This is how much has gone in.

The pleasure you get from driving a BMW is the result of fine engineering – always setting the benchmark because it is based on much more than engine power. This is the thinking behind BMW's programme of EfficientDynamics. A change in philosophy, this programme of technologies helps to make positive changes in reducing CO₂ emissions and improving fuel consumption whilst enhancing driving dynamics. Changes for both today and tomorrow. Today's solutions include Brake Energy Regeneration, an innovative process for harnessing energy previously lost. As for tomorrow – even more advanced technologies to improve emissions and fuel consumption as we move towards BMW's vision of CleanEnergy and the use of hydrogen-powered engines. Nothing lost, but much gained. BMW EfficientDynamics: pushing the boundaries in terms of performance and dynamism – without compromise.

High-precision direct injection

In this cutting-edge generation of petrol direct injection, the Piezo injectors are positioned very close to the spark plugs. They inject the fuel at high pressure and with extreme precision. The injectors' central positioning means only part of the combustion chamber needs to be filled with an ignitable petrol-air mixture. The engine can then run "leanly" and so efficiently, precisely in the heavily used moderate load range. (Standard on 523i, 525i, 530i.)

Optimum Shift Indicator

Timely gear shifts are one of the most effective and easiest ways to save fuel. This is where Optimum Shift Indicator in conjunction with six-speed manual transmission comes in. It shows the driver the most fuel-efficient gear to select for any driving situation. (Standard on all models with manual transmission.)

Active Aerodynamics

Engine management signals the engine's current cooling capacity requirements constantly while driving. Rendering a permanent airstream through the radiator unnecessary. The air vents in front of the radiator open or close depending on the environmental temperature and road speed. When shut they improve aerodynamics, shorten the engine's warm-up time and so reduce fuel consumption. (Standard on all SE models.)

Brake Energy Regeneration

The alternator disengages automatically when the battery is fully charged, only re-engaging when the battery needs charging. In addition, the system engages automatically when the car's brakes are applied or when coasting, to recycle otherwise wasted energy. (Standard on all models.)

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.

And this is what comes out.

BMW already offers 81 models* with CO₂ emissions of 140 g/km or less. But that's just for starters. We're carrying on our research – in the quest to bring you more driving pleasure and less consumption.

* In the UK and Republic of Ireland.

Post-budget pricing

This insert is designed to be used with the BMW 5 Series Touring Price List and details revised pricing information following the 2009 Government Budget announcement concerning changes to Vehicle Excise Duty bands and rates. The pricing found here is therefore valid from 1 May 2009 onwards.

Full technical data and details of standard and optional equipment can be found in the main Price List.

Prices and specifications

BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

Key Figures in (brackets) apply to cars with automatic transmission. Insurance group figures refer to – 20 Group Rating System / 50 Group Rating System.

VED rates

Annual VED rates for brand new cars are determined by their CO₂ emission figure.

BMW 5 Series Touring models fall into one of the seven categories listed below:

CO ₂ emissions g/km	Band E 131-140	Band G 151-165	Band H 166-175	Band I 176-185	Band J 186-200	Band L 226-255	Band M 256+
Vehicle Excise Duty	£120	£150	£175	£175	£215	£405	£405

On the road price

The recommended on the road price includes:

Delivery and BMW Emergency Service	£655
Number plates	£25
Vehicle first registration fee	£55
Vehicle Excise Duty (12 months)	See left

520d SE

Engine

- Catalytic converter
- Common-rail injection system
- Diesel Particulate Filter (DPF)
- Digital Diesel Electronics (DDE)
- Engine mounts, hydraulically controlled
- EU4 emissions management
- Four-cylinder in-line diesel engine with four-valve technology
- Turbo

Transmission

- Six-speed manual transmission

Wheels and chassis

- 17" light alloy Star-spoke style 243 wheels
- Brake callipers – Aluminium, front and rear
- Disc brakes – front and rear, inner ventilated
- Double-joint spring-strut front axle, aluminium
- Integral rear axle, aluminium
- Servotronic power steering

Seats

- Child seat ISOFIX attachment, front (includes Passenger seat airbag deactivation, front)
- Child seat ISOFIX attachment, rear
- Linea cloth upholstery
- Standard seats – front, part-electric adjustment

Safety and technology

- Airbags comprising:
 - Advanced Head Protection System (AHPS II), front and rear
 - Crash sensor activating central locking release, hazard warning lights, fuel cut-off and interior lighting
 - Driver, front passenger, front and side
 - Impact-dependent airbag system (ID airbags), driver and front passenger
 - Passenger seat occupancy sensor, front
- Alarm system (Thatcham 1) with remote control and engine immobiliser
- Anti-whiplash head restraints, front
- Brake Force Display
- Check control warning system
- Child locking system, rear doors
- Condition Based Servicing (CBS)
- Cruise control with brake function

Safety and technology (cont.)

- Deformation zones – front and rear, that can absorb impacts of up to 9.5 mph. Bumpers absorb impacts up to 2.5 mph without damage
- Dynamic Stability Control Plus (DSC+) comprising:
 - Anti-lock Braking System (ABS)
 - Automatic Stability Control (ASC)
 - Brake drying
 - Brake fade compensation
 - Brake pre-tensioning
 - Cornering Brake Control (CBC)
 - Dynamic Brake Control (DBC)
 - Dynamic Traction Control (DTC)
 - Electronic Brake-force Distribution (EBD)
 - Hill-start assistant
 - Soft-stop
- First Aid kit and warning triangle
- Foglights, front and rear
- GRAV – Complete front-end, bonnet and front wings made from lightweight aluminium
- Halogen headlights
- Incorrect fuelling protection system (diesel models only)
- On-Board Diagnosis (OBD)
- Park Distance Control (PDC), front and rear
- Positioning lights, in headlight and rear light clusters
- Rain sensor with automatic headlight activation
- Run-flat tyres with Tyre Puncture Warning System (TPWS)
- Seat belts – front, inertia reel with pyrotechnical belt latch tensioner, belt force limiter and belt restrainer
- Seat belts – rear, three with inertia reel
- Side impact protection

Exterior equipment

- All round anti-corrosion system with partial hot galvanising, phosphate treatment and cathodic dip paintwork, preservation of hollow cavities, underfloor protection
- Exhaust tailpipe – single, oval, stainless steel with chrome finisher
- Exterior mirrors – aspheric, heated, with electric adjustment
- Exterior parts in body colour – bumpers, side sills, door handles, exterior mirror housing
- Exterior trim, Chromeline
- Indicator lenses, clear
- Kidney grille, chrome with black vertical slats
- Roof rails, Black
- Tailgate operation, soft-close
- Wash wipe system, rear
- Windscreen washer jets – heated, black

Interior equipment

- Air conditioning, automatic
- Armrest – front, with storage compartment
- Armrest – rear, with storage compartment
- Courtesy lights, front and rear with soft on/off dimming
- Cup holders, front and rear
- Door sill finishers with BMW designation

Interior equipment (cont.)

- Electric windows – front and rear, with open/close fingertip control, anti-trap facility and comfort closing function all round
- Floor mats, velour
- Glove compartment, lockable and illuminated
- Headlight range control, electric
- Interior trim, Grey, high-gloss
- Luggage compartment comprising
 - Boot release on A-pillar
 - Compartment cover, automatically retractable and removable
 - Compartment with electric unlocking via the key's remote control
 - Dividing net, retractable
- Multi-function leather steering wheel, three-spoke
- Personal Profile
- Power sockets, single 12V in luggage compartment
- Power sockets, twin 12V in rear of centre console
- Reading lights, front and rear
- Rear-view mirror, automatically dimming
- Shark-fin aerial
- Smoker's package (can be deleted)
- Start-Stop button
- Steering column with manual reach and rake adjustment
- Sun visors with illuminated vanity mirrors
- Toolkit located in luggage compartment

Audio and communication

- Auxiliary input for auxiliary playing devices
- BMW Business radio with single CD player
- CD changer preparation
- Control Display – 6.5" colour display screen
- Favourite buttons
- iDrive Controller with shortcut buttons
- On-Board Computer (OBC) comprising:
 - Average speed
 - Fuel consumption and range
 - Outside temperature display

525d SE

Equipment in addition / replacement to 520d SE

- Air conditioning, automatic with extended features
- Armrest – front with sliding adjustment
- Exhaust tailpipes – twin, stainless steel
- Kidney grille, chrome with chrome vertical slats
- On-Board Computer (OBC) comprising:
 - Average speed
 - Fuel consumption and range
 - Journey computer
 - Outside temperature display
 - Speed limit function
 - Stop watch
- Six-cylinder in-line diesel engine with four-valve technology

523i SE and 525i SE

Equipment in addition / replacement to 525d SE

- Cylinder specific knock control
- Digital Motor Electronics (DME)
- Double-VANOS
- High-precision direct injection
- Six-cylinder in-line petrol engine with four-valve technology
- Two-stage intake system (DISA)

530i SE and 530d SE

Equipment in addition / replacement to 523i SE, 525i SE and 525d SE

- 17" light alloy Radial-spoke style 244 wheels
- Metallic paintwork

535d SE

Equipment in addition / replacement to 530d SE

- Lane departure warning system
- Six-speed automatic transmission
- Two-stage twin-turbo

550i SE

Equipment in addition / replacement to 540i SE

- Dakota leather upholstery
- Extended lighting
- Interior trim, Anthracite Bamboo wood, high-gloss
- Lane departure warning system
- Standard seats – front, electric adjustment with driver memory
- Steering column with electric reach and rake adjustment

M Sport models

Equipment in addition / replacement to all SE models

- 18" light alloy M Double-spoke style 135M wheels
- Dakota leather upholstery (550i M Sport)
- Door sill finishers with M designation
- Exterior trim, High-gloss Shadowline
- Flashlight cloth/leather upholstery
- Headlining, Anthracite
- Interior trim, Aluminium Pentan
- Interior trim, Anthracite Bamboo wood, high-gloss (550i M Sport)
- M aerodynamic bodystyling
- M Sport multi-function leather steering wheel, three-spoke
- M Sport suspension
- Sport seats – front, part-electric adjustment (full electric adjustment for 550i M Sport)

520d SE Business Edition
Equipment in addition / replacement to 520d SE

- Bluetooth telephone preparation with telematics
- BMW ConnectedDrive – Assist
- BMW ConnectedDrive – Online
- CD changer
- Dakota leather upholstery
- Door sill finishers with Edition designation
- Navigation system – BMW Business

520d M Sport Business Edition
Equipment in addition / replacement to 520d M Sport

- Bluetooth telephone preparation with telematics
- BMW ConnectedDrive – Assist
- BMW ConnectedDrive – Online
- CD changer
- Dakota leather upholstery
- Door sill finishers with Edition designation
- Navigation system – BMW Business

525d SE Business Edition and 530d SE Business Edition
Equipment in addition / replacement to 525d SE and 530d SE

- Bluetooth telephone preparation with telematics
- BMW ConnectedDrive – Assist
- BMW ConnectedDrive – Online
- Dakota leather upholstery
- Door sill finishers with Edition designation
- Navigation system – BMW Professional Multimedia
- USB audio interface
- Voice Control

525d M Sport Business Edition and 530d M Sport Business Edition
Equipment in addition / replacement to 525d M Sport and 530d M Sport

- 19" light alloy M Double-spoke style 172M
- Bluetooth telephone preparation with telematics
- BMW ConnectedDrive – Assist
- BMW ConnectedDrive – Online
- Dakota leather upholstery
- Door sill finishers with Edition designation
- Navigation system – BMW Professional Multimedia
- USB audio interface
- Voice Control

The most exclusive way to drive a BMW

The higher your standards, the less room there is for compromise. For drivers with the most exacting standards BMW Individual offers a range of stunning and perfectly-crafted materials to ensure that the expression of individuality has never felt so effortless.

A BMW Individual paint finish is more than just a colour, each has its own characteristic brilliance and complexity. Five layers deep, the depth of colour is more sophisticated than the regular metallic paints thanks to a special pigmentation. Xirallic or Titanium Dioxide pigments create an iridescent effect which gives the colours an unmistakable brilliance in the light.

Inside, the level of exclusivity can be continued with the distinctive yet subtle tones of BMW Individual Merino leather. A painstaking refinement process ensures that the leather is kept soft and supple, retaining a unique feel throughout its life as well as meeting the practical demands of a luxury car. And just to complete the interior, you can choose from the hand-picked wood trims that ensure the perfect grain every time.

Let yourself be inspired with BMW Individual.

Safety and technology																									
Active Cruise Control with 'Stop and Go' function	5DF	○	○	○	○	○	○	○	○	-	-	-	-	○	○	○	○	○	○	○	○	○	○	○	£1,280
Automatic adjustment of the distance between the car and the vehicle ahead. In stop/start motorway traffic, the system will maintain the distance to the car ahead even if it comes to a complete stop. Once the traffic ahead clears, the car will return to the pre-set speed, providing that the period the vehicle was stationary was not longer than 3 seconds. Only with 205 / 2TB and 606 / 609.																									
Adaptive Headlights	524	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£370
Improved visibility by following the steering angle of the front wheels. Giving better illumination of the road ahead through corners (visibility can be improved up to 90%). Not active when the car is reversing to avoid dazzling oncoming traffic. Includes cornering light (active up to 22 mph), which provides additional illumination of the area to the front, side of the car. Only with 522.																									
Airbags, rear side	261	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£250
Rear door side airbags with outer seat belt pretensioners. Compatible with BMW ISOFIX child seats.																									
Cruise control with brake function	544	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	std
Adjustable in five mph segments as well as one mph segments for fine tuning. Pre-set speed is automatically maintained by the application of the throttle and brakes.																									
Dynamic Drive	229	-	-	○	○	○	○	○	○	-	-	-	-	○	○	○	○	-	-	-	-	-	-	-	£1,595
Roll stabilisation via active hydraulic anti-roll bars.																									
Head-up Display	610	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£920
Head-up display projects important information such as current speed directly into the driver's field of vision. Direction arrows from the Navigation system, Cruise control functions and Check control data can also be displayed. Only with 534 and 606 / 609.

Safety and technology (cont.)																									
Headlight wash	502	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£205
High pressure system for cleaning main headlights. Automatically included when 522, Xenon headlights are fitted.																									
High-beam Assistant	5AC	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£105
Supports the driver by automatically alternating between low and high beam when there is oncoming traffic and when driving through changing light conditions. The system will switch high-beam lights on and off automatically. Only with 522.																									
Lane departure warning system	5AD	○	○	○	○	○	○	●	●	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£415
Activated by a button on the steering wheel. Once travelling at speeds in excess of 40 mph, a camera mounted in the windscreen measures the distance of the car to the white lines marking out the lane. If the car crosses one of the lines, the steering wheel vibrates as an alert that the vehicle has deviated from the lane of travel. If the indicators are used, the steering wheel will not vibrate.																									
Night Vision	611	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£1,335
Infrared sensing camera integrated into the front bumper of the car which picks up heat signatures emitted from objects such as car exhaust systems or, more importantly, humans and animals up to 300 metres away. Control Display is used to show infrared images of obstacles on the road ahead for improved awareness and safety. Only with 502 and 609.																									
Park Distance Control (PDC), front and rear	508	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	●	std
Provides acoustic and visual distance warning of obstacles to the front and rear of the car. Sensors are finished in body colour.																									
Xenon headlights	522	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	○	£785
For low and high beam with dynamic range control, providing much better illumination of the road ahead at night or in poor visibility. Includes 502, Headlight wash.

Services and Benefits.

Warranties

Every BMW registered is protected by a Dealer Warranty, which provides cover for 3 years' unlimited mileage. In addition, every BMW is covered by an unlimited mileage, twelve years' anti-corrosion warranty and three years' paintwork warranty.

Full details of these warranties are available from your BMW Dealer and are provided in the BMW Warranty and Emergency Service Handbook.

BMW Emergency Service

BMW Emergency Service is the only roadside and assistance programme designed specifically for BMW vehicles offering an exceptional range of benefits and services. It is available 24 hours a day, 7 days a week and utilises a dedicated fleet of BMW Approved Technicians, equipped with Genuine BMW Parts and tools, ensuring that you and your vehicle receive the best possible care in the event of any motoring emergency. This tailor-made programme has been specifically designed to meet the needs of BMW drivers travelling in the UK and Continental Europe giving complete reassurance and peace of mind. Every new BMW is covered for three years.

BMW Magazine

Every new BMW customer receives a complimentary subscription to BMW Magazine. This lifestyle publication features all the latest news and developments from BMW, including interesting interviews, sporting news, travel experiences and art stories.

Finance and Insurance from BMW.

BMW Financial Services

Chances are, you've already decided on the BMW you want to drive. Now discover the perfect finance solution to get you behind the wheel. BMW Financial Services offers a range of tailor-made finance packages to suit you and your budget.

And to help you, at every BMW Dealership, there's a Financial Services Specialist – a dedicated expert who'll find the perfect solution for you. They'll talk you through the options and help you come to the right decision.

Our comprehensive range of finance and insurance products include:

- **BMW Select (Personal Contract Purchase)**
- **BMW Hire Purchase**
- **BMW Contract Hire**
- **BMW Car Insurance**
- **BMW Home Insurance**
- **BMW Travel Insurance**

For details of your local BMW Dealer, please call 0800 325600. Further information on our finance products can be found at www.bmw.co.uk

Finance is subject to status and available to over 18's in the UK only (excludes the Channel Islands). Guarantees and indemnities may be required. Finance is provided by BMW Financial Services, Europa House, Bartley Way, Hook, Hampshire, RG27 9UF.

BMW Car Insurance

Driving a BMW shows that you refuse to compromise on the quality of your car so why should your car insurance be any different? Designed for you, BMW Car Insurance offers cover that can help give you peace of mind.

Call BMW Car Insurance today on 0870 0240 520.

Lines open 8am – 8pm Monday to Friday, 9am – 5pm Saturdays. Max call charge from a BT landline is 8p a minute. Calls from other networks may vary.

BMW Car Insurance is underwritten by UK Insurance Limited. The Wharf, Neville Street, Leeds, LS1 4AZ, which is authorised and regulated by The Financial Services Authority.

BMW ConnectedDrive.

BMW ConnectedDrive provides telematic and online services that are fully integrated with your navigation and Bluetooth telephone system. The services provide you and your passengers access to key information from within the vehicle, helping you keep safe and in touch.

Emergency 999 SOS call

The emergency SOS call provides a direct link to a 999 emergency call centre. This call can either be activated manually, or in extreme situations the sensors in the vehicle will automatically make the call and transmit your location to the emergency services. In either instance you can be assured that help can be despatched without delay.

Breakdown call

Roadside breakdown assistance is never far away because with BMW ConnectedDrive your vehicle will have a direct link to the BMW Service Centre. This link automatically provides the operator with your vehicle details and position so that a BMW Approved Technician can be despatched quickly and easily.

Information Plus

At the push of a button local information is available wherever you may be in the country, using the Information Plus service. The service is available 24 hours a day, seven days a week and connects you to an operator who will be able to quickly access the information you need. You can request places of interest, from hotels and restaurants to museums or historical attractions. The information is then sent to your car and can then be used in your navigation system to plan a route to your destination, or to make a call on your Bluetooth telephone.

My Info

As a BMW ConnectedDrive customer you will be able to access an internet website from where you, or others, can send information to your vehicle. Multiple addresses and telephone numbers can be sent to your vehicle, they can then be transferred into your navigation system or your Bluetooth telephone. Using the My Info service you can also send residential addresses or business listings via Google Maps. When you have found a place of interest or entered the address in the map, there is a send-to-car function on the website, this will send the address and telephone number to your vehicle.

Remote Services

Remote Services provides you with the facility to contact the BMW Service Centre, who can remotely lock or unlock your vehicle. You will be required to activate your vehicle and set-up your own personal security questions within the ConnectedDrive website. After you have set-up the service, should you be in a situation where you have accidentally locked your keys in the car, the BMW Service Centre will be able to unlock your vehicle. Likewise, if you are not near your car and you cannot remember if you have locked the car, our call centre can remotely lock the vehicle for you.

Extended News and Weather

BMW ConnectedDrive provides you with access to a WAP-based browser which connects to the BMW Online portal. The portal displays the latest Weather forecast and Extended News stories from categories such as World, Business and Sports News.

My News

From your BMW Online portal, My News provides you with a selection of the latest news from internet sources, which can be defined as you desire. Through these RSS news feeds, titles and short summaries of news items from websites will be visible directly in the Control Display of your BMW. This gives you quick access to your favoured news topics and enables you to keep in touch.

Google local search

With the Google local search you can access location based information via Google Maps, from the BMW Online portal in the car. Information such as hotels and restaurants can be requested at the current vehicle location, navigation destination or at any other specific location. The content is taken directly from live Google Maps information. Search results appear in a list format, the addresses can be transferred into the navigation system or the telephone number can be transferred to a Bluetooth telephone. Some search results contain additional information such as opening hours, car park details or pictures of the location.

Routes*

With Routes you have the facility to import a route with multiple stop-off points into the navigation system. BMW Routes provides a number of default routes across Europe for you to import in your car via BMW Online. My Routes allows you to configure your own routes on the ConnectedDrive website. They can be saved onto a USB memory stick and you can import them directly into your vehicle. This provides you with the facility to plan a trip from the comfort of your own home.

*Routes is only applicable to vehicles with 609 BMW Professional Multimedia Navigation system or with Z5P Media package.

BMW ConnectedDrive website

As a BMW ConnectedDrive customer you will have access to an internet website with a route planner, traffic information and text message service. The website provides a link to your vehicle by allowing you to send information to your car. You can also modify your news links for My News, or set-up Remote Services for your car. Additional services such as profile settings and a handy help page are also featured.

A three year BMW ConnectedDrive subscription is included with every vehicle equipped with an optional navigation system (606, 609 or Z5R) and Bluetooth telephone preparation with telematics (633) or with Media package (Z5P). ConnectedDrive services are included in the standard equipment for BMW 5 Series Business Edition models. In conjunction with Bluetooth telephone preparation with telematics (633), unlimited use of BMW ConnectedDrive is included within the subscription.

In the UK ConnectedDrive services require a connection to a UK mobile telephone network. Services are not available on the Isle of Man or the Channel Islands. Some services are available in other European countries, refer to your BMW dealer for more details. Terms and conditions apply.

Aftersales.

BMW Service Inclusive

Wouldn't it be good to know all your servicing costs in advance? Well, that's exactly what BMW Service Inclusive provides. Once you have decided which of the options best suits your needs, you can simply relax, and look forward to enjoying care-free driving, courtesy of BMW Service Inclusive.

BMW Service Inclusive lasts for 5 years or 60,000 miles (whichever occurs sooner), so all you need to do is decide which option suits you best. BMW Service Inclusive – covering all your vehicle's servicing requirements or BMW Service Inclusive Plus which in addition to servicing also covers maintenance items such as brakes pads, brake discs and windscreen wipers.

Furthermore, BMW Service Inclusive is transferable to subsequent owners within the time and mileage period, enhancing the resale value of your car.*

*For further information please contact your local BMW Dealer.

Genuine BMW Accessories

Your choice of car says a great deal about you. Genuine BMW Accessories allow you to make that statement even more personal. There's endless scope for personalising your BMW to suit your needs and style, with a wide range of accessories from exterior and interior styling to mobile communications, all of which have been designed to the same exacting standards as your vehicle. For further details on Genuine BMW Accessories for your BMW, please contact your local BMW Dealer.

BMW Lifestyle

The BMW Lifestyle Collection reflects the exclusivity and versatility of BMW design. This innovative product range demonstrates the highest quality in both materials and functionality. The extensive product portfolio includes clothing and accessories items such as miniatures, keyrings, leather goods, mountain bikes, kids' mobility products, golf accessories, motorsport and yachting products.

Drag coefficient [cd]	0.29	0.29	0.29	0.29	0.30	0.29	0.29	0.29

All dimensions in millimetres.

¹ Only available with automatic transmission.

² The figure quoted includes a 90 per cent tank filling, 68 kg for the driver and 7 kg for luggage. Curb weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

³ The overall weight of the trailer may not exceed the maximum permissible trailer load plus the maximum permissible towbar download of 90 kg. Based on 12% / 8% gradient

⁴ The petrol engines are designed for RON 98 fuel. They may be run on fuel down to RON 91 with a slight decrease in engine power.

⁵ Figures for manual gearbox (automatic gearbox for the 535d model).

⁶ Electronically limited.

⁷ All engines meet the EU4 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EC) made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. Note that fuel consumption is determined for vehicles with standard equipment. Optional equipment (such as wider tyres) can have a significant impact on fuel consumption.

Figures in () apply to cars with automatic transmission.
