The BMW 1 Series 125i Coupé

BMW UK

Introduction

BMW 1 Series Coupé

The exciting new BMW 1 Series Coupé is the halo product for the 1 Series family. The classic Coupé design includes frameless doors for a long, stylish appearance, and a powerful, dominant rear, which is emphasised by the integrated rear spoiler. This sporty yet sophisticated look focuses the new BMW 1 Series towards a particularly refined and modern audience. Showcasing BMW's new EfficientDynamics technologies and offering best in segment driving dynamics, the new 1 Series Coupé also prides itself on exceptional agility, handling, rigidity and excellent power to weight ratio. All these features reinforce the new BMW 1 Series Coupé as a true performance model.

Pricing

Price shown as 'on the road'

125i SE	£23,425
125i M Sport	£25,280

Company car tax

Car benefit charges for cars with an approved CO2 emissions figure

Model Description	CO2 Taxband	CO2 Emission
125i SE	26% (26%)	190.0 (190.0)
125i M Sport	26% (26%)	190.0 (190.0)

Company car tax information for automatic cars is shown in brackets.

BMW EfficientDynamics delivers impressive emissions reductions and better fuel consumption without sacrificing driving pleasure. This is achieved through a combination of intelligent engine management systems, innovative new technologies and the use of lightweight materials.

Active Aerodynamics.

Actively controlled air flaps regulate air flow to the engine and braking systems. By opening and closing these flaps, the engine is able to reach its operating temperature quicker, whilst vehicle drag is also reduced – helping the car move through the air more easily and reducing fuel consumption and emissions.

Electric Power Steering.

By using an electric motor to assist the steering, not only is the system lighter in weight than conventional hydraulic power steering, thereby reducing fuel consumption and emissions – but assistance can also be varied to aid the driver at lower speeds.

Brake Energy Regeneration.

Intelligent Alternator Control monitors battery condition, engaging the alternator only when the battery requires recharging. This reduces the demands on the engine, reducing fuel consumption and emissions. In addition, when the car's brakes are applied or when coasting downhill, this system automatically engages the alternator to charge the battery, recycling energy that would otherwise be wasted.

Lightweight Engineering.

The overall weight of the vehicle is reduced through the use of lightweight materials such as thermoplastic, aluminium and magnesium alloy. The results are enhanced driving dynamics and improvements in both fuel economy and weight distribution.

The BMW 1 Series 125i Coupé

BMW UK

Optimum Shift Indicator.

A small visual display on the car's instrument cluster shows the optimum gear for any driving situation. This gives drivers the opportunity to adopt a more fuel-efficient driving style.

The BMW 1 Series 125i Coupé

BMW UK

Accessories - Introduction

The new BMW 1 Series. Nothing comes close to touching this masterpiece. Push the start button and you're poised for a new driving experience. The only car of its size to boast the combination of rear-wheel drive and a longitudinally mounted engine, along with everything they stand for: superb agility and solid stability. And then there's the power. The sheer energy of a BMW engine, efficient and so smooth it purrs. You expected a lot from the new BMW 1 Series and that's what you've got. But there's more. This brochure shows a range of Genuine BMW Accessories for the BMW 1 Series that are every bit as well made and stylish. Add individuality to your choice of car.

Accessories - Exterior styling

M aerodynamic kit

The M front apron, M side skirts and M rear apron are the perfect complement to the flowing lines of the BMW 1 Series Coupé, giving the car a dynamic, purposeful look.

18" W-spoke 263

18-inch, cast alloy wheel design.

18" Radial spoke 216

18-inch, cast alloy wheel design. With BMW Motorsport lettering.

18" Star spoke 264

18-inch, cast alloy wheel design.

18" Double spoke 182

18-inch, cast alloy wheel design.

Accessories - Interior styling

Door entry strips

In stainless steel. Available in illuminated and non-illuminated versions, with BMW lettering.

Interior trim options in brilliant black

Includes interior trim strips for the dashboard, centre console and doors. Matching decorative strips for the leather-covered sport steering wheel. Leather-covered gear lever knob and the handbrake grip are also available.

Stainless steel pedal set

A stylish detail in the footwell.

Leather-covered sport gear lever knob with decorative strip in chrome

The shortened gear lever knob accentuates the sports car feel of the interior.

Accessories - Mobile communications

Garmin® nüvi® 205WT

- Full turn-by-turn prompts with voice guidance, unit will prompt you to "Turn right in 500 feet"
- Pre-loaded with regional mapping (UK and Ireland)
- 2 year warranty
- Easy-to-use, 4.3" touchscreen display
- Full UK postal code search
- Vehicle suction cup mount
- Detailed 3D or 2D birds-eye view mapping
- GTM 25 integrated FM TMC traffic receiver with free lifetime subscription which notifies you of traffic and automatically suggests alternative routes*
- Includes Garmin Lock™ anti-theft feature
- Configurable car icons
- Built-in lithium-ion battery: lasts up to four hours depending on usage
- Safety camera alerts enabled by Cyclops™ data (30 days free trial subscription to download updates)
- Sleek, ultra-slim design fits easily in pocket
- Auto re-route (fast off-route and detour recalculation)
- Custom POI's (ability to add additional points of interest)
- Photo navigation (navigate to geotagged photos)
- High-sensitivity GPS receiver for improved performance and reception
- Trip computer records mileage, max speed, total time and more
- Built-in travel kit includes features such as picture viewer, world clock, currency and measurement converters and calculator
- SD memory card expansion slot
- Unit dimensions: 4.8"W x 2.8"H x 0.8"D
- Weight: 173g

Garmin® nüvi® 300T Euro Pack

- Full turn-by-turn guidance with voice prompts
- Preloaded with regional mapping (UK & Ireland)
- Full UK postal code search
- 3.5" touch screen display
- Detailed 3D or 2D birds-eye view mapping
- GTM 12 integrated FM TMC traffic receiver with free lifetime subscription which notifies you of traffic and automatically suggests alternative routes**
- Garmin Lock™, an anti-theft feature
- Configurable car icons
- Rechargeable li-ion battery (4-8hours)
- Safety camera alerts enabled by Cyclops™ data (3 month free trial subscription to download updates)
- Detailed points-of-interest (POI)
- Upload custom POIs
- Detailed street level guidance
- MP3 & audio book player
- World clock
- Calculator
- Currency & measurement converter
- Picture viewer (jpeg format)
- Travel guide (optional)*
- Language translator (optional)
- Vehicle suction cup mount
- SD memory card expansion slot
- 12-volt adapter
- Carry case
- PC/USB interface cable
- Headphone jack/audio line out
- Owner's manual
- Quick reference guide
- Size: 9.8W x 7.4H x 2.2D cm
- Weight: 144.6 g

Additional Features†

- European mapping on SD card

iPod interface

For endless musical variety while you're at the wheel. The iPod is stored safely out of sight in the glovebox, and connected directly to the car's audio system via the iPod interface. Operation is via the multifunction buttons, the iDrive controller or the BMW radio.

Garmin® nüvi® 610T Euro plus Travel Pack

- Full turn-by-turn guidance with voice prompts
- Preloaded with regional mapping (UK & Ireland)
- Full UK postal code search
- Widescreen 4.3" touch screen display
- Detailed 3D or 2D birds-eye view mapping
- Bluetooth wireless technology for hands-free calling
- GTM 21 integrated FM TMC traffic receiver with 12-volt adapter and free lifetime subscription which notifies you of traffic and automatically suggests alternative routes**
- Garmin Lock™, an anti-theft feature
- Configurable car icons
- Rechargeable li-ion battery (3-7 hours)
- Safety camera alerts enabled by Cyclops™ data (3 month free trial subscription to download updates)

Accessories - Versatility

Rear-mounted carrier, lockable

Allows two bicycles to be transported. A holder for skis and snowboards is also available. Even when items are being carried on the rear-mounted carrier, the tailgate can still be opened.

Ski and snowboard holder, lockable

Suitable for carrying two snowboards and two pairs of skis, or up to six pairs of skis. Poles can also be carried.

BMW roof box 460

Designed for convenient and easy loading, thanks to an innovative system that opens from both sides. Features anti-theft triple central locking on both sides for added peace of mind. Includes ski rests. Available in silver or black.

Accessories - Safety and security

BMW Approved Stolen Vehicle Recovery products

Car thieves are becoming more sophisticated. Fortunately for you, so is BMW's additional security. BMW is a company of constant innovation. This on-going programme includes the advancement of anti-theft devices for your vehicle. If your vehicle already has security equipment, it is likely that BMW's additional security can enhance the factory-fitted system you presently rely on. This includes the availability of the ultimate BMW Approved, stolen vehicle recovery systems, which are now able to locate vehicles in Europe* as well as mainland Great Britain. Once installed by BMW factory trained technicians, the products may entitle you to a reduction in your vehicle insurance premiums.

*Please contact your BMW Dealer for further details.

Junior Seat I-II

The BMW Junior Seat I-II with height and tilt adjustable backrest and restraint cushion is an ideal solution for children between 9 months and 7 years (9 to 25 kg body weight). The restraint cushion offers ideal protection to children from 9 months up to approx. 4 years: It reduces the impact of the forces acting on the cervical spine in the event of an accident. For children with a body weight in excess of 18 kg or approx. 3.5 years, the restraint cushion is no longer used. Your child is then secured in using the vehicle seat belt.

Junior Seat II-III

The BMW Junior Seat II - III has a size scale for up to 150 cm which allows optimum setting of the headrest and upper belt guide. With side, height and seat back adjustments the Junior seat II-III has been designed with optimum safety and comfort in mind. ISOFIX preparation may only legally be used for children up to 18 kg. Accordingly, the BMW Junior Seat II-III is not available with the ISOFIX option. The seat is secured by the vehicle's own three-point seat belt with belt guides for simple mounting.

Baby Seat 0+

The ideal seat for the smallest of children weighing up to 13-kg (approx. 18 months). The system consists of a frame installed in the vehicle and a portable baby shell.

The BMW Baby Seat 0+ is fitted in the opposite direction of travel. This significantly reduces the pressure exerted on the child's cervical spine in the event of a frontal collision. With the optionally available seat size reducer, the BMW Baby Seat 0+ can be ergonomically adapted to fit newborns.

Junior Seat II

The BMW Junior Seat II is offered without restraint cushion for children over 15 kg and approx. 3.5 years.

The ISOFIX preparation may only legally be used for children up to 18 kg. Accordingly, the BMW Junior Seat II is not available with the ISOFIX option.

Accessories - Car care

BMW Seal & Protect

BMW Seal & Protect is the only fully approved BMW paint, interior carpet /cloth upholstery protection system. It provides an outstanding long-lasting shield against the environment and safeguards your investment by preserving the high quality finish of your car's surfaces. Utilising high-performance sealants, your purchase involves a Dealership-applied BMW Hard Wax to the exterior paintwork. As a result, exterior surface resilience and water repellence is increased by over 300%. And the long-standing protection that BMW Seal & Protect provides simultaneously has a regenerating effect on the paintwork, for a lasting shine.

The same scientific detail is also applied inside your car, with an impregnating agent for carpets and cloth upholstery to ensure that treated materials do not soak through when exposed to moisture.

Please speak to your BMW Dealer for further details.

Cleaning brush for alloy wheels

For cleaning BMW alloy wheels thoroughly. Comes with three different attachments. (Image not shown)

Wheel rim cleaner, 500ml

For Genuine BMW alloy and steel wheels.

Engine and cold-cleaner, 500ml

Rapid cleaner for heavily soiled engines and machine parts. Will not attack paintwork, rubber or plastics. (Image not shown)

Accessories - Car care

Interior cleaner, 250ml

For cleaning all materials in the interior. (Image not shown)

Windscreen cleaner with antifreeze

Prevents the water in the windscreen washer system from freezing. (Image not shown)

Ice scraper

With three different edges for ice, frost and dew. (Image not shown)

Castrol top-up pack

(Image not shown)

Window cleaner with anti-misting additive. Spray can, 300ml.

Removes traces of ingrained dirt, silicone and oil. (Image not shown)

Windscreen cleaner for summer use.

For windscreen washer systems. (Image not shown)

Concentrated cleaner for windscreen washer, 25ml

For windscreen washer systems. (Image not shown)

Stain remover, 1000ml

Removes tar and oil grease stains from seat covers, leather and plastic parts. (Image not shown)

Silicone spray, 300ml

A colourless universal lubricant that can be used on hinges, etc. Also cleans and cares for rubber and plastic parts. (Image not shown)

Leather care agent, 250ml

Protects the leather after general cleaning. (Image not shown)

Chrome polishing paste, 100g

Gives an intense sheen, leaving a silicone film to protect against the effects of weather, corrosion, etc. (Image not shown)

Wash & Wax, 500ml

Just add to the washing water to clean and protect in one. (Image not shown)

Car wax, 500ml.

Gives all new and clean multi-coloured or metallic paintwork a longlasting high gloss finish without smearing.

Car shampoo, 1000ml.

Gloss shampoo which also protects the paintwork. (Image not shown)

Special sprays

A large selection is available from your BMW Dealer. (Image not available)

Door lock de-icer, 50ml

Thaws out frozen door locks. (Image not shown)

Engine protector, 300ml

Protects the engine against moisture and dirt. (Image not shown)

Insect remover, 500ml

Effortlessly removes insects from glass, paintwork, chrome and plastics. (Image not shown)

Window cleaner with anti-misting additive. 500ml

Removes traces of ingrained dirt, silicone and oil. (Image not shown)

Intensive window cleaner

Specially formulated concentrated cleaner for cars with additional windscreen washer system. (Image not shown)

Tar remover, 300ml

The easy way to remove tar, asphalt and oil stains. (Image not shown)

Silicone remover concentrate, 250ml

Removes stubborn dirt such as silicone, oil and grease. (Image not shown)

Plastic care liquid, 200ml

Intensive care product with silicone for all plastic parts, such as the door trims, instrument panel trim and bumpers. It cuts down static and gives a silk matt finish. (Image not shown)

Cockpit spray, 300ml.

(Image not shown)

Transparent wax, 300ml

Protects painted and unpainted surfaces against corrosion. (Image not shown)

BMW Genuine HydroColorSystems

If you require a touch-up stick or spray can, please contact your local BMW Dealer for details.

Car polish, 500ml.

Solvent-free cleansing and care liquid for matt, multi-coloured and metallic paintwork. It contains high-quality, hard waxes which protect the paintwork. (Image not shown)

Window de-icer, 500ml

Clears windows of ice and prevents them from freezing over again. (Image not shown)
