft on/off dimming
- Door sill finishers with BMW designation
- Electra cloth upholstery
- Electric windows – front and rear (rear 5-door only), with open/close fingertip control, anti-trap facility and comfort closing function (5-door only)
- Floor mats, velour
- Handbrake lever, gear lever knob and gaiters in Sensatec
- Lights-on warning
- Luggage compartment strap for small items
- Silver interior trim
- Smoker's package
- Start-Stop button
- Steering column with manual reach and rake adjustment
- Steering wheel, three-spoke
- Storage compartments in door panels, front and rear (rear 5-door only)
- Sun visors with vanity mirrors and ticket pocket
- Toolkit located in luggage compartment
- Two lashing eyes in luggage compartment

Audio and communication

- Auxilliary input point for auxilliary playing devices
- BMW Business radio with single CD player (with MP3 playback capability)
- On-Board Computer (OBC) comprising:
 - Average speed
 - Fuel consumption and range
 - Information display – analogue instruments combined with liquid crystal display
 - Journey Computer
 - Outside temperature display
- Personal Profile functions
- Power socket in rear of centre console – 12V

116d

Equipment in addition / replacement to 116i

- Common-rail injection system
- Diesel Particulate Filter (DPF)
- Digital Diesel Electronics (DDE)
- Incorrect fueling protection system
- Oil level sensor with dipstick
- Turbo

All ES models

Equipment in addition / replacement to base models

- 16" light alloy V-spoke style 229 wheels
- Air conditioning, manual

All SE models

Equipment in addition / replacement to base models

- 16" light alloy Double-spoke style 222 wheels
- Air conditioning, automatic with two-zone control
- Armrest – front, centre
- Exterior mirrors, heated
- Foglights, front
- Park Distance Control (PDC), rear
- Sport multi-function leather steering wheel, three-spoke
- Windscreen washer jets, heated

120i SE, 120d SE

Equipment in addition / replacement to SE models

- Exhaust tailpipe – single, chrome
- Satin Silver interior trim

123d SE

Equipment in addition / replacement to SE models

- 17" light alloy V-spoke style 141 wheels
- Door sill finishers with BMW designation, chrome plated, front and rear (rear 5-door only)
- Exhaust tailpipe – single, black-chrome
- Extended lighting
- Exterior trim, Chromeline (3-door)
- Exterior trim, High-gloss Shadowline (5-door)
- Handbrake lever, gear lever knob and gaiters in leather
- Network cloth upholstery
- Rear-view mirror, automatically dimming
- Run-flat tyres
- Two-stage, twin-turbo

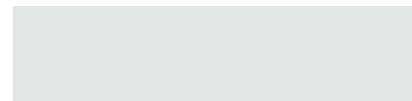

All M Sport models – four cylinders
Equipment in addition / replacement to SE models

- 17" light alloy Double-spoke style 207M wheels
- Aluminium Glacier Silver interior trim
- Door sill finishers with M designation, chrome plated
- Exterior trim, High-gloss Shadowline
- Handbrake lever and gear lever knob in leather
- Headlining, Anthracite
- M aerodynamic bodystyling
- M Sport multi-function leather steering wheel, three spoke
- M Sport suspension
- Run-flat tyres
- Rear-view mirror, automatically dimming
- Sport seats in Flashpoint cloth/Sensatec, front

130i M Sport
Equipment in addition / replacement to M Sport models – four cylinders

- 18" light alloy M Double-spoke style 208M wheels
- Dynamic Stability Control Plus (DSC+) comprising:
 - Brake drying
 - Brake fade compensation
 - Brake pre-tensioning
 - Hill-start assistant
 - Soft-stop
- Exhaust tailpipes – twin, matt chrome
- Extended storage
- Kidney grille, chrome with chrome vertical slats
- Rain sensor with automatic headlight activation
- Six-cylinder in-line petrol engine
- VALVETRONIC engine management

These colour samples are designed to give you a first impression of paints and materials. Experience has shown however, that printed versions of paint, upholstery and trim colours cannot in all cases faithfully replicate the colour appearance of the originals. We recommend therefore that you consult your local BMW Dealer on your preferred choices.

Transmission

Automatic transmission	205	○	○	○	○	○	○	○	○	○	-	-	-	-	○	○	○	○	○	○	○	£1,430
Six-speed automatic transmission with Steptronic sequential manual mode. Includes shift/interlock and adaptive transmission control (AGS). 130i and 123d models come with steering wheel mounted gear-shift paddles and sporting gearchange characteristics.											○											£1,510

Wheels and chassis

Active Steering	217	-	-	-	-	-	-	-	-	-	○	-	-	-	-	-	-	-	○	○	○	○	£905
Actively assisted steering system that reduces the number of turns lock to lock at slower speeds assisting parking and turning in cities. Inversely at higher speeds the ratio varies to ensure greater stability and optimum dynamics. Only with 530 / 534.																							
M Sport suspension	704	○	○	○	●	○	○	●	○	●	○	○	○	○	○	○	○	○	○	○	○	○	£230
Factory fitted M Sport suspension providing firmer, more sporting ride and reducing ride height by 15 mm. Standard in Dynamic package.																							
Servotronic	216	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£170
Varies the level of assistance according to the vehicle speed. At low speeds, steering will be light due to a high level of power assistance. As speeds increase, there will be less level of assistance to help the driver hold the correct line.

Services and Benefits.

Warranties

Every BMW registered is protected by a Dealer Warranty, which provides cover for 3 years' unlimited mileage. In addition, every BMW is covered by an unlimited mileage, twelve years' anti-corrosion warranty and three years' paintwork warranty.

Full details of these warranties are available from your BMW Dealer and are provided in the BMW Warranty and Emergency Service Handbook.

BMW Emergency Service

BMW Emergency Service is the only roadside and assistance programme designed specifically for BMW vehicles offering an exceptional range of benefits and services. It is available 24 hours a day, 7 days a week and utilises a dedicated fleet of BMW Approved Technicians, equipped with Genuine BMW Parts and tools, ensuring that you and your vehicle receive the best possible care in the event of any motoring emergency. This tailor-made programme has been specifically designed to meet the needs of BMW drivers travelling in the UK and Continental Europe giving complete reassurance and peace of mind. Every new BMW is covered for three years.

BMW Magazine

Every new BMW customer receives a complimentary subscription to BMW Magazine. This lifestyle publication features all the latest news and developments from BMW, including interesting interviews, sporting news, travel experiences and art stories.

Finance and Insurance from BMW.

BMW Financial Services

Chances are, you've already decided on the BMW you want to drive. Now discover the perfect finance solution to get you behind the wheel. BMW Financial Services offers a range of tailor-made finance packages to suit you and your budget.

And to help you, at every BMW Dealership, there's a Financial Services Specialist – a dedicated expert who'll find the perfect solution for you. They'll talk you through the options and help you come to the right decision.

Our comprehensive range of finance and insurance products include:

- **BMW Select (Personal Contract Purchase)**
- **BMW Hire Purchase**
- **BMW Contract Hire**
- **BMW Car Insurance**
- **BMW Home Insurance**
- **BMW Travel Insurance**

For details of your local BMW Dealer, please call 0800 325600. Further information on our finance products can be found at www.bmw.co.uk

Finance is subject to status and available to over 18's in the UK only (excludes the Channel Islands). Guarantees and indemnities may be required. Finance is provided by BMW Financial Services, Europa House, Bartley Way, Hook, Hampshire, RG27 9UF.

BMW Car Insurance

Driving a BMW shows that you refuse to compromise on the quality of your car so why should your car insurance be any different? Designed for you, BMW Car Insurance offers cover that can help give you peace of mind.

Call BMW Car Insurance today on 0870 0240 520.

Lines open 8am – 8pm Monday to Friday, 9am – 5pm Saturdays. Max call charge from a BT landline is 8p a minute. Calls from other networks may vary.

BMW Car Insurance is underwritten by UK Insurance Limited. The Wharf, Neville Street, Leeds, LS1 4AZ, which is authorised and regulated by The Financial Services Authority.

BMW ConnectedDrive.

BMW ConnectedDrive provides telematic and online services that are fully integrated with your navigation and Bluetooth telephone system. The services provide you and your passengers access to key information from within the vehicle, helping you keep safe and in touch.

Emergency 999 SOS call

The emergency SOS call provides a direct link to a 999 emergency call centre. This call can either be activated manually, or in extreme situations the sensors in the vehicle will automatically make the call and transmit your location to the emergency services. In either instance you can be assured that help can be despatched without delay.

Breakdown call

Roadside breakdown assistance is never far away because with BMW ConnectedDrive your vehicle will have a direct link to the BMW Service Centre. This link automatically provides the operator with your vehicle details and position so that a BMW Approved Technician can be despatched quickly and easily.

Information Plus

At the push of a button local information is available wherever you may be in the country, using the Information Plus service. The service is available 24 hours a day, seven days a week and connects you to an operator who will be able to quickly access the information you need. You can request places of interest, from hotels and restaurants to museums or historical attractions. The information is then sent to your car and can then be used in your navigation system to plan a route to your destination, or to make a call on your Bluetooth telephone.

My Info

As a BMW ConnectedDrive customer you will be able to access an internet website from where you, or others, can send information to your vehicle. Multiple addresses and telephone numbers can be sent to your vehicle, they can then be transferred into your navigation system or your Bluetooth telephone. Using the My Info service you can also send residential addresses or business listings via Google Maps. When you have found a place of interest or entered the address in the map, there is a send-to-car function on the website, this will send the address and telephone number to your vehicle.

Remote Services

Remote Services provides you with the facility to contact the BMW Service Centre, who can remotely lock or unlock your vehicle. You will be required to activate your vehicle and set-up your own personal security questions within the ConnectedDrive website. After you have set-up the service, should you be in a situation where you have accidentally locked your keys in the car, the BMW Service Centre will be able to unlock your vehicle. Likewise, if you are not near your car and you cannot remember if you have locked the car, our call centre can remotely lock the vehicle for you.

Extended News and Weather

BMW ConnectedDrive provides you with access to a WAP-based browser which connects to the BMW Online portal. The portal displays the latest Weather forecast and Extended News stories from categories such as World, Business and Sports News.

My News

From your BMW Online portal, My News provides you with a selection of the latest news from internet sources, which can be defined as you desire. Through these RSS news feeds, titles and short summaries of news items from websites will be visible directly in the Control Display of your BMW. This gives you quick access to your favoured news topics and enables you to keep in touch.

Google local search

With the Google local search you can access location based information via Google Maps, from the BMW Online portal in the car. Information such as hotels and restaurants can be requested at the current vehicle location, navigation destination or at any other specific location. The content is taken directly from live Google Maps information. Search results appear in a list format, the addresses can be transferred into the navigation system or the telephone number can be transferred to a Bluetooth telephone. Some search results contain additional information such as opening hours, car park details or pictures of the location.

Routes*

With Routes you have the facility to import a route with multiple stop-off points into the navigation system. BMW Routes provides a number of default routes across Europe for you to import in your car via BMW Online. My Routes allows you to configure your own routes on the ConnectedDrive website. They can be saved onto a USB memory stick and you can import them directly into your vehicle. This provides you with the facility to plan a trip from the comfort of your own home.

*Routes is only applicable to vehicles with 609 BMW Professional Multimedia Navigation system.

BMW ConnectedDrive website

As a BMW ConnectedDrive customer you will have access to an internet website with a route planner, traffic information and text message service. The website provides a link to your vehicle by allowing you to send information to your car. You can also modify your news links for My News, or set-up Remote Services for your car. Additional services such as profile settings and a handy help page are also featured.

A three year BMW ConnectedDrive subscription is included with every vehicle equipped with an optional navigation system (606 or 609) and Bluetooth telephone preparation with telematics (633). In conjunction with Bluetooth telephone preparation with telematics (633), unlimited use of BMW ConnectedDrive is included within the subscription.

In the UK ConnectedDrive services require a connection to a UK mobile telephone network. Services are not available on the Isle of Man or the Channel Islands. Some services are available in other European countries, refer to your BMW dealer for more details. Terms and conditions apply.

Aftersales.

BMW Service Inclusive

Wouldn't it be good to know all your servicing costs in advance? Well, that's exactly what BMW Service Inclusive provides. Once you have decided which of the options best suits your needs, you can simply relax, and look forward to enjoying care-free driving, courtesy of BMW Service Inclusive.

BMW Service Inclusive lasts for 5 years or 60,000 miles (whichever occurs sooner), so all you need to do is decide which option suits you best. BMW Service Inclusive – covering all your vehicle's servicing requirements or BMW Service Inclusive Plus which in addition to servicing also covers maintenance items such as brakes pads, brake discs and windscreen wipers.

Furthermore, BMW Service Inclusive is transferable to subsequent owners within the time and mileage period, enhancing the resale value of your car.*

*For further information please contact your local BMW Dealer.

Genuine BMW Accessories

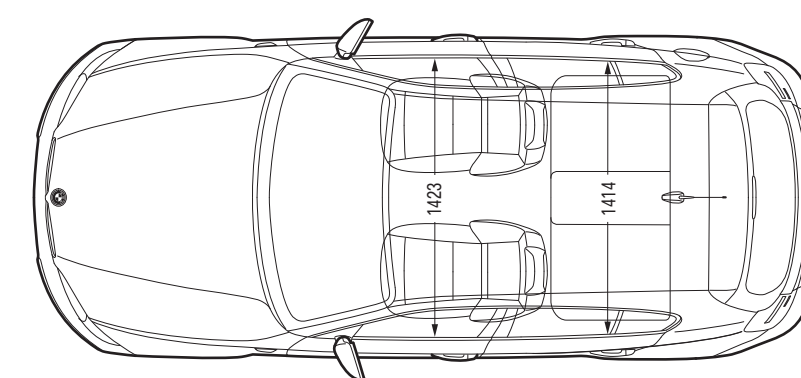

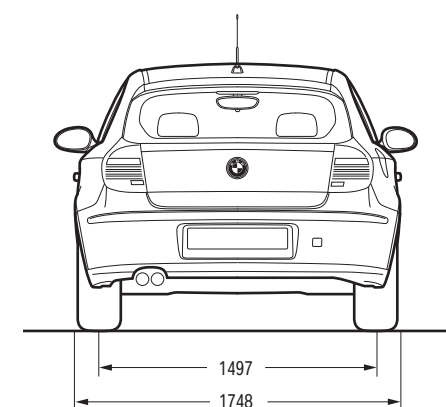

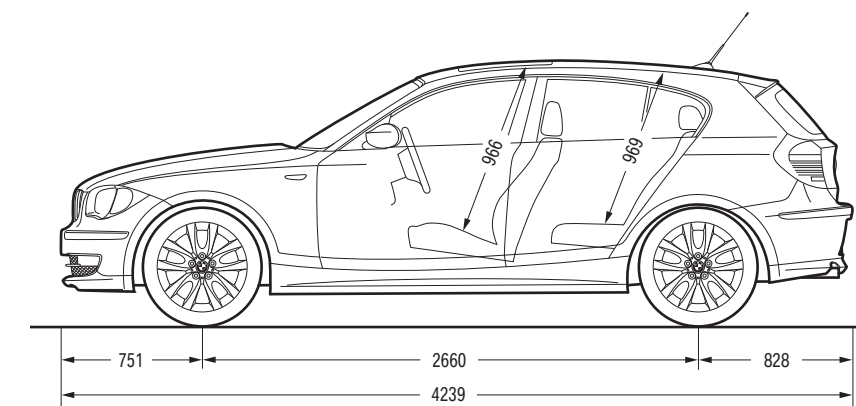

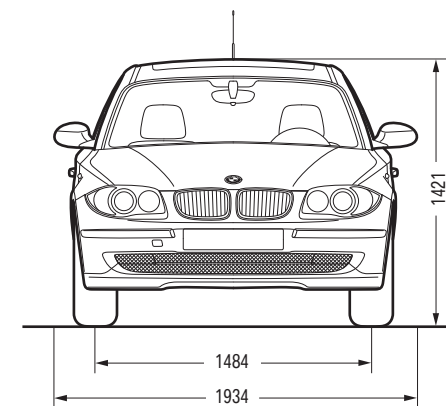

Your choice of car says a great deal about you. Genuine BMW Accessories allow you to make that statement even more personal. There's endless scope for personalising your BMW to suit your needs and style, with a wide range of accessories from exterior and interior styling to mobile communications, all of which have been designed to the same exacting standards as your vehicle. For further details on Genuine BMW Accessories for your BMW, please contact your local BMW Dealer.

BMW Lifestyle

The BMW Lifestyle Collection reflects the exclusivity and versatility of BMW design. This innovative product range demonstrates the highest quality in both materials and functionality. The extensive product portfolio includes clothing and accessories items such as miniatures, keyrings, leather goods, mountain bikes, kids' mobility products, golf accessories, motorsport and yachting products.

BMW 1 Series 3-door and 5-door Sports Hatches

All dimensions in millimetres. Luggage compartment capacity (as per VDA standard): 330 to 1,150 litres. Model shown here is a BMW 1 Series 5-door.

¹ 0-62 mph is equal to 0-100 km/h.

² The petrol engines are designed for RON 98 grade fuel. They can be run on fuel down to RON 91 with a decrease in power.

³ All engines meet the EU4 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption.

⁴ The figure quoted includes a 90 per cent tank filling, 68kg for the driver and 7 kg for luggage. Unladen weight applies to vehicles with standard. Optional equipment may increase this figure.
⁵ Electronically limited.

Figures in () apply to cars with automatic transmission.
